# The Porsche 914. Technical data. 1974

## Engine
- **Number of cylinders**: 4
- **Bore/stroke**: 93/66 mm (3.66/2.60 in.)
- **Displacement**: 1795 ccm (109.5 cu. in.)
- **Compression ratio**: 7.3:1
- **Maximum torque**: 13.0 mkg (94.0 ft. lbs.) at 3400 rpm

### 914-2.0
- **Number of cylinders**: 4
- **Bore/stroke**: 94/71 mm (3.70/2.79 in.)
- **Displacement**: 1971 ccm (120.3 cu. in.)
- **Compression ratio**: 7.6:1
- **Maximum torque**: 15.0 mkg (105.0 ft. lbs.) at 3500 rpm

## Chassis and suspension
- **Front suspension**: wishbones and shock absorber struts
- **Rear suspension**: semi-trailing arms
- **Foot brakes**: 4-wheel disc brakes

### 914-2.0
- **Front suspension**: wishbones and shock absorber struts
- **Rear suspension**: semi-trailing arms
- **Foot brakes**: 4-wheel disc brakes

## Electrical equipment
- **Alternator**: 700 watt/12 volt - 45 amp/hour battery and coil
- **Battery**:

### 914-2.0
- **Alternator**: 700 watt/12 volt - 45 amp/hour battery and coil
- **Battery**:

## Wheels
- **Tires**: 5½ J x 15 steel
- **Dimensions**: Length/width/height (unladen) 4095/1650/1230 mm (161.2/65/48.4 in.)
- **Weights**: Unladen weight (DIN standard) 970 kg (2139 pounds)
- **Permissible gross weight**: 1220 kg (2690 pounds)

### 914-2.0
- **Tires**: 5½ J x 15 steel
- **Dimensions**: Length/width/height (unladen) 4095/1650/1230 mm (161.2/65/48.4 in.)
- **Weights**: Unladen weight (DIN standard) 970 kg (2139 pounds)
- **Permissible gross weight**: 1220 kg (2690 pounds)

## Performance
- **Maximum speed**: 173 km/h (107 mph.) approx.
- **Acceleration 0-100 km/h (0-62 mph.) at DIN unladen weight + ½ payload**: 14 seconds
- **Fuel consumption (average)**: approx. 12 l/100 km (19.5 US mpg.)

### 914-2.0
- **Maximum speed**: 185 km/h (115 mph.) approx.
- **Fuel consumption (average)**: approx. 12 l/100 km (19.5 US mpg.)

## Optional equipment for both models
- **Appearance group**
- Steering wheel with leatherette cover.
- Center console with clock, oil temperature gauge and voltage meter.
- Leather boot for shift lever.
- Dual-tone horn.
- Fog lights in bumpers.

### Performance group
- Pressure cast alloy wheels.
- Front and rear stabilizer bars.
- Front spoiler.

In some cases, the cars pictured in this catalog have been equipped with items which are optional or not available in the United States. Your local authorized Porsche Audi dealer will be glad to show you the latest list of standard equipment for this market, as well as all of the available options. Design and equipment specifications are subject to change without notice.
