LEASING OPTIONS
FLEXIBLE TERMS
Leasing is available on terms as short as 24 months or as long as 72 months.* The exact term length will vary based on the type of vehicle you choose and your personal ownership needs. The monthly payment per thousand miles variance is based on your Plan Type and MILEAGE PLAN.

CHECKS OF RELIEVE PLANS
The over due invoice message allows up to 12 months to return all Volvo Car financial services. The options are available as low as 36 months on your remittance of 50% down payment. The minimum term length is 24 months.

SINGLE PAYMENT LEASE
A single payment lease provides you with immediate vehicle registration on signing and allows you to make only one payment, the entire balance owed to Volvo Car Financial Services less any applicable trade-in allowance. You make only one payment, one time, freeing you from monthly payments. It permits you to prepay all monthly payments in a single payment at lease signing. You save the monthly payments, and you get a lease fee that is based on the number of miles you drive.

MULTIPLE SECURITY DEPOSIT LEASE
A multiple security deposit lease allows you to lease multiple vehicles at lease signing. The balance of the security deposit is prepaid, which reduces your monthly rent charge resulting in savings. You make only one payment, which reduces your monthly rent charge resulting in savings.

BUSINESS LEASE
Under our business lease plan, owners have the flexibility to lease the vehicle as the business. Under our business lease option, owners have the flexibility to lease the vehicle as the business. Under the business lease option, you can have an early exit from the lease agreement and can turn in the vehicle to either the Factory Delivery Center.

GUARANTEED AUTOPROTECTION (GAP) WAIVER
Our GAP Waiver is included in your lease payment and available at no additional cost. It is provided to give you peace of mind when your lease is canceled in the last 240 days of the lease term. It is used to eliminate the difference between the insurance proceeds and the balance owed on the vehicle. In addition, the GAP Waiver covers the difference between the balance owed and the vehicle's current value.

EXCESS WEAR AND USE PROTECTION PLAN
As part of everyday driving, normal wear and use is expected. However, we are here to help you protect your car from wear and use beyond normal wear and tear. Every lease offered through Volvo Car financial services offers an optional protection for an additional cost. The value of the protection will depend on the type of protection you choose.

FINANCE OPTIONS
YOUR NEW CAR WELCOME
Your new-car welcome offer at Volvo includes:

• 0% APR financing for up to 60 months
• The opportunity to explore Europe in the comfort and safety of your own Volvo car, either with one of our VIP hosts or independently
• Two complimentary round-trip tickets to Scandinavia
• A single payment lease provides you with immediate vehicle registration on signing and allows you to make only one payment, the entire balance owed to Volvo Car Financial Services less any applicable trade-in allowance. You make only one payment, one time, freeing you from monthly payments. It permits you to prepay all monthly payments in a single payment at lease signing. You save the monthly payments, and you get a lease fee that is based on the number of miles you drive.

Cost-free maintenance included in factory-scheduled maintenance service for four years or 50,000 miles, whichever occurs first.
At Volvo Cars, our mission is to make people's lives easier, safer and better. This is something that comes naturally to us. It's the Volvo way. We do this by following a Scandinavian design approach of looking at who will use an object and building around that person and their needs.

Today, we're still as focused as ever on our three core values: safety, quality and care for the environment. Protecting what’s important, making people feel special and taking pride in helping the world become a better place for all.
“Sensus is our way of enabling you to communicate instinctively with your car, and keeping you connected with your digital world.”

**YOU’RE IN CONTROL, NATURALLY.**

We have designed a gorgeous space around the driver. All of our instruments and controls are intuitive and easy to use. We call this approach of connecting you and your car with the world around you, “Sensus”.

The Sensus screen is a multimedia hub, giving you immediate connectivity to information and entertainment at your fingertips with applications, such as Pandora and Yelp. Now it’s even easier to stay connected with free Wi-Fi and six months of complimentary data. You can also choose between three unique instrument cluster modes to customize your driving experience even further.

You will also have access to the Volvo On-Call app which allows you to send Navigation directions straight from your smart phone to your car, and remote start your engine. Volvo Sensus is our way of enabling you to communicate instinctively with your car, and keep you connected with your digital world.
City Safety functions at speeds up to 30 mph. This system can help prevent a collision if the difference in speed between your vehicle and the vehicle ahead is less than 9 mph.

We’ve further improved our optional Blind Spot Information System (BLIS). It now uses radar technology* to alert you to vehicles closing up in your blind spot. There’s also Cross Traffic Alert*, which watches out for vehicles you can’t see when you’re reversing out of tight parking spaces.

Because we care about other road-users just as much as you, Pedestrian and Cyclist Detection with Full Auto-Brake watches out for pedestrians and cyclist in your path and applies the brakes if you’re unable to react in time.

*S60, V60, XC60 and XC90 only
COMMITTED TO SAFETY.

Since the birth of Volvo Cars in 1927, keeping you safe has been part of our DNA. We have pioneered safety advances and invented life-saving technologies, such as the three-point safety belt. We have also fit all of our cars with safety cages and laminated windscreens since 1944. In 1976, we developed the catalytic converter and the lambda sond, a sensor that monitors exhaust gas, reducing emissions and boosting performance as well as economy.

Today, we are building cars that actively scan the area around you, looking out for the unexpected. Volvo pioneered City Safety, a low speed collision avoidance technology that helps prevent collisions at speeds of up to 30mph. We are the world's first car manufacturer to include this feature as standard equipment in all new models.

We also developed Pedestrian Detection, a system that detects pedestrians and brakes the car when necessary, and we won't stop there. Volvo On Call provides access to Roadside assistance and Emergency support at the touch of an SOS button. Also included is Automatic collision alert, which notifies a trained operator to contact the vehicle and send emergency service as soon as a collision is detected. In the future, our aim is to design cars that will prevent collisions with other road users altogether.

“Relax and let your Volvo car do the hard work for you.”
“Our Drive-E powertrains gives you an exhilarating driving experience with smooth, instant response and reduced environmental impact.”

SUSTAINABLE DRIVING IS EXCITING.

At the heart of every Volvo car we make is our approach to sustainable driving and innovative thinking. We offer a range of technologies that give you more efficiency and lower running costs.

Our Drive-E powertrains combine the low-fuel consumption and emissions of a four-cylinder engine with the performance of a six or eight-cylinder. The result is a smooth, powerful ride, with fewer stops at the pump.

We also offer an Interior Air Quality System that checks incoming air for pollutants and closes the vents when necessary, we call this CleanZone. An active carbon filter helps protect you from harmful gases and unpleasant odors, so you can breathe happy and healthy.

At Volvo Cars, we always strive to make our manufacturing process sustainable. All of the electricity for our factory in Sweden comes from clean, hydro-electric power. Environmentally-aware mobility is central to our philosophy of intelligent, thoughtful luxury.
THE VOLVO S60.

Let’s take the long way home.

If you’re the kind of driver who takes the long way home across twisty roads just for the fun of it, we designed our S60 for you. Our dynamic sedan not only offers a spirited, engaging ride, its contemporary Scandinavian design will also appeal to your sense of style. As you expect from us, you’ll get to enjoy all of this in legendary Volvo car comfort. The S60 also includes an Advanced Stability Control that can quickly identify any tendency of skidding. This allows the antiskid system to activate earlier and with greater precision, which helps to improve handling and rapid lane change maneuvers. The Dynamic Stability and Traction Control System also has a Sport Mode that allows the car to be driven more actively by relaxing the sensitivity of the anti-spin system.
We have given the S60 a sporty three-spoke steering wheel with available Paddle Shifters* and also angled the controls and displays towards you. Our Adaptive Digital Display* (TFT) gives you beautifully bright, clear graphics and lets you flick between three modes: Elegance, Eco and Performance, whichever suits mood and driving style.

On the S60, beautifully crafted integrated tailpipes in the lower rear fascia help to finish off the rear view of the car.

THE ALL-NEW VOLVO S60 INSCRIPTION.
Your most luxurious sport sedan ever.

With a distinct Scandinavian flair, the all-new S60 Inscription takes comfort and rear seat passenger convenience to a new level. This luxury sport sedan offers an extra 3 inches of legroom in the rear seat, resulting in best-in-class rear accommodation. Its extended wheelbase not only adds to ride comfort, but also elegant styling. Contour seats with Inscription Leather upholstery, Linear Walnut Wood inlays, Silk metal detailing, interior accent lighting and integrated rear sunblinds put an edge to a unique experience of relaxed, thoughtful luxury. For the first time, the passengers in a sport sedan will enjoy the ride as much as the driver.

S60 INSCRIPTION ENGINES:
• T5, four-cylinder turbocharged Direct Inject Drive-E Engine, 240 hp
• T5 AWD, five-cylinder turbocharged engine, 250 hp
THE ALL-NEW VOLVO S60 CROSS COUNTRY. 
Rugged looks and capability with a daring attitude.

The all-new Volvo S60 Cross Country offers sleek, standout style with all-wheel drive ability and 7.9 inches of ground clearance. Along with a raised ride height, the black fender extensions, Hill Decent Control, Corner Traction Control, and scuff plates indicate that this is a capable adventurer. However, the car's agility on rough roads and forest tracks doesn't come at the expense of an engaging, sporting drive on smooth roads. It possesses a unique combination of coupe-like style and tough capability to take adventurous drivers further, whatever the weather and wherever the destination.

S60 CROSS COUNTRY ENGINE:
• T5 AWD, five-cylinder turbocharged engine, 250 hp
The V60 is designed to fit in with your life, whatever you’re doing. It’s for people who want the benefits of an SUV, but also want the advanced handling of a modern sports car. The V60 offers thrilling performance with the economical comfort of using less fuel. Thanks to a smaller, more intelligent powertrain that packs the power of a much larger, thirstier engine. While having the comfort and space you’d expect from a Volvo wagon, this is a true driver’s car.
We know that your busy life requires flexibility and space, but we also know that you don’t want to sacrifice driving pleasure. Therefore, we developed the V60, a wagon that is as dynamic as it is versatile. With its clever 40/20/40 split rear seat, you can carry everything you need and you just might reach your destination a little bit quicker.
Optional sport seats have great side support all the way from your thighs to your shoulders, so they keep you firmly in position, even when you’re cornering fast. (R-Design interior shown)

• T5 AWD, five-cylinder turbocharged engine 250hp
• T6 AWD R-Design, six-cylinder turbocharged engine, 325 hp
THE VOLVO V60 CROSS COUNTRY.

Adventure that lives up to its promise.

The minute you set eyes on our V60 Cross Country, you know it means business. This Cross Country wagon is a dynamic driver’s car. With standard AWD, Sensus Navigation and Hill Descent control, it allows you to take everything you need, no matter how remote your destination is. Also, thanks to the V60 Cross Country’s protective design elements, it is much less vulnerable to scratches and minor damage.
Once you set off on your journey, the 7.9 inches of ground clearance gives you a great overview in town, and the capability to leave the city far behind. When the road gets rough or the weather turns ugly, the All-Wheel Drive technology takes you safely to your final destination. No matter where you go, no matter what the season, our V60 Cross Country wagon lives up to its promise.
With rugged design elements all around and unique 18-inch alloy wheels, the V60 Cross Country challenges you to take it on an adventure, braving the elements and exploring new terrain. On the inside, you’ll enjoy the comfort of a meticulously crafted interior with our supportive leather sport seats that have contrasting, brown stitching.

THE VOLVO XC60.

Meet the SUV that’s great to drive.

Your lifestyle says you need an SUV; your heart says you want a stylish, driver-focused vehicle. If this is your dilemma, we designed the XC60 for you. It’s the perfect choice for those who want a commanding driving position, as well as car-like agility, making the XC60 at home on city boulevards, highways and country roads. Thanks to a host of improvements both inside and outside, our dynamic, refined SUV just got even better.
Thanks to its well balanced chassis, the XC60 doesn’t drive like a towering, top-heavy SUV. Instead, it’s every bit as nimble and agile as a ground-hugging sedan, while its ride height gives a commanding driving position and added confidence. The headlamps are focused and determined, while intense vertical LED daytime running lights give it a striking appearance, in both height and stature.
Inside, our sport seats* give you all the comfort you expect from Volvo Cars and grip you through tight corners (R-Design interior shown). Your every interaction with the car is more intuitive, expressive and customizable. Select the red Performance mode on your Adaptive Digital (TFT) Display** and get ready for another great day behind the wheel.

*Standard T6 R-Design, optional T5, T6 and AWD.
**Standard T6 and T6 R-Design, optional T5 and AWD.

If you like to make driving your Volvo car even more exhilarating, our XC60 R-Design with Polestar Performance tuning software is the ideal solution. This standard R-Design upgrade boosts engine horsepower to 325 and increases torque to 354 lb/ft for a truly thrilling ride.

THE VOLVO XC70.

For the ambitious driver who make their own rules (and their own roads).

You’ve got a true adventurer’s spirit and you need a vehicle with total all-round capability, both on and off road. Our XC70, with its high ground clearance and superb chassis, is the answer. You’ll drive confidently knowing that your car has the refined strength to take you anywhere, in any weather.

The XC70 is all about control. Steep, rough roads ahead? Simply push a button and turn your journey down the hill into a smooth one. Prevent fishtails, spinouts and rollovers with all-wheel drive and stability control technology. Going off-road should always be by choice.
The XC70 comes with an optional power-operated tailgate* that you can open with your key fob before you get to your car. Parents will love the XC70's two-stage integrated booster cushions** for children. With one simple movement, the booster cushions fold out of the seat cushions.

*Included in the Platinum Trim Level or optional Proximity Package.
**Optional.
XC70 ENGINES:
• T5, four-cylinder turbocharged Direct Inlet Drive-E Engine, 240 hp
• T5 AWD, five-cylinder turbocharged engine, 250 hp

LED Daytime Running Lights, a bold honeycomb grille, and matte silver touches give the XC70 a sophisticated, contemporary feel.
And you thought true sophistication had gone out of style.

The Volvo S80 is our benchmark when it comes to luxury, comfort and interior space. Premium soft leather, room to stretch, and ventilated front seats designed to perfectly align with the human form. Every well-crafted detail of your S80 will make you feel rewarded, whether you’re in the driver’s seat or stretching your legs out to enjoy a little thinking time in the rear.

Our optional Inscription Package gives your S80 a true sense of Scandinavian luxury. The full Sovereign Hide soft-leather upholstery with ventilated seats, and the Inscription stitched Leather Instrument Panel make your drive a truly sensual experience. Ample legroom, rear seat space and a smooth, comfortable ride create a serene environment. Ambient Light, our interior lighting option, bathes you in a warm white glow and illuminates any controls and storage spaces you may need to find at night. You’ll arrive fresh at your destination, ready for business or pleasure, thanks to our ergonomic seats.

S80 ENGINE:
- T5, four-cylinder turbocharged Direct Injected Drive-E engine, 240 hp
THE ALL-NEW VOLVO XC90.
Experience our idea of luxury.

The all-new XC90 redefines the luxury car for the 21st century. It is the safest, most advanced production car we have ever made; the most powerful and the most efficient. It is a car designed for a demanding audience, you. Individuals who want an SUV that expresses who they are and a vehicle that turns every drive into a memorable experience.

Every detail is designed to make driving more enjoyable and less stressful. Whether you’re on your favorite country road or negotiating urban highway traffic, the all-new XC90’s semiautonomous driving technologies, first-class cabin, and attention to detail enhance your entire experience. With the all-new XC90, we deliver on our promise to set the benchmark for luxury SUVs.
You know you're looking at truly great design when what appears simple at a first glance turns out to be ingenious and stimulating once you discover the thoughts and details that make up the whole. The all-new XC90 marks a new chapter in Volvo Cars’ history and introduces a design language that combines a strong presence with subtle details. It is perfectly executed and contemporary, yet timeless.
XC90 ENGINES:

- T6 AWD, four-cylinder turbocharged and supercharged Direct Injected Drive-E engine, 316 hp
- T8 Twin Engine AWD Plug-In Hybrid, four-cylinder turbocharged and supercharged Direct Injected Drive-E engine complemented with an electric motor, 313 + 87 hp
“The all-new XC90 T8 Twin Engine feels truly special behind the wheel, allowing you to switch between 400hp AWD performance and pure electric driving at the touch of a button.”

THE T8 TWIN ENGINE HYBRID.

Power without compromise.

By combining a state-of-the-art Drive-E engine with a powerful electric motor, the all-new XC90 T8 Twin Engine gives you thrilling performance and exceptional efficiency. Fully charged, the T8 Twin Engine provides 14 miles (estimated) of pure electric driving, sufficient to cover most commutes and other everyday scenarios. On those occasions when you require more power, the 313hp Drive-E powertrain starts automatically, whenever it is called upon.

The T8 Twin Engine is our range-topping model and feels truly special behind the wheel, allowing you to switch between 400hp AWD performance and pure electric driving at the touch of a button. With distinctive drive modes, including Pure Electric, Hybrid, and Power, it adapts to your every need. In fact, your all-new XC90 can be anything you want it to be, a silent-running pure electric city car, a smart plug-in-hybrid, a seven-seat SUV, or a high-performance luxury car, all without ever having to compromise.

Our T8 Twin Engine AWD plug-in hybrid makes every journey an event, combining the modern feel of zero-emission driving with astonishing performance. As well as its twin-charged, high-performance Drive-E petrol engine, the all-new XC90 T8 Twin Engine has a powerful electric motor, resulting in a combined output of 400hp and a 0-60mph time of 5.3 seconds (estimated). The powertrain switches smoothly between sources in hybrid mode. In electric mode it gives a near-silent driving experience.

The electric motor is powered by high-capacity batteries that are mounted centrally along the transmission tunnel – an intelligent positioning that gives excellent weight distribution and, consequently, outstanding handling. It also means that with the all-new XC90, Volvo Cars is the only manufacturer that offers a hybrid SUV with seven seats. As a symbol of the Pure electric mode, the gear shifter in traditional Swedish crystal is handmade for you by Orrefors™.

READ MORE AT VOLVOCARS.US
For an exterior with a more individual, sporty look, the R-Design offers gorgeously sculpted alloy wheels, and unique door mirror covers with a Silver finish. In the rear, a motorsport-style diffuser enhances the car’s dynamic presence, while the R-Design’s chrome dual exhaust pipes add the perfect finishing touch to your exterior.

The R-Design story continues in the interior, starting with supportive sport seats with unique R-Design leather or leather and Nubuck textile upholstery. Also included is an exclusive R-Design steering wheel, as well as sport pedals. A soft-touch gear shifter and our unique blue instrument cluster all add to the R-Design experience.

Would you like to enhance the dynamic personality of your S60, V60, XC60 or XC90 even further? Then the R-Design is for you. This trim level offers a range of features to give your Volvo car a sporty, unique profile with a stiffened sport chassis. This includes a faster 0-60, enhanced cornering, and new sport-tuned chassis and design. Now you can enjoy the thrill of driving your Volvo car even more.

XC90 is available in Electric Silver Metallic, Bursting Blue and Passion Red. S60, V60 and XC60 is available in Passion Red.
WHEN DRIVING MATTERS.

“All Polestar products are developed for people like ourselves – for those who appreciate driving with full control.”

Polestar is about motorsport, and motorsport is about driving. That’s why we focus on one thing only: optimising driveability. A Polestar vehicle is designed to deliver optimal grip and control, regardless of the surface or conditions. Our Polestar products, available in both the S60 and V60, are equipped with 80% stiffer springs and Öhlins shock absorbers to respond to every nuance of the road. Meanwhile, the sport mode of the six-speed automatic transmission engages the active sport exhaust, providing an aggressive engine note.

**FINANCE OPTIONS**

Volvo Car Financial Services (VCFS) offers affordable and competitive financing on new and Volvo Certified Pre-Owned vehicles. VCFS offers traditional finance terms with monthly payments that are fixed for the entire term of the loan. For qualified persons, 0% APR for up to 72 months is available.

**SPECIAL PROGRAMS**

- **Graduate Program**
  - Available for graduates, Volvo Car Financial Services can make it easy for you to drive a new or used Volvo car.
  - Let us know the length of your stay as governed by the applicant’s visa or work permit. Contract length is limited to four years or 50,000 miles, whichever occurs first.
  - Contract period can be extended if both parties agree and if they meet the eligibility criteria.

- **Multi-security Deposit Lease**
  - 25% security deposit is required at the inception of the lease.
  - If you decide to purchase your leased Volvo car, the 25% security deposit will be credited toward the purchase price.
  - Additional security deposits are refunded at the time of lease termination.

- **College Graduate Program**
  - College students are eligible for attractive terms.
  - Qualifying students will receive a 0% APR for up to 72 months on a lease or new car purchase.

- **Multiple Security Deposit Lease**
  - Multiple security deposits are paid at lease inception.

**EXCESS WEAR AND USE PROTECTION PLAN**

As a part of everyday driving, normal wear and use can be expected. However, if your leased Volvo car is involved in an accident or a total loss due to theft, accident, or natural disaster, we will cover the difference between the insurance proceeds and the price of your vehicle at the end of the lease term. Our GAP Waiver is included in your lease agreement at no additional cost to you. It is provided to give you peace of mind. If your leased Volvo car is declared a total loss due to theft, accident, or natural disaster, Volvo Car Financial Services will cover the difference between the insurance proceeds and the price of your vehicle. The Gap Waiver Benefit is optional and not available to all lessees. You must retain your original GAP Waiver Information Letter at lease termination and present it to Volvo Car Financial Services at the time you return your vehicle.

- Visit the Volvo Customer Care Center, call 1-800-63-VOLVO, or visit your local Volvo retailer for assistance. If you would like to know more, contact your local Volvo car retailer.

**VOLVO OVERSEAS DELIVERY PROGRAM**

- The Volvo Overseas Delivery Program offers a unique experience for its customers. To further enhance your Volvo experience, you may choose to experience living in the United States or travel to Canada. (A peak season surcharge may apply.

**VOLVO NEW CAR WARRANTY**

- Volvo Car Financial Services (VCFS) offers comprehensive coverage for these years: 4-5 years or 60,000 miles, whichever occurs first. Additional warranties are available to the original owner for an additional fee. These additional warranties include:
- Arthritis and related problems
- Muscular and skeletal system (a peak season surcharge may apply)
- Internal combustion engines (a peak season surcharge may apply)
- Your new car warranty will be void if your vehicle is not driven at least 1,500 miles (2,414 kilometers) within the first six months or 7,500 miles (12,072 kilometers) within the first 12 months of ownership.

**SPECIAL PROGRAMS**

- **Graduate Program**
  - Available for graduates, Volvo Car Financial Services can make it easy for you to drive a new or used Volvo car.
  - Let us know the length of your stay as governed by the applicant’s visa or work permit. Contract length is limited to four years or 50,000 miles, whichever occurs first.
  - Contract period can be extended if both parties agree and if they meet the eligibility criteria.

- **Multi-security Deposit Lease**
  - 25% security deposit is required at the inception of the lease.
  - If you decide to purchase your leased Volvo car, the 25% security deposit will be credited toward the purchase price.
  - Additional security deposits are refunded at the time of lease termination.

- **College Graduate Program**
  - College students are eligible for attractive terms.
  - Qualifying students will receive a 0% APR for up to 72 months on a lease or new car purchase.

- **Multiple Security Deposit Lease**
  - Multiple security deposits are paid at lease inception.

**LEASING OPTIONS**
