The best-handling, best-performing WRX and WRX STI ever.
The WRX has all the hardware needed to corner with grace and speed. Starting with the suspension, the WRX has an enviable setup—a rigid unibody chassis with reinforced suspension mounting points, aluminum front lower control arms with pillow-ball joint mounts, and a double wishbone rear suspension architecture with pillow-ball joint bushings. Add Subaru Symmetrical All-Wheel Drive and Active Torque Vectoring, and you've got a recipe for world-class handling.

Having excellent grip is only half of the handling equation. The other is the driver's sensation of control and precision, which the WRX delivers, thanks to a near-instant 14.4:1 steering ratio. With available 18-inch wheels and inverted front struts for less unsprung weight and more cornering response, every road will be met with your absolute confidence.

Pure bliss exists in the form of the 268-hp 2.0-liter Direct Injection Turbocharged (DIT) SUBARU BOXER® engine that lies at the heart of the WRX, where power is generated smoothly, efficiently and instantaneously, thanks to its twin-scroll turbocharger. Matched with either the revised 6-speed manual transmission or the Sport Lineartronic™ Transmission with SI-DRIVE and paddle shifters, the WRX engine is a modern engineering marvel.

The WRX backs up its potent performance features with appropriately robust safety measures. New for 2018, LED Steering Responsive Headlights (SRH) help you safely see around corners when driving at night. With a standard Rear-Vision Camera, available Blind-Spot Detection, Rear Cross-Traffic Alert, and High Beam Assist, the WRX is proof that performance and safety don't have to be mutually exclusive.
Cornering

The WRX STI is laser-focused on handling with a track-tuned suspension that features standard inverted front struts and aluminum front lower control arms for low unsprung weight, an attribute further enhanced by its lightweight 19-inch alloy wheels. And it’s all underpinned by Subaru Symmetrical AWD with a newly revised Driver Controlled Center Differential (DCCD), front and rear limited-slip differentials and Active Torque Vectoring, so you can hit your apexes and nail your exits with control, precision and speed.

Responsiveness

The WRX STI driving experience is a synergy between driver and car that’s all too rare. You’ll feel an invigorating sense of control, thanks to the ultra-quick 13.3:1 steering ratio, rigid unibody chassis and powerful Brembo® high-performance braking system, which features 6-piston front and 2-piston rear monoblock calipers and cross-drilled rotors to stop you with authority and reduced brake fade. For more stability at higher speeds, the signature rear wing of the WRX STI adds downforce for greater control.

Power

It’s a potent, race-proven package—a 305-hp 2.5-liter turbocharged SUBARU BOXER® engine coupled with a precise and durable 6-speed, close-ratio transmission and SI-DRIVE for on-the-fly performance adjustments. Invigorating horsepower and addictive torque are always on tap, waiting to be unleashed.

Heritage

For nearly three decades, Subaru Tecnica International (STI) has applied lessons learned in motorsports to Subaru automobiles, not only enhancing performance but the ability to keep performing, lap after lap. Their holistic approach to engineering results in vehicles that are more communicative, responsive, and able to take the sustained punishment that high-intensity driving demands.

“Purpose-built for the hardcore.”

— Autoweek.com, 2016
It’s not about settling in.

It’s about strapping in. The moment you enter a WRX or WRX STI, the available Recaro® performance seats lock you into position. As you grip the leather-wrapped flat-bottom steering wheel, take command with SUBARU STARLINK™ Multimedia, which connects via Bluetooth® or USB port to your smartphone for access to Pandora®, HeartRadio®, Stitcher®, Aha®, SiriusXM® All Access Radio and more. Simply use voice commands, steering-wheel-mounted controls or the high-definition touchscreen, which can read and display incoming texts. Now just crank up the available 440-watt-equivalent 9-speaker Harman Kardon® premium audio system, and you’re off.

1 Compatible smartphone and applications required. Not compatible with some phones. Latest version of each application is required. Data provided by smartphone is displayed on the audio system screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier’s rates may apply.

2 STARLINK can read incoming texts out loud when the vehicle is traveling at speeds over 5 miles per hour, and can display incoming texts on screen when the vehicle is traveling at speeds lower than 5 miles per hour. 7” system required.
A sports car with room for weekdays.

Compromises are few, thanks to new standard roof cross-bar mounting points, a 12-cubic-foot trunk, a 60/40 split-folding rear seatback, expansive rear legroom and wide door openings. In fact, the Subaru WRX has the largest passenger volume among all-wheel drive vehicles in its class! It’s a commuter, an errand-runner and a track-day weapon, all rolled into one. This sports car goes anywhere but the garage.
The Subaru WRX was named Best Resale Value in its class for 2017 by Kelley Blue Book’s KBB.com.2

The Subaru WRX STI was named Best Performance Brand for three years running.1

Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc.  2 Vehicle’s projected resale value is specific to the 2017 model year. For more information, visit www.kbb.com. Kelley Blue Book is a trademark of Kelley Blue Book Co., Inc.

### 2018 WRX & WRX STI Specifications

#### Engine and Drivetrain

<table>
<thead>
<tr>
<th>WRX</th>
<th>WRX STI</th>
</tr>
</thead>
<tbody>
<tr>
<td>**Power</td>
<td>Torque**</td>
</tr>
<tr>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
</tr>
<tr>
<td>Intake System</td>
<td>Twin-scroll turbocharger with intercooler.</td>
</tr>
<tr>
<td></td>
<td>Maximum boost pressure: 19.8 psi.</td>
</tr>
<tr>
<td>SI-DRIVE™ performance management system</td>
<td><strong>-</strong></td>
</tr>
<tr>
<td></td>
<td>Normal: Electronic stability control (TCS) and Vehicle Dynamics Control (VDC) monitors brake, throttle, and steering inputs and transmits braking power, and engine torque to maintain stability. Sport: When sensing a loss of traction, reduces engine torque and applies braking force.</td>
</tr>
<tr>
<td>Transmission</td>
<td>Fully synchronized 6-speed manual with carbon-first- and second-gear synchros, and Incline Start Assist.</td>
</tr>
<tr>
<td></td>
<td>Fully synchronized close-ratio 8-speed manual with Incline Start Assist</td>
</tr>
<tr>
<td>Traction and Stability</td>
<td><strong>-</strong></td>
</tr>
<tr>
<td>All-Wheel Drive type</td>
<td>Subaru Symmetrical All-Wheel Drive.</td>
</tr>
<tr>
<td></td>
<td>Driver Controlled Center Differential (DCCD) All-Wheel Drive</td>
</tr>
<tr>
<td>Vehicle Dynamics Control (VDC)</td>
<td><strong>-</strong></td>
</tr>
<tr>
<td></td>
<td>VDC electronic stability control utilizes sensors that constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate and lateral g-forces. If VDC detects a difference between the driver’s intended path and the one the vehicle is actually taking, VDC applies braking power and/or reduces engine torque to help correct vehicle path. Includes standard, off and performance-oriented Traction mode.</td>
</tr>
<tr>
<td>Active Torque Vectoring</td>
<td>Active Torque Vectoring works in tandem with VDC applying braking power to the inside front wheel resulting in sharper turn-in, more neutral steering and higher cornering limits when turning.</td>
</tr>
<tr>
<td>Traction Control System (TCS)</td>
<td><strong>-</strong></td>
</tr>
<tr>
<td></td>
<td>VDC also incorporates an all-wheel, all-speed traction control system that, when sensing a loss of traction, reduces engine torque and applies braking force to the slipping wheel or wheels as necessary to maintain vehicle motion.</td>
</tr>
<tr>
<td>Fuel Economy</td>
<td><strong>-</strong></td>
</tr>
<tr>
<td>Fuel Requirement</td>
<td>Premium unleaded gasoline (87 octane) required. 89 octane recommended for maximum performance (WRX STI).</td>
</tr>
<tr>
<td>Fuel Capacity</td>
<td>15.9 gallons</td>

2018 WRX & WRX STI | Equipment

Exterior

- Projector low-beam and multi-reflector high beam halogen headlight
- LED Steering Responsive Headlights (SRH)
- Halogen fog lights
- LED fog lights
- LED taillights
- Front and rear under spoilers
- Rear bumper with integrated diffuser
- Tire spacer - low-profile
- Tire spoiler - STI
- Exhaust system with quad stainless-steel outlets
- Heated body-color power side mirrors
- Heated body-color power side mirrors with integrated turn signals
- Windshield wiper de-icer (All-Weather Package)
- Power folding/moving mirror

Seating and Trim

- 6-way manually adjustable driver’s seat; 4-way manually adjustable front passenger’s seat
- 10-way power adjustable driver’s seat with power lumbar support; 4-way manually adjustable front passenger’s seat
- Performance-design front seats with adjustable head restraints and red stitching
- Recaro® performance-design front seats with adjustable head restraints and red stitching
- 10-split flat-folding rear seatback
- Leather-wrapped flat-bottom steering wheel with red stitching
- SI-DRIVE® system with paddle shifters
- Leather-wrapped shifter handle
- Cloth upholstery
- Leather-trimmed upholstery
- Ultrasuede®/leather-trimmed upholstery
- Aluminum-alloy pedal covers

Convenience Features

- Keyless Access with Push-button Start and PIN-code vehicle access
- Auto-off/roll headlamps
- Power front and rear windows with driver and front passenger auto-up/down
- Electronic cruise control
- 3-spoke steering wheel with audio system, Bluetooth®, SI-DRIVE®, cruise control (if equipped), Eyesight® adaptive cruise control buttons
- Dual USB ports
- Tilt/telescoping steering column
- Dual cup holders in center console
- Single bottle holder in each door panel
- Rear center armrest with dual cup holders
- Sun visors with dual-illuminated vanity mirrors
- Center console with LED-illuminated storage tray and 12-volt power outlet

Audio System

SUBARU STARLINK® 6.3-inch Multimedia with Pandora®, iHeartRadio®, Stitcher® and Alexa® smartphone app integration: High-resolution LCD touchscreen display, HD Radio®, USB port/Phone control, SiriusXM® All Access Radio®, Bluetooth® audio streaming and hands-free phone connectivity, and 3.5-mm auxiliary jack

SUBARU STARLINK® 7.0-inch Multimedia Plus with Pandora®, iHeartRadio®, Stitcher® and Alexa® smartphone app integration: High-resolution LCD touchscreen display, voice-activated controls, SiriusXM® EyeSight®, AM/FM/CD player, HD Radio®, USB port/Phone control, Starlink® All Access Radio®, Bluetooth® audio streaming and hands-free phone connectivity, and 3.5-mm auxiliary jack

SUBARU STARLINK® 7.0-inch Multimedia Navigation: Voice-activated, 7.0-inch multi-touch interface high-resolution GPS navigation system and integrated audio system with Starlink® All Access Radio®, Bluetooth® audio streaming and hands-free phone connectivity, Siri® Eyesight®, 3.5-mm auxiliary jack and Pandora®, iHeartRadio®, Stitcher® and Alexa® smartphone app integration: Voice activation for Navigation, Phone and Audio System

8 speakers

Harmen Kardon® audio system: Includes 9 speakers and a 440-watt-equivalent amplifier

2018 WRX & WRX STI | Equipment

Climate Control

- Automatic climate control system with CPC-free air conditioning and rotary controls for temperature, fan and air flow direction
- Dual-zone automatic climate control system with CPC-free air conditioning, air filtration and controls for temperature, fan speed, airflow direction and dual-zone on/off

Instrumentation

- Analog speedometer, tachometer, coolant temperature and fuel gauges
- Sport-design electroluminescent gauges with 3.5-inch LCD color display featuring “eco” fuel economy gauge and SI-DRIVE® mode display
- STI sport-design electroluminescent gauges with 3.5-inch LCD color display featuring “eco” fuel economy gauge, DCCD® and SI-DRIVE® mode displays
- Gauge needles: high-speed and trim rings illuminate on start-up
- 5.9-inch LCD color multifunction display for boost gauges, driving range, average fuel economy, clock, and other system information

Safety

- Keyless entry system with automatic back-up electronic chime
- Anti-lock security system with engine immobilizer

Optional Equipment

STELLAIRE® Safety Plus and Security Plus®

- Sport Lineartronic® transmission
- Recaro® performance-design front seat bases with height-adjustable head restraints
- Height-adjustable 3-point front seatbelts with pre-tensioners and force limiter
- 3-point seatbelts at all rear seating positions
- Rear child-safety locks
- LATCH system: Lower Anchors and Tethers for Children

Equipment Contents

Performance Package® includes Recaro® performance-design front seat bases, 6-way power driver’s seat, moonroof delete, red-painted brake calipers and JDM® performance front brake pads

Eyesight® Driver Assist Technology®

- Pre-Collision Braking System, Pre-Collision Throttle Management, Lane Departure and Sway Warning, Lane Keep Assist, Adaptive Cruise Control, Eyesight® Alert Monitor

- STARLINK® Safety Plus and Security Plus®
- Special Order Vehicle Premium Package®
- Performance Package®
- Recaro® performance-design front seat bases, Keyless Access with Push-button Start
- SUBARU STARLINK® 7.0-inch Multimedia Navigation with Harman Kardon® audio system, Bluetooth® audio streaming and hands-free phone connectivity, and 3.5-mm auxiliary jack
- 12-volt power outlet
- 7.0-inch Multimedia Navigation: Voice-activated, 7.0-inch multi-touch interface high-resolution GPS navigation system and integrated audio system with Starlink® All Access Radio®, Bluetooth® audio streaming and hands-free phone connectivity, Siri® Eyesight®, 3.5-mm auxiliary jack and Pandora®, iHeartRadio®, Stitcher® and Alexa® smartphone app integration: Voice activation for Navigation, Phone and Audio System
- 8 speakers
Remote Engine Starter. Allows the vehicle to be started at the push of a button from outside the vehicle. Press the heating or air conditioner controls to help bring the interior temperature to a more comfortable level prior to entry. Smart Engine Start works in conjunction with the Keyless Access and Smart system. Operating distance is up to 30 feet away, depending on vehicle obstructions.

Subaru owners are fueled by their passions, whether trackside or roadside. A coat of mud or muddy paws on the seat. Detouring down a dirt road or downhill skiing. Accelerating round a corner or paddling round the river bend. For many, our exclusive Badge of Ownership items personalize their vehicle and express their interests. Owners can go to badgeofownership.com to order FREE Subaru Badge of Ownership lifestyle icons.

Kicker® Speaker Upgrade. Enhances the sound clarity of your vehicle’s audio system with these high-efficiency, two-way speakers. They replace the factory-installed, plastic-molded poly cone with 23mm silk dome tweeters and a frequency response range of 40Hz to 22kHz. Excludes models equipped with Harman/Kardon® audio.

Kicker® Tweeter Kit. Includes two 22mm tweeters for placement in the front door to optimize the high frequency detail. Frequency response is 450Hz to 22kHz. Excludes models equipped with Harman/Kardon® audio.

Side Sil Plate. Custom-fitted, heavy-gauge floor mats help protect the vehicle carpet from sand, dirt and moisture. Not intended for use on top of Carpeted Floor Mats.

All-Weather Floor Mats. These discrete pearl-colored Subaru logo. Upper surface and leading edge. Includes a durable pearl-colored Subaru logo.

Body Side Molding. Attractive, color-matched moldings coordinate with the styling of the vehicle while helping to protect doors from unsightly dings.

Vortex Generator. Add a stylish look of performance to your WRX or WRX STI. Kit includes both left and right side under spoilers. Includes STI logo.

Rear Bumper Applique. Clear, scratch-resistant film helps to protect bumper upper surface and leading edge. Includes a discrete pearl-colored Subaru logo.

Footwell Illumination Kit. Casts a soft red or blue glow onto the front floor area.

Subaru Badge of Ownership

Protecting Your Investment

Once you’re part of our family, we’ll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru retailer and other services are just a phone call away. And to protect you over the long haul, we offer Added Security™ -ask for it by name—extended service agreements and maintenance plans that will help protect your car for up to 7 years or 100,000 miles. They’re the only mechanical and maintenance plans backed by Subaru, and because we’ve been backing them for more than 30 years, we’re confident that you can trust. Your retailer has full coverage details.

Durability

It’s not disposable. It’s family.

Life moves fast. Don’t skimp it driven with a car you can’t trust. At Subaru, we build each of our vehicles with the highest standards of manufacturing and in-depth design that are inherently tough and resilient. It’s why our vehicles excel in the extreme rigors of rally racing. And why 96% of all vehicles sold in the last 10 years are still on the road today.

It’s also why Subaru owners are so likely to stay Subaru owners for years and years. What’s more, keeping cars on the road means they stay out of landfills for longer. And if we can make the world a cleaner and greener place while making cars that inspire and motivate their drivers, we’ve done our job.

Warranties

New Car Limited Warranty
3 years or 36,000 miles, whichever comes first.

Powertrain Limited Warranty
5 years or 60,000 miles, whichever comes first.

Wear Item Limited Warranty
3 years or 36,000 miles, whichever comes first.

Rust Perforation Limited Warranty
5 years, unlimited mileage.

24-hour Roadside Assistance
3 years or 36,000 miles, whichever comes first.

WRX in Dark Gray Metallic with accessory WRX Sport Package.

2018 WRX & WRX STI Accessories

For a complete list of available accessories, visit your local Subaru retailer or visit www.subaru.com

Vortex Generator. Add a stylish look of performance to your WRX or WRX STI.

STI Hood Spoiler. Side view of a WRX in Dark Gray Metallic STI with a gloss black hood scoop in front of the vehicle. Power the tuning of your condenser performance, low end torque, and overall vehicle performance.

STI Side Scoops. Two side scoops on the front fender panels of the WRX in Dark Gray Metallic STI. An STI exclusive feature, these scoops not only add a dramatic look to the vehicle, but also improve vehicle stability.

Tone Pipe. A close-up view of the tone pipe of the WRX in Dark Gray Metallic STI. The tone pipe is a feature to improve exhaust sound quality.

STI 15-Spoke Black Alloy Wheels. 17-inch on WRX. 18-inch on WRX Premium and WRX Limited. Give your WRX an exclusive, custom look. The available WRX Sport Package includes four STI 15-spoke black-finish alloy wheels, an STI performance exhaust system, an STI short throw shifter, and an STI shift knob made of high-quality aluminum and leather.

STI Performance Exhaust System. Stainless steel pipes connect the mufflers to the STI performance exhaust system to enhance sound quality and performance.

STI 15-Spoke Black Alloy Wheels. WRX in Dark Gray Metallic with accessory WRX Sport Package.

For a complete list of available accessories, visit your local Subaru retailer or visit www.subaru.com

STI Short Throw Shifter and STI Shift Knob. The STI short throw shifter and shift knob provide a more direct and precise control over the transmission.

STI Rear Bumper Appliqué. Clear, scratch-resistant vinyl film helps to protect bumper upper surface and leading edge. Includes a discrete pearl-colored Subaru logo.

Kicker® Speaker Upgrade. Enhance the sound clarity of your vehicle's audio system with these high-efficiency, two-way speakers. They have quality-constructed injected-molded Poly cones with 20mm silk dome tweeters and a frequency response rated at 30hz to 22khz. Excludes models equipped with Harman Kardon® audio.

Kicker® Tweeter Kit. Includes two 22mm tweeters for placement in the front dash to optimize the high frequency detail. Frequency response is 4500hz to 22khz.

Kicker® Powered Subwoofer. Provides powerful deep bass and assists in clean sound reproduction from all vehicle speakers. This is achieved by its integrated 100W amplifier and a passive crossover network. The self-contained unit mounts in the trunk. Excludes models equipped with Harman Kardon® audio.

Side Sill Plates. Metallic-finished panels dress up the sill plates of the WRX. Set of four.

All-Weather Floor Mats. CUSTOM-fitted, heavy-gauge floor mats help protect the vehicle carpet from sand, dirt and moisture. Not intended for use on top of Carpeted Floor Mats.

Body Side Molding. Attractive, color-matched moldings coordinate with the styling of the vehicle while helping to protect doors from unsightly dings.

Remote Engine Starter. Allows the vehicle to be started at the push of a button from outside the vehicle. Preset the heating or air conditioner controls to help bring the interior temperature to a more comfortable level prior to entry. Smart Engine Start works in conjunction with the Keyless Access and Smart system. Operating distance is up to 30 feet away, depending on vehicle obstructions.

Footwell Illumination Kit. Casts a soft red or blue glow onto the front floor area.

Cargo Net. Neatly holds cargo and prevents it from sliding while the vehicle is in motion.

Footwell Illumination Kit. Close-up of a red footwell illumination.

Tone Pipe. Close-up of a tone pipe on the front fender panel of the WRX in Dark Gray Metallic STI.
