2020
WRX / WRX STI

The best-handling, best-performing WRX and WRX STI ever.
Having excellent grip is only half of the handling equation. The other is the driver’s sense of control and precision, which the WRX delivers, thanks to its quick 14.4:1 steering ratio. Available 18-inch wheels, inverted front struts, and Brembo® performance brakes further heighten its response and sharpen its focus.

The WRX backs up its potent performance features with appropriately robust safety measures. Available LED Steering Responsive Headlights and High Beam Assist help enhance visibility at night. A standard Rear-Vision Camera helps keep you aware of what’s behind you as you’re backing up. And with available Blind-Spot Detection and Rear Cross-Traffic Alert, peace of mind in the WRX is just as possible as excitement.

Pure bliss exists in the form of the 268-hp 2.0-liter direct-injection turbocharged SUBARU BOXER® engine, where power is generated smoothly, efficiently and instantaneously, thanks to its twin-scroll turbocharger. Matched with the 6-speed manual transmission or the Sport Lineartronic™ Transmission with SI-DRIVE and paddle shifters, the WRX intends to elevate every drive—and heart rate.

The WRX has all the hardware needed to corner with grace and speed. Starting with the suspension, it’s an enviable setup—a rigid unibody chassis with reinforced suspension mounting points, aluminum front lower control arms with pillow-ball joint mounts, and a double wishbone rear suspension architecture with pillow-ball joint bushings. And with Subaru Symmetrical All-Wheel Drive and Active Torque Vectoring, the WRX offers an almost endless supply of traction.
The WRX STI is laser-focused on handling, with a track-tuned suspension that features standard inverted front struts and aluminum front lower control arms for low unsprung weight—an attribute further enhanced by its lightweight 19-inch alloy wheels. And it’s all underpinned by Subaru Symmetrical AWD with Driver Controlled Center Differential, front and rear limited-slip differentials and Active Torque Vectoring, so you can hit your apexes and nail your exits with control, precision and speed.

In the WRX STI, the synergy between driver and car is unmistakable. You’ll feel an invigorating sense of control, thanks to its ultra-quick 13.3:1 steering ratio and rigid unibody chassis. Its powerful Brembo® high-performance braking system features 6-piston front and 2-piston rear monoblock calipers and cross-drilled rotors to stop you with authority and reduced brake fade. And the signature rear wing of the WRX STI adds downforce for more stability at higher speeds.

It’s a potent, race-proven package—a 310-hp 2.5-liter turbocharged SUBARU BOXER® engine, featuring a high-flow air intake and performance exhaust system. It’s coupled with a precise and durable 6-speed, close-ratio transmission and SI-DRIVE for on-the-fly performance adjustments. This puts all the power and torque of the WRX STI right into your hands.

For nearly three decades, Subaru Tecnica International (STI) has applied lessons learned in motorsports to Subaru automobiles, not only enhancing performance but the ability to keep performing, lap after lap. This approach to engineering results in vehicles that are more communicative, responsive, and able to take the sustained punishment that high-intensity driving demands.

“...undone.

It’s a joy to drive, and the joy in cars is the experience of driving them.”

Autoweek.com, 2018
It’s not about settling in.

It’s about strapping in. The WRX and WRX STI put you at the center of the driving experience, thanks to advanced designs and driver-focused details—from available Recaro® performance seats 1 to a leather-wrapped flat-bottom steering wheel. Seamless connectivity is made possible by SUBARU STARLINK® Multimedia with standard Apple CarPlay® and Android Auto™ integration, which you can access intuitively through voice commands,  steering-wheel controls or the high-definition touchscreen. Now just crank up the available 440-watt 9-speaker Harman Kardon® premium audio system, 1 and you’re off.
Cargo-ready. Passenger-ready. **Track-ready.**

A sports car with room for weekdays. Compromises are few, thanks to standard roof crossbar mounting points, a 12-cubic-foot trunk, 60/40-split folding rear seatbacks, expansive rear legroom and wide door openings. It’s a commuter, an errand-runner and a track-day weapon, all rolled into one.

1 We do not recommend racing your vehicle. Racing may void the vehicle warranty. See Warranty & Maintenance Booklet for details. If you do race the vehicle, do it safely and lawfully on approved racing tracks. Drive responsibly at all times, and obey all traffic laws.
Subaru WRX STI has assisted the Subaru Rally Team USA to 12 overall rally championships in the United States.3

The Subaru WRX is the longest-lasting turbocharged vehicle in its class.2

According to ALG, the Subaru WRX has the highest residual value in its class for 2018.1

The WRX remains an excellent choice for enthusiasts and anyone who likes to go fast. Real fast.2

Keyless Access with Push-Button Start

2020 WRX / WRX STI | Owner Benefits

Life moves fast. Don’t slow it down with a car you can’t trust. At Subaru, we believe in making the worldsa safer place, one vehicle at a time. That’s why we’re committed to the safety of our customers. From the advanced safety features to the reputable Subaru Warranty & Maintenance Booklet, we’ve got you covered.

New Car Limited Warranty
3 years or 36,000 miles, whichever comes first

Powertrain Limited Warranty
5 years or 60,000 miles, whichever comes first

We are proud to offer our Subaru owners peace of mind with our extensive warranty programs. Our New Car Limited Warranty covers the vehicle for up to 3 years or 36,000 miles, whichever comes first. The Powertrain Limited Warranty covers the powertrain for up to 5 years or 60,000 miles, whichever comes first. These warranties also include 24-hour Roadside Assistance for 3 years or 36,000 miles, whichever comes first.

Protecting Your Investment
Once your part of our family, we’ll be there for you. Every Subaru comes with a 3-year or 36,000-mile limited warranty. If you have trouble on the road, a tow is the nearest Subaru certified and authorized service locations. Call 1-800-SUBARU4 (1-800-782-2784) to locate a service location near you.

More Than a Car Company
Life means living more than a car company. The Subaru Love Promise is our mission to make you feel safe and secure while purchasing a vehicle with us. Whether you’re an experienced owner or a new driver, we are here to provide you with the assurance you need.
