2020
ASCENT

The 3-row Subaru Ascent. Love is now bigger than ever.
When you’re ready for life’s next big adventure, the 2020 Ascent™ is ready to take you to new heights. It’s the largest and most versatile Subaru ever, with three rows and seating for up to eight! It’s packed with advanced technologies, from active safety systems to entertainment features. And you’ll always drive with confidence, thanks to legendary Subaru quality, durability and reliability.

The Ascent is designed to give you peace of mind when you’re behind the wheel. It features standard Subaru Symmetrical All-Wheel Drive while delivering up to 27 highway MPG,² and it can tow up to 5,000 lbs.³ And thanks to 8.7 inches of ground clearance and standard X-MODE® with Hill Descent Control, you can reach even more destinations.

We know how much safety means to you, and that’s why EyeSight® Driver Assist Technology⁴ comes standard on every Ascent. A Smart Rear-View Mirror and 180-Degree Front View Monitor are available to enhance your vision,¹ while Blind-Spot Detection and Rear Cross-Traffic Alert¹,⁵ help make you even more aware of your surroundings. Plus, SUBARU STARLINK® Safety and Security with Advanced Automatic Collision Notification is available and can send help when you need it most.¹⁶

From every seat in the Ascent, you can always be connected, thanks to built-in Wi-Fi capability¹⁷ and up to eight USB ports.¹⁸ And SUBARU STARLINK® Multimedia with standard Apple CarPlay® and Android™ Auto integration makes it easy to access all your favorite music and apps via a 6.5- or 8-inch touchscreen.¹

Our rigid Subaru Global Platform helps give the Ascent long-lasting durability, thanks to its high-strength steel construction. And because 97% of Subaru vehicles sold in the last 10 years are still on the road today,¹⁹ you can be confident that your Ascent is more than ready for the long road ahead.

¹ Availability varies by model. See your retailer for details. ² EPA-estimated highway fuel economy for Ascent and Ascent Premium models with standard equipment at 27 highway mpg. Actual mileage may vary. ³ Maximum towing capacity varies by model. Trailer brakes may be needed. Some safety features, including Blind-Spot Detection, Rear Cross Traffic Alert, Smart Rear View Mirror, and Smart MODA may not function properly during towing. See Owner's Manual for details. ⁴ EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner’s Manual for complete details on system operation and limitations. ⁵ Smart Rear View Mirror, Lane Change Collision and Rear Cross Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. ⁶ Activation with subscription required. Includes a 3-year trial subscription to Safety Plus services and a 6-month trial subscription to Safety and Security Plus services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. See your retailer for details. ⁷ Internet access is purchased separately through AT&T (4G/LTE data limits apply, and unlimited data options available). Existing AT&T customers have the option to add an additional line to their AT&T Mobile Share plan. ⁸ Accessory equipment required. See your retailer for details. ⁹ Based on IHS Markit U.S. vehicles in operation as of July 2020. ¹⁰ Available on V6 engine, at additional cost. ¹¹ Sold by Airstream, inc. © 2019 Airstream, inc. Individual sales person. ¹² Based on Kelley Blue Book © estimate as of November 2019. ¹³ Based on Kelley Blue Book © estimate as of November 2019. ¹⁴ Ascents Limited in Tungsten Metallic with optional equipment.
Fits a lifetime of memories.

Three rows. Seats 7 or 8.

With up to 153.5 cubic feet of passenger space and a multitude of seating options, the three-row Ascent welcomes everyone. Available second-row captain’s chairs give you easy access to the third row while seating up to seven. Or you can select the second-row bench, to seat up to eight! No matter the configuration, the inside of the Ascent is where the journeys—and the great stories—begin.

1 150.0 cubic feet with available panoramic power moonroof. 2 Availability varies by model. See your retailer for details.
Right-sized for your day as well as your destination.

The largest, most versatile Subaru ever.

The Ascent is designed to adapt to the size and shape of your journey, whether it’s an everyday errand or a special weekend outing. Its two rows of 60/40-split flat-folding seats allow for a wide range of cargo and seating configurations. There’s also up to 86.5 cubic feet of cargo space, plus under-floor storage, if you need it. And thoughtful details like a Power Rear Gate with lock button, standard raised roof rails and 19 cup and bottle holders mean the Ascent can take on whatever your day demands. 

1. 86.0 cubic feet with available panoramic power moonroof. 2. Availability varies by model. See your retailer for details.
Vast comfort.
Pre-Collision Braking
A driver ahead unexpectedly hits the brakes or cuts you off. EyeSight® warns you, applies brakes to help avoid impact and, at lower speeds, can even help you stop your Ascent.

Adaptive Cruise Control
Traffic doesn’t always flow smoothly, so EyeSight® doesn’t only keep a set speed. The system looks ahead and helps your Ascent automatically adjust to keep your distance, even in stop-and-go traffic.

Lane Departure and Sway Warning with Lane Keep Assist
You accidentally drift to the edge of your lane and begin to cross into another. EyeSight® watches for lane markers and can alert you with visual and audible warnings before you leave your lane. And when activated, Lane Keep Assist can even help steer you back into your proper course.

Pre-Collision Throttle Management
This system reduces power to your engine to help you avoid accidentally accelerating into the car in front of you while merging, or if you unintentionally put your Ascent in Drive instead of Reverse.

EyeSight® reduces rear-end crashes with injuries by 85%.

An extra set of eyes every time you drive.
Every Ascent includes standard EyeSight® Driver Assist Technology.
Availability varies by model. See your retailer.

Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving.

The Reverse Automatic Braking System is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See Owner’s Manual for complete details on system operation and limitations.

Activation with subscription required. Includes a 3-year trial subscription to Safety Plus services and a 6-month trial subscription to Safety and Security Plus services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. See your retailer for details.

Blind-Spot Detection

Using radar sensors, Blind-Spot Detection1,2 warns you with a visual indicator on your side mirror if the system detects a vehicle in your blind spot. Another feature of this system, Lane Change Assist, alerts you with a flashing indicator on your side mirror if it senses a vehicle approaching at a higher speed in a neighboring lane.

Rear Cross-Traffic Alert

Rear Cross-Traffic Alert1,2 uses radar sensors to help warn you of traffic approaching from the side as you are backing up, utilizing a flashing visual indicator on your side mirror and Rear-Vision Camera display as well as an audible warning.

Reverse Automatic Braking

Reverse Automatic Braking1,3 can detect objects directly behind your vehicle when backing up at a low speed and can help bring the Ascent to a stop should an object be detected within its range and the driver fail to act. There’s also the Rear-Vision Camera to help you keep an eye out.

SUBARU STARLINK® Safety and Security

The Ascent features the latest STARLINK® Safety and Security1,4 system, which can alert a first responder in an emergency, help police locate your vehicle if it’s stolen and more. And to get you started, new Ascent drivers enjoy a free three-year STARLINK® Safety Plus subscription, which includes Advanced Automatic Collision Notification, Enhanced Roadside Assistance, SOS Emergency Assistance and customizable vehicle alerts.

Safety that meets the highest expectations.

We know what’s most important to you when you drive, and that’s why safety is at the top of our minds, too. The Ascent is built in the U.S.A. on the resilient Subaru Global Platform and offers some of the most advanced active safety systems on the market. A Smart Rear-View Mirror1 and 180-Degree Front View Monitor1 enhance visibility. And advanced lighting technology, including available LED Steering Responsive Headlights with High Beam Assist1, helps make nighttime driving even safer.

The road may waver, but not your priorities.

Ascent Touring in Abyss Blue Pearl with accessory equipment.
“Are we there yet?” said no one.

Every journey in the Ascent is the perfect combination of high tech and low stress. At 54 inches, the available panoramic moonroof is the largest ever offered on a Subaru, bathing the cabin in soothing, natural light. There are three separate climate control zones, including air vents in each row. And heated and ventilated front seats, second-row heated seats, and rear-seat climate controls are all available for easily customizable comfort.

The latest STARLINK Safety and Security system includes the added convenience of Remote Engine Start with Climate Control. Accessible via your smartphone, it can help ensure your Ascent is ready and comfortable. And with available STARLINK Concierge Services, you can search for points of interest, make reservations and even find event tickets—all on the go.

More ways to bring passengers together.

Family time is quality time, and the Ascent helps make it exceptional. STARLINK Multimedia with standard Apple CarPlay® and Android™ Auto connects you to all your music and apps through a 6.5- or 8-inch touchscreen. Thanks to built-in Wi-Fi capability and up to eight USB ports throughout the cabin, it’s easy for passengers to stream their favorite content and keep all of their devices charged and connected. The available TomTom®-powered navigation system with three years of free map upgrades keeps you on the right path. And the available Harman Kardon® 792-watt-equivalent, 14-speaker premium audio system offers a crisp, authentic listening experience.

1. Availability varies by model. See your retailer for details.
2. Internet access is purchased separately through AT&T with monthly, per-gigabyte, and unlimited data options available. Existing AT&T customers have the option to add an additional line to their AT&T Mobile Share plan. Accessory equipment required. See your retailer for details.
3. A 3-year trial subscription to STARLINK Safety Plus and a 6-month trial of STARLINK Security Plus will be offered on new and Certified Pre-Owned vehicles during the introductory period. STARLINK plans can be purchased with annual or monthly terms and a credit card is required to be kept on file for specific packages and renewal purposes. See your retailer for details.
4. Requires linked Account with Plus-Botton Start. See your retailer for details.
Memories are made on outings like these, and the Ascent is engineered to get you there. It features standard Subaru Symmetrical All-Wheel Drive and a Direct-Injection Turbocharged SUBARU BOXER® engine that gets up to 27 highway MPG and delivers 260 hp and 277 lb-ft of torque. The Ascent can tow up to 5,000 lbs, boasts 8.7 inches of ground clearance, and offers standard X-MODE® with Hill Descent Control. That dream trip is now more real than ever.
Subaru vehicles hold their value better than any other brand for four years running, according to ALG.1

Subaru has the lowest 5-Year Cost to Own of all brands for 2019, according to Kelley Blue Book.2

The Subaru Ascent is a Car and Driver Editors’ Choice award winner.3

Subaru is Kelley Blue Book’s Most Trusted Brand for five years running.4

The Subaru Ascent is one of the Best New Cars of 2019, according to Autotrader5.

Ascent

- 2.5L DIT Direct-Injection Turbocharged SUBARU BOXER® engine
- EyeSight® Driver Assist Technology®
- Subaru Symmetrical All-Wheel Drive with Active Torque Vectoring
- Lineartours® High-Torque Continuously Variable Transmission with stop-and-start capability and driver adaptive shifters
- X-MODE® featuring Hill Descent Control®
- 17-inch aluminum-alloy wheels with silver finish
- Raised roof rails
- Second-row bench seat (8 passengers)
- Cloth upholstery
- 4G LTE Wi-Fi capability6

87% of Subaru vehicles sold in the last 10 years are still on the road today.7

Ascent Limited

Includes Ascent key features and adds:

- 20-inch aluminum-alloy wheels in dark gray with machine finish
- Body-color side mirrors
- Privacy glass
- Power/adjustable driver’s seat
- Split-resistant cloth upholstery
- Leather-trimmed steering wheel and shift lever handle
- Rear-seat climate controls

Ascent Limited

Includes Ascent key features and adds:

- Second-row captain’s chairs or bench seat
- 10-way power-adjustable driver’s seat with 2-position memory and adjustable high support
- 4-way power-adjustable front-passenger’s seat
- Dual-mode heated second-row seats and heated steering wheel
- Second-row retractable sunshades
- 6.3-inch LCD color multifunction display
- Reverse Automatic braking8
- Keyless Access with Push-Button Start
- Auto-dimming rearview mirror with compass and HomeLink®9
- 6 USB ports

Ascent Premium

Includes Ascent key features and adds:

- 5,000-lb. towing capacity
- 18-inch aluminum-alloy wheels in gray with machine finish
- Power Rear Gate with lock button
- Leather-trimmed upholstery
- Leather-wrapped steering wheel and shift lever handle
- 8-way power-adjustable driver’s seat with 2-position memory and adjustable high support
- 4-way power-adjustable front-passenger’s seat
- Dual-mode heated second-row seats and heated steering wheel
- Second-row retractable sunshades
- 6.3-inch LCD color multifunction display
- Reverse Automatic braking
- Keyless Access with Push-Button Start
- Auto-dimming rearview mirror with compass and HomeLink
- 6 USB ports
- SUBARU STARLINK® 8.0-inch Multimedia Navigation System, SiriusXM® All Access Radio® and Travel Link®
- Starlink Safety and Security enabled®: Includes Advanced Automatic Collision Notification, Remote Engine Start® and Concierge Services
- Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert
- All-Weather Packaging: Heated exterior mirrors, sandblasted wiper de-icer and 3-mode heated front seats
- One-touch interior illumination

Ascent Touring

Includes Ascent Limited key features and adds:

- Panoramic power moonroof
- Power-folding satin chrome side mirrors with integrated turn signals
- Chrome door handles
- Black grille
- Java Brown leather-trimmed upholstery
- Second-row captain’s chairs (7 passengers)
- Upgraded leather steering wheel
- Heated and ventilated front seats
- Woodgrain-patterned matte finish accent trim
- Rain-sensing wipers
- SUBARU STARLINK® 8.0-inch Multimedia Navigation System, SiriusXM® All Access Radio® and Travel Link®
- Harman Kardon® 720-watt equivalent premium audio system
- Interior ambient lighting and footwell lighting
- 120-volt AC power outlet
- Smart Rear-Vision Camera
- 180-Degree Front View Monitor
- Stowable cargo-area cover

2020 Ascent | Specifications

Engine and Drivetrain

- **Engine**
  - 2.4-liter DOHC, Direct-Injection Turbocharged (DIT), intercooled, aluminum-alloy 16-valve 4-cylinder horizontally opposed SUBARU BOXER® engine with Dual Active Valve Control System (DAVCS).
  - 260 hp @ 6,600 rpm | 277 lb-ft @ 2,000-4,400 rpm.

- **Automatic Transmission**
  - Lineartronic® CVT (Continuously Variable Transmission) with Adaptive Control and 8-speed manual mode with paddle shifters.

- **CA Emissions**
  - Lineairtorzn® HCVT (High-Torque Continuously Variable Transmission) with Adaptive Control and 8-speed manual mode with paddle shifters.

- **Maximum Towing Capacity**
  - Ascent: 2,000 lbs.
  - Ascent Premium, Ascent Limited and Ascent Touring: 5,000 lbs.

Traction and Stability

- **All-Wheel Drive type**
  - Subaru Symmetrical All-Wheel Drive

- **X-MODE®**
  - X-MODE® optimizes engine output and transmission ratios, increases all-wheel drive system engagement and uses enhanced control of the VDC system to reduce individual wheelspin, providing optimal traction on low-friction surfaces.

- **Hill Descent Control (HDC)**
  - X-MODE® also incorporates Hill Descent Control that helps to maintain a constant vehicle speed when traveling downhill, enhancing vehicle control.

- **Vehicle Dynamics Control (VDC)**
  - VDC electronic stability control utilizes sensors that constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate and lateral g-forces. If VDC detects a difference between the driver's intended path and the one the vehicle is actually taking, VDC applies braking power to one or reduces engine torque to help correct vehicle path.

- **Active Torque Vectoring**
  - Active Torque Vectoring works in tandem with VDC to apply braking power to the inside wheels, resulting in better handling, sharper turn-in, more neutral steering and higher cornering limits when turning.

- **Traction Control System (TCS)**
  - VDC also incorporates an all-wheel, all-speed Traction Control System, which senses a loss of traction and applies braking force to the slipping wheel or wheels as necessary to maintain vehicle motion.

- **Trailer Stability Assist (TSA)**
  - Trailer Stability Assist senses any unsafe yaw conditions and automatically applies braking to specific wheels to help driver maintain vehicle control.

Fuel

- **Fuel Economy**
  - city/highway/combined\(^2\)
  - Ascent and Ascent Premium: 21/27/23
  - Ascent Limited and Ascent Touring: 20/26/22

- **Fuel Requirement**
  - Unleaded gasoline (97 octane)

- **Fuel Capacity**
  - 19.3 gallons

Chassis

- **Steering**
  - Electric power-assisted rack-and-pinion steering (EPS).

- **Suspension**
  - 4-wheel independent rear suspension.

- **Brakes**
  - 4-wheel disc, Ventilated front and rear.

- **Tires Ascent and Ascent Premium: 245/60 R18 105H All-season.**
  - Ascent Limited and Ascent Touring: 245/50 R20 102H All-season.

- **Spare Tire Temporary use T165/90 D18**

- **Ascent**
  - 18 x 7.5-inch aluminum-alloy. Gray with machine finish.
  - 20 x 7.5-inch aluminum-alloy. Dark Gray with machine finish.

- **Fuel Requirement Unleaded gasoline (87 octane)**

- **Fuel Capacity 19.3 gallons**
### 2020 Ascent | Equipment

#### Exterior
- Keyless Access with Push-Button Start and PIN-code vehicle access
- Power Rear Gate
- Heated side mirrors and windshield wiper de-icer (All-Weather Package)
- Heated steering wheel
- Raised roof rails: black finish
- High Beam Assist (HBA)
- Brake Assist and Brake Override System
- Brake Pad Wear Sensors
- Rear Vision Camera

#### Optional
- Keyless entry and anti-theft security system with engine immobilizer
- Vehicle Dynamics Control (VDC) with Traction Control System (TCS) and Trailer Stability Assist (TSA)
- Dual front, second- and third-row USB ports
- USB-chargeable rear-seat power points
- Bumpers: chrome on lower
- Dual exhaust tips
- Driver-assist technologies: Forward Collision Detection with Pedestrian Detection and Lane Departure Prevention
- S-00833_20ASCb_20-22_r4.indd

#### Seating & Trim
- Heated front seats (All-Weather Package)
- 4-way manually adjustable driver’s seat: 6-way manually adjustable front-passenger’s seat
- 3-way power-adjustable driver’s seat
- 10-way power-adjustable driver’s seat with 3-position memory, power-adjustable lumber support and adjustable thigh support, 6-way power-adjustable front-passenger’s seat
- Heated front seats (All-Weather Package)
- Heated front and rear seats (All-Weather Package)
- Illuminated front seats
- Heated steering wheel

#### Instrumentation
- Reading and heated seat memory, seat stability and seat Yokohama tires (All-Weather Package)
- Dual front and third-row USB ports
- USB-chargeable rear-seat power points
- Rearvision camera

#### Audio System
- SUBARU STARLINK® 6.5-inch Multimedia Plus with Apple CarPlay®, Android Auto, Pandora® and Alexa smartphone app integration
- SUBARU STARLINK® cloud-based applications, including垢四Steering® and Magellan® navigation
- Subaru All-Weather Radar and Travel Link®
- SMARTA™: 4.3-inch digital multifunction screen
- Rear Vision Camera

#### Security
- Keyless entry and anti-theft security system with engine immobilizer
- Subaru Starlink Urgent SOS System
- Tire Pressure Monitoring System (TPMS)
- Heated front seats (All-Weather Package)
- 4-wheel antilock braking system (ABS) with Electronic Brake-force Distribution (EBD)

#### Climate Control
- Eyesight® Driver Assist Technology
- Dual front, second- and third-row USB ports
- USB-chargeable rear-seat power points
- Bumpers: chrome on lower
- Dual exhaust tips
- Driver-assist technologies: Forward Collision Detection with Pedestrian Detection and Lane Departure Prevention
- S-00833_20ASCb_20-22_r4.indd

#### Ascent

**Standard** | **Optional** | **Limited** | **Touring**
