Introducing the Subaru Forester. The SUV for all you love.
When it comes to love, go all-in.

The 2020 Forester is an SUV that can’t be summed up in three letters. It offers room for long weekends, reliability for daily drives, and a wide range of safety innovations—so wherever you go, peace of mind will follow. Because 97% of Subaru Forester vehicles sold in the last 10 years are still on the road today, this SUV is built to last.

Every Forester is equipped with standard EyeSight® Driver Assist Technology® which includes Advanced Adaptive Cruise Control with Lane Centering. There’s also the DriverFocus™ Distraction Mitigation System, a safety innovation designed to reduce distracted or drowsy driving. You can also opt for the latest SUBARU STARLINK® Safety and Security system® and a host of advanced technologies, including Blind-Spot Detection® and Rear Cross-Traffic Alert®.

The Forester offers comfortable room for everyone and up to 76.1 cubic feet of cargo space. Its extra-wide rear gate opening helps you load with ease, and a 60/40-split flat-folding rear seatback ensures the Forester can adapt to however your day is shaping up. A full life demands nothing less.

Wherever you go, you should be able to take your music and apps with you. That’s why the Forester features standard SUBARU STARLINK® Multimedia with Apple CarPlay® and Android Auto™ integration. It also offers built-in Wi-Fi capability to keep you connected while on the road. Further convenience is provided by available STARLINK® Concierge Services® and Remote Engine Start with Climate Control® which lets you set the perfect temperature from your smartphone.

It’s fun to make stops along the way—but not if you’re constantly refueling. On a single tank, the Forester can go over 530 miles and combines 33 highway MPG with the all-road confidence of standard Subaru Symmetrical All-Wheel Drive. Thanks to its 182-hp, direct-injection SUBARU BOXER® engine and auto start-stop technology, you’ll keep the journey going and the extra stops to a minimum.

Fits your life. And wherever you want to take it.

Extremely adaptable
With up to 76.1 cubic feet of cargo space, the Forester is designed to leave your options open—especially when you consider its extra-wide rear gate opening. With just the touch of a button, the available Power Rear Gate gives you easy access to the vast cargo area. For more space, you can quickly adjust the 60/40-split flat-folding rear seatback, and you can also easily secure extra cargo to the raised roof rails. Once you’re all packed, your passengers will still have plenty of room.

Expertly capable
The Forester lets nothing get in the way of an out-of-the-way place. With 8.7 inches of ground clearance and standard Subaru Symmetrical All-Wheel Drive, you’ll take on different driving conditions with confidence. You can also count on its direct-injection SUBARU BOXER® engine for increased power without sacrificing fuel economy. The Forester maximizes control with standard SI-DRIVE, which lets you custom-tailor engine performance to your driving needs. When it comes to tougher roads, the available dual-function X-MODE® system with Hill Descent Control includes two specifically engineered settings: one for snow and dirt; one for deep snow and mud.
An extra set of eyes every time you drive.

Every Forester includes standard Subaru EyeSight® Driver Assist Technology.1

Equipped with a comprehensive suite of innovative safety features, EyeSight® looks ahead, alerts you to potential dangers and can even intervene to help you avoid a collision.

1 EyeSight® is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions.

Pre-Collision Braking
Can help slow and bring your Forester to a full stop if necessary.

Lane Departure and Sway Warning
Can alert you if you drift to the edge of your lane and begin to cross into another.

Advanced Adaptive Cruise Control with Lane Centering
Automatically helps keep you centered in your lane, at a safe distance behind the car in front of you—even in traffic and around curves.

Pre-Collision Throttle Management
Can reduce your engine power to help give you more time to react and to help minimize the possible impact force and frontal impact damage.

EyeSight® reduces rear-end crashes with injuries by 85%2

1 Based on IIHS reporting data as of January 2017 from MY2013–2015 Subaru models equipped with EyeSight®.

2 Centers for Disease Control and Prevention, citing National Center for Statistics and Analysis. Distracted Driving: 2015, in Traffic Safety Research Notes. DOT HS 812 381. March 2017, National Highway Traffic Safety Administration: Washington, D.C. 3 The DriverFocus ™ Distraction Mitigation System is a driver-recognition technology designed to alert drivers if their attention to the road wavers or if the driver’s focus appears to turn away. The driver is always responsible for safe and attentive driving. System effectiveness may be affected by articles of clothing worn on the head or face. See Owner’s Manual for complete details on system operation and limitations. 4 Availability varies by model. See your retailer for details.
Blind-Spot Detection

Using radar sensors, Blind-Spot Detection¹,² warns you with a visual indicator on your side mirror if the system detects a vehicle in your blind spot. Another feature of this system, Lane Change Assist, alerts you with a flashing indicator on your side mirror if it senses a vehicle approaching at a higher speed in a neighboring lane.

Rear Cross-Traffic Alert

Rear Cross-Traffic Alert¹,² uses radar sensors to help warn you of traffic approaching from the side as you are backing up, utilizing a flashing visual indicator on your side mirror and standard Rear-Vision Camera display as well as an audible warning.

Reverse Automatic Braking

Reverse Automatic Braking¹,³ can detect objects directly behind your vehicle when backing up at a low speed and can help bring the Forester to a stop if it detects an object within its range and the brakes have yet to be applied. There’s also the Rear-Vision Camera to help you keep an eye out.

Safety that meets the highest expectations.

To help protect you and your passengers, the Forester is equipped with our latest safety innovations. Standard LED headlights with available steering responsive functionality help you see better around corners.¹ High Beam Assist¹ can automatically dim and activate your high beams as needed. At the core of the Forester is the Subaru Global Platform, providing a rigid body structure for high crash-energy absorption. Every time you head out, your confidence will follow.

Our best trait is our most important one, too.

Safety that meets the highest expectations.

To help protect you and your passengers, the Forester is equipped with our latest safety innovations. Standard LED headlights with available steering responsive functionality help you see better around corners.¹ High Beam Assist¹ can automatically dim and activate your high beams as needed. At the core of the Forester is the Subaru Global Platform, providing a rigid body structure for high crash-energy absorption. Every time you head out, your confidence will follow.

1 Availability varies by model. See your retailer for details. 2 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during lane changes and are not intended for safe and attentive driving. 3 Reverse Automatic Braking System is not intended for safe and attentive driving. System effectiveness depends on many factors, such as vehicle stabilization, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. 4 The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. See your retailer for details.
A cabin space filled with intelligence, comfort and convenience.

Even before you step into your Forester, you can start it up and set the perfect temperature right from your smartphone via newly available Remote Engine Start with Climate Control.¹ The moment you’re in, the driver’s seat, side mirrors and climate settings can automatically adjust to your pre-set preferences, thanks to the available DriverFocus™ system. You can easily connect to your music and apps with standard SUBARU STARLINK® Multimedia with Apple CarPlay® and Android Auto™ integration. Built-in Wi-Fi capability lets your passengers stream their favorite content, browse the internet and more.¹³ And with available STARLINK® Concierge Services, you can search for points of interest, make reservations and even find event tickets—all while on the go.¹³¹²

You can always look forward to the destination, but in the interior of the Forester, you can also look forward to the whole way there. High-quality soft-touch materials and up to 111.9 cubic feet of passenger space ensure a comfortable ride with no shortage of legroom. Up front, you’ll find thoughtful details, including standard automatic climate control, an available 8-way power passenger seat¹ and an available heated steering wheel¹. The second row offers available heated seats, air vents and USB charge ports.¹ Wherever you’re sitting, you can enjoy the available panoramic moonroof overhead and the Harman Kardon® premium audio system, bringing music to life through 9 speakers and a 576-watt-equivalent amplifier.¹

¹ Availability varies by model. See your retailer for details. ² Activation with subscription required. Includes a 3-year trial subscription to Safety Plus services and a 6-month trial subscription to Safety and Security Plus services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. See your retailer for details. ³ The DriverFocus Distraction Mitigation System is a driver recognition technology designed to alert drivers if their attention to the road wavers or if the driver’s face appears to turn away. The driver is always responsible for safe and attentive driving. System effectiveness may be affected by articles of clothing worn on the head or face. See Owner’s Manual for complete details on system operation and limitations. ⁴ Keyless Access with Push-Button Start required. ⁵ Activation and subscription required. Internet access is purchased separately through AT&T with monthly, per-gigabyte, and unlimited data options available. Existing AT&T customers have the option to add a line to their AT&T Mobile Share plan. See your retailer for details. ⁷ Without available power moonroof.
Wear it on your sleeve. And on your SUV.

The Forester Sport

It’s hard to miss the distinctive styling of the Forester Sport. Orange and Crystal Black Silica accents characterize its unique interior and exterior, while 18-inch alloy wheels help to make its presence known. Step in, and you’ll notice its vibrant LED interior lighting and a helpful rear gate light. Get going, and you’ll discover how easily the Forester Sport meets the demands of the drive, thanks to its enhanced SI-DRIVE system and dual-function X-MODE® with Hill Descent Control. Wherever the road takes you, roof rail tie-down points help keep your cargo tight and secure.
97% of Subaru Forester vehicles sold in the last 10 years are still on the road today.²

IHS Markit

Parents Magazine has named the Subaru Forester a Best Family Car of 2019.

Subaru has been named one of the highest automotive brand loyalty among the mainstream brands for 2019, according to J.D. Power.³

Subaru has the lowest 5-Year Cost to Own of all brands for 2019, according to Kelley Blue Book.¹

2020 Forester | Models

### Forester
- 182-hp 2.5-liter 4-cylinder SUBARU BOXER® engine with direct injection and auto start-stop technology
- EyeSight® Driver Assist Technology⁶
- Subaru Symmetrical All-Wheel Drive
- Lineartronic® CVT with Active Torque Vectoring
- 3i-DIVE Engine Performance Management
- 17-inch steel wheels with covers
- Auto-on/off LED headlights
- Cloth upholstery
- 6-way manually adjustable driver seat
- 6-way manually adjustable front-passenger seat
- SUBARU STARLINK® 6.5-inch Multimedia Plus with Apple CarPlay® and Android Auto® Integration, STARLINK® cloud-based applications, SiriusXM® All Access Radio® and Travel Link® ⁴ speakers, USB port/Phone control, Bluetooth® audio streaming and hands-free phone connectivity
- Dual USB input ports
- Automatic climate control system
- Rear Vision Camera
- Rear-seat Reminder

### Forester Limited
Includes Forester Premium key features and adds:
- Dual-function X-MODE® with Hill Descent Control
- 17-inch aluminum-alloy wheels
- Panoramic moonroof
- Raised roof rails: black finish
- Rear spoiler
- Body-color exterior mirrors
- Privacy glass
- Premium cloth upholstery
- 10-way power-adjustable driver seat
- Leather-wrapped steering wheel
- Rear-seat center armrest with dual cup holders
- Center console rear vents
- STARLINK® Safety and Security enabled: includes features and services such as Automatic Collision Notification, Remote Engine Start® and Concierge Services
- 6 speakers
- All-Weather Package: Heated exterior mirrors, front seats and windshield wiper drizzle
- Cargo-area cover

### Forester Premium
Includes Forester key features and adds:
- X-MODE® with Hill Descent Control
- 17-inch aluminum-alloy wheels
- Panasonic moonroof
- Raised roof rails: black finish
- Rear spoiler
- Body-color exterior mirrors
- Privacy glass
- Premium cloth upholstery
- 10-way power-adjustable driver seat
- Leather-wrapped steering wheel
- Rear-seat center armrest with dual cup holders
- Center console rear vents
- STARLINK® Safety and Security enabled: includes features and services such as Automatic Collision Notification, Remote Engine Start® and Concierge Services
- 6 speakers
- All-Weather Package: Heated exterior mirrors, front seats and windshield wiper drizzle
- Cargo-area cover

### Forester Touring
Includes Forester Limited features and adds:
- LED fog lights
- Touring 18-inch aluminum-alloy wheels
- Roof rails with stainless accents and integrated turn signals
- Silver metallic: fresh finish, side and rear underguards
- Satin chrome exterior mirrors with integrated turn signals and automatic reverse tilt
- Available Saddle Brown Leather upholstery
- 2-position driver waist memory
- 8-way power-adjustable front-passenger seat
- Heated windshield wiper and outboard rear seats
- SUBARU STARLINK® 8.0-inch Multimedia Navigation System with Apple CarPlay® and Android Auto® smartphone integration, STARLINK® cloud-based applications, SiriusXM® All Access Radio® (Traffic info)¹¹ and Travel Link®¹¹ dual USB ports/Phone control, Bluetooth® audio streaming, hands-free phone and text messaging connectivity
- Harman Kardon®® 576-watt equivalent premium audio system with 9 speakers
- DriverFocus® Distraction Mitigation System²
- Reverse Automatic Braking⁹
- One-touch folding rear seatbacks
- LED dome, cargo and rear gate lights

### Forester Sport
Includes Forester Premium key features and adds:
- Dual-function X-MODE® with Hill Descent Control
- SI-DRIVE with Sport Sharp (SV) mode
- LED fog lights
- 18-inch aluminum-alloy wheels
- Roof rails with integrated tie-downs
- Front, rear and side underguards with integrated turn signals
- Orange and Crystal Black Silica exterior accents
- Gray SportSeats with leather upholstery
- Orange stitching and interior trim accents
- Sport gauges with color LCD display
- Keyless Access with Push-Button Start
- Dual rear USB charge ports
- LED dome, cargo and rear gate lights
- 4G LTE Wi-Fi capability³
- Cargo-area tray

### Auto Start-Stop System

Automatically turns off and restarts the vehicle's engine when stopped, reducing vehicle idle time, emissions and fuel consumption. +

### Traction and Stability

- **All-Wheel Drive type**
  - Subarum Symmetrical All-Wheel Drive +

- **X-MODE®**
  - X-MODE® optimizes engine output and transmission ratio, increases all-wheel drive system engagement and uses enhanced control of the VDC system to reduce or increase individual wheel slip, providing optimal traction on various types of terrain and low friction surfaces. +
  - Forester: N/A
  - Forester Premium: Standard. Single mode system
  - Forester Sport, Forester Limited and Forester Touring: Standard. Dual-mode system with Snow/Dirt and Deep Snow/Mud modes.

- **Hill Descent Control (HDC)**
  - X-MODE® is also incorporated in Hill Descent Control that helps to maintain a constant vehicle speed when traveling downhill, enhancing vehicle control. +
  - Forester: N/A
  - Forester Premium, Forester Sport, Forester Limited and Forester Touring: Standard.

- **Vehicle Dynamics Control (VDC)**
  - VDC electronic stability control utilizes sensors that constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate and lateral g-forces. If VDC detects a difference between the driver's intended path and the one the vehicle is actually taking, VDC applies braking power and/or reduces engine torque to help correct vehicle path. +

- **Traction Control System (TCS)**
  - VDC also incorporates an all-wheel, all-speed Traction Control System that senses a loss of traction and applies braking force to the slipping wheel or wheels as necessary to maintain vehicle motion. +

- **Active Torque Vectoring**
  - Active Torque Vectoring works in tandem with VDC, applying braking power to the inside wheels, resulting in sharper turn-in, more neutral steering and higher cornering limit while turning. +

- **Trailer Stability Assist (TSA)**
  - Trailer Stability Assist senses any unstable yaw conditions and automatically applies braking to specific wheels to help the driver maintain vehicle control. +

### Fuel and Emissions

<table>
<thead>
<tr>
<th>Fuel Economy</th>
<th>Forester</th>
</tr>
</thead>
<tbody>
<tr>
<td>city/highway/combined</td>
<td>+</td>
</tr>
</tbody>
</table>

### Chassis

- **Steering**
  - Electric power-assisted rack-and-pinion steering (EPS). Turning circle: 35.4 feet. +

- **Suspension**
  - 4-wheel independent suspension. +

- **Brakes**
  - 4-wheel disc. Ventilated front and rear. +
  - 4-channel, 4-sensor ABS with Electronic Brake-force Distribution (EBD). +

- **Brake Diameter (front/rear)**
  - Forester and Forester Premium: 11.6 inches/11.2 inches, +
  - Forester Sport, Forester Limited and Forester Touring: 12.4 inches/11.2 inches, +

### Electronic Parking Brake

- Brake Override System: If both brake and accelerator pedals are pressed simultaneously, the system reduces the operation of the accelerator pedal to help prevent unintentional vehicle acceleration. +

### Wheels and Tires

- **Wheels**
  - Forester: 17 x 7.0-inch steel with covers. +
  - Forester Premium: 17 x 7.0-inch aluminum-alloy. Silver finish. +
  - Forester Sport: 18 x 7.0-inch aluminum-alloy. Black with machine finish. +
  - Forester Limited: 17 x 7.0-inch aluminum-alloy. Black with machine finish. +
  - Forester Touring: 18 x 7.0-inch aluminum-alloy. Black with machine finish. +

- **Alloy Wheel Package**
  - 17 x 7.0-inch aluminum-alloy. Silver finish. +

- **Tires**
  - Forester, Forester Premium and Alloy Wheel Package: 225/60 R17 R17 R17 All-season. +
  - Forester Sport, Forester Limited and Forester Touring: 225/55 R18 R18 R18 All-season. +

### Standard, Optional

- **Standard**
- **Optional**
- **Not equipped**
Audio and Navigation Systems (continued)

SUBARU STARLINK® 7.0-inch Multimedia System with Apple CarPlay® and Android Auto® (Fours): Smartphone app integration (STARLINK®) cloud-based applications, including "Hey" and "HeartBeat®". Audio: SUBARU Audio Radios and "Outback" radio: HD radio, dual USB input ports/Phone control, Bluetooth® audio streaming, hands-free phone and text messaging connectivity, and 2.5-min auxiliary jack

6 speakers

Harman Kardon® premium audio system with 8 speakers and STE- squat-equivalent amplifier

Climate Control

Automatic air-conditioning system with air filtration

dual-zone automatic climate control system with air filtration

Instrumentation

17-in. color multifunction display with regional top-compasses, driving current and average fuel economy, statistics to display, speed limit for current driving conditions, speed limit for your current route, and brake force display

6-in. color multifunction display with information displays for fuel economy, average and current distance to empty, remaining fuel on board, and audio system and more

Security

Keyless entry system with passive entry and push-button start

SIRIUSXM® All Access Radio® and Travel Link®

NFC technology, high-resolution LCD touchscreen display, voice-activated controls, AM/FM/CD player, HD Radio, dual USB input ports/Phone control, Bluetooth® audio streaming, hands-free phone and text messaging connectivity, and 2.5-min auxiliary jack

5 speakers

4 speakers
