Love. It’s what makes a Subaru, a Subaru.
It lives where you live.

Jump in the smartly designed, all-new and spacious Subaru XV Crosstrek and you’ll know that Subaru engineers had more than driving in mind. Sturdy, adventure-friendly, ecologically aware, and equipped with all of the versatility you need, the XV Crosstrek was made to get in and out of all the places where you make life happen.
**Entertaining**

XV Crosstrek is a mobile music venue. Stream your tunes via Bluetooth®, plug in your iPod® or cruise to the optional XM® Satellite Radio1 and HD Radio™ and make getting there cooler with the available voice-activated navigation system and XM® NavTraffic1 to make finding there easier.

**Efficient**

It’s all about making the most of everything. Pairing the available Lineartronic® CVT with the durable SUBARU BOXER® engine allows the XV Crosstrek to get up to 33 mpg, making it one of the most fuel-efficient crossovers in its class2. So not only do you get the most out of every drive, but the most of every penny.

**Capable**

Do what you want without holding back. Standard Symmetrical All-Wheel Drive gives traction and stability to handle the slippery and the twisty. A raised suspension with 8.7 inches of ground clearance helps you handle the bigger and the steeper.

**Versatile**

While it looks compact from the outside, the XV Crosstrek is full of roomy and clever space for loading it up. Split-folding rear seats inside and roof rails with available adjustable crossbars up top. The only thing you’ll have to leave behind is doubt.
It seeks what you seek.

Be creative and inspired. Do more and use less. Admire trends but remain individualistic. Create moments that aren’t only genuine to you but inspiring to the world around you.
