Camry XLE  The ultimate Camry. XLE offers 16” aluminum alloy wheels, chrome trim and heated power outside mirrors. Inside, wood-grain-style interior trim, power front passenger seats, automatic climate control and an 8-speaker JBL Premium AM/FM ETR/Cassette/CD make this the most luxurious Camry of all.

Camry Gallery Series  The new Gallery Series features a rich, dual-tone exterior, unique wheels and chrome-tipped exhaust. Inside, this new special-edition Camry is further distinguished by premium dual-tone fabric upholstery; leather-wrapped steering wheel, shift knob and parking lever; carbon fiber and chrome trim details; and special Gallery Series insignia floor mats.

Camry LE  The most popular Camry model. LE standard features include dual power color-keyed remote-controlled mirrors, power windows and door locks, cruise control, CFC-free air conditioning and a 6-speaker Deluxe 3-in-1 AM/FM ETR/Cassette/CD.

Camry CE  The most affordable Camry model. CE standard features include dual remote-controlled outside mirrors, 15” steel wheels with full wheel covers, 60/40 split/fold-down rear seat with fold-down center armrest, tilt steering wheel and 4-speaker Deluxe 3-in-1 AM/FM ETR/Cassette/CD.

For a complete list of standard features, please see page 18.
For Extra Value and Option Packages, see page 20.
It’s easy to see why so many American car buyers put Camry right at the top of their lists, and why more owners come back to buy another Camry than any other car.*

Over 18 years of continuous refinement have resulted in a sedan whose style, comfort, quality and reliability continue to set it apart from other cars in its class, and have earned it such accolades as “Best Premium Midsize Car in Initial Quality in a Tie.”** Sleek, stylish and impeccably appointed, Camry’s beauty and comforts reach their highest levels in the XLE shown here. Tastefully accented with bright chrome moldings and unique alloy wheels, this is the ultimate 2001 Camry.

*Customer loyalty based on the number of owners who replaced a new vehicle with a new vehicle of the same model, based on a sampling of personal-use new-vehicle purchasers and lessees from 1990 – 1999.

**The Toyota Camry was tied as the highest ranked Premium Midsize Car in the J.D. Power and Associates 2000 Initial Quality Study. Study based on a total 43929 consumer responses indicating owners-reported problems during the first 90 days of ownership. www.jdpower.com
It feels as good as it looks.

Inside, the luxurious XLE lives up to its promise with an interior that makes you feel positively pampered. Warm wood-grain-style accents and a leather-wrapped steering wheel and shift knob add an extra touch of elegance—as does the available leather-trimmed upholstery. As for amenities...the list speaks for itself. Power-operated windows, door locks and heated outside mirrors; cruise control; a JBL premium 3-in-1 audio system; and power front seats (including a multi-adjustable driver’s seat) are among the many pleasures that await you in Camry XLE.
The ideal balance of power.

Whether equipped with a 136-horsepower 4-cylinder or the available 194-horsepower V6, Camry is quick to prove its point: Smooth, responsive power does not require a compromise in either efficiency or low emissions. Both of these advanced engines are designed to make short work of passing, merging, climbing or cruising — and still deliver impressive mileage. Certified by the EPA as a low-emission vehicle (LEV), Camry puts outstanding performance just an accelerator’s touch away.
Camry LE extends a warm welcome.

Step inside Camry LE and you’re immediately put at ease by its carefully crafted interior and impressive level of comfort. With one touch you can operate the power controls for the windows, door locks and outside mirrors.

Cruise control is standard, of course, as is the CFC-free air conditioning. Comfortable, quiet, with ample room for up to five adults, the LE makes everyone feel right at home.

- Power Window Controls
- Covered Console with Integrated Cup Holders
Something special about Camry.

Camry takes on a stylish new expression in the Gallery Series. This special-edition Camry features a choice of three two-tone exteriors with chrome wheel covers and a chrome-tipped exhaust for added flair. Five-spoke 15" aluminum alloy wheels are available. And inside, a leather-wrapped steering wheel, shift knob and parking lever are among the extra touches that give this Camry its contemporary look and feel.
A focus on safety.

Camry has been named "A Best Pick" by the Insurance Institute for Highway Safety.¹ And it's not surprising since Camry is engineered to help you handle the unexpected.

Accident-avoidance features like variable-assist power rack-and-pinion steering and available anti-lock brakes are paired with a strong reinforced passenger compartment that includes front and rear crumple zones and sturdy side-impact door beams. Camry also offers available front side-impact air bags* and Traction Control (TRAC)**.

*See page 21 for more information on Toyota's driver and front passenger air bag and frontal seat-mounted side impact air bag Supplemental Restraint Systems (SRS).
**Available on V6 models with automatic transmission.

Side-Impact Air Bag
Take a detailed look at Camry's safety features at www.toyota.com/camry/safety
Camry’s award-winning quality.

Camry is well-known for its outstanding quality and reliability. And much of the credit goes to the people who work at Toyota Motor Manufacturing Kentucky (TMMK). The vast majority of Camrys sold in America are assembled in Georgetown, Kentucky, by some of the most talented and committed men and women in the automotive industry. Over the years, their efforts have resulted in numerous awards for manufacturing excellence.

You, in turn, reap the benefits of a car you’ll be proud to own and drive: the 2001 Toyota Camry.
**CE Standard Features**
- Aerodynamic multi-reflector halogen headlamps with auto-off feature
- P205/65R15 tires on 15" steel wheels with full wheel covers
- Dual black remote-controlled outside mirrors
- High Solar Energy-Absorbing (HSEA) glass
- Washer-linked intermittent windshield wipers
- On-glass antenna
- Driver and front passenger air bag Supplemental Restraint System (SRS)²
- Tilt steering wheel
- Fabric seat and door trim with integrated armrests, dual map pockets and cut-pile carpeting with driver-side footrest
- Multi-adjustable bucket front seats with adjustable headrests
- 60/40 split/fold-down rear seats with fold-down center armrest, adjustable outboard headrests and security locks

**LE Standard Features**
- All CE Standard Features Plus:
- Dual color-keyed power outside mirrors
- Variable intermittent windshield wipers
- Driver's seat cushion vertical height adjuster
- Power windows with driver's auto-down and retained-power feature
- Power door locks with anti-lockout feature
- Defroster-linked CFC-free air conditioning

**Gallery Series Standard Features**
- All CE and LE Standard Features Plus:
- Two-tone exterior paint¹
- "Gallery Series" badging
- Chrome-finish full wheel covers
- Chrome-tipped exhaust
- Perforated leather-wrapped steering wheel, shift knob and parking brake lever
- Carbon fiber-style center console trim

**XLE Standard Features**
- All CE and LE Standard Features Plus:
- Dual color-keyed heated power outside mirrors
- P205/65R15 tires on 15" aluminum alloy wheels
- Leather-wrapped steering wheel
- Multi-adjustable power driver's seat with lumbar support and power passenger seat

**Additional Features**
- 12-volt auxiliary power outlet
- Digital quartz clock
- Outside temperature gauge
- Front and rear dual cup holders
- Covered center console and lockable illuminated glove box
- Heavy-duty rear window defogger with timer
- Remote hood, trunk and fuel-filler door releases
- Speedometer, tachometer, coolant temperature and fuel level gauges; digital odometer and twin tripeters
- Air bag, seatbelt, low-fuel level, door-ajar, battery, check engine, oil pressure, brake and tail lamp bulb failure warning lights (ABS warning light on ABS-equipped models)
- Deluxe 3-in-1 AM/FM ETR/Cassette/CD with 4 speakers

**V6 Model Additions**
- Cruise control
- Deluxe 3-in-1 AM/FM ETR/Cassette/CD with 6 speakers

**Anti-lock Brake System (ABS)**—includes Daytime Running Lights (DRL) with auto on/off feature

**Chrome Inside door lock levers and air conditioning vent accents**

**"Gallery Series" embroidered floor mats**

**Upgraded two-tone seat fabric and power driver's seat**

**Remote keyless entry system with panic feature**

**V6 models add:**
- JBL Premium 3-in-1 AM/FM ETR/Cassette/CD with 8 speakers in 6 locations and FM diversity reception

TOYOTA FINANCIAL SERVICES

You’re thinking about buying a Toyota. You may also be thinking about whether you should buy or lease your Toyota. Toyota Financial Services (TFS) offers a variety of finance and lease programs to complement your lifestyle and work within your budget. Ask your participating dealer about our Toyota Touch Lease Plan, Retail Finance Plan, Toyota Touch Preferred Option Finance Plan and College Graduate Finance Program. We are confident there is a TFS program tailored to meet your needs. At TFS we realize that buying or leasing a vehicle is a major investment. To help you protect your investment over time, we’ve developed a broad spectrum of quality insurance products. Whether you plan to buy or lease, in most cases you may include the cost of TFS insurance products in your financing contract. Ask your participating dealer about our Toyota Extra Care vehicle service agreements, Guaranteed Auto Protection (GAP) coverage, Toyota Auto Care prepaid maintenance plans and Credit Insurance Program. Your peace of mind is our priority. Like to share your thoughts? Please call our Customer Assistance Center at 1-800-331-4331.

WARRANTIES

Every Toyota Car and Truck has excellent warranty coverage. However, given Toyota’s worldwide reputation for quality, reliability and dependability, you may never find out just how good our new vehicle warranty really is. But, should you ever need it, we’ve definitely got you covered:

Basic Coverage: All components other than normal wear and maintenance items are covered for 36 months/36,000 miles.

Powertrain Coverage: Your engine, transmission/transaxle, front-wheel drive, rear-wheel drive, seatbats and air bags are covered for 60 months/60,000 miles.

Federal Emission Coverage: Components under the federal emission defect warranty are covered for 60 months/60,000 miles and specified major emission control components are covered for 80 months/80,000 miles. Specified major emission control components under emission performance warranty are also covered for 80 months/80,000 miles. In addition, emission performance warranty is applicable for 24 months/24,000 miles in states and local jurisdictions that require a periodic inspection.

36 months/50,000 miles and specific control devices are covered for 7 years/70,000 miles.

Accessory Warranty: Toyota-approved accessories are covered for 12 months, regardless of mileage, or for the remainder of any new vehicle warranty (except for car covers, which are covered for 12 months).

An Added Benefit: You may be eligible for transportation assistance if your vehicle is required to be kept overnight for warrantable repairs.

36 months/50,000 miles and specific control devices are covered for 7 years/70,000 miles.
