Actually, your timing is perfect. Because whether you’re looking for straight-up performance, eye-catching good looks, or advanced technology, the Jetta delivers it all with Volkswagen style. And the Jetta has that little something special the others are missing—you know, a genuine you-can’t-wait-to-drive-it personality. Now that you’ve arrived, make every mile more memorable.
The sleek, athletic profile of the Jetta stands out. But it’s what you experience once you get inside that sets it miles apart. It’s built to be sporty and fun to drive with all kinds of perks, like heated power side mirrors and available distinctive 17” alloy wheels that are an excellent example of substance with style.

LED Daytime Running Lights (DRL)
Light up the drive ahead without sacrificing style. LED Daytime Running Lights add a sleek look to the front end as well.

Heated power side mirrors
Experience the side mirrors on a Jetta can bring the heat. So if the visibility starts to fog up, these can help give you a clear view.

Laser seam welding
By using the process of laser seam welding instead of spot welding, select seams on a Volkswagen are stronger and more precise. Which translates to a solidly built car.

Foglights
Side mirrors with integrated turn signals
17” alloy wheels
Power tilting/sliding sunroof
LED taillights

More than meets the eyes, hands, and right foot.
Raising expectations, every chance it gets.

Congrats on your step up. Enjoy enough room for passengers to sit comfortably or for you to stash more in the trunk. The 6-way adjustable front seats are comfortable and feature available luxurious V-Tex leatherette seating surfaces. Add the multi-function steering wheel and available dual-zone climate control, and the Jetta has even more ways it can add to your comfort zone.

FEATURES
- Cruise control
- Multi-function steering wheel

AVAILABLE FEATURES
- Heated front seats
- 6-way power-adjustable driver’s seat
- V-Tex leatherette seating surfaces
- Rear seat pass-through
- Leather-wrapped steering wheel, shift knob, and hand brake
- Air-conditioned glovebox

Multi-function trip computer
Be in the know with the multi-function trip computer. Conveniently positioned directly in front of you on the dashboard, it’s a quick way to view important trip information.

Climatronic® dual-zone automatic climate control
Some like it hot. Some like it cold. Thankfully, with available dual-zone climate control, you and your passenger can sit in your own comfort zone.
The technology in the Jetta offers things you need, from compatible smartphone integration and available Volkswagen Car-Net® App-Connect® to the things you want, like the available Fender® Premium Audio System. It’s technology made more mobile.

**Features**

- Bluetooth® technology with audio streaming for compatible devices
- USB port
- Rearview Camera System
- Keyless access with push-button start

**Available Features**

- Fender Premium Audio System
- SiriusXM® Satellite Radio with 3-month trial subscription**
- Rain-sensing windshield wipers
- Volkswagen Car-Net Guide & Inform**
  - With available Car-Net Guide & Inform, you can access gas prices, weather, sports scores, and more through SiriusXM Travel Link® services with a 3-month trial subscription. You also get SiriusXM® Traffic with a 3-month trial subscription, which offers real-time traffic information and puts your info front and center.
- Volkswagen Car-Net Security & Service††
  - With your 3-month trial and then paid subscription, you can enjoy a host of available features that help you locate your last parked location, check if the doors are locked, call for help in an emergency,§ and even get vehicle health and diagnostic reports.
- Volkswagen Car-Net App-Connect*
  - Available VW Car-Net App-Connect lets you link your compatible smartphone with Apple CarPlay™, Android Auto™, or MirrorLink® to use select apps on the touchscreen display of your Volkswagen. From streaming music to mobile maps, it can be accessed on the touchscreen.
- Discover Media touchscreen navigation system
  - Navigation gets even more easy with an available 6.8" touchscreen display with voice control and a proximity sensor with a pop-up display that’s easy to read. It can pair with multiple compatible devices via Bluetooth technology, and it also offers VW Car-Net App-Connect. It’s modern technology made more accessible.

**Composited Color touchscreen sound system**

- This system comes complete with a 6.33" display and a WMP® and WMA-compatible. So you can enjoy the ease of Bluetooth technology with audio streaming with your compatible devices.

**Composited Media touchscreen sound system**

- Boasting a 6.33" color display, the available touchscreen sound system has voice control and a proximity sensor that kicks in when your hand approaches and displays a pop-up menu that’s easy to read. It can pair with multiple compatible devices via Bluetooth technology, and it also offers VW Car-Net App-Connect. Tune into what’s new.

**A smart investment in technology.**

Never pass up a chance for peace of mind.

Talk about forward-looking. The Jetta delivers cutting-edge thinking like available Driver Assistance features that sense and adapt to driving conditions in a split second. The available Blind Spot Monitor is designed to alert you when you have vehicles in your blind spots. You get the picture. And now, an alert.

1. **Blind Spot Monitor**
   The sensors on the available Blind Spot Monitor feature are able to sense what you might miss. When driving, if you attempt to change lanes, the Blind Spot Monitor can help alert you to other cars that may be in your blind spots.*

2. **Rear Traffic Alert**
   The available Rear Traffic Alert comes in handy when you’re backing up. It has sensors that can alert you to vehicles nearby in your path when in reverse, and it can even brake for you in an emergency.*

3. **Adaptive Cruise Control (ACC)**
   The available Adaptive Cruise Control (ACC) helps maintain a relative distance from the car in front of you. If the car in front of you speeds up or slows down, the sensors can detect the change and your car follows suit.*

4. **Forward Collision Warning and Autonomous Emergency Braking (Front Assist)**
   The available Forward Collision Warning system (included in Front Assist) has a sensor in the front to help monitor traffic and can alert you to a potential collision. If a collision is imminent, Autonomous Emergency Braking (included in Front Assist) can help brake the car.*

5. **Park Distance Control (Park Pilot)**
   The available Park Distance Control (Park Pilot) has sensors that help you back out of or drive into a parking spot. Audible signals and the optical parking system on the display indicate how much space you have behind or in front of the vehicle when parking. If you get too close, an alert sounds as a warning. The display provides additional support for the driver by showing the position of obstacles.*

*Driver Assistance features are not a substitute for attentive driving. See Owner’s Manual for further details and important limitations.
Twice the fun. Fast, refined, and spirited, the Jetta offers you multiple ways to enjoy the road. Choose from a lively 1.4L TSI engine or the rev-happy 1.8L 170-hp engine. Each one packs enough turbocharged power to widen your grin.*

- 6-speed automatic transmission with Tiptronic® and Sport mode
- Sporty gauge cluster
- 4-corner independent suspension
- 1.4L TSI engine: 28 city/40 highway mpg EPA estimates**
- 1.8L TSI engine: 25 city/35 highway mpg EPA estimates†

*Always obey local speed and traffic laws. **28 city/40 highway mpg (2017 Jetta 1.4L TSI, 5-speed manual transmission). EPA estimates. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition. †25 city/35 highway mpg (2017 Jetta 1.8L TSI, 6-speed automatic transmission). EPA estimates. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition.

Rack up some serious smiles.
From where you sit, you’ll notice the GLI sits low and tight. And that makes every turn, every open freeway, and every endlessly curving country road a whole lot sweeter. Chalk it up to our passion for performance, along with the sport suspension and split 5-spoke 18" alloy wheels. It’s true, the GLI is a lot of car. But you can handle it.

Prime cornering office.

**210 207 HP ACHIEVED WITH PREMIUM FUEL**

**210 207 LB-FT OF TORQUE ACHIEVED WITH PREMIUM FUEL**

See Owner’s Manual for further details and important limitations. **2019 city/highway mpg (Jetta 2.0L TSI w/6-speed automatic transmission). EPA estimates. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition.

vw.com/models/jetta/section/performance

GLI shown in White Silver Metallic
A lot goes in before you do.

Safety cage
Front and rear crumple zones help absorb crash energy, while a rigid safety cage helps deflect it away from the driver and passengers.

Tire Pressure Monitoring System (TPMS)
Monitoring and maintaining proper air pressure in your tires helps with efficiency† and safety. The TPMS helps alert you to a loss of tire pressure so you can know when to add air.

Automatic Post-Collision Braking System
Not every collision brings a car to a stop. That’s why our vehicles include the Automatic Post-Collision Braking System. It can help bring your car to a stop after a collision, helping reduce the chance of additional impacts.

Seven stability-enhancing systems
From Electronic Brake-pressure Distribution (EBD), which helps maintain appropriate stopping power during hard braking situations, to Electronic Stability Control (ESC), which can adjust engine throttle and apply corrective forces to the wheels that need them (there are in total seven stability-enhancing systems at your service).

Intelligent Crash Response System (ICRS)*
In the event of a collision that deploys the airbags**, the ICRS can turn off the fuel pump, unlock the doors, and activate the hazard lights. It helps react if you might not be able to.

We spend hours engineering and testing safety features before they’re ready for you. The Jetta is designed to help protect you from the little (and big) surprises. It comes standard with a protective safety cage that provides rigidity with strategically placed crumple zones. Then there’s active and passive safety features to help protect you.

*The Intelligent Crash Response System (ICRS) will only activate in a collision where the airbags deploy or safety belt pretensioners activate. Not all collisions cause airbags to deploy or safety belt pretensioners to activate. **Airbags are supplemental restraints only and will not deploy in all crash circumstances. Always use safety belts and children only if the rear seat restraint systems are available and appropriate for the child’s size. 28 city/40 highway mpg (2017 Jetta 1.4L TSI, 5-speed manual transmission). Your results may vary depending on driving conditions, speed limit, traffic, and vehicle condition.
The text from the document is as follows:

**INTERIOR PERFORMANCE**

- 6-speed DSG® automatic transmission with paddle shifters, Tiptronic, and Sport mode
- 6-speed manual transmission

**Engine**

- 2.0L TSI, 16-valve, DOHC, in-line 4-cylinder turbocharged engine with direct injection and intercooler; 170 hp, 184 lb-ft of torque
- 1.8L TSI, 16-valve, DOHC, in-line 4-cylinder turbocharged engine with direct injection and intercooler; 150 hp, 184 lb-ft of torque

**Wheels and Tires**

- 16" Sedona Black alloy wheels
- 18" Mallory alloy wheels
- AWP Available with Alloy Wheel Package
- CWP Available with Cold Weather Package

**Safety**

- Multi-function steering wheel
- Sport bolstered comfort seats
- Driver seat with adjustable lumbar support
- 2 12V power outlets: 1 in front, 1 in rear
- 2 remote key fobs with lock, unlock, trunk release, and panic button

**Technology**

- FLAC-compatible CD player, AM/FM/HD Radio™, SD memory card reader, and SiriusXM® Satellite Radio with 3-month trial subscription
- Fender® Premium Audio System with 8 speakers plus subwoofer
- Composition Color touchscreen sound system, MP3/WMA-compatible CD player, and auxiliary input jack
- Rearview Camera System
- Keyless access with push-button start††
- Volkswagen Car-Net Security & Service with 3-month trial subscription†

**Dimensions**
