America’s Best Bumper-to-Bumper Limited Warranty

The People First Warranty

6 Years/72,000 Miles · Transferable Bumper-to-Bumper · Limited Warranty

*6 years/72,000 miles (whichever occurs first) New Vehicle Limited Warranty on MY2018 and newer VW vehicles, excluding e-Golf. See owner’s literature or dealer for warranty exclusions and limitations. **Claim based on manufacturers’ published data on length and transferability of car and SUV Bumper-to-Bumper/Basic warranty only. Not based on other separate warranties.
When it comes to looks and performance, the Golf GTI is as distinctive as it is refined. Let's start with what's under the hood: a 2.0L TSI® engine delivers 228 hp and plenty of torque* (achieved with premium fuel). Then its aggressive stance, fast roofline, and 18" alloy wheels give the Golf GTI unmistakable style. It's flash — with a whole lot of substance.

*Always obey local speed and traffic laws.
Limited-slip differential (VAQ)
This system monitors performance indicators like vehicle speed, wheel rotation, and lateral G-forces. This can help eliminate understeer by proactively making adjustments to maintain optimum torque balance, transferring up to 100% of torque to one wheel. Now that’s power with brainpower.

Driving Mode Selection
Selectable driving modes allow you to change the way your car performs. You have the power to adjust the drive and how the car responds on the road.

AVAILABLE FEATURES
- DCC® adaptive chassis control
- 7-speed DSG® automatic transmission with Tiptronic® and Sport mode
- Paddle shifters
- Performance monitor
- LED headlights with Adaptive Front-lighting System (AFS)
- Power tilting/sliding panoramic sunroof
- Foglights with low-speed corner-illuminating feature

Rabbit Edition
This hot ticket just gets hotter. Only a few thousand will be made, each with 18" gloss black alloy wheels, black-painted mirror caps, gloss black GTI Rabbit Edition spoiler, Rabbit seat tags, red-stitched floor mats, and special-edition colors.

FEATURES
- 2.0L TSI turbocharged engine
- Sport suspension
- Electromechanical progressive power steering system
- Vented front and rear brake rotors and front calipers with GTI logo
- Automatic headlights
- LED Daytime Running Lights (DRL)
- LED taillights
- 18" 5-spoke two-tone machined alloy wheel
Words alone won't do this justice. Because with the Golf GTI, high performance and high style combine to create a unique driving experience. The Top Sport seats are expertly designed, and the instrumentation is handsome to view. Everywhere you look—from the Clark Plaid seating surfaces to the leather-wrapped, multi-function sport steering wheel—you'll see the Golf GTI is engineered to get a reaction out of you and the cars you pass.

High-tech street smarts.
Volkswagen Car-Net App-Connect**

Volkswagen Car-Net App-Connect allows you to connect your compatible smartphone with Apple CarPlay®, Android Auto™, or MirrorLink® to access select apps on the touchscreen display. From streaming music to mobile apps, it can be accessed on the touchscreen.

FEATURES

- 6.5" touchscreen sound system
- Premium color Multifunction Display (MFD)
- Leather-wrapped, multi-function steering wheel
- Bluetooth® technology with audio streaming for compatible devices
- USB port

AVAILABLE FEATURES

- 8" touchscreen sound and navigation systems
- Leather seating surfaces
- 12-way power driver's seat including lumbar support
- Fender® Premium Audio System
- Climatronic® dual-zone climate control

Clark Plaid seating surfaces

Complete with red accents and a nod to the heritage of the Golf GTI, the cloth seating surfaces come in Clark Plaid.

Top Sport seats

Bucket-style, race-inspired front seats. The large, bolstered design really lets you sink into the action, whether you're behind the wheel or you're the copilot.

Keyless access with push-button start*

Available keyless access lets you lock, unlock, start and drive your car without ever having to take your keys out of your pocket. Press the brake and push the start button, and your engine’s running and ready.

*See Owner’s Manual for further details and important warnings about the keyless ignition feature. Do not leave vehicle unattended with the engine running, particularly in enclosed spaces. **Always pay careful attention to the road, and do not drive while distracted. Not all features available on all operating systems. Standard text and data usage rates apply. App-Connect features require compatible device, operating system, and mobile apps. See mobile device and app providers for terms and privacy. Android and Android Auto are trademarks of Google LLC. Apple CarPlay is a registered trademark of Apple Inc. MirrorLink is a registered trademark of the Car Connectivity Consortium LLC.
Don’t pass up a chance for greater peace of mind.

Driver Assistance features can help give you more confidence on your drive.

Rear Traffic Alert*

The available Rear Traffic Alert comes in handy when you’re backing up. It has sensors that can alert you to vehicles crossing in your path when in reverse, and can even help brake the vehicle if needed.

High Beam Control (Light Assist)*

Available High Beam Control (Light Assist) helps provide better visibility on dark roads by turning on your high beams at certain speeds. A camera mounted at the base of the rearview mirror turns your high beams on when conditions warrant it on dark or poorly lit roads. It then turns them off again if another car approaches or drives in front of you.

Lane Keeping System (Lane Assist)*

When moving, the available Lane Keeping System (Lane Assist) can sense if you start to drift into another lane without using the turn signal. Within the limits of the system, Lane Assist can help steer to help keep you in the current lane.

Adaptive Cruise Control (ACC)*

Available Adaptive Cruise Control (ACC) helps the vehicle maintain a preset speed and distance from the car in front of you. When activated, if the car in front of you speeds up or slows down, the sensors can detect the change and your car follows suit.

Parking Steering Assistant (Park Assist)*

Available Parking Steering Assistant (Park Assist) can determine if a parking spot is big enough for your Volkswagen. Then it will help steer the vehicle into the space, either parallel or perpendicular. You operate the accelerator, brake, and shifter; it does the rest.

Blind Spot Monitor*

When driving, if you attempt to change lanes, the available Blind Spot Monitor can help alert you to cars that may be in your blind spot. The Active Blind Spot Monitor (available when vehicle is equipped with Lane Assist) on select models can also counter-steer within the limits of Lane Assist to help keep you in your lane if you attempt to change lanes when a vehicle is in your blind spot.

Forward Collision Warning and Autonomous Emergency Braking (Front Assist)*

The available Forward Collision Warning (included in Front Assist) system can help monitor traffic and can alert you acoustically and visually to a potential front-end collision with the vehicle moving ahead. If it senses that a collision is imminent, Autonomous Emergency Braking (included in Front Assist) can support the driver with increased brake pressure or, under certain circumstances, it can apply the brakes automatically. The available Pedestrian Monitoring (included in Front Assist) feature can warn of pedestrians crossing in front of the vehicle and, under certain circumstances, can brake automatically to help prevent or mitigate the outcome of a collision with a pedestrian if the driver doesn’t respond adequately to the warnings.

*Driver Assistance features are not substitutes for attentive driving. See Owner’s Manual for further details and important limitations. Each image shown is a dramatization for illustration purposes only.
America’s Best Bumper-to-Bumper Limited Warranty**

The People First Warranty
6 Years/72,000 Miles · Transferable
Bumper-to-Bumper · Limited Warranty

Learn more at vw.com/warranty.

Cost of ownership
The 6 years or 72,000 miles New Vehicle Limited Warranty reduces the cost of owning a Volkswagen.

Peace of mind
Every Volkswagen is designed with quality in mind. So our 6 years/72,000 miles (whichever occurs first) New Vehicle Limited Warranty isn’t just extensive, it’s proof of our confidence.*

Coverage
You’re covered by the warranty for 6 years or 72,000 miles (whichever comes first).*

The smart choice
Considering the length of the virtual bumper-to-bumper coverage and the ability to transfer the remainder of the coverage to the next owner, The People First Warranty beats the competition every time.*

Transferable
Your vehicle remains covered even if transferred to a new owner. So long as the vehicle is less than 6 years old and has traveled fewer than 72,000 miles, the remainder of the warranty coverage transfers to the subsequent vehicle owner.*

Bumper-to-Bumper Limited Warranty
In general, the warranty provides practically bumper-to-bumper coverage for repairs to a defect in manufacturer’s material or workmanship (i.e., mechanical defects).*

*6 years/72,000 miles (whichever occurs first) New Vehicle Limited Warranty on MY2018 and newer VW vehicles, excluding e-Golf. Remainder of warranty coverage transfers to subsequent vehicle owner. See owner’s literature or dealer for warranty exclusions and limitations. **Claim based on manufacturers’ published data on length and transferability of car and SUV Bumper-to-Bumper/Basic warranty only. Not based on other separate warranties. *Claim based on 5 years/75,000 miles cost of ownership analysis comparing 6 years/72,000 miles (whichever occurs first) limited warranty and 3 years/36,000 miles (whichever occurs first) limited warranty.

*Always pay careful attention to the road, and do not drive while distracted. Not all features available on all operating systems. Standard text and data usage rates apply. App-Connect features require compatible device, operating system, and mobile apps. See mobile device and app providers for terms and privacy. **Driver Assistance features are not substitutes for attentive driving. See Owner’s Manual for further details and important limitations. †The Intelligent Crash Response System (ICRS) will only activate in a collision where the airbags deploy or safety belt pretensioners activate. Not all collisions cause airbags to deploy or safety belt pretensioners to activate. ©2018 Volkswagen Group of America, Inc. Printed in the USA. Volkswagen of America, Inc., believes the information and specifications in this brochure to be correct at the time of printing. Specifications, standard features, options, fabrics, and colors are subject to change without notice. Some features may be unavailable when your vehicle is built. Some vehicles are pictured with options that may be available at extra cost or may not be available on some models. Ask your dealer about the availability of options and verify that the vehicle you select includes the equipment you ordered. Tires are supplied and warranted by their manufacturer. “Volkswagen,” the Volkswagen logo, and “Golf GTI” are registered trademarks of Volkswagen AG. “Bluetooth” is a registered trademark of Bluetooth SIG, Inc. Volkswagen navigation depends on the signals from the worldwide Global Positioning Satellite network. The vehicle’s electrical system, and existing wireless and satellite technologies, must be available and operating properly for the system to function. The system is designed to provide you with suggested routes to location addresses, destinations, and other points of interest. Changes in street names, construction zones, traffic flow, points of interest, and other road system changes are beyond the control of Volkswagen of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route. Periodically, the mapping is updated and an update will be required in order to maintain the latest navigation information available to us. Updates will be available for purchase from time to time at additional cost. For further information regarding any Volkswagen model, please call 1-800-DRIVE-VW or just look us up at vw.com.
