The Subaru Forester, a whole lot to love.
Do what you love, and do it often.

Introducing the 2016 Subaru Forester

The Forester is all about potential. To do what you enjoy with those closest to you and to be there for those that need you. It’s efficient, achieving 32 highway MPG; versatile, with standard Symmetrical All-Wheel Drive; and roomy, with a large cabin and plenty of cargo room. It’s safe too, having been named an IIHS Top Safety Pick for nine years running (2007-2016).

Capable
Count on go-anywhere capability with standard Subaru Symmetrical All-Wheel Drive and 32 highway MPG. A high 8.7 inches of ground clearance will also get you through especially rough roads. While the available X-MODE® featuring Hill Descent Control helps you more easily navigate the steep and slippery.

Durable
As the longest-lasting compact crossover in America, you can trust the Forester to last for the long haul. In fact, 96% of Subaru Forester vehicles sold in the last 10 years are still on the road today!

Safe
In addition to seven standard airbags, Forester features the available Eyesight® Driver Assist Technology™, offering added peace of mind and convenience for your daily drive. There are also the all-new STARLINK™ Safety and Security connected services to help keep you and your Subaru safe and sound!

Connected
Consider yourself connected with the new SUBARU STARLINK™ in-vehicle technology. It offers hands-free access to nearly unlimited entertainment options, including Pandora®, iHeartRadio®, STITCHER and Aha™. It even notifies you on screen when a text comes in and asks if you’d like it read out loud!

* EPA-estimated fuel economy for 2016 Forester 2.5i CVT 25 highway MPG. Actual mileage may vary. * Based on IIHS Automotive, Inc. * All Vehicles in Operation on Nada Values & Resale Values in the Motor Vehicle Consumer Guide segments for MY2014-2016 as of September 2016. * Always wear seatbelts. Children should be properly restrained in the rear seat. * Driver-Sight (at other social settings) may impair driver's ability to fully observe his/her environment. EyeSight technology does not replace driver responsibility. Use in compliance with local laws and regulations. For more information on EyeSight or other advanced safety features, visit Subaru.com /

Forester 2.5i CVT Touring in metallic Red Pearl with optional equipment.
A whole lot to love and much to explore.

Subaru has the Best Resale Value of all brands for 2015 according to Kelley Blue Book’s KBB.com.¹

¹limitations and resale value is based on the 2015 model year. For more information, visit Kelley Blue Book’s KBB.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc.
Auto-dimming Mirrors with Approach Light

Make it easier—and safer—to come and go with the accessory Exterior Auto-dimming Mirrors with Approach Light.

When the doors are opened or unlocked with the key fob, LED lights on the side-view mirrors will help light the way, casting light on all four doors and the ground near the vehicle.

They can also help reduce headlight glare in traffic. When the Interior Auto-dimming Rearview Mirror detects excessive light from the rear of the vehicle, the side-view mirrors automatically dim, helping to keep the light out of your eyes. The brighter the light, the dimmer the mirrors and the better you’ll be able to see.

1 Interior Auto-dimming Mirrors with Approach Light are accessory equipment. Requires Interior Auto-dimming Rearview Mirror accessory.
Refined Interior

There’s a lot to enjoy in the new Forester like an available large panoramic moonroof to give everyone a wide-open feeling and the all-new STARLINK™ Safety & Security connected services that can promptly send first responders when an airbag deploys, help police locate your vehicle if it’s stolen, and more. STARLINK™ in-vehicle technology also gives you instant access to music, maps, news and text messages through the touchscreen or voice commands without ever touching your phone.

There’s a standard 4.3-inch, full-color multifunction display, with info on vehicle settings as well. A standard Rear-Vision Camera also displays on the audio system screen to help you safely reverse, while the available touchscreen navigation system is there to help you find your way.

Lots of room for lots of possibilities.

1 Activation and required subscription sold separately. Includes one year trial subscription. For availability, costs and terms, see retailer. 2 Application availability and features vary by make, model, carrier and may require an active Internet connection. Stopping use at night is recommended. Operating conditions may cause include hand-eye coordination. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier’s rates may apply.
An extra set of eyes every time you drive.

Pre-Collision Braking
A driver ahead unexpectedly hits the brakes or cuts you off. EyeSight® warns you, applies the brakes, and at lower speeds, can even help you stop your Subaru.

Pre-Collision Throttle Management
If you put the car in Drive instead of Reverse and EyeSight® sees an object in your path, it cuts power to help you avoid accelerating into it.

Adaptive Cruise Control
Traffic doesn’t always flow, so EyeSight® doesn’t only keep a set speed. The system looks ahead and helps the Subaru automatically adjust to keep your distance, even in stop-and-go highway traffic.

Lane Departure and Sway Warning
You accidentally drift to the edge of your lane and begin to cross into another. EyeSight® watches for lane markers and chimes to warn you before you leave your lane.

The 2016 Forester is an IIHS Top Safety Pick for nine years running (2007-2015) and a 2016 Top Safety Pick+ with the optional EyeSight® Driver Assist Technology.

— Insurance Institute for Highway Safety (IIHS)
A turbocharged taskmaster.

Forester 2.0XT

Utility with just the right amount of sport, the Forester 2.0XT features a turbocharged, direct-injected SUBARU BOXER® engine with 250 hp and standard Subaru Symmetrical All-Wheel Drive, achieving 28 highway MPG. This advanced engine is mated to a high-torque Lineartronic® CVT with paddle shifters and 6- and 8-speed manual modes, to help ensure peak MPG, while keeping things fun behind the wheel.

Pumping out that extra rush the way you want it, standard Subaru Intelligent Drive (SI-DRIVE) includes three distinctive performance modes that customize engine response at the push of a button. A large, panoramic moonroof gives everyone aboard a great view of the sky, while its aggressive looks and large 18-inch wheels reveal the fierce side of the Forester 2.0XT.

1 EPA-estimated fuel economy for 2016 Forester 2.0XT at 24 highway MPG. Actual mileage may vary.
2 High-speed automatic trans with 5- and 6-speed manual shift.

<th>2.0XT</th>
</tr>
</thead>
<tbody>
<tr>
<td>Subarу Symmetrical All-Wheel Drive</td>
<td>—</td>
<td>—</td>
</tr>
</tbody>
</table>

#### X-MODE®

X-MODE® optimizes engine output and transmission ratio, increases all-wheel drive system engagement and uses enhanced control of the VDC system to reduce individual wheelspin, providing optimal traction on low friction surfaces.

|  | 2.5i and 2.5i Premium: Not available. | — | — |
|  | 2.5i Limited, 2.5i Touring, 2.0XT Premium and 2.0XT Touring: Standard. | — | — |

#### Hill Descent Control (HDC)

X-MODE® also incorporates Hill Descent Control that helps to maintain a constant vehicle speed when traveling downhill, enhancing vehicle control.

|  | 2.5i and 2.5i Premium: Not available. | — | — |
|  | 2.5i Limited, 2.5i Touring, 2.0XT Premium and 2.0XT Touring: Standard. | — | — |

#### Vehicle Dynamics Control (VDC)

Standard VDC electronic stability control utilizes sensors, which constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate and lateral g-forces. If VDC detects a difference between the driver’s intended path and the one the vehicle is actually taking, VDC applies braking power and/or reduces engine torque to help correct vehicle path.

|  | 2.5i and 2.5i Premium: Not available. | — | — |
|  | 2.5i Limited, 2.5i Touring, 2.0XT Premium and 2.0XT Touring: Standard. | — | — |

#### Traction Control System (TCS)

VDC also incorporates an all-wheel, all-speed traction control system, which senses a loss of traction and applies braking force to the slipping wheel or wheels as necessary to maintain vehicle motion.

|  | 2.5i and 2.5i Premium: Not available. | — | — |
|  | 2.5i Limited, 2.5i Touring, 2.0XT Premium and 2.0XT Touring: Standard. | — | — |

2016 Forester | Accessories

Accessories

- Heavily-duty Roof Cargo Basket, mounts to vehicles with standard roof rails and is compatible with most genuine Subaru roof carriers for bikes, kayaks, ski and cargo carriers. Not applicable to vehicles with Fixed Crossbar Set. Awn and drain cover with heavily-duty roof cargo basket.

- Pkg Light KG, current use and wide beam of light to enhance vision in inclement weather.

- Cargo Trap, tough, durable trap helps protect cargo area. Can be easily removed and mixed folded.

- Rear Seatback Protection. Prevents additional protection to the mar shalls when-Inventing the seats to lower longer cargo. Use in conjunction with a Rear Cargo Tray.

- Body Side Moldings. Colormatched moldings help protect vehicle doors from parking lot scratches while attractingly blending with the lines of the car.

- Trailer Hitch. Rated at 176 lbs tongue weight with 1,108 lbs of towing capacity. Equalized to the same rigorous standards as the rest of the Forester line. Hitch includes a backup sensor. Trailer sensors may be required.

2016 Forester | Owner Benefits

Protecting Your Investment

Once you’re part of our family, we’ll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru retailer and other services are just a phone call away. And to protect you over the long haul, we offer Adding Security Plan—ask for it by name—extended service agreements and maintenance plans that will help protect your car for up to 100,000 miles. They’re the only mechanical and maintenance plans backed by Subaru, and because we’ve been backing them for more than 30 years, they’re agreements you can trust. Your retailer has full coverage details.

Subaru Badge of Ownership

The commitment shines through. For Subaru owners, it shines in keypad scuffs anditations scratches. It can take the form of a dog hair that just won’t come out, fresh coats of dust, or extra coatings of wax. For many, the Subaru Badge of Ownership has been their shining star. Or designates owners who offer badges online for free, stick them on, and tell everyone how they experience the world. Which still, in my view, gets it.

Warranties

- New Car Limited Warranty: 3 years or 36,000 miles, whichever comes first.
- Powertrain Limited Warranty: 5 years or 60,000 miles, whichever comes first.
- Wear Item Limited Warranty: 3 years or 36,000 miles, whichever comes first.
- Rust Perforation Limited Warranty: 5 years, unlimited mileage.
- 24-hour Roadside Assistance: 3 years or 36,000 miles, whichever comes first.
