Performance, luxury, utility. Coexisting, not contradicting.
From its moment of inception, the ZDX has represented something new. With its sweeping silhouette, unique panoramic glass roof and unrivaled comfort, it represents a new direction in automotive luxury.

And while the ZDX is unlike any Acura that has come before, it is, at the same time, more Acura than we’ve ever built.
Design influences for the ZDX include the roofline of a Japanese sports arena that suggests movement even when standing still. Materials and textures in a San Francisco luxury hotel influenced the look and feel of the ZDX cabin. One drive beneath a clear blue sky is all you’ll need to figure out what inspired the vehicle’s glass roof.

Hidden Rear Door Handles
19-Inch Aluminum-Alloy Wheels
Bi-Xenon HID Headlights

From well outside the closed loop of automotive design.
The most luxurious place between places.

Settle into the cockpit and you’ll immediately recognize the care with which every detail has been rendered. Leather has been hand-selected for the quality of its natural grain. Heated and available ventilated front seats provide supreme comfort, as does the dual-zone adaptive climate control system complete with humidity sensor.

The vehicle’s Active Sound Control system even helps keep unwanted engine noise from interfering by emitting opposing frequencies.
According to conventional wisdom, this vehicle does not exist.

As much as the ZDX has been engineered to deliver a thrilling ride, we also made sure it fulfills the necessities of travel. To that end, the ZDX’s sleek silhouette doesn’t come at the expense of passenger or cargo space.

Contoured to fit the body, the driver’s seat features substantial side bolsters, designed to provide a positive connection during spirited driving. The 10-way power adjustments also contribute to an ideal fit. The accommodations in back are equally well thought out. Featuring loop carpeting, the cargo area offers 27.5 cubic feet behind the rear seat, and over 57 cubic feet when the 60/40 split rear seat is folded down.

Acura reminds you to properly secure items in the cargo area.
The way an engine performs is more than just a measure of horsepower and torque. In creating Acura’s signature VTEC V-6 engine, our goal was to shape how you experience engine output at every point of the power band. Employing two separate cam profiles, the ZDX engine fine-tunes itself for better response off the line and at passing speeds.

A cold-air induction system packs in more oxygen for more powerful combustion while lightweight materials like aluminum and magnesium mean the engine has less inertia to overcome. It all works together to give you a feeling of limitless power.
In the ZDX, performance technologies work to deliver a remarkably stable, yet thrilling ride. Super Handling All-Wheel Drive (SH-AWD™) can sense where additional torque is needed and redistribute power accordingly. Through a curve, it can even send 100% of rear power to the outside wheel, helping you keep a tighter line. The available Integrated Dynamics System (IDS) lets you choose between Comfort and Sport modes, then adjusts the steering and suspension systems for either a more relaxed or more engaging driving experience.

Super Handling All-Wheel Drive
4-Wheel Independent Suspension
Available Integrated Dynamics System

Four wheels. Each used to maximum effect.
The true measure of technology is not only how many things it can do, but also how seamlessly it fits in with your life. The available voice-recognition feature recognizes hundreds of commands, giving you greater control over many of the vehicle’s systems. These include Bluetooth HandsFreeLink® and the available navigation system with its optional continuously updated traffic and weather information; as well as Zagat® restaurant reviews. Many functions of the available Acura/ELS Surround® Premium Audio System can also be controlled via voice command. Available Song By Voice technology even lets you call up a tune by saying its title or artist.
With the idea that nothing is more important than the well-being of passengers, safety features have been incorporated into every aspect of the ZDX. This includes the vehicle’s Advanced Compatibility Engineering™ (ACE) body structure, which helps reduce forces transferred to the passenger compartment in a frontal collision. The Vehicle Stability Assist (VSA®) system can sense a potential loss of traction and then work with the Super Handling All-Wheel Drive to keep you on your chosen path.

ACE™ Body Structure
Vehicle Stability Assist™
Brake Assist

Satisfies a need for both exhilaration and self-preservation.
Designed for the weekend escape, the ZDX is the ideal travel companion. This is especially true with the available Advance Package. Along with the Integrated Dynamic System, this includes the blind spot information system (BSI) and Adaptive Cruise Control (ACC), both designed to help keep an eye out for those sharing the road.

The available Collision Mitigation Braking System™ (CMBS™) can automatically apply the brakes and tighten seat belts in anticipation of an imminent collision.*

*Depending on the circumstances, CMBS may not go through all of the alert stages before initiating the last stage (of collision mitigation).
Owner Benefits

When you purchase a vehicle with the exceptional quality and reliability of an Acura, you expect service and support to be of the same caliber. After all, a premium automobile is only part of the ownership experience. With Acura, you also get a commitment. To personalized care. To attentive service. This commitment is apparent the moment you first enter an Acura dealership and for years down the road. It comes from a belief that every aspect of owning an Acura should be an enjoyable and rewarding experience.

Warranty

All Acura vehicles and Acura accessories installed by the dealer at the time of initial vehicle purchase have a 4-year/50,000-mile limited warranty. Acura vehicles are also covered by a 6-year/70,000-mile limited powertrain warranty. In addition, outer-body rust-through is covered on all Acura vehicles by a 5-year/unlimited-mile limited warranty.

Acura Financial Services

Whether you’re buying or leasing, we can assist you with the process.

Acura Care

Comprehensive vehicle and travel protection beyond the initial warranty period enhances peace of mind. See your Acura dealer for features and benefits available with this program.

Total Luxury Care® (TLC®)

As an Acura owner, you’ll enjoy services like Trip-Interruption benefits, a 24-hour Roadside Assistance program and Acura Concierge™ which offers help in an emergency or when you’re planning a trip.

1-800-to-Acura Operators are available 24 hours a day to help get answers to your Acura questions.
