Craftsmanship. Style. Power. Sophistication. And that’s just the foundation. The CC was designed with an eye for detail that feels intuitive. From innovative technology available at your fingertips to a turbocharged 200-hp engine, the CC can deliver in many ways. So you can drive luxury, the Volkswagen way.

As luxe would have it.
Rain-sensing wipers
Frameless door design
Integrated rear spoiler

FEATURES

Bi-Xenon headlights with LED Daytime Running Lights (DRL)
These headlights create bright beams of light to help improve visibility, lasting longer and using less energy than halogen bulbs. The LED Daytime Running Lights add style to your CC.

LED taillights
The LED taillights on the CC have been styled with precise contours that perfectly flow with its design lines. The bright illumination also helps rear drivers know that you’re applying the brakes.

Panoramic sunroof
Take a drive on the brighter side of life. Tilt up the available panoramic sunroof and let the sun shine in on you.

Luxury has found its soul mate. All stunning curves and modern lines, the CC packs the performance of a turbocharged sedan in the sleek body of a 4-door coupe. The CC offers luxe details like available 18" alloy wheels, an integrated rear spoiler, and available power-folding side mirrors with memory function that discreetly tuck themselves away.

Your wish list just became your have list.

vw.com/models/cc/section/design
Bells and whistles. Performing in concert.

Skip into the ergonomic command center of the CC and use its push-button start* to access luxury, technology, and entertainment. Get your hands on everything from dual-zone climate control to leatherette seating surfaces.

FEATURES

- Leatherette seating surfaces
- Keyless access with push-button start*
- 12-way power front seats
- Frameless auto-dimming rearview mirror

AVAILABLE FEATURES

- Leatherette seating surfaces
- Climatronic® dual-zone automatic climate control
- Some days it’s hot, some days it’s cold. Thankfully, with dual-zone climate control, you and your passenger can sit in your own comfort lane.
- Premium color multi-function trip computer
- Be in the know with the available color multi-function trip computer. Conveniently positioned directly in front of you on the dashboard, it’s a quick way to view important trip information.

vw.com/models/cc/section/design

See Owner's Manual for further details and important warnings about the keyless ignition feature. Do not leave vehicle unattended with the engine running, particularly in enclosed spaces.
Touchscreen navigation serves as your central source of information, communication, and support in the cabin of your CC. At the center of your mobile universe, Volkswagen Car-Net® App-Connect® can display select apps from your compatible smartphone directly onto your touchscreen for easy access.

**Features**

**Volkswagen Car-Net connected car suite**
- SiriusXM® Satellite Radio, SiriusXM Traffic, and SiriusXM Travel Link® with 3-month trial subscription**
- Volkswagen Car-Net App-Connect

Volkswagen Car-Net App-Connect lets you link your compatible smartphone with Apple CarPlay™, Android Auto™, or MirrorLink® to use select apps on the touchscreen display of your Volkswagen. From streaming music to mobile maps, it can be accessed on the touchscreen.

**Bluetooth® technology with audio streaming for compatible devices**

Connect your compatible smartphone or other device for talking and streaming. This way you can handle business without missing a beat.

**Touchscreen navigation**

With a touch of the 6.33-inch display, a wealth of information comes to light. You can access maps, points of interest, and vehicle information. You may have to lift a finger, but just the one.

**Rearview Camera System**

Hindsight is now foresight. The rearview camera can help you see obstacles when backing up, and it can make parallel parking seams easier.

**Forward Collision Warning and Autonomous Emergency Braking (Front Assist)**

Sensors in the front of your CC help alert you if you are approaching another vehicle too quickly. If you fail to brake enough, the available system can boost the braking pressure. And if you don’t brake at all, Front Assist automatically steps in and applies the brakes to help reduce the severity of a potential impact.

**Adaptive Cruise Control (ACC)**

Keep things under control with available ACC, which is designed to help keep your car at a relative distance from the vehicle in front of you.

Torque is a terrible thing to waste.

When you take your CC for a drive, those butterflies you’re feeling are from a turbocharged engine with 207 lb-ft of torque and available paddle shifters. Sit back and enjoy raising the standards on your performance standards every time you hit the road.*

2.0L TSI engine

Steering wheel-mounted paddle shifters

FEATURES

Available Features

200-hp turbocharged 2.0L TSI engine
Leather-wrapped steering wheel

200 horsepower
207 lb-ft of torque

AVAILABLE FEATURES

6-speed DSG® automatic transmission with Tiptronic® and Sport mode

Faster than a manual transmission, the DSG automatic transmission lets you quickly upshift and downshift using available paddle shifters located within a finger’s reach on the steering wheel. It’s accelerated shifting.*

Sport-tuned suspension

Built for the autobahn, this import finds regular highways a breeze. Its sport-tuned suspension can give you a smooth, responsive ride.

vw.com/models/cc/section/performance

*Rates may vary based on market conditions.
Intelligent Crash Response System (ICRS)**

In the event of a collision that deploys the airbags, the ICRS can turn off the fuel pump, unlock the doors, and activate the hazard lights. It helps react if you might not be able to.

Safety cage

Front and rear crumple zones help absorb crash energy, while a rigid safety cage helps deflect it away from the driver and passengers.

Tire Pressure Monitoring System (TPMS)

Monitoring and maintaining proper air pressure in your tires helps with efficiency* and safety. The TPMS helps alert you to a loss of tire pressure so you know when to add air.

Seven stability-enhancing systems

From Electronic Brake-pressure Distribution (EBD), which helps maintain appropriate stopping power during a hard-braking situation, to Electronic Stability Control (ESC), which can adjust engine throttle and apply corrective forces to the wheels that need them most, there are in total seven stability-enhancing systems at your service.

Intelligent Crash Response System (ICRS)**

In the event of a collision that deploys the airbags, the ICRS can turn off the fuel pump, unlock the doors, and activate the hazard lights. It helps react if you might not be able to.

Automatic Post-Collision Braking System

Not every collision brings a car to a stop. That’s why our vehicles include the Automatic Post-Collision Braking System. It can help bring your car to a stop after a collision, helping reduce the chance of additional impacts.

Brake Disc Drying

When it’s raining outside, the system wipes water off the disc brakes to help them remain dry. And it’s activated simply by turning the windshield wipers on.

Even 360 degrees of luxury has a serious side.

A lot goes into the CC before you do. From a steel safety cage with thermoformed B-pillars to seven advanced stability-enhancing systems, the premium design of the CC wouldn’t be complete without the luxury of peace of mind.

*22 city/31 highway mpg (2017 CC 2.0L, 6-speed automatic transmission). EPA estimates. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition. **The Intelligent Crash Response System (ICRS) only activates in a collision where the airbags deploy or safety belt pretensioners activate. Not all collisions cause airbags to deploy or safety belt pretensioners to activate. Usage of supplemental restraint systems may not affect display under all crash circumstances. Always use safety belts and mount children only in the rear, using restraint systems appropriate for their size and age.

Safety cage

Front and rear crumple zones help absorb crash energy, while a rigid safety cage helps deflect it away from the driver and passengers.
**CC Specs**

**Exterior**
- Standard high intensity low-beam headlamps, LED daytime running lights (DRL), and daytime rear position lights
- Electrically adjustable exterior rearview mirrors
- Power glass-grip rear window with painted finish
- Power rear hatch latch
- R-Line sport bumpers
- 18" alloy wheels
- Power auxiliary exterior mirrors
- Rearview Camera System
- Rear seat cup holders

**Technology**
- Forward Collision Warning and Autonomous Emergency Braking (Front Assist)‡
- Adaptive Cruise Control (ACC)‡
- Keyless access with push-button start††
- Bluetooth® technology with audio streaming for compatible devices
- Volkswagen Car-Net Security & Service with 6-month trial subscription†
- 3-month SiriusXM Travel Link trial subscription*
- Volkswagen Car-Net® App-Connect**
- FLAC-compatible CD player, AM/FM/HD Radio™, and SD memory card reader
- Discover Media touchscreen navigation system with proximity sensor, MP3/WMA/CD/USB/AUX
- Power-assisted, front vented disc brakes; rear solid disc brakes
- Electric parking brake
- Electric parking brake with Auto-Hold
- 6-speed DSG® automatic with Tiptronic® and Sport mode
- fuel injection, 200 hp, 207 lb-ft of torque
- 2.0L, 16-valve, DOHC, in-line 4-cylinder turbocharged engine with intercooler and FSI® direct injection
- Rain-sensing windshield wipers
- Power tilting panoramic sunroof
- Power-operated, auto-dimming, heated side mirrors with integrated turn signals
- Gloss black grille, side mirrors, and window trim
- R-Line sport bumpers and side sill extensions
- Front-lighting System (AFS)

**Dimensions**
- Wheelbase: 106.7 inches (2,711 mm)
- Length: 189.1 inches (4,802 mm)
- Height: 55.8 inches (1,417 mm)
- Width: 73.0 inches (1,855 mm)
- Trunk volume: 13.2 cu.ft. (0.4 cu. m.)

**Interior**
- Perforation
- Brake Assist (HBA)
- Electronic Brake-pressure Distribution (EBD), and Engine Brake Assist (EBA)
- Electronic Stability Control (ESC), Anti-Slip Regulation (ASR), Electronic Differential Lock (EDL), and Engine Brake Assist (EBA)
- LATCH (Lower Anchors and Tethers for CHildren) child seat anchor points
- Anti-lock Braking System (ABS)
- Crash-optimized front end
- Frameless auto-dimming rearview mirror
- Interior ambient lighting
- Leather-wrapped, multi-function steering wheel
- 12-way power-adjustable front seats including 4-way power lumbar support and 3-position memory
- Heated front seats
- 4 cupholders: 2 front, 2 rear
- Fully upholstered luggage compartment
- 3 12V power outlets: 1 in front center console, 1 in center console for rear seating positions, and 1 in cargo area
- Carbon fiber interior trim with Piano Black center console
- 2 radio-frequency remote transmitter key fobs with lock, unlock, rear trunk release, and panic functions
- Multi-function trip computer featuring trip time, trip length, average trip speed, average fuel consumption, distance to empty, estimated time of arrival, and trip computer reset
- Multi-function trip computer with compass display
- Climatronic® dual-zone automatic climate control with pollen filter

**Colors and Wheels**

**Exterior Colors**
- Pure White
- Reflex Silver Metallic
- Black Oak Metallic
- Indium Gray Metallic
- Deep Black Pearl
- Desert Silver and Black Two-Tone
- Sterling Silver and Black Two-Tone
- Saphire Black Two-Tone
- Carbon and Black Two-Tone

**Interior Color Options**
- V-TEX LEATHERETTE
- V-TEX LEATHER
- V-TEX MICROFIBER

**Standard Wheels**
- 17" Black
- 18" Montauk Indium Gray Metallic
- 18" Deep Black
- 17" Harbor Blue Metallic
- 18" Montauk Indium Gray Metallic
