e-Golf unplugged.

125 EPA-ESTIMATED MILES PER CHARGE

- **126 city/111 hwy MPGe (‡‡)
- Three regenerative braking modes
- Electrically heated windshield
- Rear View Camera System
- Keyless access with push-button start
- 8” touchscreen sound system with glass display
- Bluetooth® technology with audio streaming for compatible devices
- USB port
- 8” touchscreen navigation system with glass display
- LED headlights with Adaptive Front-lighting System (AFS)
- AVAILABLE FEATURES
- Discover Media 8” touchscreen navigation system with EV functions
- Volkswagen Car-Net® application with e-Manager§
- DC Fast Charger†
- Available navigation gets a serious upgrade with features like dynamic route guidance, which can help redirect you around slow traffic. When your hand approaches, a proximity sensor can kick in, which displays a pop-up menu that’s easy to read.
- Time to take charge. This available feature gives you DC charging capabilities, which means you’ll access to some of the fastest charging stations out there.
- Driving Mode Selection with Normal/Eco/Eco+
- The available 12.3” display is a true breakthrough. Instead of the traditional instrument cluster, your information can appear digitally in a high-resolution display. You can even customize it to better suit your driving needs, so your navigation or Driver Assistance features are more prominent.
- VW Car-Net® App-Connect: The available 12” display is a true breakthrough. Instead of the traditional instrument cluster, your information can appear digitally in a high-resolution display. You can even customize it to better suit your driving needs, so your navigation or Driver Assistance features are more prominent.
- Driving Mode Selection with Normal/Eco/Eco+
- The e-Mobility features in the app can monitor miles traveled, estimated power consumption of the motor, and location of the nearest charging stations, as well as performing other essential functions.
- Time to take charge. This available feature gives you DC charging capabilities, which means you’ll access to some of the fastest charging stations out there.

*Always pay careful attention to the road, and do not drive while distracted. Not all features available on all operating systems. Standard text and data usage rates apply. App-Connect features require compatible device, operating system, and mobile apps. See mobile device and app providers for terms and privacy. **Three years of complimentary enhanced e-mobility features available after subscription to 6-month VW Car-Net Security & Service trial. Trial or paid subscription required. VW Car-Net Security & Service services require vehicle cellular connectivity and availability of vehicle GPS signal; certain services may collect location information. See Terms of Service, Privacy Policy, and other details at www.vw.com/carnet. Always pay careful attention to the road, and do not drive while distracted. †Always pay careful attention to the road, and do not drive while distracted. ††Driver Assistance features are not substitutes for attentive driving. Please see Owner’s Manual for further details and important limitations. The Intelligent Crash Response System (ICRS) will only activate in a collision where the airbags deploy or safety belt pretensioners activate. Not all collisions cause airbags to deploy or safety belt pretensioners to activate.

©2017 Volkswagen of America, Inc. Printed in the U.S.A. Volkswagen of America, Inc., believes the specifications in this brochure to be correct at the time of printing. Specifications, standard equipment, options, fabrics, and colors are subject to change without notice. Some features may be unavailable when your vehicle is built. Some vehicles are pictured with options that may be available at extra cost or may not be available on some models. Ask your dealer about availability of options and verify that the vehicle you ordered includes the equipment you ordered. Tires are supplied and warranted by the manufacturer. "Volkswagen," the Volkswagen logo, "Car-Net," and "e-Golf" are registered trademarks of Volkswagen AG. "Bluetooth" is a registered trademark of Bluetooth SIG, Inc. Volkswagen navigation depends on the signals from the worldwide Global Positioning Satellite network. The vehicle’s electrical system, and existing wireless and satellite technologies, must be available and operating properly for the system to function. The system is designed to provide you with suggested routes to location addresses, destinations, and other points of interest. Changes in street names, construction zones, traffic flow, points of interest, and other road system changes are beyond the control of Volkswagen of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route. Periodically, the mapping is updated and a new DVD will be required in order to maintain the latest navigation information available to us. These will be available for purchase from time to time at additional cost. For further information regarding any Volkswagen model, please call 1-800-DRIVE-VW, or just look us up at vw.com.
