i-370 Crew Cab

Ascender

The right fit.

After more than 90 years, you can still search the far corners of the planet and not find a brand more devoted to the pursuit of well-built, reliable and owner-friendly trucks and SUVs. In fact, today's Isuzu lineup is so loaded with sensible features that you won't just find these vehicles capable. You'll find them compatible – ideally suited to the way you live, work and drive.

From the flare of the fenders to the many versatile seating and cargo configurations, your Isuzu vehicle conveys a convincing sense of purpose. An inspired design approach turns dead space into cleverly concealed storage areas and adds a welcomed level of refinement to the spacious, comfortable interiors. Gauges are clear and in easy view. Controls are intuitively positioned. No detail has been overlooked.

ISUZU

ISUZU.COM

i-290 Extended Cab

There's also substance behind the style. Safety and performance features have been tested over time in a real-world proving ground. Engines have been reconfigured for improved power and torque with impressive fuel efficiency. Suspensions have been tuned for improved ride characteristics and optimal hauling capability. And no engineering advancement gets implemented unless it allows us to confidently back every truck and SUV with warranty protection that's among America's very best.

You know what you want most from a truck or SUV. It's called value – that perfect blend of performance, styling, comfort and reliability. And now that you've seen the 2007 Isuzu lineup, you know exactly where to find it.

i-370 C r e w C a b

i-370 LS 4WD Crew Cab in Yellow

Deep down, the i-370 Crew Cab certainly has the bloodlines and rugged ladder-on-frame construction of a serious truck. But one look at its eye-pleasing lines and inviting interior tells another side of the story. This pickup knows how to enjoy life too.

To get you where you're going, the i-370 relies on the new Vortec™ 3700, an even livelier Inline-5 engine than last year's model. It produces 6-cylinder-type outputs (242 hp and 242 lb-ft of torque) with the kind of fuel economy you'll appreciate at the pump. A roomy, well-appointed cab easily handles five adults, while a healthy-sized cargo box accommodates another 37.0 cubic feet* of tools, toys or whatever else you're hauling.

The i-370 also benefits from an assortment of inspired design features like a 60/40 split-bench rear seat that folds flat to stow your gear, a 2-tier tailgate that expands your loading options and push-button, shift-on-the-fly 4-wheel drive that makes the absolute most of this truck's superb ground clearance. Like you, it's ready for anything.

One more reason to smile is the i-370's 7-year/75,000-mile Powertrain Limited Warranty with Roadside Assistance — the longest of any pickup in America. What better way to keep the good times rolling?

*Cargo and payload capacity limited by weight and distribution.

ISUZU
ISUZU.COM

Tire Pressure Monitoring System

This advanced electronic system actively monitors tire pressure, quickly alerting you to any significant pressure drops.

Daytime Running Lights

At ignition, the i-370's daytime running lights automatically activate to raise your visibility in daylight driving conditions.

Bed Tie-Down Hooks

Keeping your load from shifting in transit is a job made easier by sturdy tie-down hooks strategically located throughout the i-370's spacious bed.

Works hard. Plays hard.

i-370 c r e w c a b

Shift-On-The-Fly 4-Wheel Drive

When you need a little extra grip, this convenient push-button system lets you go from 2-wheel to 4-wheel drive on-the-fly.

60/40 Folding Seat

Fold one seat, the other, or both. With 60/40 split-bench rear seating, you'll find an optimal configuration for whichever combination of cargo and passengers you choose.

POWER AND PERFORMANCE

- **Powerful Vortec™ 3700** – 3.7-liter, Inline-5 engine that delivers 242 hp and 242 lb-ft of torque.
- **High-stance off-road suspension** that provides a smooth ride and precise control with superior ground clearance.
- **On-demand 4-wheel drive** that delivers superior performance off highway or on slippery roads at the push of a button.
- **Durable underbody skid plates** that protect the oil pan, front differential and transfer case.

SAFETY

- **Driver and front-passenger dual-stage airbags*** that regulate inflation according to impact severity for safer deployment.
- **Automatic airbag suppression system*** that deactivates the front-passenger airbag to help reduce the potential for airbag-related injury.
- **Advanced Tire Pressure Monitoring System** that alerts the driver when any tire becomes significantly under-inflated.
- **Daytime Running Lights** for raised visibility in daytime driving conditions with automatic on/off headlights.

CONVENIENCE AND COMFORT

- **Dual-position locking tailgate** and heavy-duty cargo box with eight tie-down hooks and convenient bed light.
- **Remote keyless entry** and **content anti-theft system** for quick and convenient access with exceptional security.
- **6-speaker audio system** with AM/FM stereo and CD/MP3 player for rich audio entertainment.
- **Power windows, power door locks** and **cruise control** for added driving comfort.

ISUZU

i-370 LS 4WD Crew Cab in Teal Gray Metallic

*Always remember to wear your seatbelt. Airbags are a supplemental restraint system whose effectiveness varies with speed, conditions and angle of impact. See owner's manual for complete details.

High-Stance Off-Road Suspension

For a smooth ride and precise handling even in off-road conditions, the i-370 employs stamped A-arms, front stabilizer and torsion bars, and firm urethane jounce bumpers as part of a durable independent front suspension.

i-290 Extended Cab

i-290 Extended Cab in Deep Crimson Metallic

When it comes to pickup trucks, taking care of the basics is always a good idea. You need durable construction (like a sturdy double-wall pickup box), ample cargo room (44.0 cubic feet* should cover you nicely) and a heavy-duty suspension (like front coil springs and a live rear-axle with 2-stage steel leaf springs for stability and comfort). It's just that the i-290 Extended Cab refuses to stop there.

Its Vortec™ 2900 Inline-4 engine delivers enough smooth power to confidently handle a 1,532-lb. payload* and it provides the kind of fuel efficiency (19/25 mpg¹) that earns it your lasting gratitude between fill-ups.

Spaciousness is another strong suit. The i-290 manages seating for up to five along with a generous 72.8-inch bed that includes a 2-tier tailgate for even greater flexibility in loading oversized items. If you still need more room to operate, the i-290's rear jump seats fold up to reveal handy under-seat storage compartments perfect for stowing small essentials.

The i-290's refusal to skimp is so complete that it comes standard with a 4-wheel Anti-lock Brake System (ABS), an advanced Tire Pressure Monitoring System, Daytime Running Lights and the longest Powertrain Limited Warranty of any pickup sold in America. It's basically everything you need in a midsize truck.

ISUZU
ISUZU.COM

*Cargo and payload capacity limited by weight and distribution.

¹Mileage may vary due to speed, weather, trip length and road conditions. Actual highway mileage will probably be less.

**Always remember to wear your seatbelt. Airbags are a supplemental restraint system whose effectiveness varies with speed, conditions and angle of impact. See owner's manual for complete details.

Cargo Box Light

When daylight is scarce, but the job is far from finished, you won't be left in the dark loading or unloading thanks to the cleverly placed cargo box light.

Under-Seat Storage Compartments

These out-of-the-way yet easy-to-access under-seat compartments provide the perfect antidote to cab clutter. Use them to stow all of those items you don't need, until you need them.

More than your basic pickup.

i-290 Extended Cab Feature Highlights

POWER AND PERFORMANCE

- **Powerful Vortec™ 2900** – 2.9-liter Inline-4 engine that delivers 185 hp and 190 lb-ft of torque.
- **Heavy-duty suspension** that provides a comfortable ride with enhanced hauling capacity.
- **Durable double-wall pickup box** that accommodates payloads in excess of 1,500 pounds*.
- **Available electronic traction control** and **automatic locking rear differential** for improved handling in slippery road conditions.

SAFETY

- **Driver and front-passenger dual-stage airbags**** that regulate inflation according to impact severity for safer deployment.
- **Automatic airbag suppression system**** that deactivates the front-passenger airbag to help reduce the potential for airbag-related injury.
- **Advanced Tire Pressure Monitoring System** that alerts the driver when any tire becomes significantly under-inflated.
- **Daytime Running Lights** for raised visibility in daytime driving conditions with automatic on/off headlights.

CONVENIENCE AND COMFORT

- **Dual-position locking tailgate** and heavy-duty cargo box with six tie-down hooks and convenient bed light.
- **Available auto-dimming rearview mirror** equipped with **8-point compass** and **outside temperature gauge**.
- **6-speaker audio system** with AM/FM stereo and CD/MP3 player for rich audio entertainment.
- **Triple door seals** that help reduce cabin noise, ensuring a more enjoyable driving experience.

ISUZU

2-Tiered Tailgate

If your cargo won't cooperate and can't be secured with the tailgate in the full upright position, use the 2nd-tier locking position to extend the bed those few critical extra inches.

Ascender

Ascender with Luxury Package in Currant Red Metallic

Scan the list of standard and available features and the 2007 Ascender reveals itself as the total package – a multi-talented go-getter available in 2-wheel or 4-wheel drive with 80.1 cubic feet* of cargo space, room for five adults and a decidedly modest asking price. It's as fine a resume as you'll find anywhere in the SUV world.

Take its award-winning engine†, a 4.2-liter DOHC Inline-6 that produces 291 hp and 277 lb-ft of wheel-churning torque. It satisfies your appetite for power, while keeping fuel expenses in check. And to help you negotiate life's many obstacles, Ascender's StabiliTrak® combines anti-lock brakes, traction control and stability

control into one highly advanced system. No more spinning your wheels to get ahead. Other standard safety features like dual-stage airbags** and an advanced Tire Pressure Monitoring System stand ready to assist you at a moment's notice.

If extra perks get you excited, Ascender offers three separate option packages that include features like 8-way adjustable power driver and front-passenger seats, a premium Bose® 6-speaker audio system, and a remote keyless entry anti-theft system. Besides adding just the right level of capability, convenience and luxury, these special packages help keep your costs low and your value high. And don't forget the biggest perk of all – the outstanding Isuzu warranty.

**Always remember to wear your seatbelt. Airbags are a supplemental restraint system whose effectiveness varies with speed, conditions and angle of impact. See owner's manual for complete details.

3-Channel 4-Wheel Anti-Lock Brake System

Ascender's 3-channel 4-wheel Anti-lock Brake System improves steering control and helps prevent wheels from locking up in extreme braking or slippery conditions. It's one important component in Ascender's advanced stability control system, StabiliTrak,[®] and is standard equipment.

Driver-Adjustable Pedals

By allowing the driver to adjust the proximity of the accelerator and brake pedals with the simple push of a button, this optional feature creates a more comfortable and secure seating position that helps reduce fatigue and improve driver control.

The SUV that gets down to business.

Ascender with Luxury Package in Mineral Silver Metallic

Ascender

Auto-Dimming Rearview Mirror

Reducing the glare of bright headlights has never been easier thanks to an auto-dimming rearview mirror that features an 8-point compass and outside temperature gauge.

Heated Seats

Keep cozy with Ascender's dual-setting driver and front-passenger heated seats. They quickly spread warmth and comfort evenly across the backrest and seat surface.

Ascender Feature Highlights

POWER AND PERFORMANCE

- **Award-winning engine*** – a 4.2-liter DOHC Inline-6 that delivers 291 hp and 277 lb-ft of torque.
- **Tow-ready** for up to 5,800 pounds[†] with a receiver hitch and trailer wiring that comes standard.
- **Rigid chassis** with body-on-frame construction and full-length hydroformed side rails.
- **On-demand 4-wheel drive** that delivers superior performance off highway or on slippery roads.

SAFETY

- **StabiliTrak® electronic stability control** for maintaining directional command in uncertain driving conditions.
- **Driver and front-passenger dual-stage airbags^{††}** that regulate inflation according to impact severity for safer deployment.
- **Automatic airbag suppression system^{††}** that deactivates the front-passenger airbag to help reduce the potential for airbag-related injury.
- **Advanced Tire Pressure Monitoring System** that alerts the driver when any tire becomes significantly under-inflated.

CONVENIENCE AND COMFORT

- **Remote keyless entry and content anti-theft system** for quick and convenient access with exceptional security.
- **Triple door seals** that help ensure a quieter ride by blocking outside road noises from entering the cockpit.
- **Available 8-way power front seats** with lumbar support and dual-setting seat heaters.
- **Available premium 6-speaker Bose® audio system or XM Satellite Radio®** featuring more than 170 channels.

Cargo volume ⁵ , behind each row	80.1 cu ft	43.7 cu ft
Cargo floor length, behind each row	70.0 in	39.7 in

LEGEND AND FOOTNOTES

S = STANDARD	O = OPTIONAL
PEP = PREFERRED EQUIPMENT PACKAGE	-- = NOT AVAILABLE

- ¹ Always remember to wear your seatbelt. Airbags are a supplemental restraint system whose effectiveness varies with speed, conditions and angle of impact. See owner's manual for complete details.
- ² 3-point outboard passengers' seatbelts include Automatic Locking Retractors.
- ³ Mileage may vary due to speed, weather, trip length and road conditions. Actual highway mileage will probably be less.
- ⁴ Includes driver, passengers and all possible equipment and options.
- ⁵ Cargo and payload capacity limited by weight and distribution.
- ⁶ Towing capacity assumes driver, one passenger and required trailering equipment. Subtract weight of additional passengers, equipment and cargo for final towing capacity. Refer to owner's manual for correct towing application.
- ⁷ It's the total allowable weight of the completely loaded vehicle and trailer including any passengers, cargo, equipment and conversion.

Tonneau Cover

You don't have to be carrying gold bricks for prying eyes to want a peek at what you've got on board. Show them what they deserve – nothing!

Hood Protector

Countless pebbles are vying to be the first to chip your new Ascender. Are you going to take that? Show them who's the boss with this durable shield.

Cargo Tray

Keep your carpet as clean as the day you bought it with this durable tray. Once it's in place, the cargo area is ready for anything.

Ascender Accessories

Now is the time to make your new Ascender all you want it to be, so you have everything you need every step of the way. You know our accessories will fit perfectly for flawless integration to keep your rig looking sharp.

Running Boards

Whether you're securing items to the roof or someone needs a leg-up to hop in, running boards are a step in the right direction.

Hitch-Mounted Bike Carrier

Bikes are a handful to load onto a roof-mounted carrier. This hitch-mounted accessory provides a much more manageable loading height.

Splash Guards

Protect your vehicle from mud, gravel, salt and more with these attractive, molded guards that won't chip, crack or tear.

Bed Liner

The nylon-reinforced rubber on this liner includes a non-skid surface to help prevent cargo movement and is designed to withstand extreme temperatures.

Bed Extender

Stretch your ability to haul oversized cargo loads with this handsome brushed-aluminum bed extender.

i-290/i-370 Accessories

Your Isuzu truck won't shy away from the tough jobs. But to make it work even harder at delivering the capability and styling that's right for you, be sure to add on the accessories that make it the pickup you've always wanted.

Side Steps

It's easy-come, easy-go with these great-looking assist steps that make our Extended Cab and Crew Cab pickups even more passenger-friendly.

Trailer Hitch

Make towing your favorite toys easy with this convenient and durable trailer hitch.

Isuzu's warranties

We stand behind every vehicle we sell with some of the best warranties in the business. Our 7-YEAR/75,000-MILE POWERTRAIN LIMITED WARRANTY covers the most expensive and essential parts against defects. Then, throughout the vehicle, you have the protection of our 3-YEAR/ 50,000-MILE BASIC LIMITED WARRANTY, which covers you for its full term with no deductible. On top of that, every 2007 Isuzu vehicle is covered by a 6-YEAR/100,000-MILE PERFORATION FROM CORROSION LIMITED WARRANTY to ensure that your vehicle's exterior will survive everything from scouring road salts to blistering desert heat. Finally, lasting the duration of the POWERTRAIN LIMITED WARRANTY, we offer 7-YEAR/75,000-MILE

ISUZU ASSISTANCE. Just call **1-800-444-0303** and we'll be there, ASAP. Some in our business would call this overkill. We prefer to call it the right level of protection for an investment this important. See your Authorized Isuzu Dealer for warranty and other details.

The perfect plan

The Isuzu Protection Plan extended service contract provides coverage well beyond our 3-year/ 50,000-mile Basic Limited Warranty. It's perfect when you want the added peace of mind that comes with additional coverage of up to 100,000 miles good nationwide at any authorized Isuzu dealer. For plan details, call **1-800-343-0305**.

A price that's "just right"

How low is low enough? Find out for yourself. Go to Isuzu.com and request a dealer price quote on an Isuzu Ascender or Isuzu midsize pickup. Your local Isuzu dealer will take it from there, providing a prompt and professional reply with an eye toward putting you behind the wheel. Don't settle for a vehicle that can't match the exceptional value of the 2007 Isuzu lineup. Request your dealer quote today!
