READY FOR YOUR LIFE.
IT’S WHAT MAKES A SUBARU, A SUBARU.
FORESTER SPORTS 2.5 XT in Steel Silver Metallic.

READY FOR YOUR LIFE.

IT'S WHAT MAKES A SUBARU, A SUBARU.
Forester 2.5 XT Limited in Anthracite Black leather.

It’s always nice when everyone agrees. Say, in determining the best in class. The Subaru Forester is the winner of more awards than any other compact SUV in the past five years. It consistently receives the highest safety ratings of any vehicle on the road. And its easy drivability and practical versatility fits in ideally to the many facets of your life. Even your passengers will agree that they’re riding in one of the best vehicles in its class. Now, if you can only decide where to go for dessert.
It’s always nice when everyone agrees. Say, in determining the best in class. The Subaru Forester is the winner of more awards than any other compact SUV in the past five years. It consistently receives the highest safety ratings of any vehicle on the road. And its easy drivability and practical versatility fits in ideally to the many facets of your life. Even your passengers will agree that they’re riding in one of the best vehicles in its class. Now, if you can only decide where to go for dessert.
Forester 2.5 X with Premium Package in Topaz Gold Metallic.

> CONTROL

TO KEEP YOU SAFE
SUBARU SYMMETRICAL ALL-WHEEL DRIVE

Sleet. Gravel. Gigantic potholes. You never know what’s coming. So give yourself the adhesive advantage of the standard Subaru Symmetrical All-Wheel Drive (AWD) system to keep all four tires sticking to the road. Its uniquely balanced configuration helps ensure stability and poise. Its efficiency at transmitting power delivers greater grip and quick response to slippage. And we’ve been perfecting AWD for over 30 years. Giving you the confidence to handle virtually any road on your own terms.

CONTINUOUS AWD

Forester models equipped with the 5-speed manual transmission use a viscous-locking center differential. Should wheel slippage occur, it helps transfer power to the front or rear wheels with the most traction.

ACTIVE AWD

Matched to the 4-speed automatic, the Active AWD system monitors parameters such as wheel slippage and vehicle speed, actively adjusting power to the front or rear wheels for optimal adhesion.

VTD AWD

2.5 XT models with the optional 4-speed automatic transmission use the Variable Torque Distribution (VTD) system that normally splits power 45% front and 55% rear for a sporty feel, and dynamically reapportions torque for maximum grip.

NON-SLIP GRIP
HANDLING AND CONTROL

Safety hasn’t traditionally been synonymous with driving enjoyment. But the Forester proves that you can have the best of both. Every drivetrain component and every chassis part has been engineered to optimally blend control, performance and comfort. You’ll feel it in the quick, precise rack-and-pinion steering. The responsive 4-wheel disc brakes. And the control of the fully independent suspension. They’re all geared toward providing driving pleasure, with no compromise to the confidence-inspiring security that defines the Forester.

4-WHEEL INDEPENDENT SUSPENSION

Unlike most SUVs, the Forester provides nimble and agile handling, thanks to its car-bred, SUV-optimized 4-wheel independent suspension. While making quick work out of irregularities in the road, it provides swift response to steering input.

BRAKES

Every Forester is equipped with Electronic Brake-force Distribution (EBD). It’s a system that works in conjunction with the Anti-lock Brake System (ABS) to provide even and stable braking by optimally apportioning stopping power to the front and rear wheels.

8.1 INCHES OF GROUND CLEARANCE

With up to 8.1 inches of ground clearance (7.9 inches on the 2.5 XT models), the Forester gives you the ability to clear obstacles and travel over rocky surfaces. It puts many destinations with unpaved roads within reach.
POWER

BOTH POTENT AND EFFICIENT
SUBARU BOXER ENGINE

Every engine generates power. But the unique SUBARU BOXER engine gives you so much more. The flat, horizontally opposed configuration empowers the Forester with a lower center of gravity, delivering precise handling and enhanced stability. The result is a car that goes where you want it to, especially when changing directions quickly, impressing driving enthusiasts and safety experts alike. And its layout ensures smooth, plentiful power, matched with the efficiency and durability you need for everyday driving. Performance. Safety. Reliability. Much like the jabbing motion of a boxer’s arms that it’s named after, it packs quite a punch.

SMOOTHER OPERATION

The 180-degree boxer engine layout allows the pistons to move in exact horizontal opposition, effectively negating vibrations. Its smoothness not only sweetens power delivery, it also helps increase longevity.

GREATER CONTROL

Compared to other types of engines, the lower profile of the SUBARU BOXER engine helps the Forester lean less around curves and while maneuvering, giving you greater control overall.
5-SPEED MANUAL TRANSMISSION
For those who prefer to shift on their own. Fully synchronized to deliver smooth and precise shifts, our manual transmission also features a Hill Holder system to help minimize rolling backwards on inclines.

2.5 X
The naturally aspirated four-cylinder engine makes 173 horsepower for spirited acceleration, while providing a superior fuel economy of up to 20 city/27 highway mpg. And it meets some of the highest emissions standards in the country.

2.5 XT
The functional hood scoop is the only external hint to the thrill that awaits you. Fortified by an intercooled turbocharger that raises horsepower to 224 and torque to 226 lb.-ft., 2.5 XT models deliver proven acceleration that rivals or bests that of many sports cars. They’ll never see it coming.

PERFORMANCE
Feel the passion and knowledge derived from our rally heritage, every time you press the accelerator. Start with the SUBARU BOXER engine’s aluminum alloy construction that helps reduce its weight and increases durability. Add Electronic Throttle Control (ETC) for a more precise response to your right foot. And top it off with sophisticated valve technology for an ideal blend of smooth, powerful propulsion and efficiency. When motivated by such exceptional engines, imagine how the Forester will motivate you.

2.5 X
The naturally aspirated four-cylinder engine makes 173 horsepower for spirited acceleration, while providing a superior fuel economy of up to 20 city/27 highway mpg. And it meets some of the highest emissions standards in the country.

2.5 XT
The functional hood scoop is the only external hint to the thrill that awaits you. Fortified by an intercooled turbocharger that raises horsepower to 224 and torque to 226 lb.-ft., 2.5 XT models deliver proven acceleration that rivals or bests that of many sports cars. They’ll never see it coming.

5-SPEED MANUAL TRANSMISSION
For those who prefer to shift on their own. Fully synchronized to deliver smooth and precise shifts, our manual transmission also features a Hill Holder system to help minimize rolling backwards on inclines.

4-SPEED AUTOMATIC TRANSMISSION
Around town, this smooth-shifting unit maximizes fuel economy for more spirited driving, the transmission adapts to your driving patterns for better drivability.
VERSATILITY
FOR YOU AND YOUR PASSENGERS
COMFORT

With the refined interior and the premium amenities available in the Forester, “Are we there yet?” becomes “Are we there already?” You and your passengers can find ideal contentment with roomy accommodations for all. Keep the tunes flowing from your iPod® or satellite radio. Maintain your chosen temperature with the automatic climate control.

SATELLITE RADIO

Listen to rock, jazz, classical or any channel in digital-quality sound, wherever your journey may take you. The Forester is pre-wired for SIRIUS® Satellite Radio that lets you access over 130 channels of satellite feed. 1

1 With your paid subscription and additional equipment.

AUXILIARY JACK

Keep your playlist close by with the auxiliary audio jack, which will accommodate your iPod or virtually any portable media player. Just plug it in and your tunes will flow through the speakers.

L.L.BEAN EDITION

Inside the interior are seats trimmed in supple leather with exclusive Alcantara® accents. And a wood and leather-wraped steering wheel and shifter wait for your input.

Enjoy the dual-stage heated front seats and the 8-way power driver’s seat. And let in the sunshine and fresh air for your front and rear passengers with the panoramic power moonroof. Because you’ll find that your passengers’ grumble level is inversely proportional to their comfort level.
60:40 SPiT-FOLDING REAR SEATS
The 60:40 split-folding rear seats give you flexibility to fit your passengers and cargo. Put both seatbacks up to carry three passengers. Put one of the seats down to carry one or two passengers and a long item. Or fold both down for full access to the 68.6 cu. ft. of cargo space.

VERSATILITY
Your friends. All their bags, suitcases, sports equipment, and enough food to feed the horde. The smartly proportioned Forester gives you intelligent solutions to carry your passengers in comfort and their cargo in order. Start with the generous rear storage space that’s easy to load. Add 60/40 split-folding rear seats. A wide array of storage bins, pockets, available accessory nets, tiedowns and hooks to secure them all. And just in case you can’t get it all inside, it even comes with a roof rack that can hold up to 150 pounds.

CARGO-AREA UNDER-FLOOR STORAGE
Under the cargo-area floor, you’ll find a compartmentalized tray that’s perfect for organizing small items prone to sliding around. And they’re kept out of sight, away from prying eyes.

MULTIFUNCTION CENTER CONSOLE
Have access to the items you want close to you during the drive. Flip its lid, and rear-seat passengers get two extra cupholders. And the dual-tiered center console provides a 12-volt power outlet and a sliding armrest.

68.6 CU. FT. OF CARGO SPACE
ENGINEERING
TO AVOID AND PROTECT
STRENGTH AT ITS CORE

ACTIVE SAFETY

Keeping you safe begins with the traction of Subaru Symmetrical AWD and responsive handling to help keep your vehicle in control. These inherent Subaru advantages are supported by a comprehensive array of features to help you in an emergency. At Subaru, every innovation is designed with your protection in mind.

Our multidimensional approach to safety is integrated into every Subaru. Every part, from advanced control technologies right down to the welds of the reinforced structure, has been engineered to provide the greatest amount of protection. Providing you with the peace of mind that is the essence of every Subaru experience.

ELECTRONIC STABILITY CONTROL

The computer sensors of the available Vehicle Dynamics Control (VDC) system continually monitor driving conditions to detect and help correct unintended deviations in the vehicle’s trajectory and help set you back on the correct path.

FRONT AND SIDE AIR BAGS

An intelligent front air bag system senses front-passenger seat occupancy to determine the safest deployment level. Front side-impact air bags help protect front seat occupants.

REINFORCED CONSTRUCTION

Engineered for exceptional strength to help maintain the integrity of the cabin structure, the innovative Subaru ring-shaped reinforcements around the passenger compartment also help absorb crash-impact energy away from occupants.

PASSIVE SAFETY

Subaru innovations not only help you evade a collision. They help you and your passengers avoid injury, thanks to features like side-impact beams, active front head restraints and the Subaru safety pedal system. And a full array of air bags and a Ring-Shaped Reinforcement Frame around the cabin help dissipate the energy of an impact. Together, they help the Forester achieve top ratings in crash tests.

1 Ratings for 2007 Forester. Rating based on Insurance Institute for Highway Safety 40-mile-per-hour frontal crash test, 31-mile-per-hour side-impact test, and 20-mile-per-hour rear-impact test. For more information contact the Insurance Institute for Highway Safety or visit their website at www.ihs.org.
3 Always wear seat belts. Children should be properly restrained in the rear seat.
Your Subaru. Your Way.

2.5 X
Value doesn’t have to mean compromise with the 2.5 X. Motivated by a stout 173-horsepower engine, it’s replete with all the convenience and versatility that defines the Forester. Pick the Premium Package for features like an in-dash 6-disc CD changer, a panoramic moonroof and heated front seats.

2.5 X L.L.Bean Edition
Style meets function with the L.L.Bean Edition. Enjoy the special leather-trimmed upholstery, a wood and leather-wrapped steering wheel and a useful L.L.Bean-embossed cargo tray. And it comes standard with an automatic transmission.

Sports 2.5 X and 2.5 XT
Get aggressive styling inside and out with the Forester Sports. You’ll notice the dramatically different front fascia and Sports 2.5 XT 12-spoke 17” STI-style wheels. Step inside to find aluminum pedal covers and unique black accents to match the Anthracite Black cloth upholstery.

2.5 XT Limited
Be thrilled by the 224 turbocharged horsepower of the 2.5 XT Limited. It delivers all of the amenities Forester has to offer as standard features. Mate it to the smooth shifting 5-speed manual or get the convenience of the automatic transmission that comes with the Vehicle Dynamics Control (VDC) system.

**SUBARU SYMMETRICAL ALL-WHEEL DRIVE**

Continuous All-Wheel Drive

2.5X and 2.5XT models equipped with 5-speed manual transmission utilize a viscous-type locking center differential and limited-slip rear differential. Torque distribution normally configured at a 50/50 split front-to-rear. If wheel speed differs between front and rear axles, the system shifts power to the wheels with the most traction.

Active All-Wheel Drive

2.5XT models equipped with 4-speed automatic transmission utilize an electronically controlled variable multiplate transfer clutch and viscous-type limited-slip rear differential to distribute power to where traction is needed. Sensors monitor parameters such as wheel slippage, throttle position and braking to help determine torque distribution to the wheels with optimum traction.

Variable Torque Distribution (VTD) All-Wheel Drive

2.5XT models equipped with 4-speed automatic transmission utilize an electronically controlled variable multiplate transfer clutch in conjunction with a planetary-type center differential, and a viscous-type limited-slip rear differential. Torque distribution is normally configured at a performance-oriented rear-biased 44/56 split front-to-rear. Sensors monitor parameters such as wheel slippage, throttle position and braking to help determine torque distribution and direct it to the wheels with optimum traction.

**STABILITY AND TRACTION**

Vehicle Dynamics Control (VDC)

VDC electronically controls steering systems which constantly monitor wheel speed, steering angle, brake pressure, vehicle yaw rate and lateral g-forces. If VDC detects a difference between the driver's intended path and the one the vehicle is actually taking, VDC applies braking pressure to the appropriate wheels to help keep the vehicle on the intended path. Sports 2.5 XT and 2.5XT Limited available with standard VDC or standard with optional automatic transmission.

Traction Control System (TCS)

Traction control, which senses a loss of traction and applies braking force to the slipping wheel or wheels, is designed to maintain vehicle momentum.

**CHASSIS**

Steering

Electronic power steering system which assists the driver when turning and reduces the amount of force required to turn the steering wheel.

Suspension

Front: 4-wheel independent suspension

Rear: Front strut-type with internal rebound spring and lower 1.5-lb. Antidive geometry. Rear stabilizer bar.

Brakes

4-wheel disc brakes

**CONVENIENCE FEATURES**

Power front and rear windows with driver’s auto-down

Power mirrors

Electronically controlled cruise control

Console with sliding arrest, tray and storage compartment

Dual cupholders in front of center console. Dual cupholders in underside of center console armrest for rear passengers (rotating about 180° swivels cupholder). Dual retractable cupholder at base of rear center console armrest. Bottle holder in each front door pocket.

12-volt power outlets in dash, center console and cargo area

Overhead console with dual maplights and sunglasses storage. Sun visors with concealed vanity mirrors.

Auto-dimming rearview mirror with compass

In-dash storage compartment

Retractable/removable cargo-area cover

Removable L.L.Bean embroidered cargo area tray

Cargo-area-concealed compartment under-floor storage tray

4 cargo-area utility hooks. 2 cargo-area utility bams. 4 cargo-area lockdown hooks. 2 cargo-area grocery bag hooks.

**INSTRUMENTATION**

Analog speedometer, tachometer, coolant temperature and fuel gauges with silver trim rings

Illuminated red gauge needles on black faces with white indicators

Sport-design instrumentation with illuminated red gauge needles on gray faces with white indicators

Digital display of odometer including dual mode trip computer, ambient temperature gauge and automatic transmission gear position (if equipped). Digital clock.
CLIMATE CONTROL

Manually adjustable 2-zone air conditioning system with air filtration system, rotary controls for temperature, 4-speed fan and airflow direction. Automatic climate control system with 2-zone air conditioning, air filtration system, rotary controls for temperature, 4-speed fan and airflow direction.

SECURITY

Keypad entry system withartisan back electronic chip

Engine immobilizer

SAFETY

Front passenger additional protection in moderate to severe frontal and side-impact collisions. This system provides supplemental protection only, and seat belts must be worn in order to avoid injuries.

• Dual-stage front and seat-mounted front air bags (SRS)
• Three individual height-adjustable rear head restraints
• Headlight automatic delay off
• Active head restraints
• Energy-absorbing collapsible steering column

OPTIONAL EQUIPMENT

6-speed adaptive electronic direct control automatic transmission

Antitheft security system with增加值 back electronic chip and shock sensor

2.5X Premium Package

18" 8-spoke aluminum-alloy wheels, 4-wheel disc brakes. Limited-slip rear differential, Panoramic roof, Body color door handles, heated larger body-color side mirrors with integrated turn signals, Windshield wipers w/c rake, Heated front seats, Power adjustable driver seat, Leather-wrapped steering wheel, shifter and parking-brake handle, Automatic climate control system, Audio system speakers upgrade, 6-disc CD changer, AM/FM/WM player, Auxiliary audio jack, SIRIUS® Satellite Radio capability

GENUINE SUBARU ACCESSORIES

Make a Subaru your Subaru with Genuine Subaru Accessories. From styling enhancements to storage solutions, you can outfit your Subaru to be as unique as your adventures, giving you the versatility to take everything—and anything—you need. And backed by a 3-year, 36,000 limited warranty, they’re built with Subaru reliability in mind.

1. AUTO-DIMMING MIRROR with COMPASS and HOMELINK®
   The rearview mirror darkens to help reduce glare when headlights are detected from behind the vehicle. It also features an integrated electronic compass display.

2. KAYAK CARRIER
   This kayak carrier cradles and helps securely transport most kayak hull shapes. Includes straps with padded buckles.

3. ROOF CARGO CARRIER
   Get 13 cubic feet and up to 100 lbs. of lockable storage capacity. This roof cargo carrier opens from rear to accommodate loading from three sides. Measures 56" L x 36" W x 18" H.

4. ROOF MOUNTED BIKE ATTACHMENT
   Transport two bicycles in secure fashion. This bike attachment can hold bicycles that have 1" to 2-1/8" downtubes.

5. CARGO NETS
   Neatly hold cargo and prevent it from sliding while the vehicle is in motion.

6. CARGO TRAY
   Help protect cargo area from dirt and spills with the cargo tray. Can be easily removed and rinsed clean.

7. MOONROOF AIR DEFLECTOR
   This air deflector helps reduce wind noise and cuts sun glare. Cannot be used in conjunction with the Extended Roof Cargo Carrier.

8. SPLASH GUARDS
   The durable polymer material helps protect vehicle from stones and road grime. Fresh matches lower vehicle color. Available in a set of four.

9. REAR SPOILER
   This color-matched, rear gate spoiler adds a sporty look to your Forester.

10. TRAILER HITCH
    Heavy-duty rated at 200 pounds tongue weight and 2,400 pounds towing capacity, this hitch is built strong. Ball not included. Trailer brakes may be needed.

11. REAR BUMPER COVER
    Protect the upper surface of the rear bumper from scratches and dings with a rugged rear bumper cover.

12. ALL-WEATHER FLOOR MATS
    Custom-fitted, heavy-gauge protective floor mats help protect your vehicle carpet from sand, dirt and moisture. The mats are available for 5- and 7-passenger applications.

13. SIRIUS® SATELLITE RADIO
    Over 180 digital channels of commercial free programming including music, sports, news, talk, lifestyle, and more. Monthly subscription sold separately. Additional fees, equipment, and taxes may apply. Not available in Hawaii and Alaska.

FOR A COMPLETE LIST OF AVAILABLE ACCESSORIES, VISIT YOUR LOCAL SUBARU DEALER OR LOG ON TO WWW.SUBARU.COM.

OWNERSHIP BENEFITS

Enjoying your Subaru for years to come—that’s the promise of our comprehensive warranties and roadside assistance program. It’s a fact attested to by 95% of Subaru vehicles sold in the past 10 years that are still on the road today. It’s the confidence you feel when you get behind the wheel.

NEW CAR LIMITED WARRANTY
3 years or 36,000 miles, whichever comes first.

POWERTRAIN LIMITED WARRANTY
5 years or 60,000 miles, whichever comes first.

RUST PERFORATION LIMITED WARRANTY
5 years, unlimited mileage.

WEAR ITEM LIMITED WARRANTY
3 years or 36,000 miles, whichever comes first. We cover you where others don’t. Repairs to the following items will also be covered under warranty.
- Brake Pads
- Wiper Blades
- Clutch Linings
- Transmitter Batteries
- Shoe Linings

As a corporation, we feel that it is essential to be responsible citizens of Planet Earth. Our dedication to ease the burden on the environment at every stage begins from the time that a vehicle is conceptualized to when it’s fully integrated into your life. During the process, we’ve become the first U.S. auto assembly plant to achieve zero landfill status, with the entire plant generating less waste than the average U.S. household. We’ve received ISO 14001 certification for recycling and waste reduction in every stage of manufacturing, marketing and sales. And we offer a full array of vehicles that meet PZEV (Partial Zero Emissions Vehicle) classification. Some of our most popular models have available engines that have received the EPA’s stringent SmartWay designation, which means they emit lower amounts of pollutants that cause smog. Some less of the carbon dioxide that causes global warming. And have impressive fuel economy compared to other vehicles in their class. We think that owning a Subaru should be as rewarding as driving one.

SHARE THE EARTH

Integral to the Subaru ownership experience is understanding our never-ending commitment to finding innovative ways of preserving the environment. It’s about leaving as small a footprint as possible—respecting the Earth, respecting the future, and respecting the consumer. Resulting in technology with real-world benefits that everyone can enjoy.
Ready for your life. It’s what makes a Subaru, a Subaru.
