When it comes to looks and performance, the Golf GTI is as distinctive as it is refined. Let's start with what's under the hood: a 2.0L TSI® engine delivers 228 hp and 258 lb-ft of torque*. Then its aggressive stance, fast roofline, and 18" alloy wheels give the Golf GTI unmistakable style. It's flash—with a whole lot of substance.

*Always obey local speed and traffic laws.
DCC® adaptive chassis control
7-speed DSG® automatic transmission with Tiptronic® and Sport mode
Paddle shifters
Performance monitor
LED headlights with Adaptive Front-lighting System (AFS)
Power tilting/sliding panoramic sunroof
Foglights with low-speed corner-illuminating feature

Limited-slip differential (VAQ)
This system monitors performance indicators like vehicle speed, wheel rotation, and lateral G-forces. This can help eliminate understeer by proactively making adjustments to maintain optimum torque balance, transferring up to 100% of torque to one wheel. Now that’s power with brainpower.

Driving Mode Selection
Selectable driving modes allow you to change the way your car performs. You have the power to adjust the drive and how the car responds on the road.

AVAILABLE FEATURES
DCC® adaptive chassis control
7-speed DSG® automatic transmission with Tiptronic® and Sport mode
Paddle shifters
Performance monitor
LED headlights with Adaptive Front-lighting System (AFS)
Power tilting/sliding panoramic sunroof
Foglights with low-speed corner-illuminating feature

FEATURES
2.0L TSI® turbocharged engine
Sport suspension
Electromechanical progressive power steering system
Vented front and rear brake rotors and front calipers with GTI logo
Automatic headlights
LED Daytime Running Lights (DRL)
LED taillights
18" 5-spoke two-tone machined alloy wheel
Words alone won't do this justice. Because with the Golf GTI, high performance and high style combine to create a unique driving experience. The Top Sport seats are expertly designed, and the instrumentation is handsome to view. Everywhere you look—from the Clark Plaid seating surfaces to the leather-wrapped, multi-function sport steering wheel—you'll see the Golf GTI is engineered to get a reaction out of you and the cars you pass.
**App-Connect**
App-Connect allows you to connect your compatible smartphone with Apple CarPlay®, Android Auto™, or MirrorLink® to access select apps on the touchscreen display. From streaming music to mobile apps, it can be accessed on the touchscreen.

Clark Plaid seating surfaces
Complete with red accents and a nod to the heritage of the Golf GTI, the cloth seating surfaces come in Clark Plaid.

Top Sport seats
Bucket-style, race-inspired front seats. The large, bolstered design really lets you sink into the action, whether you’re behind the wheel or you’re the copilot.

Keyless access with push-button start*
Available keyless access lets you lock, unlock, start, and drive your car without ever having to take your keys out of your pocket. Press the brake and push the start button, and your engine’s running and ready.

FEATURES
- 6.5” touchscreen sound system
- Premium color Multifunction Display (MFD)
- Leather-wrapped, multi-function sport steering wheel
- Bluetooth technology with audio streaming for compatible devices
- USB port
- Volkswagen Car-Net® Hotspot†

AVAILABLE FEATURES
- 8” touchscreen sound and navigation systems
- Leather seating surfaces
- 12-way power driver’s seat including lumbar support
- Fender® Premium Audio System
- Climatronic® dual-zone climate control

*See Owner’s Manual for further details and important warnings about the keyless ignition feature. Do not leave vehicle unattended with the engine running, particularly in enclosed spaces and consult local laws for any limitations on use. **Always pay careful attention to the road, and do not drive while distracted. Not all features available on all operating systems. Standard text and data usage rates apply. App-Connect features require compatible device, operating system, and mobile apps. See mobile device and app providers for terms and privacy. Android and Android Auto are trademarks of Google LLC. Apple CarPlay is a registered trademark of Apple Inc. MirrorLink is a registered trademark of the Car Connectivity Consortium LLC. †The Car-Net Hotspot feature is intended for passenger use only. 4G LTE coverage is not available in all areas. See materials provided for terms, privacy, and data security details. Requires trial or paid Wi-Fi plan from third-party wireless provider.
Don’t pass up a chance for greater peace of mind.

Driver Assistance features can help give you more confidence on your drive.

Rear Traffic Alert*
Rear Traffic Alert comes in handy when you’re backing up. It has sensors that can alert you to detected vehicles crossing in your path when in reverse and can even help brake the vehicle if needed.

Lane Assist*
When moving, the available Lane Keeping System (Lane Assist) can sense if you start to drift into another lane without using the turn signal. Within the limits of the system, Lane Assist can help keep you in the current lane when lane markings are detected.

Light Assist*
Available High Beam Control (Light Assist) can help to provide optimum visibility on dark roads by automatically turning on your high beams at speeds above 37 mph. A camera mounted at the base of the rearview mirror turns your high beams on when conditions warrant it. It then turns them off again depending on the position of vehicles driving ahead of you or on-coming vehicles, the vehicle speed and other environmental and traffic conditions.

Adaptive Cruise Control (ACC)*
Available Adaptive Cruise Control (ACC) helps the vehicle maintain a preset speed and distance from the car in front of you. When activated, if the car in front of you speeds up or slows down, the sensors can detect the change and your car follows suit up to the preset speed.

Park Distance Control with Maneuver Braking*
Available Park Distance Control has sensors that can help you back out of or drive into a parking spot. Audible signals and the optical parking system on the display indicate how much space you have behind and, on some vehicles, in front of the vehicle when parking. If you get too close to a detected object, the system beeps as a warning. Maneuver Braking (included with Park Distance Control) can apply emergency braking force automatically to help mitigate and in best case prevent collisions with detected stationary obstacles while you maneuver the vehicle in reverse gear.

## INTERIOR

### EXTERIOR

- LED headlights
- LED Daytime Running Lights (DRL)
- Foglights
- LED Tailights
- Power tilting/sliding panoramic sunroof
- 18" 5-spoke two-tone machined alloy wheels

### TECHNOLOGY

- Composition Media touchscreen sound system with 8" color display
- Discover Media touchscreen navigation system with 8" color display
- App-Connect*
- Forward Collision Warning and Autonomous Emergency Braking (Front Assist)**
- Pedestrian Monitoring Included in Front Assist**
- Blind Spot Monitor and Rear Traffic Alert**
- Adaptive Cruise Control (ACC)**
- Lane Keeping System (Lane Assist)**
- High Beam Control (Light Assist)**
- Parking Steering Assistant (Park Assist)**
- Parking Distance Control with Maneuver Braking**
- Adaptive Front-lighting System (AFS)**

### PERFORMANCE

- 2.0L TSI®, 16-valve, DOHC, in-line 4-cylinder turbocharged engine with direct injection and intercooler, 228 hp, 258 lb-ft of torque
- 6-speed manual transmission
- 7-speed DSG® automatic transmission with Tiptronic® and Sport mode
- DCC® adaptive chassis control
- VAQ limited-slip front differential lock
- Performance Monitor
- Driving Mode Selection

### SAFETY

- Rear View Camera System
- LATCH (Lower Anchors and Tethers for CHildren) child seat anchor points
- Anti-lock Braking System (ABS), Electronic Brake-pressure Distribution (EBD), and Hydraulic Brake Assist (HBA)
- Intelligent Crash Response System (ICRS)†
- Tire Pressure Monitoring System (TPMS)

### WHEELS

- 18" 5-spoke two-tone machined alloy
