2018 BRZ

BRZ. Heart of a Subaru. Soul of a sports car.
The joy of driving purified.

The 2018 Subaru BRZ

There are sports cars with rear-wheel drive. There are also sports cars with responsive steering, a few with nimble handling, and some that are lightweight. The BRZ has all of these characteristics—and more. And with the supremely low and balanced 205-horsepower SUBARU BOXER® engine, the experience is simply divine. This is how sports cars should be built—and how driving should feel.

Performance Package—Ready for your best lap.

To push the BRZ harder so it can handle the demands of higher performance driving, look no further than the Performance Package. With Brembo® performance brakes for supreme stopping power, SACHS® performance dampers for enhanced stability, and dark gray 17 x 7.5-inch, 10-spoke aluminum-alloy wheels for an exclusive look, this BRZ is ready to perform, lap after lap.

Notes:
1 Manual transmission models only.
2 We do not recommend racing your vehicle. Racing may void the vehicle warranty. See Warranty & Maintenance Booklet for details. For more information, go to safety and security on subaru.com/safety. Your driving habits may affect your fuel economy and other vehicle performance attributes.

S-21419_18BRZb_IFC-01_r2x.indd   1 12/9/17   8:12 AM
Engaging

With a traditional rear-wheel drive layout, the BRZ pays homage to classic sports car ideals while retaining modern necessities. Its combination of traits—lightness, low center of gravity, fully independent suspension, telepathic handling—deliver an unfettered, unequivocally enjoyable driving experience.

Potent

Powered by a 205-hp1 direct- and port-injected 2.0-liter 4-cylinder SUBARU BOXER® engine, the BRZ hits all the right notes in both performance and sound. The sonorous, high rpm symphony from the tuned exhaust system is music to enthusiasts’ ears.

Dialed-in

The ideal sports car driving position means you’ll find everything you need, right where you need it. The bolstered, sport-design front seats keep you planted, while the small-diameter, leather-wrapped steering wheel is perfectly complemented by a point-and-shoot 13.1:1 steering ratio.

Connected

Everywhere you go in the BRZ, you’ll feel connected to your world, thanks to standard SUBARU STARLINK™ Multimedia. It allows you to connect via Bluetooth® or USB port to apps like Pandora®, iHeartRadio®, Stitcher™ and Aha™ for all your favorite news, music and podcasts. For a more engaged experience, upgrade to the 7-inch STARLINK™ Multimedia system with standard Apple CarPlay® and Android™ Auto integration and a built-in, voice-activated navigation system powered by TomTom®. Both systems offer HD Radio® and SiriusXM® All Access Radio® for the ultimate in sound quality and listening enjoyment.

BRZ Limited in WR Blue Pearl with optional Performance Package.
It only lacks one thing— you.

Driver-focused Cockpit

Everything is designed with the driver in mind. From the small-diameter, leather-wrapped steering wheel to the strategically placed pedals, obliging shifter and low-mounted performance-design front seats with deep bolsters and Alcantara® inserts—it’s all perfectly assembled to create the ideal sports car driving position. The 4.2-inch multifunction display keeps you informed with a G-force meter, lap timer, engine torque curve maps and more, while Track Mode lets you push the limits of performance driving even further. The available dual-zone automatic climate control system keeps you in the comfort zone, while standard Bluetooth® allows for an easy connection to your favorite apps and content. Plus, an updated 7-inch STARLINK™ Multimedia system with standard Apple CarPlay™ and Android™ Auto integration and a built-in navigation system is available. You’ll also have standard auto-on/off LED headlights to keep you connected to the driving experience, even after dark.
Every excess eliminated.

Every thrill amplified.

Lightweight—2,789 Pounds

Lightweight sports cars can react more quickly, accelerate faster, and stop with more authority. With less heft, the 205-hp SUBARU BOXER® engine becomes a powerhouse, and the available 12.8-inch Brembo® performance brakes—world-beaters. High-tensile steel makes it not only lighter but stiffer, too. Also a priority was balance—so it’s rear-wheel drive for better front-to-rear weight distribution.

Low 0.27 Coefficient of Drag

To a sports car, wind is like weight—the more of it you have to move, the more it takes from your ability to perform. Features like a channeled roof, aerodynamic underbody panels and a rear diffuser help the BRZ cut through the air, sharpening the performance you'll feel.

SUBARU BOXER® Engine

Low, stable, with immediate power delivery, the SUBARU BOXER® engine with up to 205 hp is the heart and soul of the BRZ. With port-direct-injection technology, its efficiency is impeccable—up to 33 highway MPG—and its power easily harnessed with either the lauded 6-speed close-ratio manual transmission or a quick-shifting 6-speed automatic transmission with manual mode and paddle shifters.

Low Center of Gravity

Not only was the engine designed to be compact, allowing it to be mounted lower in the chassis, every element of the BRZ was placed as low as possible, from the roofline to the seating position. This is what gives the BRZ its supercar-like center of gravity measurement—18.11 inches—that keeps it firmly planted to the ground for otherworldly composure and response.

Driver-centric Ergonomics

With design features like a small-diameter steering wheel and optimally placed short-throw shifter, your hands can fully capitalize on the quick 13.1:1 steering ratio. And with sport-design instrumentation, you’ll immediately get the information you need most.

Performance-design Seats

When you’re deep in the corners, you’ll be glad the BRZ comes standard with supportive front seats with deep bolsters. They’re also available with Alcantara® inserts, which provide extra grip to help keep you in the pocket.
Tuned by STI—Subaru Tecnica International

If one word could sum up STI, it’s this: perfectionism. With their latest creation, they’ve sharpened a razor blade, enhancing the already potent BRZ so it looks and performs better than ever before. The BRZ tS comes decked out with exclusive STI parts and details you won’t find on any other BRZ this side of Tokyo. Outside, you’ll see custom styling cues, with a full STI aero kit that features an imposing functional carbon fiber rear wing. But nothing will prepare you for how it drives. With a stiffened chassis, precision-tuned SACHS® suspension, Brembo® brakes, and 18-inch STI alloy wheels fitted with Michelin® Pilot® Sport performance tires, you’ll be treated to an unforgettable driving experience.

Subaru is the Best Performance Brand for three years running, according to Kelley Blue Book."}

98% of Subaru vehicles sold in the last 10 years are still on the road today.4

IHS Markit
BRZ Limited

Includes BRZ Premium key features and adds:
• LED fog lights
• Alcantara® and leather-trimmed upholstery
• Sport-design gauges with multifunction display
• Manually adjustable air conditioning system

BRZ Limited

Includes BRZ Premium key features and adds:
• LED fog lights
• Alcantara® and leather-trimmed upholstery
• Center console and lower door lower pads with red stitching
• Instrument cluster meter visor with red stitching
• Sport-design gauges with 4.2-inch, color multifunction display
• Heated front seats
• Dual-zone automatic digital climate control
• Vehicle stability control with Push-Button Start
• Antitheft security system

BRZ Limited

Includes BRZ Limited key features and adds:
• 18 x 7.5-inch STI lightweight aluminum-alloy wheels with black finish and 215/45 R17 Michelin® Pilot® Sport summer performance tires
• Brembo® performance braking system
• High-performance STI sport-tuned suspension with SACHS® performance shock absorbers and STI-tuned SACHS® performance shock absorber and STI coil spring. Stabilizer bar.
• Performance Package: 4-wheel disc, ventilated front and rear disc-piston rear callipers. 4-channel, 4-wire ABS with Electronic Brake-force Distribution (EBD) system. 2018 BRZ: 20/27/23 mpg
• Brake Assit: When emergency braking is detected by how quickly the brake pedal is pressed, maximum brake pressure is immediately applied.
• Brake Override System: If both brake and accelerator pedals are pressed simultaneously, the system reduces the operation of the accelerator pedal to help prevent unintentional vehicle acceleration.
• Wheels and Tires
  • 2018 BRZ: 205-hp direct-injection 2.0-liter 4-cylinder SUBARU BOXER® engine
  • Close-ratio 6-speed manual transmission
  • Sport-tuned suspension
  • Multi-spoke 17-inch aluminum-alloy wheels
  • LED headlights
  • Trunk spoiler
  • Heated side mirrors
  • Cloth upholstery
  • Leather-wrapped steering wheel with audio and Bluetooth® controls
  • Sport-design gauges with multifunction display
  • Manually adjustable air conditioning system

BRZ Limited

Includes BRZ Limited key features and adds:
• 18 x 7.5-inch STI lightweight aluminum-alloy wheels with black finish and 215/45 R17 Michelin® Pilot® Sport summer performance tires
• Brembo® performance braking system
• High-performance STI sport-tuned suspension with SACHS® performance shock absorbers and STI-tuned SACHS® performance shock absorber and STI coil spring. Stabilizer bar.
• Performance Package: 4-wheel disc, ventilated front and rear disc-piston rear callipers. 4-channel, 4-wire ABS with Electronic Brake-force Distribution (EBD) system. 2018 BRZ: 20/27/23 mpg
• Brake Assit: When emergency braking is detected by how quickly the brake pedal is pressed, maximum brake pressure is immediately applied.
• Brake Override System: If both brake and accelerator pedals are pressed simultaneously, the system reduces the operation of the accelerator pedal to help prevent unintentional vehicle acceleration.

2018 BRZ | Accessories

For a complete list of available accessories, visit your local Subaru retailer or visit www.subaru.com.

STI Front Under Spoiler. STI Front Under Spoiler gives the BRZ a mean, ground-hugging look.

STI Side Under Spoiler. Complete the look on the side of the BRZ with the addition of the rear quarter under spoilers. Kit includes both left and right side under spoilers.

STI Rear Quarter Under Spoiler. Complete the look on the side of the BRZ with the addition of the rear quarter under spoilers. Kit includes both left and right rear quarter under spoilers.

Rear Bumper Diffuser. Lower rear body panel helps to direct airflow and add a sculpted braking touch to the BRZ lower rear body line.

STI Short/Throw Shifter. Significantly reduces shift force length for crisper shifts and sportier driving feel.

LED Upgrade - Dome Light. The LED dome light offers brighter, whiter and crisper interior lighting than the standard equipment lighting.

Sunshade. The foldable sunshade offers a triple layer of protection to help reduce vehicle temperature up to 40 degrees. Custom-cut to fit properly, it includes a handy storage bag.

Rear Bumper Appliqué. Clear, scratch-resistant vinyl film helps to protect bumper upper surface and leading edges. Includes a discreet pearl-colored Subaru logo.

Forehead Illumination Kit. Casts a soft blue or red glow onto the front floor area.

Auto-Dimming Mirror with HomeLink®. This upgraded Auto-Dimming Mirror detects glare and darkens automatically to protect your vision while featuring an 8-point digital compass. Three backlit HomeLink® buttons can be programmed to operate most garage doors, security gates, home lighting and more. Can also provide you with the current status of your garage door (open or closed) if your garage is part of your Subaru vehicle’s home link network.

10-inch Powered Subwoofer. Provides powerful, deep bass and also prevents in clean sound reproduction from all vehicle speakers. This is achieved by its integrated 125W amplifier and a passive crossover network. The self-contained unit mounts in the trunk. Manufactured for Subaru of America by Kicker®.

STI Alloy Wheels. The 17-inch 15-spoke STI alloy wheel set helps to give the BRZ the perfect blend of attitude and style, combined with improved handling performance and steering precision due to the reduced weight of the alloy when compared to the stock alloy wheels. The wheels are finished in black and finished off with STI branded center caps.

Dura-Brite® Clearcoat. High-performance ceramic finish hugging look.

STI Rear Under Spoiler. Complete the mean ground-hugging look down the rear panel of the BRZ. Kit includes both left and right side under spoilers.

Sunroof. The power sunroof lets you enjoy the fresh air and the natural world around you.

Durability

It’s not disposable. It’s family.

Life moves fast. Don’t slow it down with a car you can’t trust. At Subaru, we build each of our vehicles with the highest standards of manufacturing and with designs that are inherently tough and resilient. It’s why our vehicles excel in the extreme rigors of rally racing. And why 98% of Subaru vehicles sold in the last 10 years are still on the road today. It’s also why Subaru owners are so likely to stay Subaru owners for years and years. That’s more, keeping cars on the road means they stay out of landfills longer. And if we can make the world a cleaner and greener place while making cars that inspire and motivate their drivers, we’ve done our job.

Warranties®

New Car Limited Warranty

3 years or 36,000 miles, whichever comes first.

Powertrain Limited Warranty

5 years or 60,000 miles, whichever comes first.

Wear Item Limited Warranty

3 years or 36,000 miles, whichever comes first.

Repairs to the following items will also be covered under Wear Item Limited Warranty:

• Brake Pads
• Wiper Blades
• Clutch Linings
• Transmitter Batteries

Rust Perforation Limited Warranty

5 years, unlimited mileage.

24-hour Roadside Assistance

3 years or 36,000 miles, whichever comes first.

Protecting Your Investment

Once you’re part of our family, we’ll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru retailer and other services are just a phone call away. And to protect you over the long haul, we offer Added Security®, ask for it by name—extended service agreements and maintenance plans that will help protect your car for up to 7 years or 100,000 miles. They’re the only mechanical and maintenance plans backed by Subaru, and because we’ve been backing them for more than 30 years, they’re agreements you can trust. Your retailer has full coverage details.

Subaru Badge of Ownership

Subaru owners are driven by their passions. Whether hiking to see the waterfalls or driving fast through sharp corners, Subaru vehicles are designed to excel in the extreme rigors of rally racing. And why 98% of Subaru vehicles sold in the last 10 years are still on the road today? It’s also why Subaru owners are so likely to stay Subaru owners for years and years. That’s more, keeping cars on the road means they stay out of landfills longer. And if we can make the world a cleaner and greener place while making cars that inspire and motivate their drivers, we’ve done our job.

Owner Benefits
