Is it physics? Or is it chemistry?
Because you love to drive.

Temptation at first sight? Yes, but just wait until you get to know it better. On paper, the Legacy® has all the specs and features that you’ve ever wanted in a sport sedan. But true chemistry blooms once you get it out on the road. As it transforms every drive into a voyage with its smooth, efficient power and precise control, your mind gets used to the phrase “I love to drive.”
Engineering a world-class automobile doesn’t have to be complicated, it just has to be **smart**. The Legacy is a sport sedan cleverly enhanced with the traction of Symmetrical All-Wheel Drive, the balance of the SUBARU BOXER® engine and sophisticated technology like Subaru Intelligent Drive. The result? Smart innovations for a unique driving experience that you can feel, every time you turn the engine.

**Lively Acceleration**  
Choose from one of three exceptional engines and their matching transmissions—each delivering a precise and exhilarating response to input from your right foot.

**Power and Efficiency**  
Every one of the SUBARU BOXER engines creates smooth, accessible and efficient momentum. It’s proof that engineering can provide both performance and greater miles per gallon.

**Greater Control**  
Slick or dry. Gravel or asphalt. Sunny or snowy. Increased traction, thanks to the Symmetrical All-Wheel Drive system of the Legacy, lets you handle virtually any road in practically any condition.

**Increased Confidence**  
Everyone can go fast in a straight line. But the performance-tuned suspension of the Legacy was developed to empower you to take curves and turns—expected or not—with greater assurance.
Acceleration
Press the right pedal and feel your spirits lift. Whether you choose the fuel-efficient 170-horsepower 2.5i, the turbocharged exhilaration of the 243-hp 2.5-liter 4-cylinder 2.5GT, or the velvet-smooth surge of the 245-hp 3.0-liter 6-cylinder engine found in the 3.0R, you’ll get the ideal blend of seamless, powerful propulsion and efficiency.

Paddle Shifters
Shift up. Shift down. Choose the gears of the 5-speed automatic transmission while keeping your hands on the wheel with the available paddle shifters of the 2.5GT Limited and the 3.0R Limited. It’s paired with rev-matching downshift control to deliver smooth gear changes.

Transmissions
Match the Legacy 2.5i with your choice of a 5-speed manual or 4-speed automatic transmission and get great gas mileage and low emissions that meet some of today’s toughest standards. The 2.5GT spec.B is managed by a quick-shifting 6-speed manual.

Si-Drive
With a mere flick, the available Subaru Intelligent Drive (SI-DRIVE) system transforms performance characteristics to suit your driving needs—or desires. Standard on all turbocharged and 6-cylinder models (2.5GT Limited, 2.5GT spec.B, 3.0R and 3.0R Limited), you can put it in Intelligent mode for smoother response and fuel efficiency. Dial it up to Sport for quick throttle feedback and linear acceleration. For enthusiastic driving, the Sport Sharp mode delivers more power sooner, greater low-end thrust and maximum enjoyment.

Go from nice to fierce in one flick.
Subaru Symmetrical All-Wheel Drive was engineered to give drivers the best traction system available. Better traction means better control and handling. It expands a vehicle’s limits and the conditions in which it performs. Traction increases the confidence a driver can put in their vehicle. Subaru believes in traction. It’s why Subaru owners believe in their vehicles.

All Weather Conditions
Snow and rain can surprise even the best planners. Be ready for less-than-ideal conditions with the exceptional traction, handling and control of Subaru AWD.

Accident Avoidance
When danger steps into your path, the safest route is to step right around it. The trademark traction and control of Subaru AWD helps you stay safe by staying ready.

Spirited Handling
You won’t be the first to be impressed by the handling and agility of the Legacy. Subaru AWD maximizes the feeling of being connected to the road with its remarkable balance and grip.

Multiple Road Types
Subaru AWD provides the adhesion to own your favorite stretch of immaculate asphalt. And it also gives you the freedom to tackle a myriad of road surfaces with confidence.
The Advantages of Subaru Symmetrical All-Wheel Drive

All AWD systems are not the same. For more than 30 years, Subaru has been engineering Subaru Symmetrical All-Wheel Drive to have distinct advantages over other systems. Almost total side-to-side symmetry creates optimal balance for stability and sharp handling. And since power flows in a more direct path from the engine to all four wheels, it works with brilliant efficiency for secure grip and quicker response to slippage.

Superior Control
The Subaru Symmetrical All-Wheel Drive System, with its fore, aft and lateral balance, results in exceptional handling overall. Unlike a rear-wheel drive car which may oversteer, or a front-wheel drive car that is more prone to understeer, the full-time symmetrical AWD of the Legacy transfers power to all four wheels for more stable, neutral cornering. The result? Greater safety and intensified performance.

Instantaneous Response
Only four small patches of rubber keep you in control of your vehicle. The more your tires are engaged, the more control you have. Unlike FWD or RWD vehicles, the Subaru Symmetrical AWD system keeps power routed to all four tires. So they’re all ready to respond when you use the throttle, especially in tight curves or unexpected maneuvers.

Road Adhesion
The greater the grip the tires have on the road, the more predictable your car becomes. With all four wheels receiving power all the time, chances are much more likely that tires will stick to the road, avoiding slippage, and your vehicle will stay on the intended trajectory. Think of it as prevention rather than reaction.
Performance and Handling

The true measure of a sport sedan is how it makes you feel. It’s when you experience the joy of being in complete control over every one of your movements, piloting a machine that is an extension of yourself. It’s in driving a car with quick reflexes that gives you unfazed predictability through S-curves, hairpins and switchbacks. That’s why every component of the Legacy is geared toward delivering a distinct experience that moves you physically. And emotionally.

Subaru Boxer Engine

The flat, horizontally opposed configuration empowers the Legacy with a lower center of gravity, delivering precise handling and enhanced stability. The result is a car that goes where you want it to, especially when changing directions quickly, impressing driving enthusiasts and safety experts alike.

Suspension

The inspiration Subaru engineers gained from driving on some of the world’s greatest roads, coupled with the insights learned from the daily rigors of real-world driving, went into the development of our 4-wheel independent suspension. The result? The responsiveness of a precision-tuned vehicle that also provides a supple, fluid ride.

2.5GT Spec.B and 3.0R Limited Suspensions

Outfitted with a Bilstein® sport suspension, the 2.5GT spec.B and the 3.0R Limited take it a step beyond. The spec.B suspension uses aluminum components to reduce weight. Both ride on 18-inch wheels with wide, performance-oriented tires to maintain optimal adhesion. All working together to form an intimate connection to the road.
Comfort and Versatility
Step inside and be rewarded. The driver can achieve ideal comfort with a tilt-and-telescoping steering wheel, an available 8-way power driver’s seat with 2-position memory and available heated front seats. In the rear, the 60/40-split flat-folding rear seats will help you accommodate a variety of differently shaped objects.

Navigation
A few taps on the available touch-screen GPS navigation system and you’ve got a guide—across town or across the country. When not in use, it gives you useful tools like a calendar and calculator, or displays information on fuel economy and maintenance reminders.

Your Cabin
Slip into something a little more comfortable. Stylish. And luxurious. The interior of the Legacy was designed to surround you with thoughtful elegance, convenience and technology to make you and your passengers anticipate each excursion. You’ll find that it’s the small details that make getting into the Legacy each morning a joy.

Harman Kardon
With 385-watts of power and brilliant clarity, your voyage will have the soundtrack it deserves. Standard on most models, your music comes alive with 9-speakers and an amplifier built and custom-tuned by the engineers at Harman Kardon® for stunning range and realism. Engineered to replicate home theater quality sound right in the cabin of your Legacy, the premium audio system uses Digital Signal Processing (DSP) for astounding fidelity. And top-end materials like neodymium magnets provide harmonic richness. But all you’ll hear is your favorite artist sounding better than ever.

Your Music
Whether your tunes are coming from XM® or SIRIUS® Satellite Radio with over 130 channels of satellite feed, your iPod® or virtually any portable media player, or from the available in-dash 6-disc CD changer, you can release your inner audiophile with the high-quality audio systems.

For Subaru, the only thing more important than the driving experience of our vehicles is that you arrive safely at your destination. This commitment to protect occupants with multidimensional safety is what made each and every Subaru model tested, when equipped with available VDC, an IIHS 2008 Top Safety Pick.¹

Active Safety | Trust. Subaru knows that this is the most important feeling to have when you get behind the wheel. You can drive with confidence knowing that Subaru engineered the Legacy to assist in keeping you safe by helping you avoid accidents. Exceptional visibility helps you see danger coming, and active technologies like Subaru AWD and a responsive suspension help you stay in control in an emergency.

Passive Safety | In a worst-case scenario, the Subaru Legacy is one of your best possible bets. Government crash testing recognizes the Legacy with a five-star crash-test safety rating.² Its brilliant track record in safeguarding passengers comes from an array of advanced protection technologies coupled to a body structure that is meticulously engineered to help save lives.

Vehicle Dynamics Control (VDC)  The VDC electronic stability control monitors the path of your vehicle to help detect unwanted deviations in your trajectory, and helps correct them to keep you in control and on the right path.²

Traction  Standard full-time AWD automatically adjusts power front and rear, helping to maintain greater traction, no matter what the road surface or the weather has in store, helping you to maintain better control of your Legacy.

Front, Side and Side-Curtain Airbags⁴  An array of sensors can deploy any one or more of the six airbags the instant an accident is detected. The Legacy features side-curtain airbags to better provide all-over protection for the driver, front passenger and outboard rear passengers.

Ring-Shaped Reinforcement Frame  Exceptionally strong, the frame design of the Legacy not only helps to maintain cabin integrity during a crash—it also helps divert dangerous impact energy away from occupants.

Active Traction: Subaru’s all-wheel-drive system

1. Rating based on Insurance Institute for Highway Safety’s (IIHS’s) 40-mile-per-hour frontal crash test, 31-mile-per-hour side-impact test, and 20-mile-per-hour rear-impact test. For more information, contact IIHS or visit their website at www.iihs.org.
2. Not available on 2.5GT Limited with manual transmission.
3. For front and side-impact collisions.¹
   — National Highway Traffic Safety Administration
4. Always wear seatbelts. Children should be properly restrained in the rear seat.

For more information, contact IIHS or visit their website at www.iihs.org.
Durability and a low impact on the environment have long made Subaru vehicles the choice of drivers who want to enjoy the beauty of the natural world. By eliminating pollutants during the production process and creating efficient, low-emission vehicles, Subaru works diligently to protect that beauty and the earth we all share.

Zero Landfill
In 2004, Subaru of Indiana Automotive (SIA) became the first manufacturing facility in the U.S. to reach zero landfill status—nothing from its manufacturing efforts ever goes into a landfill.

Protecting Wildlife
In 2003, SIA became the first U.S. automotive assembly plant to be designated a wildlife habitat. Subaru shares the site with numerous natural residents including deer, blue herons and beavers.

Low Emissions
The Legacy is one of the few vehicles to achieve Partial Zero Emission Vehicle (PZEV) status. It achieves this recognition for cleanliness and efficiency without the negative environmental impact required to manufacture some high-efficiency systems, and without compromising performance and versatility.

For select Forester, Legacy and Outback models, the SmartWay mark is based on the vehicle’s officially certified exhaust emissions and greenhouse gas scores. Visit www.epa.gov/greenvehicles for more information.

1 For all 2008 Legacy, Outback and Forester non-turbo 2.5-liter models certified as PZEV that are sold, registered and operated in California and certain other states.
2 Available on 2009 Legacy models certified as Partial Zero Emission Vehicles (PZEV) that are sold, registered and operated in California, Connecticut, Maine, Massachusetts, New Jersey, New York, Oregon, Pennsylvania, Rhode Island, Vermont and Washington. PZEV emissions warranty applies only in certain states. See your dealer for complete information on emissions and new car limited warranties.

For select Forester, Legacy and Outback models, the SmartWay mark is based on the vehicle’s officially certified exhaust emissions and greenhouse gas scores.1 Visit www.epa.gov/greenvehicles for more information.
2.5i
Performance and value. Be moved by a 170-horsepower 4-cylinder engine with great fuel efficiency and low emissions. And get a full complement of safety features such as Vehicle Dynamics Control (VDC) and side-curtain airbags, and amenities like a tilt/telescoping steering wheel and 60/40-split flat-folding rear seats.

2.5i Limited
Ratchet up the luxury factor with the 2.5i Limited. Enjoy leather-trimmed seating, heated front seats, the Harman Kardon premium audio system with 6-disc in-dash CD changer, dual-zone automatic climate control, and a standard automatic transmission with SPORTSHIFT® manual control.

2.5GT Limited
Experience the thrill of turbocharged acceleration. The 2.5GT Limited is motivated by 243 horsepower, and moderated by the SI-DRIVE performance management system. Match it up with your choice of a 5-speed manual or 5-speed automatic with SPORTSHIFT manual control and race-inspired steering wheel-mounted paddle shifters. And enjoy your tunes enhanced with the Harman Kardon premium audio system.

2.5GT spec.B
The spec.B elevates Legacy to a higher level by adding a performance-enhanced suspension with Bilstein® shocks and a 6-speed manual transmission. Add Alcantara®-trimmed performance-design front seats for enthusiastic driving, unique rocker-panel moldings and 18-inch aluminum-alloy wheels, and watch the competition fade from your rearview mirror. Higher performance also comes in the form of the Harman Kardon premium audio system.

3.0R Limited
The flagship Legacy. Get all the performance and luxury advantages of the 2.5GT spec.B but with six cylinders and a 5-speed SPORTSHIFT automatic transmission for even smoother acceleration. The equipment list includes perforated leather-trimmed seats, available satellite radio, the immersive Harman Kardon premium audio system and an available touch-screen GPS navigation system.

2.5i Special Edition
The 2.5i Special Edition adds a power moonroof and an 8-way power driver’s seat. Choose and play your music from the 385-watt 9-speaker Harman Kardon® premium audio system with Digital Signal Processing (DSP) and 6-disc in-dash CD changer, especially attuned to the interior dimensions of the Legacy.

2.5GT Limited
Experience the thrill of turbocharged acceleration. The 2.5GT Limited is motivated by 243 horsepower, and moderated by the SI-DRIVE performance management system. Match it up with your choice of a 5-speed manual or 5-speed automatic with SPORTSHIFT manual control and race-inspired steering wheel-mounted paddle shifters. And enjoy your tunes enhanced with the Harman Kardon premium audio system.

3.0R
You can appreciate all the features of the 2.5i Special Edition plus a velvety smooth 6-cylinder engine. Make the most of the 245-horsepower 3.0-liter engine with a 5-speed SPORTSHIFT automatic transmission. You can complement its unique exhaust note with the Harman Kardon premium audio system.
## Legacy® Specifications

### Exterior
- **Power distributor low beam and multiflector high beam headlights:**
  - Standard
  - **Foglights:**
    - Standard
- **Functional hood scoop (Reds bunglow intercooler):**
  - Standard
- **Body color door handles and side mirrors:**
  - Standard
- **Body color side mirrors with integrated turn signals:**
  - Standard
- **Heated side mirrors and windshield wiper de-icer:**
  - Standard
- **2-speed windshield wipers with variable intermittent mode and mist feature:**
  - Standard
- **Aerodynamic side ground effects:**
  - Standard
- **Aerodynamic side ground effects with chrome trim:**
  - Standard
- **Dual chrome exhaust outlets:**
  - Standard
- **Power window glass moonroof:**
  - Standard

### SEATING AND TRIM
- **4-way manually adjustable driver’s seat with manually adjustable lumbar support:**
  - Standard
- **4-way manually adjustable front passenger’s seat:**
  - Standard
- **4-way power driver’s seat and 4-way power front passenger’s seat, both with manually adjustable lumbar support:**
  - Standard
- **2-position driver’s seat memory:**
  - Standard
- **2-stage heated front seats:**
  - Standard
- **Performance design front seats:**
  - Standard
- **60/40 split flat-folding rear seatback:**
  - Standard
- **3-spool steering wheel with cruise control buttons:**
  - Standard
- **3-spool steering wheel with cruise control and SI-DRIVE Sport mode buttons:**
  - Standard
- **3-spoke steering wheel with cruise control and SI-DRIVE Sport mode and multifunction control switch:**
  - Standard
- **Leather-wrapped 3-spoke steering wheel with audio system and cruise control buttons:**
  - Standard
- **Leather-wrapped 3-spoke steering wheel with audio system, cruise control, SI-DRIVE Sport mode and multifunction controls:**
  - Standard
- **Manually adjustable tilt/telescoping steering column:**
  - Standard
- **Leather-wrapped manual transmission shifter handle:**
  - Standard
- **Leather-wrapped automatic transmission shifter handle with chrome woodgrain-patterned trim:**
  - Standard
- **Leather-wrapped automatic transmission shifter handle with chrome woodgrain-patterned trim:**
  - Standard
- **Automatic transmission SPORTSHIFT paddle shifters:**
  - Standard
- **Cloth upholstery:**
  - Standard
- **Leather-trimmed upholstery:**
  - Standard
- **Leather-trimmed upholstery with Alcantara® seat inserts:**
  - Standard
- **Titanium metallic trim on doors and console:**
  - Standard
- **Titanium metallic trim with velour woodgrain-patterned accents:**
  - Standard
- **Titanium metallic trim with velour woodgrain-patterned accents:**
  - Standard

### Convenience Features
- **Power front and rear windows with driver’s auto-down:**
  - Standard
- **Electronic cruise control:**
  - Standard
- **Integrated keyless entry with unlock and panic functions:**
  - Standard
- **Dual cupholders in center console with retracable lid. Retractable dual rear cupholders:**
  - Standard
- **Sun visors with extenders and illuminated vanity mirrors:**
  - Standard
- **In-dash storage compartment:**
  - Standard
- **Center console with 12-volt power outlet and enclosed storage compartment:**
  - Standard
- **Trunk area-concealed underfloor storage tray. Dual grocery bag hooks:**
  - Standard
- **Remote starter programming (automatic transmission only):**
  - Standard

### Audio and Communications Systems
- **100 watt 6-G speaker system with AM/FM/XM capability:**
  - Standard
- **88 watt 6-G speaker Harman Kardon® premium audio system with 7-channel amplifier/equalizer, subwoofer, Digital Signal Processing (DSP), AM/FM/XM capability and Speed Sensing Auto Volume Control (WV):**
  - Standard
- **Single-disc in dash CD player:**
  - Standard
- **6-disc in dash CD changer:**
  - Standard
- **Auxiliary audio jack for portable media players:**
  - Standard
- **XM* or SIRIUS® Satellite Radio capability:**
  - Standard
- **Steering wheel audio controls:**
  - Standard
- **Touch screen GPS navigation system with multifunction screen displaying trip computer functions:**
  - Standard

### Engine and Drivetrain
- **Entry:** 2.5-liter DOHC aluminum-alloy 16-valve horizontally opposed 4-cylinder SUBARU® engine with Active Valve Lift System
- **2.5-liter DOHC intercooled, turbocharged aluminum-alloy 16-valve horizontally opposed 4-cylinder SUBARU® engine with Active Valve Lift System.**
- **3.0-liter DOHC aluminum-alloy 24-valve V6-cylinder horizontally opposed 6-cylinder SUBARU® engine with Active Valve Control System and Active Valve Lift System.**
- **2.5-liter DOHC intercooled, turbocharged aluminum-alloy 16-valve horizontally opposite 4-cylinder SUBARU® engine with Active Valve Lift System.**

### Fuel
- **Fuel Capcity:**
  - 51.0 liters or 53.5 liters
- **Fuel requirement:** Unleaded gasoline

### Transmission
- **Transmission:**
  - 5-speed automatic
  - Standard
  - Manually adjustable transmission, 3.0L and 4.0L
  - Standard
  - 5-speed automatic
  - Standard
  - 5-speed manual
  - Standard

### Manual Transmission
- **6-speed manual:**
  - Standard
  - 5-speed manual
  - Standard
  - 6-speed manual
  - Standard

### Automatic Transmission
- **6-speed automatic:**
  - Standard
  - 5-speed automatic
  - Standard
  - 4-speed automatic
  - Standard
  - 3-speed automatic
  - Standard
  - 2-speed automatic
  - Standard
  - 5-speed automatic
  - Standard

### Tires
- **225/50 R17 91V M+S**
- **215/45 R17 91W M+S**
- **205/50 R17 88V M+S**

### Power train
- **Engine:**
  - 2.5-liter DOHC intercooled, turbocharged aluminum-alloy 16-valve horizontally opposed 4-cylinder SUBARU® engine with Active Valve Lift System.
- **Power:**
  - 170 hp @ 6,600 rpm
- **Torque:**
  - 141 lb-ft @ 4,400 rpm
- **Variable Torque Distribution (VTD):**
  - Standard
  - 4-speed adaptive electronic direct control (EPC) and electronically controlled adaptive variable limited-slip control.
- **Vehicle Dynamics Control (VDC):**
  - Standard
  - 4-speed adaptive electronic direct control (EPC) and electronically controlled adaptive variable limited-slip control.

### SI-DRIVE performance system
- **SI-DRIVE performance system:**
  - Standard

### tire performance
- **Front/Rear Tires:**
  - 205/50 R17 88V M+S

### Environments
- **Certified Low Emission Vehicle (LEV):**
  - Standard

### Shoulder room
- **Certified Low Emission Vehicle (LEV):**
  - Standard

### shoulder room
- **Shoulder room (front/rear):**
  - 44.1 inches/16.8 inches

### Headroom
- **Headroom (front/rear):**
  - 36.5 inches/36.3 inches

### Car dimensions
- **Cabin volume:**
  - 91.4 cubic feet

### Dimensions
- **Passenger volume:**
  - 91.5 cubic feet

### Chassis
- **Suspension:**
  - 2.5L models and 3.0L: 2.5 turns lock-to-lock. 2.5i GT Limited: 2.6 turns lock-to-lock

### Stability and traction
- **Variable Torque Distribution (VTD):**
  - Standard
  - 4-speed adaptive electronic direct control (EPC) and electronically controlled adaptive variable limited-slip control.
  - Standard
  - 3.0L and 4.0L
  - Standard

### Optional Equipment
- **Optional Equipment:**
  - 3.0i Limited
  - 3.0R Limited
  - SI-DRIVE performance system.
Make a Subaru your Subaru with Genuine Subaru accessories. With everything from styling enhancements to storage solutions, you can outfit your Subaru to be as unique as your adventures. Backed by a 3-year or 36,000-mile limited warranty, they’re built with Subaru reliability in mind.

For a complete list of available accessories, visit your local Subaru dealer or log on to subaru.com.
Your Subaru will be a vehicle you can love for years to come. That’s the promise delivered by our comprehensive warranties, Roadside Assistance Program, and outstanding vehicle reliability. It’s a promise attested to by the fact that 95% of Subaru vehicles sold in the past ten years are still on the road today.

Love. It’s what makes a Subaru, a Subaru.

Subaru Added Security
It’s possibly the most important option you choose. Protect your investment with a Subaru® Added Security® Extended Service Contract—the only one backed by Subaru of America, Inc. Ask your salesperson for coverage details and assistance in selecting the plan that’s best for you—up to 7 years or 100,000 miles.

Subaru.com
Begin your Subaru experience right in your own home. Here, you can find extensive information, including specs, photos and reviews. Build your own Subaru, locate dealers and schedule a test drive. After your purchase, activate your free My.Subaru site, where Subaru owners can track their vehilce service history, schedule service appointments, receive special offers exclusive to My.Subaru members, and much more.

The Subaru Roadside Assistance Program
This comprehensive package covers all 2009 Subaru vehicles during the first 3 years or 36,000 miles, whichever comes first. By calling the toll-free number in the Owners Information Kit, Subaru owners can take advantage of any of the following benefits:

• 24-Hour Roadside Assistance, seven days a week, 365 days a year, throughout the United States.
• Emergency Towing Service to the nearest authorized Subaru dealer.
• Emergency Roadside Assistance for jump starts, gasoline (up to two gallons), flat tire change, emergency lockout service (lost key or key is locked in the vehicle), and emergency fluid replacement.

Around here, it is the car to drive. I am always grateful for the quality of your products.

- This is the best car ever. I love it.
- We wanted you to know that we are very pleased with Subaru. Both cars have never failed to perform for us, and we plan to stick with Subaru for a long time.
- I absolutely fell in love with my car tonight. I am so happy I bought my Legacy.
- I back the Legacy up, hoping that it doesn’t get stuck in the six to twelve inches of mud that is there. The Legacy surprisingly has no trouble.
- I am thrilled with the Legacy in every way. Your engineers have done a superb job of building a responsive yet smooth car that is really fun to drive, while still being economical and comfortable.
- The Subaru Legacy, in the words of those who own them:
  - I am VERY HAPPY to report that I just went over 145,000 miles and this car has performed the best out of any car I have owned.
  - I am incredibly product loyal and LOVE my Subaru!
  - The Legacy is truly a sleeper that competes well against the competition and is a fantastic value!
  - I was so thankful I was not hurt, and I am so grateful that Subaru puts so much effort into vehicle safety.
  - I check the Insurance Institute for Highway Safety from time to time and Subaru is always in the top of the list.
  - I will never drive anything other than Subaru.

Love. It’s what makes a Subaru, a Subaru.
