Whether on your daily commute or out and about on the weekend, there’s a lot of family time to be had in the 2017 Volkswagen Passat. The Passat offers plenty — touchscreen entertainment, available smartphone compatibility with VW Car-Net® App-Connect, * best-in-class rear legroom,** and seven available Driver Assistance features.† With so much going on inside the Passat, you won’t have to look far for good times. Get ready, the fun’s about to begin.

*Always pay careful attention to the road, and do not drive while distracted. Not all features available on all operating systems. Standard text and data usage rates apply. App-Connect features require compatible devices, operating system, and mobile apps. See mobile device and app providers for terms and privacy. Android Auto is a trademark of Google Inc. Apple CarPlay is a trademark of Apple Inc. MirrorLink is a registered trademark of the Car Connectivity Consortium LLC. †Driver Assistance features are not a substitute for attentive driving. See Owner’s Manual for further details and important limitations.

Midsize car. Family-size fun.
Dynamic yet inviting, the 2017 Passat offers sleek lines and refined styling, including available LED headlights and corner-illuminating highlights, as well as a variety of additional design cues to make you rethink what a family car should look like. All this while still putting the “fun” in “functional.” Enjoy.

FEATURES

Corner-illuminating highlights

At lower speeds, these available lights can illuminate the direction you are turning, helping you see a more complete picture of what's coming ahead. You may not know what's around every corner, but these lights might help you see it better.

Heated power-folding side mirrors with memory

18” alloy wheels

Side mirrors with integrated turn signals

Forged-steel door hinges

16” alloy wheels

AVAILABLE FEATURES

R-Line exterior

The available Passat R-Line trim steps up the bold and sporty attitude for even the most sophisticated drivers. With a sporty front and rear bumper, 19” wheels, and performance design cues, you may notice an increase in double takes.

Laser seam welding

By using the process of laser seam welding instead of spot welding, vehicle parts have uniform strength and fewer pores. These advances make for a smoothly built car.

Laser taillights

The available laser taillights on the Passat have been signed with precise contours that perfectly flow with its design lines. The bright illumination can also help cars behind you know that you’re applying the brakes.

LED headlights

Turn heads and illuminate the road ahead with futuristic-looking, long-lasting LED headlights. The Passat offers these available LED headlights in low and high beams — 100% LED.

LED taillights

The available LED taillights on the Passat have been signed with precise contours that perfectly flow with its design lines. The bright illumination can also help cars behind you know that you’re applying the brakes.

For drivers.
With families.
A really happy medium.

When packing larger items for a getaway, sometimes you need extra trunk space. Thankfully, the Passat comes with 60/40-split folding rear seats with an available pass-through—so you can easily fit skis or golf clubs. Plus, the driver’s seat with adjustable lumbar support is there to help keep Mom or Dad in their comfort zone during long drives. And best-in-class rear legroom* lets the kids have plenty of personal space (you’re welcome, kids). Introduce your family to the Passat—a happy balance of comfort for all.

**FEATURES**

- Driver’s seat with adjustable lumbar support
- 60/40-split folding rear seats

**AVAILABLE FEATURES**

- Hands-free Easy Open trunk
- 60/40-split folding rear seats
- Hands-free Easy Open trunk
- Hands-free Easy Open trunk
- Memory driver’s seat
- Hands-free Easy Open trunk
- Memory driver’s seat

**Rear seat pass-through**

Even when you’re on the go, you can get your hands on larger items. The 60/40-split folding rear seats with available pass-through let you load that pair of skis with minimal disruption of passengers in the back.

**Hands-free Easy Open trunk**

Hands full? With your keys in your pocket, just swipe your foot under the rear bumper and the available hands-free Easy Open trunk unlocks and opens.

**Rear seat pass-through**

Even when you’re on the go, you can get your hands on larger items. The 60/40-split folding rear seats with available pass-through let you load that pair of skis with minimal disruption of passengers in the back.

**Hands-free Easy Open trunk**

Hands full? With your keys in your pocket, just swipe your foot under the rear bumper and the available hands-free Easy Open trunk unlocks and opens.

**Best-in-class rear legroom**

Even the backseat has its perks. Your friends and family members ride easy with over three feet of legroom. That’s the most rear legroom in its class.

**Interior ambient lighting**

Bask in the glow of the finely crafted interior with the perfect amount of available interior ambient lighting.

**8-way power front seats**

Create your comfort zone. The Passat has eight power-adjustable ways available to make front seat passengers happy. And a memory for when the driver gets tired.

*Based on manufacturers’ data available at time of publication comparing WardsAuto non-premium Lower Middle segment vehicle class.

vw.com/models/passat/section/design
It’s often been said that “you can’t please everyone.” The Passat politely begs to differ, especially since it offers features like an available color multi-function trip computer that allows you to quickly view important trip information. Plus, the Passat has Climatronic® dual-zone climate control and available heated front and rear seats, both of which were designed to keep the family smiling.

It’s easy to be in the know with the available multi-function trip computer. Conveniently positioned in front of you on the dashboard, it’s a quick way to view important trip information.

Frameless, auto-dimming rearview mirror
A mirror that needs to be automatically dimmed. The available auto-dimming rearview mirror helps handle that garish light by dimming when things from behind get too bright. Here’s to good looks and looking out.

Experience interior peace.

Features

A way to look back and still be fashionably forward. The available auto-dimming rearview mirror helps handle that garish light by dimming when things from behind get too bright. Here’s to good looks and looking out.
For kids age 35 and up.

Tech-rich, the Passat offers innovative features like available Volkswagen Car-Net® App-Connect® that lets you access your compatible smartphone’s music, maps, messaging, and more on your dash. And the available Fender® Premium Audio System surrounds you with high-quality sound, so you can create your own concert. Add a standard rearview camera, which is there to help make parking and backing up a little easier, and you’ll see the Passat allows you to be a grownup, without having to grow up.

**Bluetooth® technology with audio streaming for compatible devices**

Available Volkswagen Car-Net® App-Connect® lets you link your compatible smartphone with Apple CarPlay™, Android Auto™, or MirrorLink® to use select apps on the touchscreen display of your Volkswagen.

**Fender® Premium Audio System**

SiriusXM® Satellite Radio with 3-month trial subscription**

SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. If you decide to continue service after your trial, the monthly and other fees and taxes, if any, will be charged to your credit card. Services are subject to your acceptance of the SiriusXM Customer Agreement, see www.siriusxm.com. Trial expires. See SiriusXM Customer Agreement for complete terms. All fees and taxes, if any, are extra. Subject to change without notice. IRSIN2022J008679

**Keyless access with push-button start†**

**Bluetooth® technology with audio streaming for compatible devices**

Available Volkswagen Car-Net® App-Connect® lets you link your compatible smartphone with Apple CarPlay™, Android Auto™, or MirrorLink® to use select apps on the touchscreen display of your Volkswagen.

**Composition Color touchscreen sound system**

This system comes complete with a 5” color display and is MP3- and WMA-compatible. So you can enjoy the ease of Bluetooth technology with audio streaming with your compatible devices.

**Forrest and rear USB ports**

The USB port makes it easy to plug in, charge up, and rock out to your favorite tunes. And with a port in the front, as well as an available port in the rear, it’s a direct route from your music to your ears.

**Composition Media touchscreen sound system**

Boasting a 6.33” touchscreen display, this system has a proximity sensor that kicks in when your hand approaches and displays a pop-up menu that’s easy to read. It can also pair with multiple compatible devices via Bluetooth technology.

**Discover Media touchscreen navigation**

Navigation gets us upgrade with an available 6.33” touchscreen display with voice control and a proximity sensor with a pop-up display that’s easy to read. It can pair with multiple compatible phones via Bluetooth technology.

**Volkswagen Car-Net Security & Service††**

With your 3-month trial and then paid subscription, you can enjoy a host of available features that help you locate your last parked vehicle, check if the doors are locked, call for help in an emergency, and even get vehicle health and diagnostic reports.

**Volkswagen Car-Net Security & Service†**

Anytime you need help, call for help in an emergency.

**Available features**

Fender Premium Audio System.

SiriusXM Satellite Radio with 3-month trial subscription.

Keyless access with push-button start.

Volkswagen Car-Net Guide & Inform**

With available Car-Net Guide & Inform, you can access gas prices, weather, sports scores, and more through SiriusXM Travel Link® services with a 3-month trial subscription. You also get SiriusXM® Traffic with a 3-month trial subscription, which offers real-time traffic information, and puts your info front and center.

*VW can accept no liability in respect of, and does not warrant the accuracy of data, maps, and comments on this display. Forward Collision Warning and Autonomous Emergency Braking (Front Assist)*

The Forward Collision Warning system (included in Front Assist) has a sensor in the front to help monitor traffic and can alert you to a potential collision. If a collision is imminent, Autonomous Emergency Braking (included in Front Assist) can help brake the car. *

Lane Departure Warning (Lane Assist)*

When moving, the available Lane Departure Warning (Lane Assist) can sense if you start to drift into another lane without using the turn signal. It will help steer to help keep you in the correct lane. *

Parking Steering Assistant (Park Assist)*

The available Parking Steering Assistant (Park Assist) can judge if a parking spot is big enough for your Volkswagen. Whether parallel or perpendicular, this feature will help steer your vehicle into the space. You operate the accelerator, brake, and shifter; it does the rest. *

Blind Spot Monitor*

The sensors on the available Blind Spot Monitor feature are able to sense what you might miss. When driving, if you attempt to change lanes, the Blind Spot Monitor can help alert you to other cars that may be in your blind spots.*

Seven ways to help you stay out of trouble.

Once you discover the protective nature of the seven Driver Assistance features available in the Passat, you’ll quickly enjoy advanced peace of mind. Like Blind Spot Monitor or Forward Collision Warning and Autonomous Emergency Braking (Front Assist), which helps stop when you can’t.* Just two of the seven ways the Passat keeps the good times rolling, by helping to keep you and your family on the right side of happy.

1. Forward Collision Warning and Autonomous Emergency Braking (Front Assist)*
2. Park Distance Control (Park Pilot)*
3. Adaptive Cruise Control (ACC)*
4. Rear Traffic Alert*
5. Lane Departure Warning (Lane Assist)*
6. Parking Steering Assistant (Park Assist)*
7. Blind Spot Monitor*

*Driver Assistance features are not a substitute for attentive driving. See Owner’s Manual for further details and important limitations.
Looking for turbocharged fun that’s also efficient?** Then enjoy the lively boost of the 1.8L TSI® 4-cylinder engine. Perhaps a powerful V6 is more your speed. If so, then it’s game on with the available 3.6L V6 engine. Thanks to plenty of pick-me-up under the hood, the Passat is power-packed playtime on wheels. Let’s go.

Play as you go.

1.8L, 170-hp TSI engine, turbocharged with direct injection and intercooler 23 city/34 highway mpg EPA estimates* 6-speed automatic transmission with Tiptronic® and Sport mode

3.6L, 280-hp V6 engine with FSI® direct injection (achieved with premium fuel) 20 city/28 highway mpg EPA estimates** 6-speed automatic DSG® performance transmission with Tiptronic and Sport mode, lowering wheel-mounted paddle shifters

**23 city/34 highway mpg (2017 Passat 1.8L TSI, automatic transmission). EPA estimates. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition. **20 city/28 highway mpg (2017 Passat 3.6L, automatic transmission). EPA estimates. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition.
Automatic Post-Collision Braking System

Not every collision brings a car to a stop. That’s why our vehicles include the Automatic Post-Collision Braking System. It can help keep your car from moving after a collision, helping reduce the chance of additional impacts.

Safety cage

Front and rear crumple zones help absorb crash energy, while a rigid safety cage helps deflect it away from the driver and passengers.

Tire Pressure Monitoring System (TPMS)

Monitoring and maintaining proper air pressure in your tires helps with efficiency† and safety. The TPMS helps alert you to a loss of tire pressure so you can know when to add air.

Intelligent Crash Response System (ICRS)*

In the event of a collision that deploys the airbags**, the ICRS can turn off the fuel pump, unlock the doors, and activate the hazard lights. It helps react if you might not be able to.

Seven stability-enhancing systems

From Electronic Brake-pressure Distribution (EBD), which helps maintain appropriate varying power during a hard-braking scenario, to Electronic Stability Control (ESC), which can adjust engine throttle and apply corrective forces to the wheels that need them, there are in total seven stability-enhancing systems at your service.

We can’t predict. But we can engineer.

This is why the Passat comes with seven stability-enhancing features, a steel safety cage, and an Intelligent Crash Response System (ICRS) which can help prepare you for the unpredictability of the road ahead.

*The Intelligent Crash Response System (ICRS) will only activate in collisions where the airbags deploy or safety belt pretensioners activate. Forward collisions cause airbags to deploy or safety belt pretensioners to activate. **Vehicles are supplemental restraints only and will not deploy under all crash circumstances. Always use safety belts and seat children using the rear, using restraint systems appropriate for their size and age. **EPA estimates. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition.
# Passat Specs

## PERFORMANCE

1.8L, 135 HP, 1.8L turbocharged engine with 6-speed automatic transmission (Tiptronic® and Sport mode):

- 0-60 mph: 8.3 sec

- EPA estimated fuel economy:
  - Combined: 28 mpg
  - Highway: 33 mpg
  - City: 25 mpg

## INTERIOR

- 8-way power front seats including power lumbar and memory for driver’s seat
- 8-way power driver’s seat including power-adjustable lumbar support
- Automatic locking feature (doors lock when vehicle reaches 8 mph)
- 2 remote key fobs with lock, unlock, trunk release, and panic button
- Premium color multi-function trip computer display with compass, fuel consumption, current fuel consumption, miles to empty, and radio station display
- Multi-function trip computer featuring trip time, length, average speed, average fuel consumption
- Fender® Premium Audio System with FLAC-compatible CD player, AM/FM/HD Radio™, and SD memory card reader

## TECHNOLOGY

- Climatronic® dual-zone automatic climate control
- Park Distance Control (Park Pilot)
- Parking Steering Assistant (Park Assist)‡
- Rear Traffic Alert‡
