Love is out there. **Find it in a Crosstrek.**
Setting your own course is how you got here. Now feel free to push it further in the all-new 2018 Crosstrek. Designed and built with more capability, safety, comfort and space, it’s here to take part in the pursuit of bold, new experiences. With the new Crosstrek, you have the ability to take on roads that others can’t—and the confidence to determine what’s possible.

Love is out there. Find it in a Crosstrek.

Boundaries are meant to be challenged.

The all-new Crosstrek was built to protect what matters most. Newly available Steering Responsive Headlights (SRH) help you see around corners, while available Blind-Spot Detection, Rear Cross-Traffic Alert, Reverse Automatic Braking (RAB) and EyeSight Driver Assist Technology help alert you to potential danger. Plus, SUBARU STARLINK Safety and Security with Automatic Collision Notification can help keep you and your Subaru safe and sound.

Connected

Connected nearly anywhere you go. That’s the advantage of the updated SUBARU STARLINK Multimedia system with standard Apple CarPlay™ and Android™ Auto integration, available on either a 6.5- or 8-inch touchscreen. Also, the newly available TomTom®-powered navigation system will help keep you headed in the right direction with three years of free map updates.

Durable

Considering that 98% of Subaru vehicles sold in the last 10 years are still on the road today, you can rest assured the 2018 Crosstrek is built for the long haul. Our newer, stronger Subaru Global Platform gives it greater durability, while its proven SUBARU BOXER® engine design offers better balance and a lower center of gravity than other engine types, resulting in less vibration and a quieter, more comfortable ride.

"Hard to get to" is where this compact SUV excels, thanks to standard Subaru Symmetrical All-Wheel Drive and up to 33 highway MPG. The newly available X-MODE terrain feature with Hill Descent Control can help you more easily navigate steep and slippery roads, while its 8.7 inches of ground clearance helps get you to your destinations and back.

Safe

The all-new Crosstrek was built to protect what matters most. Newly available Steering Responsive Headlights (SRH) help you see around corners, while available Blind-Spot Detection, Rear Cross-Traffic Alert, Reverse Automatic Braking (RAB) and EyeSight Driver Assist Technology help alert you to potential danger. Plus, SUBARU STARLINK Safety and Security with Automatic Collision Notification can help keep you and your Subaru safe and sound.

Connected

Connected nearly anywhere you go. That’s the advantage of the updated SUBARU STARLINK Multimedia system with standard Apple CarPlay™ and Android™ Auto integration, available on either a 6.5- or 8-inch touchscreen. Also, the newly available TomTom®-powered navigation system will help keep you headed in the right direction with three years of free map updates.

Also, the newly available TomTom®-powered navigation system will help keep you headed in the right direction with three years of free map updates.
Cargo Versatility

Easier than ever to pack up and go, the 2018 Crosstrek has more cargo room—up to 55.3 cubic feet with the rear seats folded down—and a rear gate opening that is up to 4 inches wider for easier loading and unloading. The standard roof rails also give you more carrying options for bigger plans, while 60/40-split flat-folding rear seatbacks can help you transport longer items and a passenger or two at the same time. There's also a durable cargo area tray standard on Premium and Limited trims, to help transport wet and muddy gear.

Availability varies by trim level. See your retailer.
Upgraded Technology

It’s easier than ever to stay connected to your favorite content and apps, thanks to the updated SUBARU STARLINK® Multimedia system that now features standard Apple CarPlay™, Android™ Auto and Pandora® integration. Access news, music, weather, and more through available STARLINK® apps such as iHeartRadio®. Discover even more options with SiriusXM® All Access Radio.²,³ There’s also an all-new voice-activated navigation system available, now powered by TomTom® Plus. STARLINK® can read and display your incoming texts, allowing you to keep your eyes on the road.²,⁵

Available upgrades include a quick-responding, 8-inch touchscreen, a 432-watt-equivalent Harman Kardon® premium audio system with 8 speakers, and a 6.3-inch multifunction display up top that shows vehicle details and turn-by-turn directions.³

1. Compatible smartphone and applications required. For applications to operate, latest versions of each application are required. Data provided by smartphone is displayed on the audio system screen. Some states have prohibits the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier’s rates may apply.

2. 8-inch display required. See your retailer.³

3. Availability varies by trim level. See your retailer.³

4. 4-month trial subscription. See your retailer.³

5. Starlink can read incoming texts out loud only when vehicle is stationary at speeds less than 5 miles per hour, and can display incoming texts of speeds lower than 5 miles per hour.
Proof there’s beauty in purpose.

Crafted for great ambitions, the all-new Crosstrek is right-sized outside for easy maneuvering and larger inside with up to 100.9 cubic feet of passenger space! There are also upgraded, soft-touch materials and bold contrast stitching, for a more polished look. The comfort has been kicked up, too, with sculpted, supportive seats in available leather with a 6-way power adjustable driver’s seat to make sure things are just how you like them. There’s also available Keyless Access with Push-Button Start to make getting in and on your way that much easier.  

1. Without available power moonroof. 2. Availability varies by trim level. See your retailer.
A driver ahead unexpectedly hits the brakes or cuts you off. EyeSight® warns you, applies brakes to help avoid it and, at lower speeds, can even help you stop your Subaru.

Pre-Collision Braking

A driver ahead unexpectedly hits the brakes or cuts you off. EyeSight® warns you, applies brakes to help avoid it and, at lower speeds, can even help you stop your Subaru.

Adaptive Cruise Control

Traffic doesn’t always flow smoothly, so EyeSight® doesn’t only keep a set speed. The system looks ahead and helps automatically adjust to keep your distance, even in stop-and-go highway traffic.

Pre-Collision Throttle Management

If you put the car in Drive instead of Reverse and EyeSight® sees an object in your path, it cuts power to help you avoid accelerating into it.

Lane Departure and Sway Warning with Lane Keep Assist

You accidentally drift to the edge of your lane and begin to cross into another. EyeSight® watches for lane markers and chimes to warn you before you leave your lane, and now it can even help steer you back into your proper course, thanks to Lane Keep Assist.

*EyeSight® is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner’s Manual for complete details on system operation and limitations.
Always wear seatbelts. Children should be properly restrained in the rear seat.

Availability varies by trim level. See your retailer.

Requires EyeSight®. See your retailer.

Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving.

Starlink ™ Safety and Security

Providing extra peace of mind, Starlink ™ Safety and Security gives you instant access to help when you need it most. With Automatic Collision Notification to send first responders when an airbag deploys, Stolen Vehicle Recovery to help police locate your vehicle if it’s stolen and more, Starlink ™ Safety and Security helps keep you and your Subaru safe.

Reverse Automatic Braking

In addition to the standard Rear-Vision Camera, available Reverse Automatic Braking (RAB) detects objects directly behind your vehicle when backing up at a slow speed and can help bring your Crosstrek to a stop, should an object be detected within its range and the driver fail to act.

STARLINK ™ Safety and Security

Protect What You Love

Safety is more than just a duty for us—it’s a passion. That’s why every Crosstrek rides atop the new Subaru Global Platform with a stronger Ring-shaped Reinforcement Frame and 7 standard airbags. To further advance driver safety, LED Steering Responsive Headlights (SRH) are now available, as well as High Beam Assist (HBA) that automatically dims and activates the high beams as needed.

Crosstrek 2.0i Premium in Sunshine Orange with optional and accessory equipment.
The Subaru Crosstrek retains its value better than any other vehicle in its class, for 2017 according to ALG.

Parents magazine and Edmunds have named the Crosstrek a Best Family Car of 2017.

The Subaru Crosstrek has the 2017 Lowest 5-Year Cost to Own in its class according to Kelley Blue Book.

98% of Subaru vehicles sold in the last 10 years are still on the road today.\(^1\)

### 2.0i
- 152-hp 2.0-liter 4-cylinder SUBARU BOXER \(^®\) engine with direct injection
- Subaru Symmetrical All-Wheel Drive
- 6-speed manual transmission or optional Lineartronic \(^®\) CVT (Continuously Variable Transmission) with X-MODE \(^®\) featuring Hill Descent Control
- Active Torque Vectoring
- 17-inch alloy wheels
- Roof rack in black finish
- Cloth upholstery
- Black carbon-fiber-patterned interior accent trim
- 6-way manually adjustable driver’s seat and 4-way manually adjustable front-passenger’s seat
- SUBARU STARLINK \(^®\) 6.5-inch Multimedia with Apple CarPlay\(^™\), Android \(^™\) Auto, Pandora\(^™\) and Aha\(^™\) smartphone app integration, high-resolution LCD touchscreen display, 6 speakers, AM/FM stereo, USB port/Pod\(^®\) control, Bluetooth\(^®\) audio streaming and hands-free phone connectivity, and 3.5-mm auxiliary jack
- Electronic cruise control
- Rear-Vision Camera

### 2.0i Premium
Includes 2.0i key features and adds:
- Fog lights
- Body-color side mirrors
- Cloth upholstery with orange stitching
- Leather-wrapped steering wheel with orange stitching
- Leather-wrapped shifter handle
- SUBARU STARLINK \(^®\) 6.5-inch Multimedia with Apple CarPlay\(^™\), Android \(^™\) Auto, Pandora\(^™\) and Aha\(^™\) smartphone app integration, high-resolution LCD touchscreen display, 6 speakers, AM/FM stereo, USB port/Pod\(^®\) control, Bluetooth\(^®\) audio streaming and hands-free phone connectivity, and 3.5-mm auxiliary jack
- All-Weather Package: Heated exterior mirrors, dual-mode heated front seats, windshield wiper de-icer
- Auto-on/off headlights
- Welcome lighting
- Cargo area tray and cover

### 2.0i Limited
Includes 2.0i Premium key features and adds:
- X-MODE \(^®\) with Hill Descent Control
- Lineartronic \(^®\) CVT (Continuously Variable Transmission) with manual-mode paddle shifters
- 18-inch alloy wheels
- LED Steering Responsive Headlights (SRH)
- Body-color side mirrors with integrated turn signals
- Driver’s power adjustable driver’s seat
- Leather-trimmed upholstery with orange stitching
- Shifter handle with leather boot, orange stitching and gloss black trim
- Silver and gloss carbon-fiber-patterned interior accent trim
- SUBARU STARLINK \(^®\) 8.0-inch Multimedia Plus with Apple CarPlay\(^™\), Android \(^™\) Auto, Pandora\(^™\) and Aha\(^™\) smartphone app integration, STARLINK \(^®\) cloud-based applications, including “View”, “HeartRadio” and MapLink\(^®\) navigation, SiriusXM All Access Radio\(^®\) and Travel Link\(^®\), high-resolution LCD touchscreen display, 6 speakers, AM/FM/CD player, HD Radio\(^®\), USB port/Pod\(^®\) control, Bluetooth\(^®\) audio streaming and hands-free phone and text messaging connectivity, and 3.5-mm auxiliary jack
- Keyless Access with Push-Button Start and PIN-code vehicle access
- Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert\(^®\)
- 6.3-inch color multifunction display
- High-grade instrument cluster with color LCD display
- Automatic climate control system with air filtration

## 2018 Crosstrek | Equipment

### Exterior
- LED Steering Responsive headlights (SRH)
- Fog lights
- Black folding side mirrors
- Body-color folding side mirrors
- Body-color folding side mirrors with integrated turn signals
- Body-color door handles
- Heated side mirrors and windshied washer nozzles (All-Weather Package)
- Tinted roof rails in black finish
- Power tilt/telescoping glass roof (2018 Crosstrek Limited)

### Seating and Trim
- 8-way manually adjustable driver’s seat. 6-way manually adjustable front passenger’s seat.
- 6-way power adjustable driver’s seat. 4-way manually adjustable front passenger’s seat.
- Heated front seats (All-Weather Package)
- SPORT split fold-flat rear seatbacks
- Leather-wrapped steering wheel with orange stitching
- Leather-wrapped automatic transmission shifter handle with orange stitching
- Shifter handle with leather boot, orange stitching and gloss black trim
- Cloth upholstery with orange stitching
- Leather-trimmed shifter with orange stitching

### Convenience Features
- Keyless Access with Push-Button START and PIN-code vehicle access
- Welcome lighting when approaching or departing vehicle
- One-touch lane change feature
- Auto-threshold headlights
- Auto-uplighting driver’s and front passenger’s power windows
- Electric cruise control
- 3-spoke steering wheel with audio system, Bluetooth® cruise control or if equipped: EyeSight®
- Automatic transmission manual paddle shifters
- Heated side mirrors and windshield wiper de-icer (All-Weather Package)
- Body-color door handles
- Black folding side mirrors
- Body-color folding side mirrors with integrated turn signals
- Fog lights

### Audio System
- SUBARU STARLINK™ 8.0-inch Multimedia Plus with Apple CarPlay™, Android™ Auto, Pandora® and Aha™ smartphone app integration6, STARLINK™ cloud-based applications, including Yelp® and iHeartRadio®, SiriusXM® All Access Radio8, Traffic®14, and Travel Link®14, high-resolution LCD display, voice-activated controls,
- Harman Kardon® audio system:
- EyeSight® Driver Assist Technology9:
- STARLINK™ Safety Plus and Security Plus7:
- Subaru Symmetrical All-Wheel Drive (AWD)
- EyeSight® Driver Assist Technology
- Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert
- Keyless entry system with alarm-back electronic chip
- Anti-theft security system with integral keyless entry

### Safety

### Body Side Molding
- Attractive color-matched moldings coordinate with the styling of the vehicle while helping to protect the doors from minor dings.

### Hitch Ball
- Hitch ball not included. Trailer brakes may be required.

### Roof Rail Crossbars
- Crossbars feature a built-in protective bumper from scratches and dings.

### Fuel Economy
- 2018 Crosstrek
- 2.0i
- 2.0i Premium
- 2.0i Limited

## 2018 Crosstrek | Accessories

### Accessory
- ACCESSORY
- 8.0-inch Multimedia Navigation
- Harman Kardon® audio system
- EyeSight® Driver
- High Beam Assist (HBA)
- Reverse Automatic Braking (RAB)

### Equipment Contents
- SUBARU STARLINK™ 8.0-inch Multimedia Navigation • Harman Kardon® audio system • EyeSight® Driver Assist Technology • High Beam Assist (HBA) • Reverse Automatic Braking (RAB) • Lineartronic® CVT (Continuously Variable Transmission)

### Inclusions
- SUBARU STARLINK™ 8.0-inch Multimedia Navigation with Apple CarPlay®, Android Auto®, Pandora® and Aha® smartphone app integration, high-resolution LCD touchscreen display, AM/FM/CD player, HD Radio, dual USB port/Pinhole control, Bluetooth® audio streaming and hands-free phone and text messaging connectivity, and 3.5-mm auxiliary jack

### Instrumentation
- SUBARU STARLINK™ 8.0-inch Multimedia Navigation with Apple CarPlay®, Android Auto®, Pandora® and Aha® smartphone app integration, STARLINK™ cloud-based applications, including Yelp®, iHeartRadio® and Magellan® navigation, Subaru Starlink All Access Radio® (if equipped) and SiriusXM® Traffic (if equipped), high-resolution LCD touchscreen display, includes automatic climate control, AM/FM/CD player, HD Radio, dual USB port/Pinhole control, Bluetooth® audio streaming and hands-free phone and text messaging connectivity, and 3.5-mm auxiliary jack

### Climate Control
- Automatic climate control system with CTC-free air conditioning, air filtration and rotary controls for temperature, fan speed and airflow direction

### Standard
- 2.0i
- 2.0i Premium
- 2.0i Limited

### Optional
- Available retailer-installed accessory

### Fuel Economy
- 2018 Crosstrek
- 2.0i
- 2.0i Premium
- 2.0i Limited

### Equipment
- Subaru Symmetrical All-Wheel Drive (AWD)
- EyeSight® Driver Assist Technology
- Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert
- Rear Automatic Braking (RAB)
- Vehicle Dynamics Control (VDC) with Traction Control System (TCS)
- 4 wheel anti-lock braking system (ABS) with Electronic Brake Force Distribution (EBD)
- Brake Assist
- Anti-theft security system

### Body Side Molding
- Attractive color-matched moldings coordinate with the styling of the vehicle while helping to protect the doors from minor dings.

### Hitch Ball
- Hitch ball not included. Trailer brakes may be required.
