At Subaru, we’re committed to building a lasting, rewarding relationship with you and the world we share. We start by building our vehicles to last—it’s why 94% of all the vehicles we’ve sold in the last 12 years are still on the road today. We also share your desire for a cleaner, greener world. Select 2015 Legacy 2.5i models achieve Partial Zero Emission Vehicle—PZEV—status, because of their exceptionally low emissions.

What’s more, in 2004, Subaru of Indiana Automotive, Inc. (SIA) became the first manufacturing facility in the U.S. to reach zero-landfill status—nothing from its manufacturing efforts ever goes into a landfill. Subaru is also headquartered in a zero-landfill office in Cherry Hill, N.J.

1 Based on IHS Automotive: Polk U.S. Total Registrations MY2002–2013. 2 2015 Subaru Legacy 2.5L models achieving a Partial Zero Emission Vehicle (PZEV) rating by the California Air Resources Board are available in all 50 states. These vehicles are sold exclusively in California. Only those registered in California, Connecticut, Delaware, Maine, Maryland, Massachusetts, New Jersey, New York, Rhode Island and Vermont will be eligible for the 15 years/150,000 mile emission warranty. Delaware, Oregon, Pennsylvania and Washington vehicles are not covered under PZEV emissions control warranty, nor are vehicles registered in any other state except California.

These brochures were printed with vegetable-based inks and produced using a “Green Printing Process.” The Forest Stewardship Council (FSC®) is an international organization that brings people together to find solutions which promote responsible stewardship of the world’s forests and environments.

By producing these brochures in a green way rather than by traditional methods, we saved 54 trees preserved for the future; 24,941 gallons of wastewater flow saved; 1,670 lbs solid waste not generated; 4,599 lbs net greenhouse gases prevented; 24,000,000 BTUs energy not consumed. Calculations provided by Environmental Paper Network. FSC® is not responsible for any calculations on saving resources by choosing this paper.
The All-new 2015 Subaru Legacy

Confidence and trust are their own kind of freedom in the all-new 2015 Legacy, the longest-lasting sedan in its class. Considering that 95% of all Subaru Legacy vehicles sold in the last 10 years are still on the road today, it’s no surprise that this is a car that was built to last. What makes it so different? It’s the capability of standard Subaru Symmetrical All-Wheel Drive (AWD), the efficiency of 36 highway MPG and the assurance of an outstanding safety reputation. Legacy. It’s not just a sedan. It’s a Subaru.

More Efficient

AWD + 36 MPG: The all-new Legacy gets better fuel economy and is the most capable it’s ever been, with standard Subaru Symmetrical AWD. Its refined Lineartronic® CVT also ensures you’ll get optimal MPG out of its SUBARU BOXER® engine.

More Engaging

Not much stands in your way with Subaru Symmetrical AWD. The ride feels confident, controlled and definitely more engaging. Its new Active Torque Vectoring delivers sharper handling and its refined steering and suspension makes for a more responsive ride.

More Room

With its class-leading passenger room, the 2015 Legacy is more comfortable for all aboard. Plus an all-new interior with upgraded technology will give you plenty to enjoy. It’s also quieter inside, thanks to improved aerodynamics, insulation and a stiffer frame.

More Protection

The available EyeSight® Driver Assist System warns you of trouble and can intervene to help you avoid it. While the new Rear Cross-Traffic Alert helps in parking situations. There’s also new Blind-Spot Detection to help alert you to approaching vehicles.

1 Based on IHS Automotive/Polk U.S. total new light vehicle registrations in the model years 2004 through 2013 (through October 2013) in the non-luxury traditional midsize sedan segment for models which have been on the U.S. market for the entire ten-year time period. 2 EPA estimated fuel economy for 2015 Legacy 2.5i at 36 highway MPG. Actual mileage may vary. 3 Based on manufacturer-reported interior volumes according to the EPA’s midsize car class as of July 1, 2014. 4 EyeSight is a driver assist system which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner’s Manual for complete details on system operations and limitations. Please remember to turn off EyeSight when going through a carwash. 5 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the blind and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving.
AWD + 36 MPG
Feel free to push boundaries in the 2015 Legacy. It has the durability and efficiency to get you where you want to go with the 2.5i achieving a remarkable 36 highway MPG with standard Subaru Symmetrical AWD to give you confidence and control.

Legacy 3.6R
This Legacy was designed to please. The Legacy 3.6R has been re-engineered to be more efficient at 29 highway MPG and pumps out 256 hp with standard Subaru Symmetrical AWD. Standard HID headlights, 18” alloy wheels, leather-trimmed seats and a 7” high-resolution touchscreen also give the 3.6R a more refined feel.

1 EPA estimated fuel economy for 2015 Legacy 2.5i at 36 highway MPG. Actual mileage may vary.
2 EPA estimated fuel economy for 2015 Legacy 3.6R at 29 highway MPG. Actual mileage may vary.
Auto-dimming Mirrors with Approach Light

Make it easier—and safer—to come and go with the available Exterior Auto-dimming Mirrors with Approach Light.¹

When the doors are opened or unlocked with the key fob, LED lights on the side-view mirrors will help light the way, casting light on all four doors and the ground near the vehicle.

They can also help reduce headlight glare in traffic. When the Interior Auto-dimming Rearview Mirror detects excessive light from the rear of the vehicle, the side-view mirrors automatically dim, helping to keep the light out of your eyes. The brighter the light, the dimmer the mirrors and the better you’ll be able to see.

¹ Exterior Auto-dimming Mirrors with Approach Light are accessory equipment. Requires Interior Auto-dimming Rearview Mirror.

Compatible smartphone and applications required. For applications to operate, latest version of each application is required. Data/subscription requirements in displayed on the audio display screen. Some apps may be provided at no charge. Visit subaru.com/apps, app store or android play store for additional information. Data connection required. Driving while distracted can result in loss of vehicle control, increase in crash risk, and cause injury. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier’s rates may apply.

Legacy 3.6R Limited with Slate Black Leather and optional equipment.
All-new, Upgraded Interior

From richer materials to new technology, this inviting interior keeps you comfortable and well connected. A new available 576-watt equivalent premium audio system with 12 Harman Kardon speakers will keep you entertained in the now quieter cabin. There’s also connected services like Aha\textsuperscript{™}, Pandora\textsuperscript{®} and iHeartRadio\textsuperscript{®} via the SUBARU STARLINK™ infotainment system with safe access to podcasts, internet radio, apps and more via an available touchscreen, steering-wheel-mounted controls or voice commands.\footnote{Available rear climate control vents and new rear heated seats keep things cozy in back, while driver’s seat memory offers added convenience up front.}

1 Based on manufacturer-reported interior volumes according to the EPA’s midsize car class as of July 1, 2014. 

2 Without available moonroof.

Infotainment System

Class-leading Interior Room\footnote{1}

The inviting cabin of the all-new Legacy is roomier than ever. Its ample 104.6 cubic foot of space puts it at the top of its class for cabin room, ensuring both front and rear passengers can ride in comfort.

Settling into this space \textit{is anything but settling}.
A vigilant safety feature that gives peace of mind to every drive.

Pre-Collision Braking

A driver ahead unexpectedly hits the brakes or cuts you off. EyeSight® warns you, applies the brakes, and at lower speeds, can even help you stop your Subaru.

Adaptive Cruise Control

Traffic doesn’t always flow, so EyeSight® doesn’t only keep a set speed. The system looks ahead and helps the Subaru automatically adjust to keep your distance, even in stop-and-go highway traffic.

Pre-Collision Throttle Management

If you put the car in Drive instead of Reverse and EyeSight® sees an object in your path, it cuts power to help you avoid accelerating into it.

Lane Departure and Sway Warning

You accidentally drift to the edge of your lane and begin to cross into another. EyeSight® watches for lane markers and chimes to warn you before you leave your lane.

“The 2014 Subaru Legacy earned the highest possible front crash prevention rating by IIHS when equipped with Subaru EyeSight.”

– Insurance Institute for Highway Safety (IIHS)
With more 2014 IIHS Top Safety Picks than any other brand, we found ways to make the 2015 Legacy even better at protecting what’s inside. It offers standard features like a Rear-Vision Camera and eight airbags, including new front-seat cushion airbags that help keep occupants in place in the event of a crash. Its AWD capability means you’ll have control, even in unfavorable weather. There are also new available features like Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert.

Rear-Vision Camera
Before you can avoid danger, you have to see it coming. The Legacy features a standard Rear-Vision Camera that gives you a clearer view of the area behind your vehicle, so you can be in charge of your surroundings.

Rear Cross-Traffic Alert
The new Rear Cross-Traffic Alert uses radar sensors to help warn you of traffic approaching from the side as you are backing up, utilizing a flashing visual indicator in your side mirror and an audible warning.

Blind-Spot Detection
Using radar sensors, the new Blind-Spot Detection warns you with a visual indicator in your side mirror if it senses a vehicle in your blind spot. Another feature of this system, Lane Change Assist, alerts you with a flashing indicator in your side mirror if it senses a vehicle approaching at a higher speed in a neighboring lane and you signal for a lane change.

Enhanced Safety Features
Better at what Subaru does best.

1 Always wear seatbelts. Children should be properly restrained in the rear seat.
2 Blind-Spot Detection, Lane Change Assist and Rear Cross Traffic. These systems are designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving.
“After spending some time in the 2015 Subaru Legacy, we’ve come away thinking that this is easily one of the best midsize sedans on the market.”

— Autotrader.com, May 2014

“Particularly impressive is the clean, logical layout of the navigation and infotainment system.”

— Autoblog.com, May 2014

“The Legacy has always earned accolades for its sophisticated all-wheel-drive system, but now it’s hardly a one-trick pony—it’s a real contender among midsize sedans.”

— KBB.com, 2015 Subaru Legacy Review

“It’s quieter, smoother and more comfortable [than its predecessors] in almost every driving situation we encountered... bumps and dips in the road are soaked up with a satisfying firmness that makes it feel sure-footed without being stiff.”

— Edmunds.com, May 2014

### 2015 Legacy | Trim Levels

2015 Legacy | Equipment

Exterior

- Projector-beam low-beam and multifaceted high-beam halogen headlights
- HID low-beam and multifaceted high-beam headlights
- Fog lights
- Steering-responsive fog lights (when equipped with optional EyeSight® driver assist system)
- Heated side mirrors and windshied wiper de-icer (All-Weather Package)
- Power tilting/sliding glass moonroof (86% UV light reducing)1

Seating and Trim

- 6-way manually adjustable driver’s seat. 4-way manually adjustable front passenger’s seat.
- 10-way power adjustable driver’s seat with power adjustable lumbar support
- 4-way manually adjustable front passenger’s seat.
- 10-way power adjustable driver’s seat with 3-position memory and power adjustable lumbar support.
- 4-way power front passenger’s seat.
- Heated front seats (All-Weather Package)
- Heated and front and rear seats (All-Weather Package)
- 60/40-split flat-folding rear seatbacks
- Leather-wrapped shifter handle
- Cloth upholstery
- Leather-trimmed upholstery
- Silver metallic accent trim with louvered finish on dash and doors
- Wood-trimmed patterned accent trim on dash and doors

Convenience Features

- Welcome lighting (when approaching or departing vehicle)
- Electronic parking brake with Hill Holder® function
- Auto-on/off headlights
- Auto-dimming rearview mirror with compass and HomeLink®
- Driver’s and front-passenger’s auto-up/door power windows
- 3-zone steering wheel with audio system, cruise control and Bluetooth® buttons
- Leather-wrapped 3-zone steering wheel with audio system, Bluetooth® cruise control or (if equipped) EyeSight® adaptive cruise control buttons
- Dual USB ports
- Manually adjustable tilt/telescoping steering column
- 8 cup holders
- Overhead console with dual maplights
- Trunk under-floor storage tray

Audio System

- Infotainment system with 8.0-inch high-resolution LCD touchscreen display, HD Radio® USB port/iPod® control, Bluetooth® audio streaming, 6-speaker AM/FM/CD player, hands-free phone and text messaging connectivity, 3.5-mm auxiliary jack and SUBARU STARLINK® control, Bluetooth® Infotainment system with 6.2-inch high-resolution LCD touchscreen display, HD Radio®, SiriusXM® Satellite Radio®, Bluetooth® audio streaming, hands-free phone and text messaging connectivity, 3.5-mm auxiliary jack and SUBARU STARLINK® control system
- Premium audio system with 12 Herman Kardon GreenEdge® speakers, including center dash speaker and subwoofer.
- 5.1-ch sound equivalent Herman Kardon GreenEdge® amplifier

Climate Control

- Manual control
- Dual-zone automatic climate control system with controls for temperature, fan, and air flow direction
- Dual-zone automatic digital climate control system with controls for temperature, fan, air flow direction, dual-zone lockout and CPC and air flow control functions

Instruments

- Analog speedometer, tachometer, coolant temperature and fuel level gauges
- LCD color screen displaying vehicle functions.
- Electronic/infotainment system can display humidity, coolant temperature and fuel level gauges
- LCD color screen displaying enhanced vehicle functions.

2015 Legacy | Security

- Keyless entry system
- Anti-theft security system with engine immobilizer

Safety

- ACTIVE

- Subaru Symmetrical All-Wheel Drive (AWD)
- EyeSight® Driver Assist System1
- Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert
- Vehicle Dynamics Control (VDC) with Traction Control System (TCS)
- 4-wheel anti-lock braking system (ABS) with Electronic Brake-force Distribution (EBD)
- Brake Assist
- Brake Override System
- Rear Vision Camera
- Daytime Running Lights (DRL)
- Steering-responsive fog lights (when equipped with optional EyeSight® driver assist system)
- The Pre-Collision Monitoring System (PMPS)

- PASSIVE

- Driver’s and front-passenger’s front airbags (SRS)2
- Subaru advanced frontal airbag system (SRS)
- Driver and front-passenger’s side curtain airbag (SRS)3
- Seat-mounted front side-impact airbags (SRS)4
- Side-curtain airbags with rollover sensor protecting front and rear outboard occupants (SRS)5
- Whiplash protection front seats
- Height-adjustable front-seat head restraints
- Height-adjustable 3-point front seatbelts with pretensioners and force limiters
- 3-point seatbelts at all rear seating positions

- LATCH system: Lower Anchors and Tethers for Children

Optional Equipment

- Power Moonroof Package
- Power Moonroof Package • Navigation Infotainment System
- EyeSight® Driver Assist System • Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert
- Navigation Infotainment System • Power Moonroof Package
- Keyless Access with Push-button Start • Navigation/Infotainment System • Power Moonroof Package
- Keyless Access with Push-button Start • Navigation/Infotainment System • EyeSight®
- Power Moonroof Package

Equiptment Contents

- Power Moonroof Package: Power tilting/sliding glass moonroof and auto-dimming rearview compass mirror with HomeLink®
- Navigation Infotainment System: Voice-activated 7-inch multi-touch-gesture high-resolution GPS navigation system with integrated audio system, SiriusXM® Satellite Radio®, NavTraffic®,NavWeather® USB port/iPod® control, Bluetooth® audio streaming, voice-activated controls, hands-free phone and text messaging connectivity, 3.5-mm auxiliary jack and SUBARU STARLINK® control system with EyeSight®, Aha®, infotainment and Pandora® smartphone integration6 Voice activation for Navigation, Phone, Audio System, and Climate Control system
- EyeSight® Driver Assist System: Pre-Collision Braking System, Pre-Collision Throttle Management, Lane Departure and Sexy Warning, Adaptive Cruise Control

1. 2015 Legacy 2.5L models achieving a Partial Zero Emission Vehicle (PZEV) rating by the California Air Resources Board are available in all 50 states. Only those registered in California, Connecticut, Maine, Maryland, Massachusetts, New Jersey, New York, Rhode Island, or Vermont are eligible for the 15-year/150,000 mile emission warranty. Owners in Arizona, California, Connecticut, Maine, Maryland, Massachusetts, New Jersey, New York, Rhode Island, or Vermont vehicles are not covered under PZEV emissions control warranty. See your warranty maintenance booklet for additional information. 3. 2015 EPA fuel economy estimates. Actual mileage may vary. 4. Requires additional features. See Optional Equipment listing. 5. Consult local regulatory authorities to verify if smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier’s rates may apply. 6. Activation and required monthly subscription sold separately. Includes complimentary data for 12 months of Starlink® data. 7. Maximum 14GB per month. Data provided by smartphone is displayed on the audio system screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier’s rates may apply. 8. Depending on state laws, drivers must stop while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier’s rates may apply. 9. Activation and required monthly subscription sold separately. 10. Calculated reference values, and may not represent actual values determined by testing.
2015 Legacy | Accessories

For a complete list of available accessories, visit your local Subaru retailer or visit www.subaru.com.

Rear Cargo Net. Neatly holds cargo upright and helps prevent it from sliding while the vehicle is in motion.

Trunk Tray. Helps protect trunk area from stains and dirt while providing a surface that helps reduce shifting of cargo while driving.

All-weather Floor Mats. Custom-Fitted, heavy-gauge protective mats. Helps protect vehicle’s carpet from sand, dirt and moisture. Not recommended for use on top of carpeted floor mats.

Body Side Moldings. Attractive color-matched moldings coordinate with the styling of the vehicle, while helping to protect doors from unsightly dings.

Moonroof Air Deflector. Helps to reduce wind noise and act as wind screen. Deflector design includes integrated chrome insert to match window frame trim. Side Window Deflectors may not be legal in all states. Please check the laws of your state.

Side Window Deflectors. Allows vehicle to be driven with windows open while helping to keep the weather out.

Fog Lights. Cast a low and wide beam of light to enhance vision in inclement weather.

Rear Bumper Applique. Clear, scratch-resistant vinyl film helps to protect the bumper upper surface and leading edge when loading or unloading cargo.

Splash Guards. Help protect the vehicle’s paint finish from stones and road grime. This accessory reduces vehicle ground clearance.

Remote Engine Starter. Allows vehicle to be started at the push of a button from outside the vehicle. Preset the heating or air conditioner controls to help bring the interior temperatures to a more comfortable level prior to entry. Smart Engine Start works in conjunction with the Keyless Access with Push-button Start system. Operating distance is up to 75 feet depending on obstructions. A/C only.

Remote Engine Starter—Smart Engine Start. Allows the vehicle to be started at the push of a button from outside the vehicle. Helps to reduce shift of cargo while driving.

Auto-dimming Mirror with Compass and HomeLink®. Mirror darkens when headlights are detected from behind the vehicle. Includes a compass and three HomeLink® buttons (that are programmable for most garage-door openers and other HomeLink®-compatible devices).

Protecting Your Investment

Once you’re part of our family, we’ll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru retailer and other services are just a phone call away. And to protect you over the long haul, we offer Added Security—a set of service agreements and maintenance plans that will help protect your car for up to 7 years or 100,000 miles. They’re the only mechanical and maintenance plans backed by Subaru of America, Inc., and because we’re working with them for more than 30 years, they’re agreements you can trust. Your retailer will have more details.

Warranties

New Car Limited Warranty
3 years or 36,000 miles, whichever comes first.

Powertrain Limited Warranty
5 years or 60,000 miles, whichever comes first.

Wear Item Limited Warranty
3 years or 36,000 miles, whichever comes first. Repairs to the following items will also be covered under Wear Item Limited Warranty:

- Brake Pads
- Wiper Blades
- Clutch Linings
- Transmission Batteries

Rust Perforation Limited Warranty
5 years, unlimited mileage.

2015 Legacy | Owner Benefits

Subaru Badge of Ownership

True commitment shows through. For Subaru owners, it shows in kayake scuffs and snowboard scratches. It can take the form of dog hair that just won’t come out, fresh coats of dust, or extra coats of wax. For many, the Subaru Badge of Ownership lets them show their commitment to the life they live and the confidence that has inspired them to fully embrace it. Owners can order badges online for free, stick them on, and let everyone know how they experience the world. Which one will you get?

Subaru Badge of Ownership—extended
