WWW.VOLVOCARS.US

VOLVO XC70

IT'S A HIGHLY-VERSATILE LUXURY ALL-ROAD VEHICLE, WITH AN ELEGANT DESIGN AND SUPERIOR HANDLING THAT WILL TRANSPORT YOU IN STYLE WHEREVER YOU'D LIKE TO GO – REGARDLESS OF THE ROAD AND WEATHER. IT'S ALSO A SOUL-STIRRING CHANGE THAT INFUSES THE COMFORT OF A

FINE EUROPEAN LUXURY SEDAN INTO A RUGGED ALL-WHEEL DRIVE VEHICLE. AN UNDENIABLY LOGICAL CHOICE IF YOU WANT TO TAKE A NEW PATH WITHOUT SACRIFICING YOUR STANDARDS OF IMPECCABLE TASTE, INTELLIGENT LUXURY, DRIVING PLEASURE AND PEACE OF MIND.

DESIGNED CAPABILITY

RUGGED, YET ELEGANT, THE XC70 COMPRISES THE ESSENCE OF A LUXURY/SUV CROSS-OVER. THE SELF-ASSURED STANCE AND HIGH GROUND CLEARANCE HINT AT AN INBUILT CAPACITY FOR THOSE MORE ADVENTUROUS EXCURSIONS. THE DYNAMIC BODY MANIFESTS THAT VERY SPECIAL SCANDINAVIAN FLAIR FOR BOTH FUNCTIONAL AND STRIKINGLY TIMELESS DESIGN. LIKE THE CLEAN LINES OF THE REAR SECTION THAT ALLOW UNRIVALED VERSATILITY, AND THE INNOVATIVE TAIL LIGHT ARRANGEMENT. A DISTINCTIVE FRONT AND A V-SHAPED HOOD WITH LINES FLOWING OVER THE BROAD SHOULDERS – NO DOUBT IT'S A VOLVO.

COMFORT. LUXURY. EXHILARATION.

IN A VOLVO XC70, FREEDOM IS SOMETIMES CLOSER THAN ONE COULD IMAGINE. THE ERGONOMICALLY DESIGNED DRIVER'S SEAT PROVIDES SUPERB SUPPORT FOR YOUR BODY. A QUICK GLANCE AT THE INSTRUMENTS GIVES YOU ALL THE DRIVING INFORMATION YOU NEED. ALL COCKPIT DETAILS ARE METICULOUSLY ENGINEERED TO GIVE YOU CONTROL AND INSTANTANEOUS FEEDBACK. THE STEERING WHEEL AND POWER DRIVER'S SEAT EASILY ADJUST TO YOUR EXACT PREFERENCES. THE ZONE-TINTED WINDSHIELD REDUCES THE RISK OF BEING DAZZLED BY THE SUN AND ADDS TO THE INTERIOR CLIMATE COMFORT. THE EXPERIENCE STARTS HERE – AND YOU WILL REACH YOUR DESTINATION STILL FRESH AND RELAXED.

OPTIONS AND ACCESSORIES

Volvo invites you to personalize the interior of your XC70. You can maximize the experience with one or more of Volvo's attractive option packages. There's exquisite leather with a unique stitching pattern for the seats and steering wheel. You can add a power passenger seat, hands-free telephone,* Volvo

Navigation System, or even the reverse warning system* to alert you to objects behind the car when backing up. And with Volvo's most sophisticated 225 W audio system with 11 Premium Sound speakers, Dolby Pro-Logic® and optional subwoofer,* you will enjoy a listening experience far out of the ordinary.

*Retailer installed accessory

Shown with optional
Premium Package and
cargo guard

LUXURY, RUGGEDNESS AND PRACTICAL INTELLIGENCE

On the road to adventure, this is certainly one of the most comfortable and secure places to be. The spacious XC70 cabin invites you to savor a rugged experience while traveling first-class. You and your passengers are surrounded by harmonious textures and colors. All the seats offer superior comfort and feature head restraints and three-point seat belts with pre-tensioners. The Dual Zone Electronic Climate Control system (ECC) maintains an ideal cabin temperature and can be set individually for the driver and passenger sides. A built-in cabin air filter prevents dust, pollen and fumes from entering the cabin. Add an Interior Air Quality System, and the air you breathe inside the car is actually cleaner than the air outside. The airiness of the cabin is further enhanced by a power glass moonroof.*

*Included in the Premium Package.

Adjustable air vents for the rear-seat passengers enhance comfort and help keep mist and ice off the side windows.

With the center section of the three-split rear seat removed, the optional thermal cooler box* can be added. It keeps food and beverages cold for those long road trips.

*Retailer Accessory

The outboard rear seats can be equipped with integrated booster cushions so that children always sit at the right height and enjoy a perfect view. And when not in use, the booster cushions can be easily folded down in the rear seat.

VERSATILITY

WHETHER YOU ARE ROUGHING IT, GOING OUT FOR THE EVENING, OR SOMETHING IN BETWEEN – THE VOLVO XC70 ADAPTS TO A CONSTANTLY CHANGING HORIZON WITH STYLE AND APLOMB. IT GIVES YOU SPACE TO BE SPONTANEOUS AND TO DO THE UNEXPECTED, WHENEVER IT SUITS YOU. LUXURY AND INGENUITY CONVERGE GRACEFULLY TO ENHANCE YOUR FREEDOM.

A few quick, simple steps – and the Volvo XC70 becomes just the car for your current needs.

By folding down the center section of the three-part rear seat, you can transport long loads while still carrying passengers in unimpaired comfort and safety.

With all the passenger seats folded down, you have a flat cargo area that offers over 71 cu. ft. of cargo space.

The innovative three-split 40/20/40 rear seat takes versatility one step further. By folding down part or all of the rear seat, you have easy access to a completely flat cargo compartment of up to 71.5 cubic feet (37.5 cubic feet with rear-seat backrest up). The head restraints are easily folded out of the way. An optional safety net provides protection against loose luggage. The rear-seat backrest can be set to two positions: one for maximum comfort, and one more upright that allows you to make the most of the luggage space when you have

passengers. The center backrest and cushion can be removed for increased versatility.

There's also an optional rear-facing auxiliary seat* for two children. When not in use, it folds flat in the cargo compartment floor.

To further extend the load capacity, the XC70 roof rails provide a stylish basis for Volvo's extensive multi-purpose load carrying system. Add aerodynamically designed cross bars and any of Volvo's various rooftop accessories and you'll be on your way.

*The auxiliary seat holds two children up to 55 inches tall, weighing 50-88 Lbs.

ENGINEERED CAPABILITY

LONG FORGOTTEN FOREST TRACKS OR HIGH SPEED MOTORWAYS – THE VOLVO XC70 GIVES YOU MORE ROADS TO TRAVEL. YOU ARE FREE TO ENJOY THE SPIRITED HANDLING OF A DYNAMIC EUROPEAN SEDAN AND UTILIZE THE TENACITY OF A CAPABLE ALL-WHEEL DRIVE VEHICLE. REGARDLESS OF THE ROAD OR WEATHER, YOU CAN COUNT ON THE XC70 TO DO ITS PART.

ALL-WHEEL DRIVE REFINEMENT

Volvo's electronically-controlled AWD system adds to the vehicle's impressive stability and excellent ability to get you where you're going in all road conditions.

POWERFUL BRAKE SYSTEM

An anti-lock braking system featuring EBD (Electronic Brake Distribution) is always at your disposal. Braking power is automatically distributed between the front and rear wheels for quick, sure stops regardless of the car's load. And if you choose the DSTC (Dynamic Stability and Traction Control) anti-skid system, EBA (Electronic Brake Assistance) helps shorten the braking distance in emergency situations.

TURBO ENGINE AND GEARTRONIC TRANSMISSION

Power is in your hands. The sophisticated five-cylinder turbocharged 208-hp engine gives you access to the engine's full torque from as low as 1500 rpm – so you can start off quickly and will seldom need to shift down, for example when passing slower moving vehicles. Variable valve timing for both inlet and exhaust valves ensure excellent performance and cleaner exhaust emissions under all driving conditions. The engine is mated to a five-speed Geartronic automatic transmission that adapts gearshifts to your driving style and allows manual operation when you're in the mood for more active driving.

The Volvo XC70 is an exceptionally rewarding all-road driving experience. A smooth, powerful 208-hp turbo engine and predictable response are at the heart of the XC70 driving experience. The low center of gravity and even weight distribution contribute to stable road behavior. Add a highly torsionally rigid body and one of the most refined chassis in the automotive world – and the result is exceptionally

good roadholding. Multilink rear suspension provides both first class riding comfort and well-balanced, consistent road manners.

Driving stability is enhanced by the electronically controlled AWD system. Drive is automatically distributed between the front and rear wheels within a fraction of a second, depending on road conditions.

ALL-WHEEL. ALL-WEATHER. ALL-ROAD.

WHEN THE ROAD IS DRY

The electronically controlled all-wheel drive system (AWD) is optimized to provide superior roadholding and tractive force under all driving conditions. It responds extremely quickly, making it possible to balance understeering and oversteering tendencies with exceptional precision.

For example, during rapid acceleration or fast cornering, power is seamlessly distributed between the front and rear wheels in a fraction of a second to give you maximum driving stability. Behind the wheel, you won't even be aware that the AWD system is at work – you'll simply enjoy that superb feeling of total control.

The AWD system is controlled by an electronic management system that constantly monitors the speed of the wheels, throttle position, engine torque, engine speed, the optional DSTC system, and the brakes in order to always respond optimally to current driving conditions.

WHEN THE ROAD IS SLIPPERY

The advantages of Volvo's AWD system are particularly noticeable on slippery roads. Since the pair of wheels with the best traction always receives most power, the vehicle is outstandingly stable. And making your way on slippery road surfaces is no problem. The AWD system's short reaction time provides immediate power to the wheels when needed to help get started and maintain control even under difficult conditions. At low speeds, Volvo's anti-spin system, TRACS, ensures that the wheel with the best traction gets the most power.

Normally, the front wheels get nearly all of the engine's power.

If the front wheels show any tendency to spin, the AWD system responds instantly by redistributing power for maximum stability.

If one or both wheels spin on one side, more power goes instantly to the ones with the best traction.

When braking, the car disengages drive to the rear wheels the instant you touch the brake pedal, thereby maximizing control and roadholding.

If you carry heavy loads, the rear wheels receive more power to maximize driving stability.

SAFETY – OUR FIRST PRIORITY

VOLVO. SAFETY. THE WORDS ARE NEARLY SYNONYMOUS, AS WELL THEY SHOULD BE, BECAUSE SAFETY IS THE VERY ESSENCE OF WHO WE ARE AND WHAT WE DO. FROM SOPHISTICATED SYSTEMS THAT HELP YOU AVOID ACCIDENTS TO THOSE THAT HELP TO MINIMIZE INJURIES SHOULD ONE OCCUR, VOLVO IS COMMITTED TO PROTECTING YOU, YOUR LOVED ONES, AND THOSE WITH WHOM YOU SHARE THE ROAD OF LIFE.

WHIPLASH PROTECTION SEATING SYSTEM

Rear-end collisions can result in serious neck injuries, even at low speeds. Volvo's Whiplash Protection System (WHIPS) is built into the front seats. If the vehicle is struck from behind at sufficient speed, the system helps absorb the force and significantly reduces stress to the neck and spine.

SIDE-IMPACT PROTECTION SYSTEM

In 25 percent of all major collisions, the impact is from the side. Volvo's patented Side-Impact Protection System (SIPS) helps reduce the risk of serious injury. Side members, roof pillars, the roof, doors, and cross-members in the floor and dashboard are specially reinforced. The system works in conjunction with side airbags fitted in the front seats and IC – inflatable head-protection curtains concealed in the headliners along both sides of the vehicle.

In a Volvo XC70, safety is built in from the very start. An advanced chassis and powerful brakes help you maintain control in all situations. All-wheel drive and active stability systems increase the margins of safety still further, for instance if you are driving on slippery roads or are forced to take sudden evasive action. If the vehicle shows any tendency to start skidding,

the optional DSTC (Dynamic Stability and Traction Control) instantly applies the brakes to one or more wheels to help you stabilize the vehicle and regain control.

If an accident can't be avoided, you're provided enhanced protection by the same safety systems that help save lives in all Volvo designed vehicles.

"CARS ARE DRIVEN BY PEOPLE. THE GUIDING PRINCIPLE
BEHIND EVERYTHING WE MAKE AT VOLVO, THEREFORE,
IS – AND MUST REMAIN – SAFETY."

ASSAR GABRIELSSON AND GUSTAF LARSON,
THE FOUNDERS OF VOLVO.

VOLVO SAFETY SYSTEMS

AT VOLVO, WE BELIEVE THAT IT'S THE WHOLE RATHER THAN THE PARTS THAT DETERMINES HOW SAFE A VEHICLE IS. THE XC70 IS VERY MUCH THE PRODUCT OF THIS BELIEF – EVERYTHING WORKS TOGETHER HARMONIOUSLY TO HELP KEEP YOU OUT OF HARM'S WAY.

DEFORMATION ZONES

Front and rear deformation areas help dissipate collision forces before they can reach the passenger compartment.

SAFETY CAGE

A high-strength steel safety cage surrounds the occupants.

DUAL-STAGE AIRBAGS

The latest-generation of "smart" airbags sense collision forces and adjust inflation accordingly.

SIDE-IMPACT AIRBAGS

Side airbags offer chest protection. They are fitted in the outer edge of the front seat backrests, not in the doors, so that they are always by your side.

COLLAPSIBLE THREE-STAGE STEERING COLUMN

In the event of a frontal collision, the steering column is designed to collapse and help prevent injuries to the driver.

ENERGY-ABSORBING INTERIOR

All the panels and the sides of the doors are padded with energy-absorbing materials to help reduce the risk of injury to the vehicle's occupants.

ANTI-SUBMARINING SEATS

Front and rear seats are shaped to help keep occupants from sliding under and out of their seat belts during a collision.

PERSONAL SECURITY

AT VOLVO, PROVIDING FOR YOUR PERSONAL SAFETY IS A NATURAL EXTENSION OF OUR DEVOTION TO YOUR DRIVING SAFETY. AND SO, A NUMBER OF CRITICAL FEATURES HAVE BEEN ADDED TO THE XC70 TO HELP YOU AVOID THREATENING SITUATIONS.

SIDE-IMPACT PROTECTION SYSTEM (SIPS)

Volvo's unique side-impact protection system uses a large part of the vehicle's body to absorb the force of an impact. The IC (Inflatable Curtain) and side airbags help to protect the head and chest.

INFLATABLE CURTAIN (IC)

Curtains inflate in a side-impact accident to help protect the heads of the outboard occupants of the vehicle. For added safety during multiple collisions, they stay inflated for up to three seconds.

LOAD SAFETY

Strategically placed eyelets in the cargo compartment floor allow you to secure cargo items safely. An optional safety net protects passengers from luggage when braking sharply.

PROTECTED FUEL TANK

The fuel tank is strategically placed in front of the rear axle, which helps protect it in the event of a rear-end collision.

WHIPLASH PROTECTION SYSTEM (WHIPS)

If the vehicle is struck from behind, this front-seat system is designed to reduce the violent transfer of energy that often results in serious neck and back trauma.

SEAT BELTS WITH PRE-TENSIONERS

All five seats have head restraints and three-point seat belts with pre-tensioners. In a collision, the seat belts are pulled taut to help keep passengers properly positioned. The front seat belts then slacken slightly so that the occupant is cushioned by the airbag in a controlled way.

ISOFIX COMPLIANT

This attachment system ensures quick and correct installation and removal of safety seats for children in the rear seat's outboard positions.

The XC70 expands the scope of personal protection. Approach and Home Safe lighting with ground lighting in outer side view mirrors illuminates the area around the car and allows greater safety when approaching or departing the vehicle. An electronic immobilizer and door locks that withstand most break-in

attempts help protect against theft. A security system with sensors in the doors, hood and tailgate activate an alarm if someone should ever try to break into the vehicle. And in the event of trouble – press the panic button in the remote control and the alarm is sounded. For an even higher level of personal safety

you can add anti-smash and grab dark tinted laminated side windows and HomeLink remote garage door opener. Lockable wheel bolts are a simple way deter the theft of your alloy wheels.

CARE FOR THE ENVIRONMENT

CARING FOR THE ENVIRONMENT IS IMPORTANT TO YOU AND TO VOLVO. REST ASSURED THAT THE LATEST ENGINE TECHNOLOGY AND ANTI-POLLUTION ENGINEERING HAVE BEEN BROUGHT TOGETHER TO SET HIGH ENVIRONMENTAL STANDARDS – FOR YOU, YOUR FAMILY, AND FOR THE GOOD OF EVERYONE.

FUEL ECONOMY AND EMISSIONS

The engine is crafted of lightweight aluminum and features Volvo's latest low-friction technology for good fuel efficiency while providing excellent overall performance. Continuously variable valve timing (CVVT) and three-way catalytic converters allow the XC70 to meet or exceed stringent Ultra Low Emission Vehicle (ULEV) standards.

RECYCLABLE

Nearly all of the sheet metal and other metals in the XC70 can be recycled. In fact, about 85 percent of the vehicle's total weight is recyclable.

INSIDE AIR

The optional Interior Air Quality System (IAQS) removes pollen and unpleasant odors from incoming air. If pollutants are detected outside the vehicle, interior air is temporarily recirculated to maintain air quality.

CERTIFIED MATERIALS

Most interior fabrics and all leather have been rigorously tested to ensure that they are free from hazardous and allergenic substances. Leathers are tanned using natural plant materials.

CLEANS AS YOU DRIVE

Ozone, so important to the planet's health, is actually a pollutant when found at ground level. The radiator of the XC70 has a special coating, PremAir®, which converts up to 75 percent of the ozone it encounters into oxygen — so you actually help clean the air when you drive. In addition, the XC70 is finished with water-based paints. This results in clean air both inside and outside the factory.

PremAir® helps reduce ground level ozone as you drive – an important part of Volvo's global environmental commitment.

PremAir® is a registered trademark of Engelhard Corporation.

YOUR CHOICES

CHOOSING THE VOLVO XC70 IS A HIGHLY PERSONAL MATTER. AND YOU CAN COMPLEMENT THE EXPERIENCE WITH ONE OR MORE OF VOLVO'S OPTION PACKAGES AND SPECIALLY-DESIGNED OPTIONS AND ACCESSORIES. SO TAKE YOUR TIME, EXPLORE, AND IMAGINE, AND SOON YOU'LL BE BEHIND THE WHEEL OF YOUR INDIVIDUALLY TAILORED XC70.

PREMIUM PACKAGE

A Volvo offers you long, relaxed drives and a more spirited everyday life. The Premium Package will provide you with some necessities for that extra ambience and convenience.

- Leather seating surfaces
- Power glass moonroof
- Power passenger's seat
- Trip computer

TOURING PACKAGE

The wide range of considerate and practical features makes life with your Volvo a truly enjoyable experience. And by adding the Touring Package, you expand your freedom even more.

- Homelink
- Auto dimming mirror
- Grocery bag holder
- Cargo protection net
- Dark tinted laminated side windows
- Interior Air Quality System IAQS

VERSATILITY PACKAGE

A Volvo is always fit to face the challenges of real life. To make your car even more flexible and convenient for the whole family, you can complete the experience with the Versatilty Package.

- Integrated rear seat child booster cushions
- Third row seat
- Cargo area 12 V outlet

DSTC ANTI-SKID SYSTEM (DYNAMIC STABILITY AND TRACTION CONTROL)

Enhances driving stability on slippery roads. The system automatically counteracts a skid as it starts, well before you even notice. If there is any tendency to slide, the brakes are instantly applied to one or more wheels as necessary to retain control. The system also includes EBA (Electronic Brake Assistance) which helps shorten the stopping distance in emergency braking.

POWER GLASS MOONROOF*

Makes the interior feel extra light and airy. Touch a button – and you open or close the moonroof. And if the sun is too strong, you can always close the built-in sun shade.

* Included in the Premium Package.

GROCERY BAG HOLDER*

Folds up from the cargo compartment floor and keeps your shopping bags securely in place. The bags are held in place by hooks or an elastic band. When not in use, it is hidden in the floor.

* Included in the Touring Package.

FACTORY-INSTALLED OPTIONS

THE SENSE OF QUALITY AND CARE – AND KNOWING THAT YOU GET THE VOLVO THAT SUITS YOUR LIFESTYLE. CUSTOMIZE YOUR CAR WITH THE OPTIONS THAT BEST MEET YOUR DEMANDS AND DESIRES, AND YOU'LL SOON BE BEHIND THE WHEEL OF YOUR INDIVIDUALLY TAILORED XC70.

VOLVO NAVIGATION SYSTEM

The Volvo Navigation System can guide you anywhere with precise audio and visual directions. Using the global positioning satellite system, a liquid crystal 6.5-inch display shows your location on a map and plots the best route to your destination. Controls are conveniently located on the steering wheel. When not in use, the screen retracts into the dashboard. All map-based information is stored on one single DVD disc.

PREMIUM SOUND AUDIO SYSTEM

Experience a world-class audio system for the truly discerning music-lover. HU-803 RDS in-dash RDS radio with built-in 4-CD changer, eleven Premium Sound speakers, a separate 200 W Premium Sound amplifier plus 25 W for the center speaker, remote control from the steering wheel and a Dolby Pro-Logic® surround system provide audiophiles a moving experience, especially when sitting in the front – it's like having your favorite orchestra along for the ride. Add the optional 12-inch 150 W subwoofer* in the cargo compartment floor, and you can enjoy a truly rich bass sound that is unique in the world of wagons.

*Retailer installed option

ON CALL PLUS

Volvo On Call provides emergency and roadside assistance 24 hours a day almost anywhere in the United States. A simple press on a button is all that is needed to obtain the assistance you require or it will happen automatically if you become involved in an accident. You are linked directly to the Volvo On Call Plus service center*. Theft notification and tracking of a stolen vehicle are other features. Remote door unlock is also possible if the keys are locked in. Volvo On Call Plus also includes an integrated handsfree phone (separate subscription required).

*Applies in areas with cell phone coverage.

The Dolby and Pro Logic trademarks are the property of Dolby Laboratories Licensing Corporation.

ACCESSORIES

VOLVO'S ACCESSORIES HELP YOU MAKE YOUR XC70 EVEN MORE SUITED TO YOUR PERSONAL NEEDS. THEY ARE THE ONLY ONES THAT HAVE BEEN TESTED TO MEET VOLVO'S EXACTING SAFETY, QUALITY AND ENVIRONMENTAL REQUIREMENTS. YOU CAN ALSO REST ASSURED THEY'RE A PERFECT MATCH TO THE TECHNOLOGY AND DESIGN OF YOUR VOLVO.

FOR DRIVING FREEDOM

- Navigation system
- Hands free phone system
- Rear Parking Assistance
- 10 Disc CD changer
- CD holder glove compartment
- Speaker upgrades
- PC table
- Reading lamp
- Business bag organizer
- Note pad with holder
- Waste bag holder rear seats
- Coin holder
- Sun glass holder
- Lockable storage box
- Electric cooler box
- Ahstray front and rear
- Picnic table and seat cushions
- Integrated cooler box
- Integrated storage bag
- Roof Spoiler
- Engine Protection Plate

FOR YOUR LEISURE

- Roof mounted load carrier
- Bicycle carrier
- Bicycle lift carrier
- Ski/Snowboard carrier
- Canoe/Kayak carrier
- Windsurfing board carrier
- Cargo box
- Interior bike holder
- Load basket carrier
- Load lashing straps
- Square profile detachable trailer hitch
- Bike holder hitch mounted
- Ski holder hitch mounted
- Load basket hitch mounted
- Automatic leveling system
- Trailer mirrors
- Aluminum wheels
- Snow chains
- Electric engine heater
- Mud flaps, front/rear
- First aid kit
- Roof Ribs
- Rear Skid Plate

FOR YOUR INTERIOR COMFORT

- Steel cargo organizer
- Nylon safety net
- Luggage compartment mats
- Load liner
- Floor mats rubber
- Tunnel mat
- Load securing net
- Net pocket, side panel
- Vertical divider
- Dog cage
- Bag holder foldable
- Leather care kit
- Car cover
- Bumper Protective Cover

FOR PRECIOUS CARGO

- Booster cushion and backrest
- Auxilliary seat
- Child activity bag
- Child mirror
- Sun shades rear door
- Sun shades rear window
- Sun shades side window cargo area
- Rear center armrest table
- Padded neck cushion
- Jumper Cables
- Warning Triangle

See the 2004 Volvo Accessory Brochure for a complete list of Genuine Volvo Accessories.

PLEASE NOTE: It is not possible to reproduce exact original shades in this brochure. Ask your Volvo retailer to show you samples. As part of our commitment to the environment, the paper used in this brochure is recycled, and color choices were printed directly on the page. This eliminates the need for chemically treated color chips. A small thing perhaps, but then, every little bit helps.

WELCOME TO OUR FAMILY

CARE
BY VOLVO

BEING A VOLVO OWNER IS ABOUT MORE THAN JUST OWNING AN AUTOMOBILE. IT'S ABOUT BEING TREATED IN A CARING, RESPONSIVE AND RESPECTFUL MANNER EVERY TIME YOU INTERACT WITH OUR COMPANY. ALL OF US ARE COMMITTED TO MAKING EVERY ASPECT OF YOUR VOLVO EXPERIENCE A REWARDING ONE. SO AFTER THE NEW CAR SMELL BEGINS TO FADE, YOU'LL STILL BE EXCITED ABOUT OWNING A VOLVO.

VOLVO FINANCE NORTH AMERICA

If you purchase or lease your Volvo through Volvo Finance North America, you can take advantage of services designed to make financing simple and convenient. Quick Debit, for instance, enables you to have your monthly payment automatically debited from a designated bank account. For more information, call 1-800-770-8234 or visit www.volvofinance.com.

CARE BY VOLVO® ON CALL ROADSIDE ASSISTANCE

Whenever you need us, we're just a phone call away. Our nationwide network of retailers and authorized service providers are ready to assist. Whether you require roadside assistance or maps and routing information for your next trip, refer to your Care By Volvo® On Call Card and dial 1-800-63-VOLVO – anytime, day or night. Your complimentary four-year membership activates the moment you become a Volvo owner.

THE VOLVO OWNERS' CIRCLE

Driving is not the only rewarding part of owning a Volvo. As a member of the Volvo Owners' Circle, you'll have access to information designed exclusively for Volvo owners. This unique online resource includes frequently asked questions, special offers, a resale value wizard, and your own Virtual Glove Box – complete with an owner's manual and more.

PERSONAL SHOPPER. The Volvo Personal Shopper is dedicated to providing you with a whole new level of shopping convenience. Whether you'd like help identifying the Volvo model that best fits your lifestyle, detailed information on any Volvo model, or a comparison against the competition, Volvo is there to help. We can arrange a Guest Drive for you at your nearest Volvo Retailer. So make the most of your shopping time and call the Volvo Personal Shopper at 1-800-550-5658. (U.S. only)

VOLVO NEW CAR WARRANTY

Your new car warranty provides comprehensive coverage for four years or 50,000 miles, whichever occurs first. Additional warranties cover corrosion, seat belts, the supplemental restraint system, emission systems, genuine Volvo replacement parts and genuine Volvo accessories. Should you encounter any problem with your Volvo, simply contact the nearest retailer for assistance. Where your warranty ends, Volvo Increased Protection (VIP) plans begin. To purchase the additional protection of a VIP plan, contact your local retailer.

CARE BY VOLVO® FACTORY SCHEDULED MAINTENANCE

Volvo is committed to a premium ownership experience for its customers. To further enhance your ownership experience, all 2004 model year Volvos sold in the United States will include Care By Volvo® Factory Scheduled Maintenance. This program provides scheduled maintenance coverage for the first 4 years or 30,000 miles, is designed to compliment your Volvo Warranty, and will help ensure trouble free operation of your Volvo. Optional program enhancements are available that will allow you to customize coverage to meet your driving needs. See your Volvo retailer for details.
