Responsible. Reliable. Ready to join the family.

At Subaru, we’re committed to building a lasting, rewarding relationship with you and the world we share. We start by building our vehicles to last—it’s why 96% of all the vehicles we’ve built in the last 10 years are still on the road today.¹ We also share your desire for a cleaner, greener world. The Forester, Impreza, Legacy and Outback have all been recognized with Partial Zero Emission Vehicle—PZEV²—status because of their exceptionally low emissions. What’s more, in 2004 Subaru of Indiana Automotive, Inc. (SIA) became the first manufacturing facility in the U.S. to reach zero landfill status—nothing from its manufacturing efforts ever goes into a landfill.

¹ Based on Polk U.S. vehicles in operation registration statistics 2001–2010. ² 2012 Forester, Impreza, Legacy and Outback 2.5L non-turbo models certified as Partial Zero Emission Vehicle (PZEV) per regulations of all 50 states. Only those sold and registered in California, Connecticut, Delaware, Massachusetts, New Jersey, New York, Rhode Island and Vermont will be eligible for the 15 years/150,000 mile emission warranty. Oregon, Pennsylvania and Washington vehicles are not covered under PZEV emissions control warranty.
Working the corner office
or simply chasing the corners.

The 2012 Subaru Legacy

There’s a sense of satisfaction in doing things differently than the rest. Like building a sedan that offers surefooted handling and refined smoothness. Invigorating performance with reassuring safety. And thoughtful innovation with long-lasting reliability. The balance of these virtues working together harmoniously in the Legacy is what delivers the confidence to relish every curve when you chase the things that matter most to you.

Efficient
Legacy lets you experience performance and save money at the same time with up to 31 mpg when you opt for the available Lineartronic® CVT.¹

Sporty
A choice of refined and thrilling engines. Precise rack-and-pinion steering. Independent front and double-wishbone rear suspension. They combine with the grip of Subaru Symmetrical All-Wheel Drive to deliver a performance that’s smooth, powerful, and responsive.

Comfortable
A spacious cabin with all of the technology to make every trip enjoyable, the Legacy is built to ease the burden of every commuter’s minute and increase the driver’s enjoyment of every open mile.

Protective
From an engine design that can actually help protect you in an accident to its comprehensive accident avoidance and protection engineering, there are many safety features that make Legacy an IIHS Top Safety Pick, six years running (2006–2011).²

¹ Available on 2.5i models only. EPA highway estimate. Actual mileage may vary.
² Ratings based on Insurance Institute for Highway Safety’s (IIHS’s) 40-mile-per-hour frontal crash test, 31-mile-per-hour side-impact test, 20-mile-per-hour rear-impact test, and roof-strength test. For more information, contact IIHS or visit their website at www.iihs.org.

Legacy 2.5i Limited in Graphite Gray Metallic.
Good ideas fuel great drives.

“...that rare blend of plush comfort for all passengers combined with all-weather performance prowess backed up by excellent crash-test scores and predicted reliability ratings.”

—Vehix.com
Throw a twist in life’s turns.
Making enjoying every drive easier is the goal of what's inside a Legacy. Bluetooth® wireless capability allows you to make calls hands-free and stream music from your Bluetooth-enabled phone or MP3 player. Navigation can be controlled by voice or touchscreen. And because being comfortable is just as important as being connected, your passengers will appreciate the spacious headroom and legroom located throughout.

Connect your drive in real time.

Legacy 2.5GT Limited with DH black leather and optional Navigation System Package.

Legacy 3.6i/Limited with Off-Black leather, optional moonroof and navigation system package.
Bringing power and control into balance.

Legacy 2.5i Limited in Ice Silver Metallic with optional moonroof, accessory splash guards and trunk spoiler.
Smart ideas for the drive
and the driven.

1. Always wear seatbelts. Children should be properly restrained in the rear seat.
2. A 3-month trial subscription included when a dealer- or port-installed accessory or a 4-month trial subscription included as part of the Harman Kardon premium audio system. Activation and required monthly subscription sold separately. See your dealer.

CVT
Lineartronic® CVT can reduce the amount you spend on fuel by eliminating the need to shift, thereby preserving momentum with smooth, continuous power. In automatic mode, it infinitely adjusts the transmission to match your immediate driving needs. Or use the paddle shifters and 6-speed manual mode for quick access to power and torque on the fly.

Power
With a choice of a 2.5-liter 170-hp engine with available Lineartronic® CVT, a 265-hp turbocharged 2.5-liter engine with 6-speed manual transmission, or a 256-hp 3.6-liter engine with 5-speed automatic transmission, you are sure to find a Legacy that matches your performance needs, from efficient to fierce.

AWD Control
The traction and balance of Subaru Symmetrical All-Wheel Drive and the stability of the SUBARU BOXER® engine provide you with the responsiveness to seize the road and readiness to react to hazards. Legacy also comes standard with VDC electronic stability control, which can detect a loss of control and intervene to help keep you on your intended path.

Occupant Protection
Our Ring-shaped Reinforcement Frame is exceptionally strong for maximum resistance to impact energy, while its unique configuration helps divert that energy away from occupants. Also front, front-side and side-curtain airbags are standard on every Legacy.

Suspension
Its 4-wheel independent design maximizes the fuel you have for the road. The double-wishbone rear suspension deflects the worst of the bumps without unsettling the chassis. With MacPherson struts up front, it’s a tight, yet supple ride that always leaves you feeling in touch and in control.

Technology
Available features like dual-zone climate control help keep you comfortable, while a USB for your iPod®, HD Radio™, XM® Satellite Radio® and Bluetooth® hands-free connectivity keep you connected and entertained.

Legacy 2.5GT Limited in Ice Silver Metallic.
### 2.5i
- **Engine**: 2.5-liter DOHC aluminum-alloy, 16-valve horizontally opposed 4-cylinder SUBARU BOXER engine with Lineartronic CVT.
- **Torque**: 256 lb-ft @ 6,000 rpm
- **Fuel requirement**: Premium unleaded gasoline (87 octane)
- **Wheels**: 17 x 7.0-inch 10-spoke aluminum-alloy wheels
- **Base curb weight**: 3,272 lbs
- **FUEL ECONOMY**: 25/34/28 mpg

### 2.5i Limited
- **Engine**: 2.5-liter DOHC aluminum-alloy, 16-valve horizontally opposed 4-cylinder SUBARU BOXER engine with Lineartronic CVT.
- **Torque**: 260 lb-ft @ 5,600 rpm
- **Fuel requirement**: Unleaded gasoline (93 octane)
- **Wheels**: 17 x 7.0-inch 10-spoke aluminum-alloy wheels
- **Base curb weight**: 3,357 lbs
- **FUEL ECONOMY**: 22/31/25 mpg

### 3.6R
- **Engine**: 3.6-liter DOHC aluminum-alloy, 24-valve horizontally opposed 6-cylinder SUBARU BOXER engine with Dual Active Valve Control System.
- **Torque**: 296 lb-ft @ 6,000 rpm
- **Fuel requirement**: Premium unleaded gasoline
- **Wheels**: 18 x 7.0-inch 10-spoke aluminum-alloy wheels
- **Base curb weight**: 4,152 lbs
- **FUEL ECONOMY**: 18/25/21 mpg

### Warranties

- **New Car Limited Warranty**: 3 years or 36,000 miles, whichever comes first.
- **Powertrain Limited Warranty**: 3 years or 36,000 miles, whichever comes first.
- **Wear Item Limited Warranty**: 3 years or 36,000 miles, whichever comes first.
SEATING AND TRIM
6-way manually adjustable driver’s seat.  
6-way manually adjustable front-passenger’s seat.  
10-way power driver’s seat with power adjustable lumbar support.  
6-way power front-passenger’s seat.  
Heated front seats (All-Weather Package).  
Leather-wrapped 3-spoke steering wheel with audio system.  
Leather-wrapped 3-spoke steering wheel with audio system and cruise control buttons.  
Silver metallic trim on doors and console.  
Carbon fiber-patterned accent trim on doors and console.  
Wood-trimmed leather-vinyl trim on doors and console.  
Aluminum-alloy pedal covers.

CONVENIENCE FEATURES
Electronic parking brake with hill-holder function  
Driver’s auto-dim (with LED technology) rearview mirror  
Electronic cruise control  
3-spoke steering wheel with audio system and cruise control buttons  
Leather-wrapped 3-spoke steering wheel with audio system, cruise control, Bluetooth®, and (if equipped) navigation system voice-command buttons  
Automatic transmission and Lineartronic CVT transmission paddle shifters  
Manually adjustable tilt/telescoping steering column  
8 cup holders  
Overhead console with dual maplights and sunglasses storage.

AUDIO AND COMMUNICATION SYSTEMS
5-speaker single-CD audio system with 3.5-mm auxiliary jack  
6-speaker single-CD audio system with USB port® and control, Bluetooth® audio streaming and hands-free phone connectivity, and 3.5-mm auxiliary jack  
480-watt 9-speaker single-CD Harman Kardon premium audio system with amplifier, subwoofer, HD Radio®, USB port®, and control, XM® Satellite Radio®, Bluetooth® audio streaming and hands-free phone connectivity, and 3.5-mm auxiliary jack  
SRi® Satellite Radio®  
XM® Satellite Radio®  
SRi® Satellite Radio®  
XM® Satellite Radio®

INSTRUMENTATION
Analog speedometer/ tachometer, “eco” fuel economy and fuel level gauges  
Digital trip computer displaying fuel economy, digital clock and ambient temperature  

CLIMATE CONTROL
Manually adjustable CFC-free air-conditioning system with rotary controls for temperature,  
4-speed fan and airflow direction  
Dual-zone automatic climate control system with controls for temperature,  
6-speed fan, airflow direction, dual-zone locked and CFC-free air conditioning  

SECURITY
Keyless entry system with trunk release and answer-back electronic chip  
Antitheft security system with engine immobilizer
Make your Legacy truly yours.

Crossbar Set Fixed – Sedan
May be used in conjunction with most Genuine Subaru roof attachments and carriers. Additional mounting clamps required.

Body Side Moldings
Attractive color-matched moldings coordinate with the styling of the vehicle, while helping to protect doors from unsightly dings.

Trunk Spoiler
Sleek, low-profile design adds just the right amount of attitude to your Legacy. Comes pre-painted and ready to install.

Auto-dimming Mirror with Compass and HomeLink®
Mirror darkens when headlights are detected from behind the vehicle. Includes a compass and three HomeLink buttons that are programmable for most garage-door openers and other HomeLink-compatible devices.

Splash Guards
Help protect the vehicle’s paint finish from stones and road grime.

Rear Seat Entertainment System
Rear Seat Entertainment System includes two 7" LCD monitors and two DVD players integrated into the front seats. The driver’s monitor screen system allows rear passengers the option of viewing movies, listening to music or playing games either simultaneously or independently. Individual DVD players may be controlled with control buttons on each front panel or with the included remote control.

The system includes wireless headphones*, an iPod® ** and MP3 compatible, and includes an A/V jack for connecting external inputs.

*Headphones are for rear passenger use only. **Not available.

Responsible. Reliable. 
Ready to join the family.

At Subaru, we’re committed to building a lasting, rewarding relationship with you and the world we share. We start by building our vehicles to last—it’s why 96% of all the vehicles we’ve built in the last 10 years are still on the road today.1 We also share your desire for a cleaner, greener world. The Forester, Impreza, Legacy and Outback have all been recognized with Partial Zero Emission Vehicle—PZEV—status because of their exceptionally low emissions. What’s more, in 2004 Subaru of Indiana Automotive, Inc. (SIA) became the first manufacturing facility in the U.S. to reach zero landfill status—nothing from its manufacturing efforts ever goes into a landfill.

These brochures were printed with vegetable-based inks and produced using a “Green Printing Process” and FSC® standards. The Forest Stewardship Council® (FSC) is an international organization that brings people together to find solutions which promote responsible stewardship of the world’s forests and environments. By choosing these brochures in green ways rather than by traditional methods, we saved 61 trees preserved for the future; 177 lbs water-borne waste not created; 26,003 gallons wastewater flow saved; 2,877 lbs solid waste not generated; 5,665 lbs net greenhouse gases prevented; 43,359,520 BTUs energy not consumed. This brochure is printed in the U.S.A. on recycled paper.

2 2012 Forester, Impreza, Legacy and Outback 2.5L non-turbo models certified as Partial Zero Emission Vehicle (PZEV) are available in all 50 states. Only those sold and registered in California, Connecticut, Delaware, Massachusetts, New Jersey, New York, Rhode Island and Vermont will be eligible for the 15 years/150,000 mile emission warranty. Oregon, Pennsylvania and Washington vehicles are not covered under PZEV emissions control warranty.
