Responsible. Reliable.
Ready to join the family.

At Subaru, we’re committed to building a lasting, rewarding relationship with you and the world we share. We start by building our vehicles to last—it’s why 96% of all the vehicles we’ve built in the last 10 years are still on the road today.1 We also share your desire for a cleaner, greener world and now we’re taking it one step further. Every 2013 XV Crosstrek joins non-turbo Impreza and Forester models, as well as select Outback and Legacy models, to achieve Partial Zero Emission Vehicle—PZEV2—status, because of their exceptionally low emissions. What’s more, in 2004 Subaru of Indiana Automotive, Inc., (SIA) became the first manufacturing facility in the U.S. to reach zero-landfill status—nothing from its manufacturing efforts ever goes into a landfill.

1 Based on Polk registration data in the U.S. 2002–2011.
2 2013 Subaru Impreza and XV Crosstrek 2.0L, and Forester, Outback, Legacy 2.5L non-turbo models achieving a Partial Zero Emission Vehicle (PZEV) rating by the California Air Resources Board are sold in California. California models registered in California, Oregon, Washington, Arizona, Nevada, Idaho, Wyoming, Utah, New Mexico, and Colorado are eligible for the 15 years/150,000 mile emissions warranty. Only vehicles registered in California, Oregon, Washington, Arizona, Nevada, Idaho, Wyoming, Utah, New Mexico, and Colorado are eligible for the 15 years/150,000 mile emissions warranty. 13.XVC.SRB.525 (S-13484, 110K, 8/12, CG)
Think it. Do it. Make it count.

Introducing the all-new 2013 XV Crosstrek

You only get one shot at now and the do-it-all XV Crosstrek has everything you need to make things happen. With its 33 highway MPG, among the highest ground clearance in its class and Subaru Symmetrical All-Wheel Drive, there's little to stand between you and what's next.

Introducing the all-new 2013 XV Crosstrek

WARNING: Bigger plans may occur. Standard Subaru Symmetrical AWD can handle the slippery and twisty, while 8.7 inches of ground clearance makes uneven roads and steep inclines less challenging.

You'll go far and help preserve the skies along the way. As the most fuel-efficient All-Wheel Drive crossover in America, the XV Crosstrek not only earns up to 33 MPG highway, but it is also Partial Zero Emission Vehicle (PZEV) rated, making this crossover one of the cleanest on the road.

Tap into unlimited entertainment. Bluetooth® audio streaming lets you take your full library on the road, while available SiriusXM™ Satellite Radio and HD Radio™ keep even more options at the ready.

The XV Crosstrek is ready when you are. Its generous cargo area and roof rails with available cross bars accommodate most adventures, while ample passenger room keeps things comfy for everyone inside.

† 2013 Subaru Impreza and XV Crosstrek 2.0L, and Forester, Outback, Legacy 2.5L non-turbo models achieving a Partial Zero Emission Vehicle (PZEV) rating by the California Air Resources Board are available in all 50 states. Only those registered in California, Connecticut, Maine, Maryland, Massachusetts, New Jersey, New York, Rhode Island and Vermont will be eligible for the 15 years/150,000 mile emission warranty. Oregon, Pennsylvania and Washington vehicles are not covered under PZEV emissions control warranty. See your warranty maintenance booklet for additional information.

†† EPA estimated fuel economy for 2013 Subaru XV Crosstrek 2.0i CVT at 33 highway MPG. Actual mileage may vary.

† Based on J.D. Power crossover segmentation and U.S. EPA fuel economy.gov. EPA estimated fuel economy for 2013 XV Crosstrek 2.0i CVT.
“Combining ground clearance and its all-wheel-drive system, the XV Crosstrek is one crossover SUV that can handle it all.”

—TopSpeed.com, March 2012

“… it’s a compact crossover that’s good-looking, spacious and undeniably competent.”

—Edmunds.com, December 2011

“It blends versatility with fuel economy and comfort, and is ideal for anyone looking for the taller ride height and ruggedness of a crossover or SUV but don’t want the steep fuel bills and extra bulk.”

—theCarConnection.com, April 2012
It plays **where you play.**
Interior Features
The all-new XV Crosstrek puts your music, phone calls and cruise control all close at hand with standard steering-wheel-mounted controls. Available automatic climate control ensures you’ll have custom comfort without having to turn too many dials. Standard heated front seats keep things warm and inviting, while the available moonroof puts a fantastic view well within reach, and the available Rear-Vision Camera supplies a better view when backing up.
All in to go all out.
Sips fuel. **Fuels fun.**
Big space for **even bigger plans.**
Equipped for playing and built for doing.

**Fuel-efficient**

With 188 hp, the XV Crosstrek packs enough power to entertain, while still earning up to 33 highway MPG with its smart Lineartronic® CVT (CONTINUOUSLY VARIABLE TRANSMISSION). In fact, on a full tank this efficient crossover can take you over 500 miles. And since every XV Crosstrek is Partial Zero Emission Vehicle (PZEV) rated, it also helps leave clearer skies for those who follow.

**Engaged Driving**

The athletic grip of the XV Crosstrek will have you craving the curves. Its double-wishbone rear suspension supplies tight, responsive handling that keeps things lively and fun behind the wheel. While its low center of gravity helps keep it light on its feet and ready for action.

**Versatile Space**

When you never stop doing, you need a lot of room to do it in. The XV Crosstrek supplies 51.9 cubic feet of storage space with the rear seats down. And the 60/40-split flat-folding rear seats make room for long cargo and a passenger on the same drive.

**Advanced Safety**

Subaru vehicles have a well-deserved reputation for safety and XV Crosstrek is no exception. Including seven airbags, a rollover sensor, VDC electronic stability control and a Ring-shaped Reinforcement Frame body structure, IIHS has already named it a 2012 Top Safety Pick.

**Connected Tech**

XV Crosstrek is a mobile music venue. Stream your tunes via Bluetooth®, plug in your iPod® or cruise to the optional SiriusXM™ Satellite Radio® and HD Radio®. If you hear a song you like, tag it for purchase with iTunes® tagging. And getting there is a breeze with the available voice-activated navigation system and NavTraffic®.

**Subaru Symmetrical AWD**

Don’t hold back. With 8.7 inches of ground clearance to handle rough stuff and Subaru Symmetrical AWD continually gripping the road, the XV Crosstrek can help get you out to the best spots—even through rough roads and rough weather.

---

2. Driving range based on 15.9-gallon fuel tank capacity and EPA-estimated fuel economy for 2013 Subaru XV Crosstrek 2.0i Lineartronic® CVT at 33 highway MPG. Actual driving range may vary.
3. 2013 Subaru Impreza and XV Crosstrek 2.0L, and Forester, Outback, Legacy 2.5L, non-turbo models achieving a Partial Zero Emission Vehicle (PZEV) rating by the California Air Resources Board are available in California only. Information provided to California, Connecticut, Maine, Maryland, Massachusetts, New Jersey, New York, Rhode Island and Vermont is for information only. See your dealer for more details.
4. Activation with included one-year subscription is required. Requires able-to-pay cellular service and cell phone. See your owner’s manual for detailed instructions.
5. Always wear seatbelts. Children should be properly restrained in the rear seat.
6. Ratings based on Insurance Institute for Highway Safety’s (IIHS’s) 40-mile-per-hour frontal crash test, 31-mile-per-hour side-impact test, 20-mile-per-hour rear-impact test, and roof-strength test. For more information, contact IIHS or visit their website at www.iihs.org.
Which XV Crosstrek is yours?

**XV Crosstrek 2.0i Limited**

- 148-hp 2.0-liter 4-cylinder SUBARU BOXER® engine
- Subaru Symmetrical All-Wheel Drive

Protecting Your Investment

Once you're part of our family, we'll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru dealership is just a phone call away. And to protect you over the long haul, we offer Added Security™—extended service agreements and maintenance plans that will help protect your car for up to 7 years or 100,000 miles. Added Security™ offers the only mechanical and maintenance plans backed by Subaru, and because we've been backing them for more than 30 years, they're agreements you can trust. Your dealer has full coverage details.

Make your XV Crosstrek truly yours.

**Trailor Hitch**
Rated at 200 lbs tongue weight with 1,500 lbs towing capacity. Engineered to the same rigorous standards as the rest of the XV Crosstrek.

**Rear Bumper Cover**
Helps protect the upper surface of the painted bumper from scratches and dings.

**Remote Engine Starter**
Allows vehicle to start from the convenience of home or the office (up to 400 feet away depending on obstruction) so that the vehicle interior temperature is more comfortable upon entry. Remote confirms when vehicle engine has been started.

**Body Side Moldings**
Attractive color-matched moldings coordinate with the styling of the vehicle while helping to protect the doors from unsightly dings.

**Sport Mesh Grille**
Bold metal mesh design that adds an aggressive look to the XV Crosstrek. Grille comes pre-painted and ready to install.

**Crossbar Set—Aero**
May be used in conjunction with Genuine Subaru roof attachments and carriers. Consult vehicle Owner’s Manual for total roof load limit.

**All-weather Floor Mats**
Custom-fitted heavy gauge floor mats help protect the vehicle carpet from sand, dirt and moisture. Not intended for use on top of Carpeted Floor Mats.

**Roof Cargo Carrier**
Provides 13 cubic feet of lockable storage capacity. Opens from rear to accommodate loading from three sides. Measures 56”L x 36”W x 14”H.

**Rear Seatback Protectors**
Help protect the rear seatbacks from dirt and spills when the rear seats are folded flat.

**Auto-dimming Mirror with HomeLink®**
Mirror darkens when headlights are detected from behind the vehicle. Includes electronic compass and three integrated HomeLink® buttons which can be programmed to operate most garage door openers and other HomeLink®-compatible devices.

**Splash Guards**
Helps protect vehicle paint finish from stones and road grime. Set of four.
