CE 5-Speed Manual (1801) MSRP** Starting At: \$14,205.00

CE 4-Speed Automatic (1802) MSRP** Starting At: \$15,005.00

S 5-Speed Manual (1811) MSRP** Starting At: \$15,250.00

S 4-Speed Automatic (1812) MSRP** Starting At: \$16,050.00

LE 5-Speed Manual (1821) MSRP** Starting At: \$15,415.00

LE 4-Speed Automatic (1822) MSRP** Starting At: \$16,215.00

MSRP**

2007 Manufacturer's Suggested Retail Price, excludes the Delivery, Processing and Handling Fee of \$580 for Cars and \$605 for Trucks, Vans and SUVs. (Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyota's charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee.) Excludes taxes, license, title and available or regionally required equipment. The Delivery, Processing and Handling Fee in AL, AR, FL, GA, LA, MS, NC, OK, SC and TX is \$45 higher for Trucks, Sienna and SUVs, and \$55 higher for all other Toyota vehicles. Actual dealer price may vary. Pricing, specifications, standard features and available equipment are based on information available when this page was produced and are subject to change without notice.

^{*}This vehicle eBrochure is designed to identify vehicles commonly available in your area. Options*

CE Packages and Options

All-Weather Guard Package:

- Windshield molding
- Anti-chipping tape
- Heavy-duty heater
- Rear heater duct

Convenience Package:

- Cruise control
- Power door locks [7]

Upgrade Package:

- Power windows
- Power door locks [7]

4-wheel Anti-lock Brake System (ABS) with Electronic Brake-force Distribution (EBD) and Direct Tire Pressure Monitor System [5] Driver and front passenger front seat-mounted side airbags and front and rear side curtain airbags [1] Cruise control

S Packages and Options

All-Weather Guard Package:

- Windshield molding
- Anti-chipping tape
- Heavy-duty heater
- Rear heater duct

Enhanced Power Package:

- Power windows
- Remote keyless entry system
- Cruise control

Extra Value Package #1:

- Power windows
- Remote keyless entry system
- Cruise control
- 15-in. alloy wheels with P195/65R15 tires
- Color-keyed rear deck spoiler

Sports Plus Package:

- 15-in. alloy wheels with P195/65R15 tires
- Color-keyed rear deck spoiler

Moonroof Package:

- Power tilt/slide moonroof with sunshade
- Driver and front passenger front seat-mounted side airbags
- Front and rear side curtain airbags (1)

4-wheel Anti-lock Brake System (ABS) with Electronic Brake-force Distribution (EBD) and Direct Tire Pressure Monitor System [5] Vehicle Stability Control (VSC) [2,3] with Traction Control (TRAC) and Brake Assist [4]

Driver and front passenger front seat-mounted side airbags and front and rear side curtain airbags [1]

Power tilt/slide moonroof with sunshade

AM/FM 6-disc in-dash CD changer with six speakers

16-in. alloy wheels with P195/55R16 tires [6]

LE Packages and Options

All-weather guard package:

- Windshield molding
- Anti-chipping tape
- Heavy-duty heater
- Rear heater duct

Audio Value Package:

- AM/FM 6-disc in-dash CD changer with six speakers
- Cruise control
- JBL® Value Package:
 - JBL® AM/FM 6-disc in-dash CD changer with eight speakers
 - Cruise control

Moonroof Package:

- Power tilt/slide moonroof with sunshade
- Driver and front passenger front seat-mounted side airbags
- Front and rear side curtain airbags [1]

4-wheel Anti-lock Brake System (ABS) with Electronic Brake-force Distribution (EBD) and Direct Tire Pressure Monitor System [5] Vehicle Stability Control (VSC) [2, 3] with Traction Control (TRAC) and Brake Assist [4]

Driver and front passenger front seat-mounted side airbags and front and rear side curtain airbags [1]

Power tilt/slide moonroof with sunshade

15-in. alloy wheels with P195/65R15 tires

Warranties

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, front-wheel drive, rear-wheel drive, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Federal Emission Coverage: Components under the federal emission defect warranty are covered for 36 months/36,000 miles and specified major emission control components are covered for 8 years/80,000 miles. Specified major emission control components under emission performance warranty are also covered for 8 years/80,000 miles. In addition, emission performance warranty is applicable for 24 months/24,000 miles in states and local jurisdictions that require a periodic EPA-approved inspection and maintenance program.

California Emission Control Coverage: In California and any other state that adopts California emission warranty provisions, performance warranty and defect warranty coverage is applicable for 36 months/50,000 miles, and specific control devices are covered for 7 years/70,000 miles.

Accessories: Warranty coverage is for 12 months, regardless of mileage. If the part or accessory is installed during the New Vehicle Limited Warranty period, coverage is for 12 months or the remainder of the applicable warranty coverage, whichever is greater, with the exception of car covers, which are covered for 12 months only.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable Owner's Warranty Information booklet or see your Toyota dealer.

In addition, there may be times when we will establish a special policy adjustment that will further defray repair costs. For details about the new vehicle limited warranty, see your Toyota dealer. And for complete details of Toyota's warranties, please refer to your Owner's Warranty.

Disclaimers

[1] All the vehicle's airbag systems are Supplemental Restraint Systems (SRS). The driver and front passenger airbags are designed to inflate in severe (usually frontal) collisions where the magnitude and duration of the forward deceleration of the vehicle exceed the design threshold level. The side airbags and side curtain airbags are designed to inflate in certain types of severe side-impact collisions. In all other accidents, the airbags will not inflate. To decrease the risk of injury from an inflating airbag, always wear seatbelts, sit upright in the middle of the seat as far back as possible from the airbag modules and do not lean against the door. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating airbag SRS may cause serious injury or death. Please see your Owner's Manual for further instructions. Vehicle complies with "advanced airbag" requirements of FMVSS 208.

[2] Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your Owner's Manual for further details.

[3] Requires ABS. Available with automatic transmission only.

[4] Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions.

[5] The Toyota Tire Pressure Monitor alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See your Owner's Manual for details.

[6] 16-in. alloy wheels with P195/55R16 performance tires are expected to experience greater tire wear than conventional tires. Tire life may be less than 24,000 miles, depending upon driving conditions.

[7] Shift-activated locking feature with automatic transmission only.

[8] On models equipped with available moonroof, maplights are located in the overhead console.

[9] With available power moonroof.

[10] Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment.

[11] Requires available 16-in. alloy wheels.

[12] 2007 EPA mileage estimates. Actual mileage may vary.
