
From Eagle, the brand of automobiles dedicated to inspiring driver confidence, comes an entirely new kind of driving excitement that will inspire your dreams. Because, frankly, this Eagle's gonna scream.

Flight Performance. A quick study of Eagle Talon's performance credentials sets your sights for the flight at hand. Two 16-valve DOHC powerplants are available, one turbocharged with intercooler. Jewellike precision 5-speed transmission or advanced automatic 4-speed overdrive available on non-turbo models. Quick-ratio power steering. Independent suspension. Four-wheel power disc brakes. 16-inch wheels and matching 55 series Goodyear Eagle® GT + 4 tires.

21st Century 2 + 2. Eagle Talon echoes the very best in classic sports coupes yet advances a level of technical innovation that takes the concept into the next century.

Talon's driver-oriented cockpit offers analog gauge instrumentation and the classic touch of available leather on seats, steering wheel, and shifter grip.

Talon's internationally inspired styling evokes a breathtaking response, both in terms of aesthetic appreciation and the way its integrally designed aerodynamics (cd = .29 Talon TSi) promote exhilarating performance.

All-Wheel Drive. In addition to the standard front-drive configuration, there's also an all-wheel drive Talon TSi for the ultimate sophistication in road handling and driver control. Eagle Talon TSi represents the first and only all-wheel drive sports coupe ever offered by Chrysler Motors.

The ultimate source of driver confidence is overall vehicle quality. We’re so confident of the quality of the entire line of Eagle automobiles, including the all-new 1990 Eagle Talon, that every new Eagle model is backed by Chrysler’s world-famous 7/70 Protection Plan. Upon expiration of the 12-month/12,000-mile basic new vehicle limited warranty, limited warranty coverage is extended to 7 years or 70,000 miles on powertrain components and to 7 years or 100,000 miles on outerbody rust-through. Restrictions apply. See limited warranty at your dealer for details.
