The Subaru Outback. Built to take you to the place you’ve never been.
The 2018 Subaru Outback

We believe that the best adventures are never predetermined and rarely paved. This is why we redesigned the 2018 Outback to minimize limits and maximize versatility, durability, safety and comfort. We began by updating its styling and revamping the interior to enhance the feeling of your drive. For exploring with confidence, we also gave the Outback a standard Rear-Vision Camera and newly available LED Steering Responsive Headlights (SRH). Available SUBARU STARLINK™ Safety and Security can help give your drive even more reassurance! And thanks to the added connectivity of updated SUBARU STARLINK™ Multimedia with standard Apple CarPlay™ and Android™ Auto integration, you’ll experience the journey however you choose.

The Subaru Outback. Built to take you to the place you’ve never been.

1 Longevity based on the average of vehicles in operation vs. new registrations for each model year using IHS Markit data for MY2007–2016 as of October 2016. 2 Activation and required subscription sold separately. Includes 1-year Safety Plus trial subscription. See your retailer for details. 3 EPA estimated fuel economy for 2018 Outback 2.5i at 32 highway MPG. Actual mileage may vary. 4 Without available moonroof. 5 EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operations and limitations. 6 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. Requires EyeSight. 7 Requires EyeSight. This system is not a substitute for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. Always exercise caution and use caution when using the Rear-Vision Camera when backing up. See Owner’s Manual for complete details on system operation and limitations.

Outback 3.6R Limited in Crystal White Pearl with optional and accessory equipment. Some accessories shown are no longer available through Subaru. Visit your Subaru retailer for current optional and available accessories.
Stops at nothing. Except a nice view.

Versatile and Capable

Standard Subaru Symmetrical All-Wheel Drive and 8.7 inches of ground clearance give the Outback the capability to get you just about anywhere. Thanks to its versatile and spacious cargo area, anywhere is closer than you think. The available height-adjustable power rear gate simplifies loading and unloading by opening with a simple push of a button on your key fob or dashboard, while one-touch folding rear seats can easily be collapsed from the rear of the vehicle. Through and through, the Outback was built to help you get out and find what you’re looking for.

Efficient and Powerful

Whether you go with the responsive 32 highway MPG 2.5-liter SUBARU BOXER® engine or the smooth and powerful 6-cylinder 256-horsepower 3.6R, the Outback will surprise you with instantly accessible agility.

1 EPA estimated fuel economy for 2018 Outback 2.5i at 32 highway MPG. Actual mileage may vary.
Outback Touring Trim

The perfect complement to the outdoors, the interior of the Outback Touring features exclusive Java Brown leather upholstery with contrast stitching, a redesigned heated steering wheel and new subtle design accents. It also comes fully loaded with every top-tier feature, including EyeSight® Driver Assist Technology,1 an updated STARLINK™ Multimedia Navigation system, now powered by TomTom® paired with a larger 8-inch touchscreen and a Harman Kardon® 576-watt-equivalent 12-speaker premium audio system.

1 EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operations and limitations.
An open space for open plans.

Step inside the spacious 108.1 cubic-foot cabin\(^1\) of the Outback, and you’ll find versatility and comfort from front to back. To heighten your driving experience, we revamped its interior—from a redesigned dash with contrast stitching, to high-quality upholstery, to added sound-deadening materials for considerably reduced cabin noise, each detail was considered. Increasing your connectivity and entertainment options, the 2018 Outback features updated STARLINK™ Multimedia with standard Apple CarPlay\(^\text{™}\), Android™ Auto and Pandora® integration, an available 8-inch touchscreen, and access to available STARLINK™ apps\(^2\) such as iHeartRadio\(^\text{®}\), Yelp® Stitcher™ and much more. We also added available dual rear USB ports so that even your passengers can plug in. The available 10-way adjustable driver’s seat with 2-position memory functions will keep you focused and content, while the supple yet supportive reclining and heated\(^2\) rear seats with 60/40-folding functionality provide first-class treatment for all aboard.

\(^1\) Without available moonroof.  
\(^2\) Availability varies by trim level. See your retailer for details.
A driver ahead unexpectedly hits the brakes or cuts you off. EyeSight® warns you, applies the brakes and, at lower speeds, can even help you stop your Subaru.

You accidentally drift to the edge of your lane and begin to cross into another. EyeSight® watches for lane markers and chimes to warn you before you leave your lane, and it can even help steer you back into your proper course, thanks to Lane Keep Assist.

Traffic doesn’t always flow smoothly, so EyeSight® doesn’t only keep a set speed. The system looks ahead and helps your Subaru automatically adjust to keep your distance, even in stop-and-go highway traffic.

If you put the car in Drive instead of Reverse and EyeSight® sees an object in your path, it cuts power to help you avoid accelerating into it.

You accidentally drift to the edge of your lane and begin to cross into another. EyeSight® watches for lane markers and chimes to warn you before you leave your lane, and it can even help steer you back into your proper course, thanks to Lane Keep Assist.

EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner’s Manual for complete details on system operation and limitations.
Safe and sound is what we do best.

Enhanced Safety Features

In terms of safety, the 2018 Outback is one of our proudest achievements. Standard features include a Rear-Vision Camera and eight airbags that help protect you from multiple angles. Available features like Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert help alert you to moving danger you don’t see coming, while available Reverse Automatic Braking (RAB) can step in to help stop your vehicle should you not see an object behind you when backing up. Newly available for 2018, LED Steering Responsive Headlights (SRH) help you see around corners by pointing the way as you turn, while High Beam Assist (HBA) activates or dims your high beams automatically, providing you maximum visibility at all times.

Blind-Spot Detection

Using radar sensors, Blind-Spot Detection warns you with a visual indicator in your side mirror if it senses a vehicle in your blind spot. Another feature of this system, Lane Change Assist, alerts you with a flashing indicator in each side mirror if it senses a vehicle approaching in a neighboring lane while you signal for a lane change.

Reverse Automatic Braking

Reverse Automatic Braking can detect objects directly behind your vehicle when backing up at a low speed and can help bring the Outback to a stop should an object be detected within its range and the driver fail to act. There’s also a standard Rear-Vision Camera to help you keep an eye out.

Rear Cross-Traffic Alert

Rear Cross-Traffic Alert uses radar sensors to help warn you of traffic approaching from the side as you are backing up, utilizing a flashing visual indicator in your side mirror and an audible warning.

SUBARU STARLINK™ Safety and Security

Providing extra peace of mind, STARLINK Safety and Security gives you instant access to help when you need it most. With Automatic Collision Notification to send first responders when an airbag deploys, Stolen Vehicle Recovery to help police locate your vehicle if it’s stolen and more, STARLINK Safety and Security helps keep you and your Subaru safe.

1 Always wear seatbelts. Children should be properly restrained in the rear seat. 2 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See Owner’s Manual for complete details on system operation and limitations. 3 Requires EyeSight. Activation and required subscription sold separately. Includes 1-year Safety Plus trial subscription. See your retailer for details.

Outback 2.5i Limited in Crystal White Pearl with optional equipment.
2.5i
• 1 75-hp 2.5-liter 4-cylinder SUBARU BOXER® engine
• Subaru Symmetrical All-Wheel Drive with Active Torque Vectoring
• Lineartronic® CVT (Continuously Variable Transmission) with 6-speed manual-mode paddle shifters
• X-MODE® featuring Hill-Descent Control (HDC) for steep descents
• SUBARU STARLINK® 6.5-inch Multimedia with Apple CarPlay®, Android Auto®, Pandora® and Aha® smartphone app integration, high-resolution LCD touchscreen display, 4 speakers, AM/FM stereo, USB port/USB port/auxiliary input, Bluetooth® audio streaming and hands-free phone connectivity
  • Climb application
  • 6-way manually adjustable driver’s seat and 4-way manually adjustable front-passenger’s seat
  • Manually adjustable CFC-free air-conditioning system with air filtration
  • Driver’s auto-up/door power window
  • In-dash and cargo area 12-volt power outlets
  • Cargo area tray, tie-downs and grocery bag hooks
• Welcome lighting
• Auto-on/off wiper-linked headlights

2.5i Limited
Includes 2.5i Touring key features and adds:
• Leather-trimmed upholstery with distinctive stitching
• 10-way power adjustable driver’s seat with 2-position memory and 4-way power adjustable front-passenger’s seat
• Bird-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert®
• Lineartronic® premium audio system with 576-watt-equivalent GreenEdge® amplifier and 12 speakers, including center dash speaker and subwoofer
• 18-inch aluminum-alloy wheels in black machine finish
• Power moonroof
• Keyless Access with Push Button Start
• Power rear gate with height memory functions
• All-Weather Package: Heated exterior mirrors, 3-mode heated front seats, windshield wiper de-icer
• Dual-zone automatic climate control system
• Leather-wrapped steering wheel and shifter handle
• Front-passenger’s auto-up/door power window
• Electrochromic gauges with LCD color display
• SUBARU STARLINK® Safety Plus enabled®:
  • Automatic Collision Notification, SOS Emergency Assistance, Enhanced Roadside Assistance, Maintenance Notifications, Monthly Vehicle Health Report, Diagnostic Alerts

2.5i Premium
Includes 2.5i key features and adds:
• SUBARU STARLINK® 8.0-inch Multimedia Plus with Apple CarPlay®, Android Auto®, Pandora® and Aha® smartphone app integration, STARLINK® cloud-based applications, including Yelp®, Here/Barè®, Magellan® navigation, SiriusXM® All Access Radio® and Travel Link®
• High-resolution LCD touchscreen display with 6 speakers, AM/FM/CD player, HD Radio®, USB port/12-volt control, Bluetooth® audio streaming and hands-free phone and text messaging connectivity
• Fog lights
• All-Wheel Package: Heated exterior mirrors, 3-mode heated front seats, windshield wiper de-icer
• Dual-zone automatic climate control system
• Leather-wrapped steering wheel and shifter handle
• Side mirrors with integrated turn signals
• Piano finish black interior trim
• SUBARU STARLINK® 8.0-inch Multimedia Navigation system with Apple CarPlay®, Android Auto®, Pandora® and Aha® smartphone app integration, SiriusXM® All Access Radio®, Traffic+ and Travel Link®
• EyeSight® Driver Assist Technology®
• High Beam Assist (HBA)®
• Reverse Automatic Braking (RAB)®

2.5i Touring
Includes 2.5i Limited key features and adds:
• Java Brown leather-trimmed upholstery
• Heated steering wheel
• LED Steering Responsive Headlights (SRH)
• Low-profile roof rails in silver finish
• 18-inch aluminum-alloy wheels in dark gray with machine finish
• Lower door cladding with chrome accents
• Body-color door handles with chrome inserts
• Rear bumper cover
• Unique wood-grain patterned matte finish accent trim
• Piano gloss black interior trim
• SUBARU STARLINK® 8.0-inch Multimedia Navigation system with Apple CarPlay®, Android Auto®, Pandora® and Aha® smartphone app integration, SiriusXM® All Access Radio®, Traffic+ and Travel Link®
• EyeSight® Driver Assist Technology®
• High Beam Assist (HBA)®
• Reverse Automatic Braking (RAB)®

3.6R Touring
Includes 2.5i Touring key features and adds:
• 256-hp 3.6-liter 6-cylinder SUBARU BOXER® engine
• LED Steering Responsive Headlights (SRH)
• Lineartronic® HCVT (High-Torque Continuously Variable Transmission) with 6-speed manual-mode paddle shifters
• Dual exhaust outlets

3.6R Limited
Includes 2.5i Limited key features and adds:
• 256-hp 3.6-liter 6-cylinder SUBARU BOXER® engine
• Lineartronic® HCVT (High-Torque Continuously Variable Transmission) with 6-speed manual-mode paddle shifters
• Dual exhaust outlets

The Subaru Outback is the most fuel-efficient vehicle in its class.®

The Subaru Outback is the longest-lasting vehicle in its class.®

The Subaru Outback retains its value better than any other vehicle in its class for 2017, according to ALG.®

The Subaru Outback was named a 2017 Best Family Car by Kelley Blue Book’s 12 Best Family Cars.

The Subaru Outback was named a 2017 Best Family Car by Kelley Blue Book’s KB.B.com.

Subaru is Kelley Blue Book’s 2017 Most Trusted Brand, Best Overall Brand, and Lowest 5-Year Cost to Own.®

### 2018 Outback | Equipment

#### Exterior
- Projector low-beam and multi-reflector high-beam halogen headlights
- LED Steering Responsive Headlights (SRH)
- Fog lights
- Body-color folding side mirrors
- Body-color folding side mirrors with integrated turn signals
- Heated side mirrors and windshield wiper de-icer (All-Weather Package)
- Power liftable-glass moonroof (85% USA and 99% UV light reduction)
- Proof rails with integrated retractable cross bars and tie-downs (150 lb maximum capacity)
- Touring Appearance Upgrades: Distinctive dark-gray front grille, dark-gray with machine finish alloy wheels, two-tone roof rails with silver finish, lower door capping with chrome accents, body-color door handles with chrome inserts and rear bumper cover

#### Seating and Trim
- 6-way manually adjustable driver’s seat. 4-way manually adjustable front-passenger’s seat.
- 10-way power adjustable driver’s seat with power adjustable lumbar support. 4-way manually adjustable front-passenger’s seat.
- 10-way power adjustable driver’s seat with 2-position memory and power adjustable lumbar support. 4-way power front-passenger’s seat.
- Heated front seats (All-Weather Package)
- Heated front and rear seats (All-Weather Package)
- Heated steering wheel
- P leichting, 65/10-split flat-folding rear seatbacks
- Leather-wrapped steering wheel and shifter handle
- Cloth upholstery
- Leather trimmed upholstery
- Silver metallic accent trim with knurled finish
- Woodgrain-patterned matte finish accent trim
- Unique woodgrain-patterned matte finish trim with silver accents

#### Convenience Features
- Keyless Access with Push-Button Start and PIN-code vehicle access
- Power rear gate with automatic close and height memory
- Welcome lighting (when approaching or departing vehicle)
- Auto-off/ On wipe-linked headlights
- Auto-dimming rearview compass mirror with HomeLink®
- Driver’s and front-passenger’s auto-up/down power windows
- 3-spoke steering wheel with audio system, Bluetooth® and cruise control buttons
- Manually adjustable tilt/telescoping steering column
- 8 cup and bottle holders
- Compass key and underfloor storage compartment

#### Audio and Communication Systems
- SUBARU STARLINK™ 6.5-inch Multimedia with Apple CarPlay®, Android® Auto, Pandora® and Aha® smartphone app integration®, high-resolution LCD touchscreen display, 4 speakers, AM/FM stereo, USB port/Port1® control, Bluetooth® audio streaming and hands-free phone connectivity, and 3.5-mm auxiliary jack
- SUBARU STARLINK™ 8.0-inch Multimedia Plus with Apple CarPlay®, Android® Auto, Pandora® and Aha® smartphone app integration®, SUBARU STARLINK™ cloud-based applications, including “Aha”, “HeartRadar”, Magellan® navigation®, SiriusXM® All Access Radio® and Travel Link®4, AM/FM/CD player, HD Radio5, USB port/Port1® control, Bluetooth® audio streaming and hands-free phone and text messaging connectivity, and 3.5-mm auxiliary jack
- SUBARU STARLINK™ 8.0-inch Multimedia Navigation system with Apple CarPlay®, Android® Auto, Pandora® and Aha® smartphone app integration®, SUBARU STARLINK™ cloud-based applications, including “Aha”, “HeartRadar”, Magellan® navigation®, SiriusXM® All Access Radio®, Traffic1, and Travel Link®4, high-resolution LCD touchscreen display, voice-controlled navigation, AM/FM/CD player, HD Radio5, USB port/Port1® control, Bluetooth® audio streaming and hands-free phone and text messaging connectivity, and 3.5-mm auxiliary jack
- 6 speakers
- Harman Kardon® premium audio system with a 570-watt-equivalent GreenEdge® amplifier and 12 speakers

#### 2018 Outback | Equipment

#### Climate Control
- Manually adjustable CFC-free air-conditioning system with controls for temperature, fan speed and airifice direction
- Dual-zone automatic digital climate control system with controls for temperature, fan speed, airifice direction, dual-zone locked and CFC-free air conditioning

#### Instrumentation
- Analog speedometer, tachometer, coolant temperature and fuel level gauges. LCD color screen, displaying vehicle functions.
- Electromagnetic analog speedometer, tachometer, coolant temperature and fuel level gauges. Enhanced LCD color screen, displaying vehicle functions.

#### Security
- Keyless entry system with answer-back electronic chirp
- Anti theft security system with engine immobilizer

#### Safety
- ACTIVE
  - Subaru Symmetrical All-Wheel Drive (AWD)
  - EyeSight® Driver Assist Technology®
  - Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert®
  - High Beam Assist (HBA)
  - Reverse Automatic Braking (RAB)®
  - Tire Pressure Monitoring System (TPMS)
  - LED Daytime Running Lights (DRL)
  - Rear-View Camera (hi-resolution)
- PASSIVE
  - Subaru advanced front airbag system with driver’s and front-passenger’s front airbags (SRS)11
  - Driver and front-passenger’s seat cushion airbags (SRS)11
  - Side-curtain airbags with rollover sensor protecting front and rear outboard occupants (SRS)11
  - Seat belt pretensioners and Adjust-to-fit seat belt retractor
  - Whisp-attack front seats with height-adjustable head restraints
  - Height-adjustable 3-point front seatbelts with pre-tensioners and force limiters
  - 3-point seatbelts at all rear seating positions
  - Rear child-safety locks
  - LED Child Safety Seats warning lights for children

#### Optional Equipment
- SUBARU STARLINK™ Safety Plus and Security Plus®:
  - Power rear gate with height memory
  - Power Moonroof Package
  - EyeSight® Driver Assist Technology®
  - Blind-Spot Detection with Rear Cross-Traffic Alert®
  - High Beam Assist (HBA)
  - Power rear gate with height memory
  - EyeSight® Driver Assist Technology®
  - Blind-Spot Detection with Rear Cross-Traffic Alert®
  - High Beam Assist (HBA)
  - SUBARU STARLINK™ 8.0-inch Multimedia Navigation system • Power rear gate with height memory • Power Moonroof Package
  - EyeSight® Driver Assist Technology®
  - High Beam Assist (HBA) • Reverse Automatic Braking (RAB)® • SUBARU STARLINK™ 8.0-inch Multimedia Navigation system • LED Shifting Responsive Headlights (SRH)17

#### Equipment Contents
- Power Moonroof Package: Power tilt/tilting-glass moonroof and auto-dimming rearview compass mirror with HomeLink®
- EyeSight® Driver Assist Technology®: Pre-Collision Braking System, Pre-Collision Throttle Management, Lane Departure and Sway Warning with Lane Keep Assist, Adaptive Cruise Control

### 2018 Outback | Equipment
When your passion is bigger than your cargo area, look no further than our Genuine Subaru active lifestyle accessory attachments manufactured by Thule®, Battle-tested and owner-approved, they’ll help you transport gear like bikes, skis, snowboards, kayaks and paddleboards, so your Subaru perfectly complements your active lifestyle.

Outfit your Outback.

For a complete list of available accessories, visit your local Subaru retailer or visit www.subaru.com.
Subaru cars are designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving.  The Reverse Automatic Braking (RAB) System is visible and its effectiveness depends on many factors. See Owner's Manual for complete details on system operation and limitations. Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver and are not substitutes for safe and attentive driving. The Lane Departure and Sway Warning operates only when the lane markings are visible and readable. If these systems are not operating properly, your Subaru will continue to function as a conventional vehicle. See your Subaru Retailer for more information.

Protecting Your Investment

Warranties

New Car Limited Warranty 3 years or 36,000 miles, whichever comes first.
Powertrain Limited Warranty 5 years or 60,000 miles, whichever comes first.
Wear Item Limited Warranty 3 years or 36,000 miles, whichever comes first.

24-hour Roadside Assistance 3 years or 36,000 miles, whichever comes first.
