Based on Alfa Romeo premium import high performance mid-size SUV segment and the latest available competitive information. 2 No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. Always drive carefully and consistently with conditions: Always wear your seat belt. 3 ACC is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. ST diversion system is used as an alert system for the front of the vehicle which does not take any action to change the vehicle dynamics to avoid a collision and is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. Apple CarPlay and Android Auto are compatible mobile device connected to a USB cable, USB interface system. Data services and data services are subject to SiriusXM subscriptions for auto and data services are subject to SiriusXM to follow your trial subscription. If you decide to continue listening after your trial, the subscription plan y you choose will automatically renew thereafter and you will be charged according to your choice payment method at then-current rates. 6 Fees and taxes apply. To cancel, you must call SiriusXM at 1.866.635.2349. See the SiriusXM Customer Agreement for complete terms and get more information at www.siriusxm.com. All fees and programming subject to change. Your equipment and features for SiriusXM services will vary depending upon the vehicle you select and may be limited in select markets. B The Advanced Front Air Bags in this vehicle are certified to the new U.S. federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in your rear seats. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 3 Always check visually for vehicles prior to changing lanes. 10 Always look before proceeding, electronic drive aid is not a substitute for conscious driving, always be aware of your surroundings. 11 This system is not meant to be used while the car is in motion. 12 Requires a mobile phone equipped with the Bluetooth Hands-Free Profile. ©2017 FCA US LLC. ALFAROMEOUSA.COM | 1.844.ALFAUSA

@alfaromeousa
THE LATEST ALFA ROMEO LINEUP HAILS FROM A LONG LINE OF IMPRESSIVE PREDECESSORS. THIS GENERATION POSSESSES A BROAD RANGE OF TALENTS MEANT TO APPEASE DISCERNING DRIVERS OF EVERY TYPE — EXPERTLY DELIVERING ITALIAN PASSION AND SEDUCTIVE STYLE.
Stelvio: power in its most beautiful form
For those who are rarely satisfied, Stelvio Quadrifoglio delivers best-in-class 505 hp,1* 4-mode Alfa DNA Pro Drive Mode Selector with Race mode, and a twin-clutch rear differential that optimizes traction. Drivers of Stelvio will make the most of every turn, thanks to the standard 8-speed automatic transmission and steering column-mounted aluminum paddle shifters that allow for shifting in less than 100 milliseconds. The view from inside the cockpit offers a natural leather landscape accented with crafted stitching; outside offers a unique rear fascia and a dual-mode quad exhaust.

**ALFA ROMEO STELVIO QUADRIFOGLIO**

**DRIVETRAIN**
- All-aluminum 2.9L twin-turbocharged V6 engine with 505 hp and 443 lb.-ft. torque
- 8-speed automatic transmission
- Q4 All-Wheel Drive (AWD)
- Carbon fiber driveshaft
- Carbon fiber SPARCO® racing seats with leather upholstery
- 14-way power front seats, including power lumbar support with power bolsters, manual high support seat backrest and memory
- Standard 8-speed automatic transmission and steering column-mounted aluminum paddle shifters
- Quattroporte-style leather-appointed steering wheel with audio controls and Red push-button start
- Heated steering wheel
- Quattroporte-style leather-appointed steering wheel with carbon fiber inserts
- Steering column-mounted aluminum paddle shifters
- Standard 8-speed automatic transmission

**FEATURES**
- Performance leather/Alcantara® seats with accent stitching
- Carbon fiber SPARCO® racing seats with leather upholstery
- 14-way power front seats, including power lumbar support with power bolsters, manual high support seat backrest and memory
- Standard 8-speed automatic transmission and steering column-mounted aluminum paddle shifters
- Quattroporte-style leather-appointed steering wheel with audio controls and Red push-button start
- Heated steering wheel
- Quattroporte-style leather-appointed steering wheel with carbon fiber inserts
- Steering column-mounted aluminum paddle shifters
- Standard 8-speed automatic transmission

**FEATURES (CONTINUED)**
- 6-piston front and 4-piston rear high-performance Brembo® ventilated disc brakes
- Carbon ceramic Brembo® ventilated high-performance brakes
- Red-calibrated brake calipers with White script
- Torque vectoring twin-clutch rear Differential
- Independent adaptive dampening suspension
- Ambient Lighting Package — Includes door trim panel with ambient lighting, instrument panel with ambient lighting bezel and courtesy lamps
- Blind Spot Monitoring — Includes electrochromic exterior mirrors and 360° bird’s eye panoramic camera
- Dual-pane sunroof
- Power liftgate
- Ambient lighting
- Dual-mode quad exhaust

**ENTERTAINMENT**
- 8.8-inch widescreen color display with 3D navigation and AM/FM/HD radio, MP3, Bluetooth®, and 4 USB outlets
- Apple CarPlay™ and Android Auto™
- SiriusXM® Satellite Radio — 12-month trial included
- 14-speaker Harman Kardon® Premium Audio System with 900W 12-channel amplifier and subwoofer
- Media input hub — Includes 2 USB outlets and AUX outlet

4C: an extraordinary bond between driver and road
Alfa Romeo 4C has perfected the Italian art of seduction — irresistible style, craftsmanship and performance cues include a leather-wrapped, flat-bottom steering wheel, performance seating with accent stitching, available carbon fiber Italian flag exterior mirrors and front fascia with carbon fiber vents. The available Carbon Fiber Interior Trim Group includes a carbon fiber instrument panel bezel, shift bezel, air vents and cluster bezel. A combination of sport suspension, large self-ventilated cross-drilled brake discs and staggered wheels reflect the 4C passion-fueled heritage of racing. Along with its advanced ride control system, the connections among driver, road and car couldn’t be stronger.

### ALFA ROMEO 4C
