Life moves fast. Don’t slow it down with a car you can’t trust. At Subaru, we build each of our vehicles with the highest standards of manufacturing, and with designs that are inherently tough and resilient. It’s why our vehicles excel in the extreme rigors of rally racing. And why 98% of all the vehicles we’ve built in the last 10 years are still on the road today. It’s also why Subaru owners are so likely to stay Subaru owners for years and years. What’s more, keeping cars on the road means they stay out of landfills longer. And if we can make the world a cleaner and greener place while making cars that inspire and motivate their drivers, we’ve done our job.

It’s family.

It’s not disposable.
We start with an insatiable desire to bring performance to the people. We take it to the limit with the street-scorching Impreza WRX, then push it unbelievably farther with the g-defying WRX STI. Which stirs you?

The edge is just the beginning.
Thrilling
With turbocharged 265 horsepower and 244 lb-ft of torque, the WRX has a punch that is instantly and completely felt.

Responsive
A sport-tuned suspension with stiff rear subframe bushings dials up reflex quick agility with surefooted composure.

Sharp
From hood scoop to side air vents to rear spoiler, WRX is styled to make bold promises and engineered to keep them.

As serious as it looks.
As powerful as it drives.

The 2013 WRX
Unflinching all-road performance and an unabashed design express the uncompromising soul of the WRX—a real-world sports car as forceful as its presence.
“The level of performance and fun for the price is really outstanding, and the WRX is the sort of car that I didn’t want to stop driving.”

—Automobilemag.com, April 2012

WRX 5-Door
Performance runs deep.
Commitment comes from the core.

Power
Passion is unleashed from the WRX and WRX STI as visceral power. The SUBARU BOXER® engine makes it, with a low-slung and uniquely balanced design for poise and agility. Subaru Symmetrical All-Wheel Drive channels it to all four wheels for traction and stability. And you feel it. 265 horsepower and a potent 244 lb-ft of torque at 4,000 rpm in the WRX. 305 horsepower and 290 lb-ft of vicious torque in the WRX STI. A pure and immediate rush. With innovative SI-DRIVE, you can tailor the way the WRX STI delivers all that power—from smooth and efficient to completely unrestrained. No matter how intense you like performance, the WRX and WRX STI are engineered to exhilarate at every level.

Active Valve Control System
While turbocharging boosts power by pumping more air into each cylinder, for peak performance it’s essential that the timing of the fuel and air delivery be precisely controlled. The Subaru Active Valve Control System (AVCS) on the WRX and Dual Active Valve Control System (DAVCS) on the WRX STI make sure to deliver the fuel and air mixture at exactly the right moment. And valve timing is adjusted to match engine rpm, to help create optimal response at any speed.

WRX | WRX STI

Brembo® Brakes
The WRX STI features the Brembo® performance braking system to help you keep a secure leash on all its power. Powerful ventilated front and rear disc brakes—the front ones span 13 inches—are teamed with 4-piston front and dual-piston rear calipers and 4-channel, 4-sensor Super Sport ABS with Electronic Brake-force Distribution (EBD).

WRX STI

Suspension
For the WRX STI, the suspension raises the bar with masterful handling and captivating control. Tight, tuned and tested at the limit to knife into corners with precise accuracy, while still soaking up uneven roads without upsetting the chassis. Inverted front struts help create an ideal balance of stability and precision, and the double-wishbone rear suspension responds to rough surfaces with smoothness that never compromises control.

WRX STI

Driver Controlled Center Differential
The WRX STI puts you in the driver’s seat in more ways than one. With the exclusive Driver Controlled Center Differential (DCCD), you can define how Subaru AWD distributes power. Use three distinct automatic modes to fine-tune the system to conquer the road conditions you encounter, or use manual mode to help create the handling characteristics you desire.

WRX STI

Turbocharger
The power produced by our famed 2.5-liter SUBARU BOXER® engine is intensified with a not-so-secret weapon—a high-performance turbocharger. The signature hood scoop force-feeds air to an intercooler that boosts output and responses by enhancing the turbocharger’s ability to deliver a potent fuel and air mixture.

WRX | WRX STI
The 2013 WRX STI

All that we’ve learned in 19 years of rally racing burns brightest in the WRX STI. For a generation of enthusiasts, it is intensity at its peak and performance at its apex.

**Powerful**

Horsepower is boosted to 305 and torque to 290 lb-ft, thanks to a more advanced valvetrain and more extreme turbo tuning.

**Adjustable**

DCCD All-Wheel Drive, Driver-adjustable SI-DRIVE and Vehicle Dynamics Control mean you can dial in your own performance.

**Unmistakable**

The signature aggressive style of the STI is capped by the 4-door’s trademark rear spoiler to ensure its intentions are clear.

Everything you dream of.

_Like nothing you’ve driven._

WRX STI 4-Door
High-speed connectivity.
Enjoy the view. *If it's not too blurry.*
WRX 4-door

- 265-hp turbocharged 2.5-liter 4-cylinder SUBARU BOXER® engine
- Lineartronic® continuously variable transmission

WRX Premium 4-door

- 265-hp turbocharged 2.5-liter 4-cylinder SUBARU BOXER® engine
- Driver Control Center Differential (DCCD) All-Wheel Drive
- 6-speed manual transmission

WRX Limited 4-door

- 265-hp turbocharged 2.5-liter 4-cylinder SUBARU BOXER® engine
- Driver Control Center Differential (DCCD) All-Wheel Drive
- 6-speed manual transmission

WRX STI 4-door

- 305-hp turbocharged 2.5-liter 4-cylinder SUBARU BOXER® engine
- Driver Control Center Differential (DCCD) All-Wheel Drive
- 6-speed manual transmission

WRX STI 5-door

- 305-hp turbocharged 2.5-liter 4-cylinder SUBARU BOXER® engine
- Driver Control Center Differential (DCCD) All-Wheel Drive
- 6-speed manual transmission

WRX STI Limited 4-door

- 305-hp turbocharged 2.5-liter 4-cylinder SUBARU BOXER® engine
- Driver Control Center Differential (DCCD) All-Wheel Drive
- 6-speed manual transmission

PROTECTING YOUR INVESTMENT

Once you’re part of our family, we’ll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru dealership and other services are just a phone call away. And to protect you over the long haul, we offer Added Security®—extended service agreements you can trust. Your dealer has full coverage details.

WARRANTIES

New Car Limited Warranty
3 years or 36,000 miles, whichever comes first.

Powertrain Limited Warranty
5 years or 100,000 miles, whichever comes first.

Wear Item Limited Warranty
3 years or 36,000 miles, whichever comes first. Repairs to the following items will also be covered under Wear Item Limited Warranty: Brake Pads + Wiper Blades + ClubLink + Transmission Batteries

Rust Perforation Limited Warranty
5 years, unlimited mileage.
EXTERIOR

- Projector low-beam and multi-reflector high-beam halogen headlights
- High-intensity discharge (HID) low-beam and multi-reflector halogen high-beam headlights
- Fog lights
- LED taillights (5-door)
- Front and rear under spoilers
- Rear bumper with integrated diffuser
- Trunk spoiler (WRX 4-door)
- STI trunk spoiler (STI 4-door)
- STI rear spoiler (WRX and STI 5-door)
- Exhaust system with quad stainless-steel outlets
- Body-color power side mirrors
- Body-color power side mirrors with integrated turn signals
- Heated side mirrors and windshield washer de-icer (All-Wheel Package)
- Single-speed rear window wiper with fixed intermittent mode (5-door)

SEATING AND TRIM

- 8-way manually adjustable driver's seat, 4-way, manually adjustable front-passenger's seat
- Performance-direct front seats with fixed integrated head restraints, embroidered WRX logos and red stitching
- Performance-direct front seats with fixed integrated head restraints, embroidered STI logos and red stitching
- Heated front seats (All-Wheel Package)
- Heated front seats
- 60/40-split flat-folding rear seatback
- Leather-wrapped 3-spoke steering wheel with audio system, cruise control, Bluetooth buttons and red stitching
- STI-design leather-wrapped 3-spoke steering wheel with audio system, cruise control, Bluetooth buttons and red stitching
- Bluetooth buttons and red stitching
- Leather-wrapped shifter handle
- Cloth upholstery
- Leather-trimmed upholstery
- Aluminum-/leather-trimmed upholstery
- Aluminum-alloy pedal covers

CONVENIENCE FEATURES

- Power front and rear windows with driver's auto up/down
- Electronic cruise control
- Tire-pressure monitoring system
- Dual cup holders in center console
- Single bottle holder in each door panel
- Sun visors with concealed vanity mirrors
- Center console with LED-illuminated storage tray and 12-volt power outlet
- Illuminated and lockable glovebox
- Footwell illumination
- Cargo-area bed liner and grocery bag hooks (5-door)
- Retractable/convertible cargo cover (5-door)

INSTRUMENTATION

- Analog speedometer, tachometer, coolant temperature and oil pressure gauges
- Sport-design electro-mechanical gauges with center-mounted tachometer
- STI sport-design electro-mechanical gauges with center-mounted tachometer
- Gauge needles full-swEEP and trim rings illumination on start-up
- Digital/trip computer displaying average fuel economy, digital clock and ambient temperature
- OD/OD and 5-trip mode display

AUDIO SYSTEM

- 6-speaker single-CD audio system with USB port/iPod® control, Bluetooth® audio streaming and hands-free phone connectivity, and 3.5-mm auxiliary jack

CLIMATE CONTROL

- Automatic climate control system with CFC-free air conditioning and memory control for temperature, fan and airflow direction

SECURITY

- Remote entry system with alarm-back-up electronic chip
- Anti-theft security system with engine immobilizer

SAFETY

ACTIVE

- Subaru Symmetrical All-Wheel Drive (AWD)
- SUBARU BOXER® engine
- Vehicle Dynamics Control (VDC)
- Traction Control System (TCS)
- Brake Assist
- 4-wheel anti-lock braking system (ABS) with Electronic Brake-force Distribution (EBD)

PREMIUM

- Tire Pressure Monitoring System (TPMS)
- Daytime Running Lights (DRL)
- PASSENGER

- Side-curtain airbag protecting front and rear outboard occupants (SRS)
- Seat-mounted front side-impact airbags (SRS)
- Height-adjustable 3-point front seatbelts with pretensioners and force limiters
- 3-point seatbelts at all rear seating positions
- Rear child-safety door locks
- LATCH system: Lower Anchors and Tethers for Children

OPTIONAL EQUIPMENT

- Navigation System:
  - High-resolution 6.1-inch touch-screen GPS navigation system and 6-speaker audio system with HD Radio™
  - with Tuner® tagging, USB port/iPod® control, Bluetooth® audio streaming and hands-free phone connectivity, SMS text messaging capability, SiriusXM® Satellite Radio and NavTraffic®
- Standard
- Optional
- Not equipped
- Available dealer-installed accessory

These brochures were printed with vegetable-based inks and produced using a “Green Printing Process” and FSC® standards. The Forest Stewardship Council™ (FSC) is an international organization that brings people together to find solutions which promote responsible stewardship of the world’s forests and environments.

By producing these brochures in a green way rather than by traditional methods, we saved 53 trees preserved for the future; 1,530 lbs solid waste not generated; 5,352 lbs net greenhouse gases prevented; 22,000,000 BTUs energy not consumed. Calculations provided by Environmental Paper Network. FSC® is not responsible for any calculations on saving resources by choosing this paper.

An ultimate accessory to passion.

Auto-dimming Mirror with Compass and HomeLink™
Mirror darkens when headlights are detected from behind the vehicle. Includes a compass and three HomeLink buttons that are programmable for most garage-door openers and other HomeLink-compatible devices.

Rear Cargo Tray
Helps protect cargo area from dirt and spills. Can be easily removed and rinsed clean. May not be installed with 10-Inch Powered Subwoofer.

Body Side Moldings
Color-matched moldings help protect the vehicle’s doors from parking lot dirt while attractively blending with the lines of the car.

Exhaust Finisher
Aluminum trim pieces add a serious performance look to the rear of WRX STI.

SPT Oil Cap and Battery Hold Down v2.0
Replacement oil cap and battery hold down are manufactured from billet aluminum, anodized in Steel Gray or SPT Blue and feature laser-etched SPT logos.

SPT Carbon Fiber Trunk Trim
Give the Impreza WRX and WRX STI 4-door that high-tech look with this carbon fiber accent. The trim piece is made from real carbon fiber and has the SPT logo-embossed in the clear coat.

10-Inch Powered Subwoofer
The 10-inch powered subwoofer provides powerful deep bass and clean sound reproduction with its integrated 100W amplifier and a passive crossover network. Manufactured for Subaru by Kicker®. Smaller only. May not be installed with Rear Cargo Tray.

Turbo Heat Shield
The SPT Heat Shield works to retain heat within the turbocharger, helping to maintain turbocharger exhaust gas velocity. The shield also helps keep heat generated by the turbocharger away from the intercooler.

Turbo Boost Gauge
Displays engine vacuum in inches of Hg and boost in PSI. Bright red illumination matches vehicle instrument panel lighting and goes dark when the engine is turned off. Includes mounting cup and bracket.

Short-throw Shifter
Significantly reduces shift throw lengths for crisper shifts and sportier driving feel. Available for both 5 M/T and 6 M/T transmissions.

SPT Performance Exhaust System
These exhaust systems feature full stainless steel construction with smooth mandrel bends for less restriction and that famous boxer engine sound. WRX STI systems shown. Available for WRX 4-door and 5-door.

Turbo Boost Gauge
Displays engine vacuum in inches of Hg and boost in PSI. Bright red illumination matches vehicle instrument panel lighting and goes dark when the engine is turned off. Includes mounting cup and bracket.

SPT Performance Exhaust System
These exhaust systems feature full stainless steel construction with smooth mandrel bends for less restriction and that famous boxer engine sound. WRX STI systems shown. Available for WRX 4-door and 5-door.
