A departure. Even when it's sitting still.
FROM ITS MOMENT OF INCEPTION, the ZDX has represented something new. With its sweeping silhouette, unique panoramic glass roof and unrivaled comfort, it represents a new direction in automotive luxury. And while the ZDX is unlike any Acura that has come before, it is, at the same time, more Acura than we've ever built.

SETTLE INTO THE COCKPIT and you’ll immediately recognize the care with which every detail has been rendered. Leather has been hand-selected for the quality of its natural grain. Heated and ventilated front seats provide supreme comfort, as does the GPS-linked, dual-zone adaptive climate control system complete with humidity sensor. The vehicle’s Active Sound Control system even helps keep unwanted engine noise from interfering by emitting opposing frequencies. A new feature for 2013 adds front and rear parking sensors.

Don’t sacrifice comfort for utility. Or vice versa.

AS MUCH AS THE ZDX has been engineered to deliver a thrilling ride, we also made sure it fulfills the necessities of travel. To that end, the ZDX’s sleek silhouette doesn’t come at the expense of passenger or cargo space.

Contoured to fit the body, the driver’s seat features substantial side bolsters, designed to provide a positive connection during spirited driving. The 10-way power adjustments also contribute to an ideal fit. The accommodations in back are equally well thought out. Featuring loop carpeting, the cargo area offers 27.5 cubic feet behind the rear seat, and more than 69 cubic feet when the 60/40 split rear seat is folded down.

Acura reminds you to properly secure items in the cargo area.

THE WAY AN ENGINE PERFORMS is more than just a measure of horsepower and torque. In creating Acura’s signature VTEC® V-6 engine, our goal was to shape how you experience engine output at every point of the power band.

Employing two separate cam profiles, the ZDX engine fine-tunes itself for better response off the line and at passing speeds.
A cold-air induction system packs in more oxygen for powerful combustion while lightweight materials like aluminum and magnesium mean the engine has less inertia to overcome. It all works together to give you a feeling of limitless power.

- 3.7-Liter VTEC V-6 Engine
- 6-Speed Automatic Transmission
- Sequential SportShift Paddle Shifters
IN THE ZDX, performance technologies work to deliver a remarkably stable, yet thrilling ride. Super Handling All-Wheel Drive (SH-AWD®) can sense where additional torque is needed and redistribute power accordingly. Through a curve, it can even send 100% of rear power to the outside wheel, then speed it up, helping you keep a tighter line.

The torque-sensing power-assist steering varies the level of driver effort at different speeds, giving you a firm feel on the highway and easy, precise movement in the parking lot.

FOR THRILLING PERFORMANCE, EVERY WHEEL HAS ITS ROLE.

THE TRUE MEASURE of technology is not only how many things it can do, but also how seamlessly it fits in with your life. The voice-recognition feature recognizes hundreds of commands, giving you greater control over many of the vehicle’s systems.

These include Bluetooth HandsFreeLink® and the Acura navigation system with its available continuously updated traffic and weather information, as well as Zagat® restaurant reviews. Many functions of the Acura/ELS Surround® Premium Audio System can also be controlled via voice command. Song By Voice® technology even lets you call up a tune by saying its title or artist.

DESIGNED FOR THE WEEKEND ESCAPE, the ZDX is the ideal travel companion. And as much as our engineers worked to make your trip both relaxing and invigorating, they also set their minds on making it as safe as possible. So in addition to Acura’s Advanced Compatibility Engineering™ (ACE™) body structure, the ZDX also features systems designed to help keep a collision from happening in the first place. These include the new Forward Collision Warning (FCW) and Lane Departure Warning (LDW) systems.

Acura is the preferred vehicle of Pinehurst. Pinehurst will host both the 2014 U.S. Open and 2014 U.S. Women’s Open Championship.

Owner Benefits

When you purchase a vehicle with the exceptional quality of an Acura, you expect service and support to be of the same caliber. After all, a premium automobile is only part of the ownership experience. With Acura, you also get a commitment. To personalized care. To attentive service. This commitment is apparent the moment you first enter an Acura dealership and for years down the road. It comes from a belief that every aspect of owning an Acura should be an enjoyable and rewarding experience.

Acura Limited Warranties

All Acura vehicles and any Acura genuine accessories installed by the dealer at the time of vehicle purchase have a 4-year/50,000-mile limited warranty. Acura vehicles are also covered by a 6-year/70,000-mile limited powertrain warranty. In addition, outer body rust-through is covered by a 5-year/unlimited-mile limited warranty.

Acura Financial Services

This online service lets you weigh the benefits of leasing and financing, estimate your payments, see current offers and special financing programs and get pre-approved.

Acura Care®

Additional peace of mind can be had with the Acura Care program – comprehensive vehicle and travel protection beyond the initial warranty period. See your Acura dealer for all the features and benefits available with this program.

Total Luxury Care® (TLC®)

Acura’s commitment to your satisfaction doesn’t end with the delivery of a world-class vehicle. As an Acura owner, you’ll enjoy an array of services, like the Acura Concierge®, for 24-hour weather information, insurance claims assistance or to help you plan a trip; Trip- Interruption benefits like alternative transportation, lodging and meals; and a 24-hour Roadside Assistance program.

Accessories

When it comes to personalizing, choose Acura genuine accessories that are crafted to the same strict levels of quality as the rest of your ZDX. See your Acura dealer for a complete list of accessories or go to acura.com.
Acura has always had a penchant for seeing what’s beyond the next horizon. Now it’s your turn. The available AcuraLink® Satellite Communication System gives you a look ahead – whether it’s up the road, or even days into the future. Services like the available AcuraLink Real-Time Traffic and Weather,™ with its one- and three-day forecasts, help you plan your next move, even while you’re focused on the here and now.

AcuraLink is also your connection with Acura, delivering a wealth of information like Quick Tips and updated Feature Guides to help you get the most out of your new vehicle’s many sophisticated systems. When the system is paired with a Bluetooth®-compatible phone, you can also get information on required services as they approach, and can schedule maintenance right from your car with the Automated Appointments™ feature.

Years ago, our engineers took on the challenge to meet the stringent emissions standards of the U.S. Clean Air Act and used the phrase “blue skies for our children” as a passionate rallying cry to devote themselves to this effort. Blue Skies for Our Children represents our environmental vision of a society where future generations can experience the joy and freedom of mobility while living within a sustainable society.
