Reward yourself. The benefits of hard work reveal themselves in many ways. Take the 2005 Toyota Camry SE. Its available 3.3-liter VVT-i V6 and standard sport-tuned suspension can take you as far as you want to go in life with a smile on your face. Or the Camry XLE. With all its refinement, it lets everybody know you’re making a name for yourself. If you want your money to work as hard as you do, the Camry LE is a smart value. Then again, just getting a job can be worth noting. The Camry Standard is a sweet reward for becoming gainfully employed.
Complete luxury, ahead of schedule and under budget. What did you do to deserve all the comfort of the Camry XLE? You did what you always do. You set your sights and went after it, that’s what. So sink into the XLE V6 leather-trimmed interior. Wrap yourself in the automatic climate control and the sound of the JBL 3-in-1 AM/FM Cassette/6-disc in-dash CD changer. Open the moonroof. Check the available touch-screen DVD navigation system! Yeah, you could get used to this.

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically
date, which is the same coverage as the Toyota New Vehicle Limited Warranty. For accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage, with the exception of car covers. Car covers are warranted for 12 months from the date of purchase and do not assume any coverage under the Toyota New Vehicle Limited Warranty. You may be eligible for transportation assistance if it’s necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details. For complete details about Toyota’s warranties, please visit www.toyota.com, refer to the applicable Owner’s Warranty Information booklet or see your Toyota dealer.

WARRANTIES
Every Toyota Car, Truck and SUV is built to exceptional standards. And that’s not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).
Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, front-wheel drive, rear-wheel drive, seatbelts and airbags).
Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable Owner’s Warranty Information booklet for details.

Accessories: For accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle’s in-service date.

---

1. The Advanced Airbag System is for the driver and front passenger.
2. The Toyota driver, front passenger, front seat-mounted side airbags and side curtain airbags are Supplemental Restraint Systems (SRS). The driver and front passenger airbags are designed to deploy in severe (usually frontal) collisions where the maximum and duration of the forward deceleration of the vehicle exceed the design threshold level. The side airbags and side curtain airbags are designed to inflate in certain types of severe side-impact collisions. In all other accidents, the airbags will not inflate.
3. Toyota Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your Owner’s Manual for further instructions.
4. Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions.
5. Dual-VSC/EBD/ABS/Brake Assist is a registered trademark of Johnson Controls, Inc.
6. Functioning XM Satellite Radio requires XM Satellite Radio capacity, XM Satellite Radio receiver and satellite monthly service fee. See your Toyota dealer for further details.
7. The Toyota DVD navigation system is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Changes in street names, road closures, traffic flow or other road system changes may affect the accuracy of the mapping software. Rely upon your common sense to decide whether or not to follow a specified route. Detailed coverage not available in every city. Optional periodic-geographic updates available at an additional cost. See your Navigation System Owner’s Manual and your Toyota dealer for further details.
8. HomeLink® is a registered trademark of Johnson Controls, Inc.
9. SE available with All-Season tires as a no-cost option.
11. Standard on V6 models, available on 4-cylinder models.
12. XLE 4-cylinder requires XLE Premium Package or XLE Premium Plus Package.

1. 2005 Manufacturer’s Suggested Retail Price, excludes the Delivery, Processing and Handling Fee of $540 for Cars and $565 for Trucks, Vans and SUVs. Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyota’s charge for these services is called the “Delivery, Processing and Handling Fee” and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota’s overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee. Excludes taxes, license, title and available or regionally required equipment. The Delivery, Processing and Handling Fee in AL, FL, GA, NC and SC is $35 higher for Trucks, Sienna and SUVs, and $50 higher for all other Toyota vehicles. Actual dealer price may vary. Pricing, specifications, standard features and available equipment are based on information available when this page was produced and are subject to change without notice.
