At Subaru, we’re committed to building a lasting, rewarding relationship with you and the world we share. We start by building our vehicles to last—it’s why 95% of all the vehicles we’ve sold in the last 10 years are still on the road today. We also share your desire for a cleaner, greener world. Every 2015 XV Crosstrek model achieves Partial Zero Emission Vehicle—PZEV—status, because of their exceptionally low emissions.

What’s more, in 2004, Subaru of Indiana Automotive, Inc., (SIA) became the first manufacturing facility in the U.S. to reach zero-landfill status—all nothing from its manufacturing efforts ever goes into a landfill. Subaru is also headquartered in a zero-landfill office in Cherry Hill, NJ.

1 Based on IHS Automotive: Polk U.S. Total Registrations MY2004–2013.
2 2015 Subaru XV Crosstrek 2.0i models achieving a Partial Zero Emission Vehicle (PZEV) rating by the California Air Resources Board are available in all 50 states. Those registered in California, Connecticut, Delaware, Massachusetts, New Jersey, New York, Rhode Island, and Vermont will be eligible for the 15 years/150,000 mile emission warranty. Delaware, Oregon, Pennsylvania and Washington vehicles are not covered under PZEV emissions control warranty. See your warranty maintenance booklet for additional information.

The 2015 XV Crosstrek

There are efficient vehicles. There are capable vehicles. The XV Crosstrek is that rare combination of both, sporting 8.7 inches of ground clearance, Subaru Symmetrical All-Wheel Drive, and 34 Highway MPG efficiency. Factor in the durability that Subaru is known for—95% of vehicles sold in the last 10 years are still on the road today—and it’s clear, the XV Crosstrek was destined to go out and play.

Super Capable

The XV Crosstrek promotes random acts of fun with the ability to roam farther. Its capability starts at the core—the SUBARU BOXER® engine sends power to all four wheels via Subaru Symmetrical All-Wheel Drive, achieving up to 34 Highway MPG in the process. Coupled with 8.7 inches of ground clearance, the XV Crosstrek craves remote destinations and ambitious plans.

Fun Technology

Escape it all, but stay connected. The XV Crosstrek now comes standard with SUBARU STARLINK™ in-vehicle technology, featuring the choice of either a 6.2- or 7-inch touchscreen, and easy access to apps like Pandora®, iHeartRadio® and Aha™, keeping you in the loop with news, weather, podcasts, audiobooks, and more. Additionally, every XV Crosstrek features Bluetooth® streaming and HD Radio® with iTunes® tagging capability.

Stellar Safety

With a NHTSA 5-Star overall vehicle score, the XV Crosstrek protects with seven airbags, a rollover sensor, VDC electronic stability control and a Ring-shaped Reinforcement Frame—and now offers EyeSight® Driver Assist Technology and a standard Rear-Vision Camera for exceptional awareness and peace of mind on the road.

Fuel Frugal

Whether you choose the XV Crosstrek 2.0i or the XV Crosstrek Hybrid you’ll enjoy exceptional efficiency without having to sacrifice driving enjoyment and capability. The XV Crosstrek Hybrid achieves an impressive 30 MPG city, 34 MPG highway, and 31 combined MPG from its hybrid electric drive-assisted SUBARU BOXER® engine. The 2.0i is also very efficient, with a driving range of over 500 miles.

Factor in the durability that Subaru is known for—95% of vehicles sold in the last 10 years are still on the road today—and it’s clear, the XV Crosstrek was destined to go out and play.
Always ready to have fun.

The XV Crosstrek invites big plans on short notice. Carrying cargo is easy, thanks to the 60/40-split flat-folding rear seatbacks and standard integrated roof rails that can accommodate plenty of extra gear. Challenging terrain is simple to tackle with Subaru Symmetrical All-Wheel Drive and 8.7 inches of ground clearance. Neither too big, nor too small, the XV Crosstrek makes it easy to gear up, load up, and head out. Now you can spend less time preparing, and more time doing.
Inside every XV Crosstrek, you can always stay entertained, informed, and at ease. The standard SUBARU STARLINK™ in-vehicle technology easily connects with your Android™ or iOS devices, displaying incoming texts on screen¹ and granting you access to apps like Pandora®, iHeartRadio®, and Aha™². Personalize your ambiance with standard Bluetooth® streaming and HD Radio®, and available SiriusXM® Satellite Radio³. Get even more high-tech with available features like Keyless Access with Push-button Start, a 7.0-inch touchscreen navigation system, and gauges featuring an informative LCD color display.

¹ STARLINK™ can read incoming texts out loud when the vehicle is traveling at speeds over 5 miles per hour, and can display incoming texts on screen when the vehicle is traveling at speeds lower than 5 miles per hour. 7” system required.
² Compatible smartphone and applications required. For applications to operate, appropriate smartphone and application is required. Data provided by smartphone and application is subject to change. Visit subaru.com/starlink for more information. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier’s rates may apply.
³ Activation and monthly subscription sold separately. Includes 4-month trial subscription. 7” system required. See your retailer.
Room to Play

With a gear-friendly cargo area and passenger-friendly seating, adventures are second nature to the XV Crosstrek. Possibilities are nearly endless with 60/40-split flat-folding rear seatbacks and 97.5 cubic feet of interior volume. And with the available leather-trimmed steering wheel, shifter and seats, you can enjoy even more comfort and style wherever you go.

Good times start right here.
A driver ahead unexpectedly hits the brakes or cuts you off. EyeSight® warns you, applies the brakes, and at lower speeds, can even help you stop your Subaru.

Pre-Collision Braking

A driver ahead unexpectedly hits the brakes or cuts you off. EyeSight® warns you, applies the brakes, and at lower speeds, can even help you stop your Subaru.

Pre-Collision Throttle Management

EyeSight® watches for lane markers and chimes to warn you before you leave your lane.

Lane Departure and Sway Warning

Traffic doesn’t always flow, so EyeSight® doesn’t only keep a set speed. The system looks ahead and helps the Subaru automatically adjust to keep your distance, even in stop-and-go highway traffic.

Adaptive Cruise Control

If you put the car in Drive instead of Reverse and EyeSight® sees an object in your path, it cuts power to help you avoid accelerating into it.

### Traction and Stability

| All-Wheel Drive type | Subaru Symmetrical All-Wheel Drive | | |
| Vehicle Dynamics (VDC) | VDC electronic stability control utilizes sensors which constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate and lateral g-forces. If VDC detects a difference between the driver’s intended path and the one the vehicle is actually taking, VDC applies braking power and/or reduces engine torque to help correct vehicle path. | | |
| Traction Control System (TCS) | VDC also incorporates an all-wheel, all-speed traction control system which senses a loss of traction and applies braking force to the slipping wheel or wheels as necessary to maintain vehicle motion. | | |

### Fuel

| Fuel Economy | city/highway/combined | | |
| Fuel Requirement | Unleaded gasoline (87 octane) | | |
| Fuel Capacity | 15.9 gallons | | |
| | 13.7 gallons | | |

### Chassis

| Steering | Electric power-assisted quick ratio rack-and-pinion. Turning circle: 34.9 feet. | | |
| Suspension | 4-wheel independent raised. Rear: Double wishbone. Stabilizer bar. | | |
| Brakes | 4-wheel disc, ventilated front. 4-channel, 4-sensor ABS with Electronic Brake-force Distribution (EBD). | | |
| **Brake Assist** | When emergency braking is detected by how quickly the brake pedal is pressed, maximum brake pressure is immediately applied. | | |
| **Brake Override System** | If both brake and accelerator pedals are pressed simultaneously, the system reduces the operation of the accelerator pedal to help prevent unintentional vehicle acceleration. | | |
