READY FOR SMARTER PERFORMANCE.

IT'S WHAT MAKES A SUBARU, A SUBARU.
Often, attraction is irrational. But at rare moments it makes perfect, logical sense. Take, for example, the Legacy sport sedan. Its new exterior draws glances with its sleek lines. Its redesigned interior rewards with premium features and refinement. And its performance makes your heart race with inspiring power and handling. Yet the Legacy remains unmistakably intelligent with sophisticated engines, the traction of Subaru Symmetrical All-Wheel Drive and extensive safety engineering. Proving you can stimulate your mind while captivating your spirit.
Legacy 2.5 GT spec.B in Quartz Silver Metallic.

THE POWER TO QUICKEN YOUR PULSE
SUBARU BOXER ENGINE

Every engine generates power. But the unique SUBARU BOXER engine gives you so much more. The flat, horizontally opposed configuration empowers the Legacy with a lower center of gravity, delivering precise handling and enhanced stability. The result is a car that goes where you want it to, especially when changing directions quickly, impressing driving enthusiasts and safety experts alike. And its layout ensures smooth, plentiful power, matched with the efficiency and durability you need for everyday driving. Performance. Safety. Reliability. Much like the jabbing motion of a boxer’s arms that it’s named after, it packs quite a punch.

SMOOTHER OPERATION

The 180-degree boxer engine layout allows the pistons to move in exact horizontal opposition, effectively negating vibrations. Its smoothness not only sweetens power delivery, it also helps increase longevity.

GREATER CONTROL

Compared to other types of engines, the lower profile of the SUBARU BOXER engine helps the Legacy lean less around curves and while maneuvering, giving you greater control overall.
ACCELERATION

Feel the passion and knowledge derived from our rally heritage, every time you press the gas pedal. Start with the boxer engine’s aluminum-alloy construction that helps reduce its weight and increases durability. Add Electronic Throttle Control (ETC) for a more precise response to your right foot. And top it off with sophisticated valve technology for an ideal blend of smooth, powerful propulsion and efficiency. So press the accelerator and activate your grin control.

2.5i

The aluminum-alloy 2.5-liter 4-cylinder engine of the 2.5i utilizes the computer-controlled i-Active Valve Lift System that delivers 170-horsepower and 170 lb.-ft. of torque. Match it with your choice of a 5-speed manual or 4-speed automatic transmission and get great gas mileage and low emissions that meet some of today’s toughest standards.

2.5 GT Limited and 2.5 GT spec.B

The intercooled turbocharger raises horsepower to 243 and torque to a potent 241 lb.-ft. Choose a 5-speed manual or 5-speed SPORTSHIFT automatic with steering-wheel mounted paddle shifters and rev-matching downshift control for the 2.5 GT Limited; the 2.5 GT spec.B is managed by a quick-shifting 6-speed manual.

SI-DRIVE

Maximize engine performance and efficiency with a mere turn of the dial or press of a button. The Subaru Intelligent Drive (SI-DRIVE) system of the 2.5 GT Limited, 2.5 GT spec.B and 3.0R Limited controls performance characteristics to suit your driving needs—or desires. Put it in Intelligent mode for smoother response and fuel efficiency. Dial it up to Sport for quick throttle feedback and linear acceleration. For enthusiastic driving, the Sport Sharp mode delivers more power sooner, greater low-end thrust and maximum enjoyment.

GO FROM NICE TO FIERCE IN ONE FLICK

CLICK TO THE LEFT FOR ALL-AROUND DRIVING PERFORMANCE

PUSH DOWN FOR SMOOTH, EFFICIENT PERFORMANCE

CLICK TO THE RIGHT FOR MAXIMUM DRIVING PERFORMANCE
3.0 R LIMITED
Take all the performance potential of the Legacy, and add two extra cylinders. The 3.0-liter 6-cylinder engine, the first ever for Legacy, provides velvet-smooth delivery of 245 thrilling horsepower. Matched to a 5-speed SPORTSHIFT® automatic transmission with paddle shifters and rev-matching downshift control, and managed by the SI-DRIVE system, the 3.0 R Limited proves that you can never be too rich or too smooth.

Inside, you’ll find all the amenities befitting the top-of-the-line Legacy. From its leather-trimmed seating and standard touch-screen GPS navigation system to its dual-zone climate control and heated front seats, it provides the ideal, luxurious perch from which to command the road.
Legacy 2.5 GT spec.B in Quartz Silver Metallic.

TRACTION
TO SAVOR THE CURVES
SUBARU SYMMETRICAL ALL-WHEEL DRIVE

An uncrowded S-curve. A decreasing radius turn. A rain-slicked corner. You never know what’s coming. So give yourself the adhesive advantage of the standard Subaru Symmetrical All-Wheel Drive (AWD) system to keep those four patches of rubber sticking to the road. Its uniquely balanced configuration helps ensure stability and poise. Its efficiency at transmitting power delivers greater grip and quick response to slippage. And we’ve been perfecting AWD for over 30 years. Giving you the confidence to handle virtually any road on your own terms.

NON-SLIP GRIP

CONTINUOUS AWD

Legacy models equipped with the 5- or 6-speed manual transmissions use a viscous-locking center differential. Should wheel slippage occur, it helps transfer power to the front or rear wheels with the most traction.

ACTIVE AWD

Matched to the 4-speed automatic, the Active AWD system monitors parameters such as wheel slippage and vehicle speed, actively adjusting power to the front or rear wheels for optimal adhesion.

VTD AWD

Models with the 5-speed automatic transmission use the Variable Torque Distribution (VTD) system that normally splits power 45% front and 55% rear for a sporty feel, and dynamically reappoints torque for maximum grip.
PERFORMANCE

The true measure of a sports sedan is how it makes you feel. You find yourself volunteering to run errands. Designating yourself as the driver. Searching for the longest route, just to extend the sheer joy of driving. It’s when you feel that the car is an extension of yourself, exhibiting quick reflexes and unfazed predictability through S-curves, hairpins, switchbacks. That’s why every component of the Legacy, with its precise rack-and-pinion steering, rigid and lightweight body structure, 4-wheel disc brakes and independent suspension, is geared toward delivering a distinctly emotional experience.

BRAKES

Accurate control and deceleration without fade. Every Legacy is equipped with four-wheel disc brakes that are enhanced with Anti-Lock Brake System (ABS) and Electronic Brake-force Distribution (EBD) that optimally reapporports stopping power to the front and rear wheels.

SUSPENSION

The inspiration Subaru engineers gained from driving on some of the world’s greatest roads, coupled with the insights learned from the daily rigors of real-world driving, went into the development of our 4-wheel independent suspension. The result? The responsiveness of a precision-tuned vehicle that also provides a supple, fluid ride.

2.5 GT spec.B and 3.0 R LIMITED SUSPENSION

Outfitted with a Bilstein® sport suspension, the spec.B and the 3.0 R Limited takes it a step beyond. Both ride on inverted strut suspension in front, and 18-inch wheels with wide, performance-oriented tires to maintain optimal adhesion. All working together to form an intimate connection to the road.
COMFORT
ENHANCED WITH REFINEMENT
INTERIOR

Practicality, infused with pure indulgence. A cabin must foremost be functional, with controls placed to fall naturally to the hand and versatility for your passengers and belongings. But refined materials on every surface and thoughtful details throughout make every drive in the Legacy more rewarding. Take, for example, the steering wheel. Not only does it tilt and telescope to suit your ideal driving position, it also houses the available controls to manage the audio system, multifunction display, cruise control and the SI-DRIVE system, so that you may govern your environment exactly as you want it. Sometimes it’s the small details that make getting into your Legacy each morning a joy.

**PADDLE SHIFTERS**

Shift up. Shift down. Choose the gears of the 5-speed automatic transmission while keeping your hands on the wheel with the available paddle shifters. And it’s paired with rev-matching downshift control to deliver smooth gear changes as you downshift.

**NAVIGATION SYSTEM**

Just a few taps on the available touch-screen GPS navigation system and you’ll have a guide, across town or across the country. When not in use, you can get information on your fuel economy, get maintenance reminders, and use a calendar and calculator. It even controls some vehicle settings.

**SATELLITE RADIO**

Listen to rock, jazz, classical or any channel in digital-quality sound, wherever your journey may take you. Every Legacy is pre-wired for XM® or SIRIUS® Satellite Radio that lets you access over 130 channels of satellite feed.1

**AUXILIARY JACK**

Keep your playlist close by with the auxiliary audio jack, which will accommodate your iPod® or virtually any portable media player. Just plug it in and your tunes will flow through the speakers.

**HEATED FRONT SEATS**

Shivering on cold mornings while waiting for the cabin to warm up becomes a thing of the past with the available heated seats for the driver and front passenger. The four-adjustment setting lets you choose between warm and extra toasty.

1. With your paid subscription and additional equipment.
ENGINEERING
FOR AGILITY AND PROTECTION
Our multidimensional approach to safety is integrated into every Subaru. Every part, from advanced control technologies right down to the welds of the reinforced structure, has been engineered to provide the greatest amount of protection. Providing you with the peace of mind that is the essence of every Subaru experience.

**ACTIVE SAFETY**
Keeping you safe begins with the seamless traction of Subaru Symmetrical AWD and responsive handling to help keep your vehicle in control. These inherent Subaru advantages are supported by a comprehensive array of features to help you in an emergency. At Subaru, every innovation is designed with your protection in mind.

**PASSIVE SAFETY**
Subaru innovations not only help you evade a collision. They help you and your passengers avoid injury, thanks to features like side-impact beams, active front head restraints and the Subaru safety pedal system. And a full array of air bags and a Ring-Shaped Reinforcement Frame around the cabin help dissipate the energy of an impact. Together, they help the Legacy achieve top ratings in crash tests.

---

**“Top Safety Pick”** - Insurance Institute for Highway Safety

★★★★★ for front and side impact collisions:

- National Highway Traffic Safety Administration

---

1 Ratings for 2007 Legacy. Rating based on Insurance Institute for Highway Safety 40-mile-per-hour frontal crash test, 31-mile-per-hour side-impact test, and 20-mile-per-hour rear-impact test. For more information, contact the Insurance Institute for Highway Safety or visit their website at www.iihs.org.

3 Always wear seat belts. Children should be properly restrained in the rear seat.

---
2.5i AND 2.5i SPECIAL EDITION
Performance and value. Get a full complement of safety features such as side curtain air bags and amenities like a tilt-and-telescopic steering wheel. The 2.5i Special Edition adds a power moonroof and an 8-way power driver’s seat. Both are moved by the powerful and efficient 170-horsepower 4-cylinder SUBARU BOXER engine.

2.5i LIMITED
Ratchet up the luxury factor with the 2.5i Limited. Enjoy leather-trimmed seating, heated front seats, a 6-disc in-dash CD changer, dual-zone automatic climate control, a standard 4-speed automatic transmission with SPORT-SHIFT® and available Vehicle Dynamics Control (VDC).

2.5 GT LIMITED
Experience the thrill of turbocharged acceleration. The 2.5 GT Limited is motivated by 243 horsepower, and moderated by the SI-DRIVE performance management system. Match it up with your choice of a 5-speed manual or a 5-speed SPORTSHIFT automatic with race-inspired steering-wheel-mounted paddle shifters.

2.5 GT spec. B
The spec. B elevates Legacy to a higher level by adding a performance-enhanced suspension with Bilstein shocks and a 6-speed manual transmission. Add Alcantara-trimmed performance-design front seats for enthusiastic driving, unique side moldings and 18-inch aluminum-alloy wheels, and watch the competition fade from your rearview mirror.

3.0R LIMITED
The flagship Legacy. Get all the performance and luxury advantages of the 2.5 GT spec. B but with two extra cylinders for even smoother acceleration. On the standard equipment list is a 5-speed SPORTSHIFT automatic transmission with paddle shifters to make the most of all 246 horsepower, as well as perforated leather-trimmed seats and a touch-screen navigation system.

YOUR SUBARU. YOUR WAY.

### Manual Transmission

- **Automatic Transmission**: 6-speed automatic transmission
- **Manual Transmission**: 5-speed manual, electronically controlled, variable transmission ratio
- **Variable Torque All-Wheel Drive (VTD)**: 6-speed automatic transmission
- **Lineartronic CVT (Continuously Variable Transmission)**: 6-speed automatic transmission

### Stability and Traction

- **Active Torque Distribution** (ATD): 4-wheel independent suspension
- **Variable Torque Distribution (VTD)**: 4-wheel independent suspension
- **Lineartronic CVT (Continuously Variable Transmission)**: 6-speed automatic transmission

### Suspension

- **Front**: McPherson strut type (2.5 GT spec.B: with aluminum alloy upper arms and upper links). Rear: Multilink (2.5 GT spec.B: with aluminum alloy upper arm).
- **Rear**: Multilink (2.5 GT spec.B: with aluminum alloy upper arm and upper links). Rear: Multilink (2.5 GT spec.B: with aluminum alloy upper arm and upper links).

### Brakes

- **Front**: ventilated front disc and rear disc brake system (2.5 GT spec.B with electronic Brake-force Distribution (EBD) and 2.5 GT Limited with Active Tire Pressure Monitoring System (TPMS)).
- **Rear**: ventilated rear disc and rear disc brake system (2.5 GT spec.B with electronic Brake-force Distribution (EBD) and 2.5 GT Limited with Active Tire Pressure Monitoring System (TPMS)).

### Wheels and Tires

- **Front**: 225/50 R17 94V M+S.
- **Rear**: 225/50 R17 94V M+S.
- **Rim**: 17 x 7.0-inch 5-spoke aluminum-alloy.
- **Wheel**: 17 x 7.0-inch 5-spoke aluminum-alloy.
- **Brake size**: Front: 13.5 x 11.3 inches.
- **Rear**: 13.0 x 10.8 inches.
- **Tire**: 225/50 R17 94V M+S.
- **Rim**: 17 x 7.0-inch 5-spoke aluminum-alloy.

### EXTERIOR DIMENSIONS

- **Length/Width/Height**: 184.7 x 68.1 x 56.1 inches (2.5 GT spec.B and 3.0 Limited: 185.4 inches)
- **Wheelbase**: 105.1 inches
- **Track (Front/Rear)**: 61.5 x 61.5 inches
- **Ground clearance**: 5.4 inches
- **Shoe area (Front/Rear)**: 54.3 x 37.8 inches
- **Passenger volume**: 93.3 cubic ft.
- **Cargo volume**: 14.4 cubic ft.

### GENUINE SUBARU ACCESSORIES

Make a Subaru your Subaru with Genuine Subaru Accessories. From styling enhancements to storage solutions, you can outfit your Subaru to be as unique as your adventures, giving you the versatility to take everything—and anything—you need. And backed by a 3-year, 36,000 limited warranty, they're built with Subaru reliability in mind.

#### 1. Auto-Dimming Mirror with Compass and Homelink®

The rearview mirror darkens when headlights are detected from behind the vehicle. And it includes an electronic compass and three integrated Homelink buttons which can be programmed to operate most garage door openers and other Homelink compatible devices.

#### 2. Hood Protector

This hood protector is designed to match the contours of the hood and helps protect it from stone chips and bugs.

#### 3. Center Armrest Extension

For additional comfort when driving, the center armrest extension raises up and forward.

#### 4. Moonroof Air Deflector

This moonroof air deflector helps reduce wind noise and cuts sun glare.

#### 5. MOMO Shift Knob

The machined aluminum shift knob with a satin finish and perforated leather accents adds a stylish performance look to your vehicle.

#### 6. Cargo Net

Neatly hold cargo and prevent it from sliding while the vehicle is in motion.

#### 7. Subwoofer/Amplifier

Enjoy super bass sound you not only hear but feel with this audio enhancement.

#### 8. Remote Engine Starter

Conveniently allows vehicle to be started by remote control (up to 400 feet away depending on obstructions) so that the vehicle’s interior temperature is more comfortable upon entry.

4 MOONROOF AIR DEFLECTOR

This moonroof air deflector helps reduce wind noise and cuts sun glare.

5 MOMO SHIFT KNOB

The machined aluminum shift knob with a satin finish and perforated leather accents adds a stylish performance look to your vehicle.

6 CARGO NET

Neatly hold cargo and prevent it from sliding while the vehicle is in motion.

7 SUBWOOFER/AMPLIFIER

Enjoy super bass sound you not only hear but feel with this audio enhancement.

8 REMOTE ENGINE STARTER

Conveniently allows vehicle to be started by remote control (up to 400 feet away depending on obstructions) so that the vehicle’s interior temperature is more comfortable upon entry.

9 SATELLITE RADIO

Listen to over 130 channels of music, sports, news, weather, talk and comedy, all in crystal clear digital-quality sound. Your choice of XM® or SIRIUS®.

10 CARGO ORGANIZER

Conveniently transports your outdoor gear or up to four grocery bags. Quickly collapses for easy storage when not in use.

11 FOG LIGHTS

Cast a low, wide beam of light to enhance vision in inclement weather.

12 SPLASH GUARDS

Help protect your vehicle’s paint finish from stone chips and road grime with these custom fitted splash guards. Set of four.

5 6 7 8 9 10 11 12

13 REAR SPOILER

Color-matched rear spoiler adds a stylish performance look to your vehicle includes integrated brake light.

14 ALL-WEATHER FLOOR MATS

Custom fitted, heavy-gauge floor mats help protect your vehicle’s carpet from sand, dirt and moisture.

FOR A COMPLETE LIST OF AVAILABLE ACCESSORIES, VISIT YOUR LOCAL SUBARU DEALER OR LOG ON TO WWW.SUBARU.COM.
OWNERSHIP BENEFITS

Enjoying your Subaru for years to come—that’s the promise of our comprehensive warranties and roadside assistance program. It’s a fact attested to by 95% of Subaru vehicles sold in the past 10 years that are still on the road today. It’s the confidence you feel when you get behind the wheel.

NEW CAR LIMITED WARRANTY
3 years or 36,000 miles, whichever comes first.

POWERTRAIN LIMITED WARRANTY
5 years or 60,000 miles, whichever comes first.

RUST PERFORATION LIMITED WARRANTY
5 years, unlimited mileage.

WEAR ITEM LIMITED WARRANTY
5 years or 36,000 miles, whichever comes first. We cover you where others don’t. Repairs to the following items will also be covered under warranty:
- Brake Pads
- Wiper Blades
- Clutch Linings
- Transmitter Batteries
- Shoe Linings

SHARE THE EARTH

Integral to the Subaru ownership experience is understanding our never-ending commitment to finding innovative ways of preserving the environment. It’s about leaving as small a footprint as possible—respecting the Earth, respecting the future, and respecting the consumer. Resulting in technology with real-world benefits that everyone can enjoy.

THE SUBARU ROADSIDE ASSISTANCE PROGRAM

This comprehensive package covers all 2008 Subaru vehicles during the first 3 years or 36,000 miles, whichever comes first. By calling the toll-free number in the Owner’s Information Kit, Subaru owners can take advantage of any of the following benefits:
• 24-hour Roadside Assistance, seven days a week, 365 days a year, throughout the continental United States including Alaska.
• Emergencies Towing Service to the nearest authorized Subaru dealer.
• Emergency Roadside Assistance for jump starts, gasoline (up to two gallons), flat tire change, emergency lockout service (lost key or key is locked in the vehicle) and emergency fluid replacement.

SUBARU.COM

Begin your Subaru experience right in your own home. Here, you can find extensive information, including specs, photos and reviews. Build your own Subaru, locate dealers and schedule a test drive. After your purchase, activate your free My.Subaru site, where Subaru owners can track their vehicle’s service history, schedule service appointments, receive special offers exclusive to My.Subaru members and much more.

As a corporation, we feel that it is essential to be responsible citizens of Planet Earth. Our dedication to ease the burden on the environment at every stage begins from the time that a vehicle is conceptualized to when it’s fully integrated into your life. During the process, we’ve become the first U.S. auto assembly plant to achieve zero landfill status, with the entire plant generating less waste than the average U.S. household. We’ve received ISO 14001 certification for recycling and waste reduction in every stage of manufacturing, marketing and sales. And we offer a full array of vehicles that meet PZEV (Partial Zero Emissions Vehicle) classification! Some of our most popular models have available engines that have received the EPA’s stringent SmartWay designation, which means they emit lower amounts of pollutants that cause smog. Sip less of the carbon dioxide that causes global warming. And have impressive fuel economy compared to other vehicles in their class. We think that owning a Subaru should be as rewarding as driving one.

1 Based on R. L. Polk & Co. registration data in the U.S. 1997 to 2006. 2 For 2008 Outback 2.5i, Legacy 2.5i and Forester 2.5X models certified as Partial Zero Emission Vehicles (PZEV) that are sold, registered and operated in California, Connecticut, Maine, Massachusetts, New York, Rhode Island or Vermont all emission parts are covered for 15 years/150,000 miles, whichever comes first. For complete warranty and program information, including coverage and disclosures see your Subaru dealer or log on to www.subaru.com.
Ready for smarter performance. It’s what makes a Subaru, a Subaru.
