I’m a long time Subaru fan and was so excited to see an even bigger Subaru introduced. So, I test-drove the Tribeca and I loved it • I was extremely impressed by the Tribeca. What a beautiful car, inside and out • My friends love my Tribeca because we no longer have to split up and take two cars. We all fit in the Tribeca • I would just like to thank everyone at Subaru for making such an excellent product • I check the Insurance Institute for Highway Safety from time to time and Subaru is always in the top of the list • A few years back, I requested that Subaru make an SUV and you met that request when you introduced the Tribeca • The Subaru Tribeca, in the words of those who own them • Nice job on the new design. It looks good, and the reviews are equally complimentary • Not only am I completely happy with my Tribeca, the whole family is • I’ve got my sights on a Tribeca when it’s time for my next Subaru. It’s elegant and the perfect car for my needs • We were recently in an accident and we’re so grateful to the Tribeca for keeping us safe • We bought our first Subaru, the Tribeca, and love it. We will always own a Subaru from now on.
Because you love the journey.

We took everything you already love about Subaru—innovative engineering, intelligent design, all-wheel-drive control and safety—and expanded on it with style and space to create the biggest and most versatile Subaru ever.

With the Tribeca®, you have the option of three rows of seating with endless comfort, 64 configurations to explore and still room for up to seven. Versatile enough to accommodate what the week brings, sophisticated enough for all the weekends in between.
Many SUVs offer a spacious interior. But the Tribeca fills that space with innovations and designs that are simply **smart**. Every square inch of the elegant interior is maximized with distinctive features thoughtfully placed for your convenience and ingenious configurations that mean just about everyone and everything fits.

**Room for More People**
No need to take two cars—everyone can fit in yours. With the available 3rd row, it offers full 7-passenger seating.

**Endless Configurations**
There’s no such thing as maximum occupancy—you just have to get creative. With all the seating configurations, there are nearly endless possibilities for people and cargo.

**More Places for Stuff**
You can have it all, bring it all, and keep it all within reach. The Tribeca is full of compartments and storage options to help you cut down on clutter.

**Innovative Features**
The flexible 2nd row is full of hidden talents. It has a 40/20/40-split, offers easy access to the 3rd row from either side, slides for more legroom, and reclines.
Well-Appointed Interior

The stylish and spacious Tribeca creates an ideal environment for everyone to enjoy and admire. Your passengers benefit from the sophisticated design, relaxing atmosphere and advanced features like the available rear-seat DVD entertainment and premium audio systems. You can also enjoy an available navigation system with easy-to-use touch-screen controls and rear-vision camera, together giving you the comfort of knowing where you’re going at all times.

Satellite Radio

Listen to rock, jazz, classical, or any channel in digital quality sound, wherever your journey may take you. Available XM® or SIRIUS® Satellite Radio lets you access over 130 channels of satellite feed. On navigation-equipped models, XM radio is standard.1

Audio Systems

Find your groove with the 6-speaker audio/single-disc CD player. Or be dazzled by the premium 9-speaker system of the Tribeca Limited with its 6-disc in-dash CD changer to keep the music flowing. Both can read MP3-formatted discs. Control it all with the steering wheel-mounted controls that let you keep your hands in their proper driving positions. And keep your playlists handily accessible with the auxiliary audio jack, which will accommodate your iPod or virtually any portable media player.

1 Subscription and additional equipment required.
2 Activation and monthly subscription sold separately.
Versatility

The best way to enjoy all of your space is to share it with your friends and family. With the Tribeca, you can bring more people on your adventures and they can even bring their bags. You have the option of 5-passenger seating and still having 37.6 cubic feet of cargo room or three rows with room for up to seven. The flexible design lets you fold all the seats down, creating 74.4 cubic feet of space so you won’t ever have to leave anyone or anything behind.

Flexible 2nd Row

With a seatback split three ways, you can seat three across, or fold down one or two of the seatbacks to carry longer cargo. The 2nd row slides almost eight inches forward and backward, and also reclines for comfort.

Ten Cupholders

There’s no need to cry over spilled anything with ten cupholders to choose from. Every seat has one within reach with two in the center console, one in every door, two in the 2nd-row armrest, and two on each side of the 3rd row.

3rd-Row Seating

The available 3rd row allows for 7-passenger capability—or fold down one or both of the seats for access to the 37.6 cubic feet of cargo space. You can also access the 3rd row from both sides of the vehicle.
Tribeca Limited in Quartz Silver Metallic.
For Subaru, the only thing more important than the driving experience of our vehicles is that you arrive safely at your destination. This commitment to protect drivers with multidimensional safety is what made each and every Subaru model tested an IIHS 2008 Top Safety Pick.¹

Active Safety | Trust. Subaru knows that this is the most important feeling to have when you get behind the wheel. You can drive with confidence knowing that Subaru engineered the Tribeca to assist in keeping you safe by helping you avoid accidents. Exceptional visibility helps you see danger coming, and active technologies like Subaru AWD and a responsive suspension help you stay in control in an emergency.

Brake Assist
This safety feature closely monitors the pressure you apply to the brake pedal. If it detects a panic braking situation, it helps you avoid collisions by applying maximum braking force more quickly.

Vehicle Dynamics Control (VDC)
Standard on every 2009 Tribeca, VDC electronic stability control monitors the path of your vehicle to help detect unwanted deviations in your trajectory, and helps correct them to keep you in control and on the right path.

Passive Safety | In a worst-case scenario, the Subaru Tribeca is one of your best possible bets. Government crash testing recognizes the Tribeca with a five-star crash-test safety rating.² Its brilliant track record in safeguarding passengers comes from an array of advanced protection technologies coupled to a body structure that is meticulously engineered to help save lives.

Front, Side and Side-Curtain Airbags³
An array of sensors can deploy any one or more of the six airbags the instant an accident is detected. The Tribeca features side-curtain airbags and a rollover sensor to better provide all-over protection for the driver, front passenger and 2nd-row outboard passengers.

Ring-Shaped Reinforcement Frame
Exceptionally strong, the frame design of the Tribeca not only helps to maintain cabin integrity during a crash—it also helps divert dangerous impact energy away from occupants.

1 Rating based on Insurance Institute for Highway Safety’s (IIHS) 40-mile-per-hour frontal crash test, 31-mile-per-hour side-impact test, and 20-mile-per-hour rear-impact test. For more information, contact IIHS or visit their website at www.iihs.org.

2 Star ratings are part of the U.S. Department of Transportation’s safercar.gov program (www.safercar.gov).

3 Always wear seatbelts. Children should be properly restrained in the rear seat.

★ ★ ★ ★ ★
for front and side impact collisions.²
— National Highway Traffic Safety Administration
Subaru Symmetrical All-Wheel Drive is the result of passionate engineering focused on giving drivers the best traction possible. Better traction means better handling and **control**. It expands a vehicle’s versatility and capability. Traction increases the trust and confidence drivers can put in their vehicles. Subaru believes in traction. It’s why Subaru owners believe in their vehicles.

### why

**All Weather Conditions**
Snow and rain can surprise even the best planners. Be ready with the exceptional traction and control of Subaru AWD.

**Accident Avoidance**
When danger steps into your path, the safest route is to step right around it. The trademark traction and control of Subaru AWD helps you stay safe by staying ready.

**Spirited Handling**
You won’t be the first to be surprised by the handling and agility of the Tribeca. Subaru AWD maximizes the feeling of being connected to the road with its remarkable balance and grip.

**Multiple Road Types**
The best adventures don’t always happen on immaculate asphalt. Subaru AWD helps give you the freedom to stray off the beaten path onto gravel, dirt, or other road types with confidence.
The Advantages of Subaru Symmetrical All-Wheel Drive

All AWD systems are not the same. For more than 30 years, Subaru has been engineering Subaru Symmetrical All-Wheel Drive to have distinct advantages over other systems. Almost total side-to-side symmetry creates optimal balance for stability and sharp handling. And since power flows in a more direct path from the engine to all four wheels, it works with brilliant efficiency for secure grip and quicker response to slippage.

Better Balance
Every Subaru is built for AWD from the ground up. This allows us to build a balanced, symmetrical drivetrain that is free of the extra components some other systems need to get power to all four wheels. This symmetry and balance means stability that makes driving your Subaru safer and agility that makes it more fun.

Quicker Response
There are only four small patches of rubber that keep you in control of your vehicle. The more your tires are engaged, the more control you have. Subaru keeps more power routed to all four tires than some other systems that only fully engage all wheels as a reaction to slippage that has already occurred.

Efficient Design
Because power in some adapted systems must route through extra components, these systems not only sacrifice efficiency, but also can incur more wear and tear. Subaru routes power directly from the engine to all four wheels to keep components—and frictional power losses—to a minimum.
Engine and Suspension

An SUV doesn’t have to drive like one. The remarkable agility of the Tribeca begins with its ultra-smooth SUBARU BOXER engine. A lower center of gravity means that while supplying clean and efficient power, this engine design actually helps maintain vehicle balance. Then there’s the 4-wheel independent suspension that helps the Tribeca provide a responsiveness and stability that drivers can feel.
Durability and a low impact on the environment have long made Subaru vehicles the choice of drivers who want to enjoy the beauty of the natural world. By eliminating pollutants during the production process and creating efficient, low-emission vehicles, Subaru works diligently to protect that beauty and the earth we all share.
Your Subaru. Your way.

Tribeca
Performance and value. Get the full complement of safety features that Tribeca has to offer, plus a 7-inch in-dash multifunction screen, digital dual-zone climate control and a tri-split, reclining, sliding and folding 2nd row. In the cargo area is a sizeable underfloor tray.

Tribeca Limited
It’s a more luxurious way to enjoy Tribeca versatility and performance, with more features and refinement. A moonroof, leather-trimmed upholstery and heated front seats enhance comfort. Roof rails let you carry more cargo. And a premium audio system with 6-disc in-dash CD changer gives you more music.

1 Accessory cross bars required. See your dealer.

Available 3rd-Row Seating
Expand your options to create full 7-passenger seating capacity with the optional 3rd-row seat. It has a 50/50-split for versatility so you can fold it completely into the floor when not in use. And it’s easy to access from both sides thanks to the sliding 2nd row. It also features rear auxiliary air conditioning, so passengers can control their climate.
**ENGINE AND DRIVETRAIN**

- **Engine**
  - 3.6-liter DOHC aluminum-alloy 24-valve 6-cylinder horizontally opposed SUBARU BOXER® engine with Dual Active Valve Control System (DAVCS), low-friction pistons, inductive spark plugs.

- **Power**
  - 256 hp @ 6,000 rpm

- **Torque**
  - 247 lb-ft @ 4,000 rpm

- **Transmission**
  - Standard 5-speed adaptive electronic direct control automatic with SPORTSHIFT® manual control

- **Stability and Traction**
  - Symmetrical All-Wheel Drive
  - Vehicle Dynamics Control (VDC) sensors, VTD All-Wheel Drive evaluates road conditions by continuously estimating surface friction and adjusting torque distribution accordingly front-to-rear for optimum traction.
  - Standard VDC electronic stability control utilizes sensors which constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate and lateral forces. If VDC detects a difference between the driver's intended path and the one the vehicle is actually taking, VDC applies braking power and/or reduces engine torque to help correct vehicle path.

- **FUEL**
  - Fuel economy (city/highway):
    - 16/21 mpg
  - Emissions:
    - Certified Low Emission Vehicle (LEV2 LDT2)

**INTERIOR DIMENSIONS**

- **Wheels and Tires**
  - Diameter: 18 x 8.0-inch 5-dual-spoke aluminum alloy
  - Offset: 4.140 lbs

- **Exterior Dimensions**
  - Length: 191.5 inches
  - Width (including side mirrors): 88.8 inches
  - Height: 66.4 inches (67.7 inches with roof rails)
  - Wheelbase: 108.2 inches
  - Track (front/rear): 62.2 inches/62.1 inches
  - Base curb weight: 4,140 lbs

- **Interior Dimensions**
  - Headroom (front/rear):
    - 40.3 inches/38.2 inches (38.8 inches/38.2 inches with moonroof)
  - Legroom (front/rear/available 3rd-row):
    - 42.3 inches/34.3 inches/30.8 inches
  - Shoulder room (front/rear/available 3rd-row):
    - 58.1 inches/51.5 inches/51.3 inches
  - Headroom (available 3rd-row):
    - 42.3 inches
  - Headroom (3rd-row):
    - 42.3 inches

**FUELE**

- Fuel economy (highway):
  - Fixed: 16/21 mpg

**FUEL REQUIREMENT**

- Unleaded gasoline (87 octane)

**SYMметRICAL ALL-WHEEL DRIVE**

- Variable Torque Distribution (VTD) (front/2nd row/available 3rd row):
  - 42.3 inches/34.3 inches/30.9 inches
  - 58.1 inches/57.5 inches/51.3 inches

**ENGINE AND DRIVETRAIN**

- 6-speed continuously-variable transaxle with lineartronic® CVT and automatic lockup torque converter

- Front: 62.2 inches
  - Rear: 62.1 inches

- Shoulder room:
  - Front: 60.3 inches
  - Rear: 59.0 inches

**DRIVETRAIN**

- Front:
  - 12.3 inches
  - Rear:
  - 12.4 inches

**JACK & TIRE**

- Standard tire change kit

**INSTRUMENTATION**

- Analog speedometer and tachometer with illuminated red needles on black faces and white indicators

**CONVENIENCE FEATURES**

- Automatic climate control with rear defroster and air vents
  - Center console with rear air vents
  - Dual-zone automatic climate control
  - Power sunroof

**AUXILIARY FEATURES**

- Safety equipment:
  - Steel-reinforced front airbags
  - Seat belt pretensioners
  - Curtain airbags

- Convenience features:
  - Rearview camera
  - Power seats
  - Leather-trimmed upholstery
  - Leather-wrapped steering wheel
  - Premium cloth upholstery
  - Leather-trimmed shift knob
  - Silver metallic trim on dashboard, door and center console

**TRIBECA EQUIPMENT**

- 3-position heated front seats
- 2-position driver's seat memory
- 60/40-split sliding 2nd-row seats with 7.8-inch audio/3rd-row entry/exit
- 4 cargo-area tiedown hooks and dual cargo-area grocery hooks.
- Cargo-area underfloor storage
- Dual 12-volt power outlets in center console storage compartment. Dual 12-volt power outlets in cargo area.
- Courtesy lighting in overhead console, doors, rear-cabin area, cargo area and tailgate
- HomeLink® remote transmitter with 3 memory settings
- Remote starter prewiring
-くれる
- Automatic ambient lighting of center console area
- Illuminated front and rear foot wells (when entering or exiting vehicle)
- Dual 12-volt power outlets in center console storage compartment. Dual 12-volt power outlets in cargo area.
- Cargo area underfloor storage
- Storage compartment with net in cargo area side panel
- 4 cargo area hooks and dual cargo area grocery hooks.

**AUDIO SYSTEMS**

- 160-watt AM-FM stereo audio system with single-disc in-dash CD player and MP3 compatibility
- 160-watt 6-speaker audio system with subwoofer, 6-disc in-dash CD changer and MP3 compatibility
- Auxiliary audio jack for portable media players
- XM® or Sirius® Satellite Radio capability
- Steering wheel mounted audio controls

**INstruments**

- 1478 x 1024 x 6.0 x 1024 pixels
- Digital odometer and automatic transmission shift-position indicator
- Multi-function screen displaying clock, audio system, ambient temperature and fuel economy information.
**CLIMATE CONTROL**

1 All-Weather Mats
Custom-fitted, heavy-gauge protective mats. They help protect vehicle carpet from sand, dirt and moisture. The mats are available for both 5- and 7-passenger applications.

2 Dog Guard/Compartment Separator
Provides a divider between your cargo or pet and the passenger area of the Tribeca.

3 18-Inch Chrome-Finished Alloy Wheel
Ride even more stylishly with these 18-inch chrome-finished alloy wheels.

4 Rear Bumper Cover
Helps protect upper surface of rear bumper from scratches and dings.

5 Moonroof Air Deflector
This air deflector helps reduce wind noise and cut sun glare.

6 Puddle Lights
LED lights mounted in the rocker panel trim turn on when the vehicle doors are unlocked using the keyless entry and illuminate the ground to aid entering and exiting the vehicle.

7 Cargo Net–Rear
Neatly holds cargo and prevents it from sliding about while the vehicle is in motion.

8 Auto-Dimming Mirror with Compass
The rearview mirror darkens to help reduce glare when headlights are detected from behind the vehicle. It also features an integrated electronic compass display.

9 Hood Protector
The hood protector is made from a durable acrylic material that helps shield the hood from bugs and stone chips.

10 Subwoofer
This subwoofer delivers big bass sound from a small package. Powered by an integrated amplifier, the entire unit mounts under the driver’s seat.

11 Front Bumper Underguard
Adding a touch of style to a rugged profile, the front bumper underguard protects the lower bumper area from brush and debris.

12 Remote Engine Starter
Conveniently allows vehicle to be started by remote control (up to 400 feet away depending on obstructions), so that the vehicle’s interior temperature is more comfortable upon entry.

Make a Subaru your Subaru with Genuine Subaru accessories. With everything from styling enhancements to storage solutions, you can outfit your Subaru to be as unique as your adventures. Backed by a 3-year or 36,000-mile limited warranty, they’re built with Subaru reliability in mind.

For a complete list of available accessories, visit your local Subaru dealer or log on to www.subaru.com.
Your Subaru will be a vehicle you can love for years to come. That’s the promise delivered by our comprehensive warranties, Roadside Assistance Program, and outstanding vehicle reliability. It’s a promise attested to by the fact that 95% of Subaru vehicles sold in the past ten years are still on the road today.

Love. It’s what makes a Subaru, a Subaru.

Powertrain Limited Warranty
5 years or 60,000 miles, whichever comes first.

Rust Perforation Limited Warranty
5 years, unlimited mileage.

New Car Limited Warranty
3 years or 36,000 miles, whichever comes first.

Wear Item Limited Warranty
3 years or 36,000 miles, whichever comes first.

We cover you where others don’t. Repairs to the following items will also be covered under warranty:
- Brake Pads
- Wiper Blades
- Clutch Linings
- Transmitter Batteries

Insurance Privileges for Subaru Owners
The driving experience is only one of the benefits of Subaru ownership. Through Subaru Advantage Insurance by Liberty Mutual, Subaru owners may be eligible for an exclusive rate on auto and home insurance just for owning a Subaru. To learn more about Subaru Advantage Insurance and the special features designed for Subaru owners, visit www.subaru.com.

Subaru Added Security
It’s possibly the most important option you choose. Protect your investment with a Subaru® Added Security™ extended service contract—the only one backed by Subaru of America, Inc. Ask your Subaru retailer for details and to select the plan that’s best for you—up to 7 years or 100,000 miles.

Subaru.com
Bring your Subaru experience right to your own home. Here, you can find extensive information, including specs, photos, and reviews. Build your own Subaru, locate dealers, and schedule a test drive. After your purchase, activate your free My.Subaru site, where Subaru owners can track their vehicle service histories, schedule service appointments, receive special offers exclusive to My.Subaru members, and much more.
