*This vehicle eBrochure is designed to identify vehicles commonly available in your area. If you would prefer to purchase a vehicle with no options or additional options, please contact your local dealer to check for current availability or the possibility of placing an order for such a vehicle.

**Manufacturers Suggested Retail Price, excludes the Delivery, Processing and Handling Fee of $750 for Cars and $800 for Trucks, Vans and SUVs. (Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyota’s charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota’s overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee.) Excludes taxes, license, title and available or regionally required equipment. The Delivery, Processing and Handling Fee in AL, AR, FL, GA, LA, MS, NC, OK, SC and TX will be higher. Actual dealer price will vary. Actual dealer price may vary.

*** 2010 EPA-estimated mileage. Actual mileage will vary.

## MECHANICAL/PERFORMANCE

### Hybrid System Net Power

- 187 hp (140 kW) N/A

### Engine

- 2.4-liter DOHC 16-valve VVT-i 4-cylinder 158 hp [23] @ 6000 rpm/161 lb.-ft. [23] @ 4000 rpm
- 3.5-liter DOHC 24-valve Dual VVT-i V6 268 hp @ 6200 rpm/248 lb.-ft @ 4700 rpm

### Hybrid Engine: 2.4-liter DOHC 16-valve VVT-i 4-cylinder Hybrid

- 147 hp @ 6000 rpm/138 lb.-ft @ 4400 rpm

### Ignition

- Electronic, with Toyota Direct Ignition (TDI)

### Electric Motor Power Output

- 199 lb.-ft @ 0-1500 rpm

### Motor type: Permanent magnet AC synchronous motor

- N/A Standard N/A

### Voltage: 650V maximum

- N/A Standard N/A

### Traction Battery Power Output: 40 hp (30 kW)

- N/A Standard N/A

### Battery Type: Sealed Nickel-Metal Hydride (Ni-MH)

- N/A Standard N/A

### Voltage: 244.8V

- N/A Standard N/A

### 5-speed manual overdrive

- Standard N/A

### 5-speed electronically controlled automatic overdrive with intelligence (ECT-i)

- N/A Standard N/A

### 6-speed electronically controlled automatic overdrive with intelligence (ECT-i)

- N/A Standard N/A

**Manufacturers Suggested Retail Price, excludes the Delivery, Processing and Handling Fee of $750 for Cars and $800 for Trucks, Vans and SUVs. (Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyota's charge for these services is called the 'Delivery, Processing and Handling Fee' and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee.) Excludes taxes, license, title and available or regionally required equipment. The Delivery, Processing and Handling Fee in AL, AR, FL, GA, LA, MS, NC, OK, SC and TX will be higher. Actual dealer price will vary.**

**WARRANTIES**

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

- **Basic**: 36 months/36,000 miles (all components other than normal wear and maintenance items).
- **Hybrid-Related Component Coverage**: Hybrid-related components for hybrid vehicles are covered for 8 years/100,000 miles. The HV battery may have longer coverage under emissions warranty. Refer to applicable Owner’s Warranty information booklet for details.
- **Powertrain**: 60 months/60,000 miles (engine, transmission/transaxle, front-wheel drive, rear-wheel drive, seatbelts and airbags).
- **Rust-Through**: 60 months/unlimited miles (corrosion perforation of sheet metal).

**Emissions**: Coverages vary under Federal and California regulations. Refer to applicable Owner’s Warranty Information booklet for details.

**Accessories**: For accessories purchased at the time of new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months or 36,000 miles (whichever comes first) from the vehicle’s in-service date, which is the same coverage as the Basic warranty of the Toyota New Vehicle Limited Warranty.

For dealer-installed accessories purchased after the new vehicle purchase, the coverage is 12 months or 12,000 miles (whichever comes first) from the date the accessory was installed on the vehicle, or the remainder of the above 36 months or 36,000 miles Basic coverage from the vehicle’s in-service date, whichever provides greater coverage, with the exception of car covers. Car covers are warranted for 12 months from the date of purchase and do not assume any coverage under the Toyota New Vehicle Limited Warranty.

For customers (non-dealer) installed accessories purchased after the new vehicle purchase, the coverage is 1 months of 12,000 miles (whichever comes first), from the purchase date of the accessory.

You may be eligible for transportation assistance if it’s necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota’s warranties, please refer to the applicable Owner’s Warranty Information booklet or see your Toyota dealer.

**DISCLAIMERS**

All information in this eBrochure is based on data available at time of posting, is subject to change without notice and pertains specifically to continental U.S.A vehicles only.

1. SE available with All-Season tires as a no-cost option.
2. 17-in. performance tires are expected to experience greater tire wear than conventional tires. Tire life may be less than 24,000 miles, depending upon driving conditions.
3. Requires Upgrade Package.
4. The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system.
5. Requires available leather-trimmed seats.
6. Frachi™ is a trademark of Sirona Co., Ltd.
8. Plasmaduster™ is a trademark of Sharp Electronics, Inc.
9. Satellite radio requires XM or Sirius-compatible receiver and monthly service fee. See your Toyota dealer for further details.
10. The phone on this site have been tested for Bluetooth® compatibility with Toyota vehicles. Performance will vary based on phone software version, coverage, and your wireless carrier. Phones are warranted by their manufacturer, not Toyota.
11. iPod® is a registered trademark of Apple, Inc.
12. The navigation system is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Road system changes may affect the accuracy of the information provided. Rely on your common sense to decide whether or not to follow a specified route. Detailed coverage not available in every city or roadway. Periodic updates available at an additional cost. Please see your Navigation System Owner’s Manual for further details.
13. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Cold weather will limit effectiveness and view may become cloudy.
14. HomeLink® is a registered trademark of Johnson Controls, Inc.
15. All the airbag (AB) systems are Supplemental Restraint Systems. All ABs (if installed) are designed to inflate only when certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and curtain ABs in side collisions; Roll-Sensing Curtain ABs at a severe tilt degree, roll or lateral G-force. In all other accidents, the ABs will not inflate. To decrease the risk of injury from an inflating AB, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an AB or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating AB may cause serious injury or death. See your Owner’s Manual for further information and warnings.
16. Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your Owner’s Manual for further details.
17. Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions.
18. Vehicle Dynamics Integrated Management (VDIM) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VDIM will be effective in preventing a loss of control. Please see your Owner’s Manual for further details.
19. The Toyota Tire Pressure Monitor alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See your Owner’s Manual for details.
20. The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a smart key fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key or Smart Key Fob matches the code in the vehicle’s immobilizer. Because the transponder chip is embedded in the key or Smart Key Fob, it can be costly to replace. If you lose a key or Smart Key Fob, your Toyota dealer can help. Alternatively, you can find a qualified independent locksmith to perform high-security key services by consulting your local Yellow Pages or by contacting www.aloa.org.
22. Automatic transmission only.
23. The backup camera uses the navigation system display on vehicles so equipped.
24. Standard on V6, available on 4-cylinder.
25. Requires Leather Package.
26. In certain areas, 4-cylinder automatic models are equipped as Partial Zero Emission Vehicles (PZEV). Equipment causes nominal reduction in horsepower (from 158 hp to 155 hp) and torque (from 161 lb.-ft. to 158 lb.-ft.). For Camry 4-cylinder models certified as Partial Zero Emission Vehicles (PZEV), all emissions components are based on phone software version, coverage, and your wireless carrier. Phones are warranted by their manufacturer, not Toyota.
27. Performance tires are expected to experience greater tire wear than conventional tires. Tire life may be less than 24,000 miles, depending upon driving conditions.
29. Installed MSRP is the Manufacturer’s Suggested Retail Price for accessories installed by the manufacturer. Actual prices for dealer installed accessories may vary. Please see your local Toyota dealer for pricing. Prices and product availability are subject to change without notice.
30. Installation not included. Please see your local Toyota dealer for pricing. Prices and product availability are...
