INTRODUCING THE 2016 ES

ES 350
268-horsepower, 3.5-liter V6; selectable driving modes; and a stylish interior featuring contrast stitching, class-leading rear-seat legroom and an available panorama glass roof.

ES 300h
Hybrid with 40-MPG combined rating,* selectable driving modes with dynamic tachometer and Hybrid System Indicator, rear spoiler and concealed exhaust outlets. Exclusive 17-inch split-five-spoke alloy wheels.†
ELEVATE THE ART OF THE ARRIVAL.

With a more striking design, world-class luxury throughout and the most comprehensive safety package ever offered on the ES, the 2016 ES is as unparalleled as it is unforgettable. Luxuriously transformed styling, LED taillamps and daytime running lights, and available 18-inch alloy wheels* give the 2016 Lexus ES sleek and sculptural visual dynamics that put a spotlight on every entrance.

*ES shown in Atomic Silver // Options shown.
AN INDELIBLE IMPRESSION FROM EVERY ANGLE

From the arresting look of the front fascia to the eye-catching design of the taillamps and exhaust outlets, every facet of the 2016 Lexus ES and ES Hybrid leaves a captivating impression. And while good looks may be the first thing you’ll notice, they won’t be the last. Because the ES challenges the status quo from the inside as well, complementing its dynamic design with equally impressive safety and technology features.
Beyond its sleek, concealed exhaust design, the ES Hybrid sets itself apart with a stunning 40-MPG combined fuel-economy rating.2
A NEW LEVEL OF REFINEMENT

In the Lexus ES, every aspect of comfort has been considered. From available heated and ventilated seats that help you define your personal climate to steering-wheel controls that allow you to navigate the revised color multi-information display, the entire experience is thoughtful and intuitive. Taking comfort to the next level, you’ll appreciate the embossed stitching on available semi-aniline leather-trimmed seating, and an available panorama glass roof that provides an unlimited ceiling.

LUXURY WITHOUT LIMITATIONS
ULTRA LUXURY

Offering the appearance of a seamless glass roof on the outside, the expansive panorama glass roof available on the ES 350 flips an open-air experience while preserving the refined dynamics of a sedan. Much larger than a conventional moonroof, the panoramic roof provides more than 800 square inches of skylight.
It’s a difference you’ll feel with the touch of every surface. Run your fingers along the stitching of the sculpted dash, and you’ll feel a handcrafted work of art that only a dozen craftsmen have been qualified to create. The new, available embossed-stitch seating takes the experience a step further—its indulgent leather is equally pleasing to the fingertips. Adding a touch of intrigue, available ambient lighting punctuates the modern design.
You don’t have to sit in the driver’s seat to appreciate the interior design of the 2016 ES. Making the most of the additional space provided by an extended platform, the rear seat offers generous headroom and legroom reminiscent of a chauffeured sedan.
ADVANCED TECHNOLOGY

Being surrounded by luxury is only the beginning. The ES offers technology that can connect you to your favorite apps, and a new 4.2-inch color screen that displays mobile-phone caller information and audio track titles conveniently between the instrument panel gauges. And, for added peace of mind, numerous safety features have been packaged to be more accessible than ever, with the introduction of the Lexus Safety System+.
LEXUS SAFETY SYSTEM+
Now offered together in one comprehensive package, available LSS+ includes the following advanced safety features.

PRE-COLLISION WITH PEDESTRIAN DETECTION
An available Pre-Collision System with Pedestrian Detection monitors the road to help warn of upcoming obstacles, and in some cases, even begins braking automatically before impact.

LANE DEPARTURE ALERT WITH STEERING ASSIST
Available Lane Departure Alert with Steering Assist uses a camera to monitor visible lane markings, and is designed to warn you with visual and audio cues if you are drifting, so you can steer back into the lane.

INTELLIGENT HIGH BEAMS
Available intelligent high-beam headlamps can switch to high beams when the road ahead is clear and temporarily switch to low beams when they sense an oncoming vehicle.

HIGH-SPEED DYNAMIC RADAR CRUISE CONTROL
Available High-Speed Dynamic Radar Cruise Control can help maintain a preset distance from the car traveling in front of you by automatically reducing the throttle and even applying the brakes (at speeds above 25 mph). Once the road clears, the vehicle returns to its preset speed.
THE NEXT LEVEL OF CONNECTIVITY

Lexus Enform, our available suite of branded connected services, consists of five products, each of which offers unique ways to enhance the driving experience. With a complimentary first year of service—entertainment, convenience and peace of mind are now within reach.

SAFETY CONNECT

Lexus Enform Safety Connect® offers you the peace of mind of knowing that assistance can be there when you need it most. Whether you’re involved in a collision and unable to call for help, your vehicle is stolen, or there is some other type of emergency, assistance can be sent directly to your vehicle’s GPS location.

SERVICE CONNECT

Our new Lexus Enform Service Connect® offers remote access to information about your vehicle’s status and maintenance needs. Easily accessed through LexusDrivers.com or the My Lexus and Beyond mobile app, you can get information on everything from your vehicle’s fuel level and mileage to maintenance alerts and vehicle health reports.

REMOTE

The Lexus Enform Remote® mobile app can remotely start the engine, lock and unlock doors, check the status of doors and windows as well as your fuel level, and can help find your vehicle’s location in a parking lot. And, should you loan your Lexus to another driver, you can receive instant alerts if, for example, a preset speed or mile limit is exceeded.

DESTINATIONS

Lexus Enform Destinations® offers convenient 24-hour, en-route navigation assistance from a live response center agent who can help you find locations and automatically upload the destinations to your available Navigation System.® Planning a trip? You can also search, save and upload destinations from the comfort of your home or office.

APP SUITE

The Lexus Enform App Suite® offers access to your favorite mobile applications through your vehicle’s center-console display. After downloading the app on your compatible smartphone, you can search local listings, stream music, place restaurant reservations and buy movie tickets—all from the center-console display.

SERVICE CONNECT

Our new Lexus Enform Service Connect® offers remote access to information about your vehicle’s status and maintenance needs. Easily accessed through LexusDrivers.com or the My Lexus and Beyond mobile app, you can get information on everything from your vehicle’s fuel level and mileage to maintenance alerts and vehicle health reports.

SAFEETY CONNECT

Lexus Enform Safety Connect® offers you the peace of mind of knowing that assistance can be there when you need it most. Whether you’re involved in a collision and unable to call for help, your vehicle is stolen, or there is some other type of emergency, assistance can be sent directly to your vehicle’s GPS location.

DELIVERY AND TECHNOLOGY SPECIALISTS

To help you get the most out of these and other Lexus features, a Vehicle Delivery Specialist will walk you through nearly every setting and function you desire. And to answer questions that arise after delivery, a Vehicle Technology Specialist can offer expert guidance in person or without you ever leaving the driveway via camera-enabled iPad® apps like FaceTime®. Learn more about these complimentary services at lexus.com/specialists.

For more details, please visit lexus.com/enform
MARK LEVINSON® AUDIO

Immerse yourself in concert-hall sound with the available 15-speaker, 835-watt Mark Levinson Premium Surround Sound Audio System™. Lexus and Mark Levinson engineers collaborated to plan, develop and place every component, for the most accurate reproduction of artists’ original recordings.
3-D NAVIGATION

This available voice-activated system\textsuperscript{13} can map millions of points of interest across the country and can display information in English, French and Spanish. And, in addition to offering up-to-date traffic and weather information, 3-D city views, and simulated views of approaching highway junctions, it displays the current speed limit and can automatically identify nearby fuel stations if you begin to run low on fuel.

THE ULTIMATE LUXURY: CONVENIENCE

WITH ADVANCED VOICE RECOGNITION, YOUR FAVORITE FEATURES ARE JUST A COMMAND AWAY.

SUBSCRIPTION-FREE TRAFFIC AND WEATHER

To help you arrive sooner, Lexus provides an industry-first subscription-free Traffic and Weather service\textsuperscript{17} via standard HD Radio\textsuperscript{17}. This feature offers up-to-date information on road congestion and changing weather conditions on the main display.

BLUETOOTH\textsuperscript{18} AUDIO

In addition to easily transferring phone numbers to your vehicle, and placing and ending calls with the touch of a button, Bluetooth\textsuperscript{19} audio technology\textsuperscript{19} offers the convenience of accessing and controlling your compatible device’s entire music library and even streaming audio from websites—all while your device remains in your pocket or purse.

SIRI\textsuperscript{20} EYES FREE

The innovative Siri Eyes Free\textsuperscript{20} connects with your compatible iPhone\textsuperscript{14}, enabling you to access e-mail, send text messages and more. The Siri feature can also search your portable music collection and use the results to create customized playlists.
The brilliant design of the ES contributes to a remarkably low coefficient of drag, for a serenely quiet ride. Beyond reduced noise and vibration, the curves of the ES also help optimize fuel efficiency. Combined with structural design enhancements, the result is a ride that’s as engaging as it is refined.
DYNAMIC PERFORMANCE
AND HANDLING

With a 31-MPG highway rating, the 268-horsepower 3.5-liter V6 in the ES 350 offers the efficiency you deserve with power to spare. High-tensile steel and lightweight aluminum components provide a strong, rigid foundation for precise handling, while a fine-tuned suspension contributes to a graceful yet exhilarating driving experience. A long wheelbase gives the ES a striking stance, generous cabin space and additional legroom for rear-seat passengers, maximizing enjoyment for everyone onboard.
DRIVE MODE SELECT

Whether you’re craving more performance or prefer to cruise in world-class comfort, the level of engagement you desire can vary. With innovative Drive Mode Select, the ES can adapt to suit your mood. From the added responsiveness of Sport mode to the optimized efficiency of ECO and the all-electric EV (Hybrid only) modes, it’s just one of many features that make the ES right for every occasion.
EFFICIENCY WITHOUT COMPROMISE

With the ES Hybrid, there’s no need for concessions. Quite the opposite. The ES offers impeccable refinement, with features such as an aerodynamic rear spoiler, extended rear valance with concealed exhaust outlets, and exclusive 17-inch split-five-spoke alloy wheels. It also features a better city fuel economy rating than most subcompact cars and has earned the prestigious SULEV emission status.
A 40-MPG combined rating offers even more ways the ES Hybrid exceeds expectations, mile after fuel-efficient mile. Its exceptional fuel economy comes compliments of Lexus Hybrid Drive. By combining and reallocating power from the battery-powered electric motor, regenerative braking system and engine, the system is designed to deliver instantaneous power when you need it, while recharging the battery when you don’t. And six generations of proven technology stand behind our hybrid vehicles—a reassurance you simply can’t get from any other automaker.
In the ES, luxury goes beyond exquisite details like available opulent Black leather and bird’s-eye maple trim. Richness can also be measured in choices, like the availability of unconventional materials that bring greater sustainability to the interior design. For example, our NuLuxe trim is the product of a manufacturing process that generates fewer CO₂ and VOC emissions than other synthetic leathers. And available sustainable Matte Honey bamboo accents are easy on the eyes and pleasing to the touch, including steering-wheel trim that is bowed from a single piece and sanded by hand, for craftsmanship you can appreciate every day.

THE INSPIRATION
Snow-covered hills in Hokkaido

THE RAW MATERIAL
Eminent White Pearl pigment from 98-year-old Kansai Paint Company

THE UNWAVERING STANDARDS
Waterfalls in painting facilities trap dust

THE SCIENCE
Scratch-resistant clearcoat is created at the molecular level

THE METHOD
SONIC paint technology aligns the angles of reflective particles for uniform reflectivity

THE ART OF COLOR
One unexpected moment of inspiration, years of development and zero shortcuts. This is the art of creating art. The culmination of a passion for design and industry-leading knowledge, every Lexus color features stories and processes as unique as their hues. Take the Eminent White Pearl: Brilliant in the sun and muted in the shade, it was inspired by and created specifically to mimic the color and appearance of snow on the hills of Hokkaido, Japan. It’s an effect not left to chance, which is why Lexus sources pigment from a company that’s been perfecting its craft for 98 years and counting. It’s also why every Lexus painting facility features indoor waterfalls to trap and wash airborne dust particles away so they don’t inconspicuously mar the vehicle’s finish. Science also plays a role. Lexus created a technique that more uniformly aligns the angles of the reflective particles in paint to better accentuate the vehicle lines. And then manipulated the molecules in the clearcoat to make it more elastic, and thereby resistant to minor scratches. Because the only thing more important than a stunning work of art is keeping it that way.

**WARRANTY**

Four-year/50,000-mile Lexus Limited Warranty. Six-year/70,000-mile Powertrain Warranty. Eight-year/100,000-mile Hybrid System Warranty. All warranties with zero deductible. See the ES Warranty and Services Guide at your Lexus dealer for details.

**DISCLAIMERS**

1. Based on manufacturers’ published data. 2. Preliminary mileage estimates determined by Lexus. EPA mileage estimates not available at time of publishing. Actual mileage will vary. 3. 17- or 18-in performance tires are expected to experience greater tire wear than conventional tires. Tire life may be substantially less than 200,000 miles (17-in) or 150,000 miles (18-in), depending upon driving conditions.

4. The Pre-Collision System (PCS) is designed to help reduce the risk of a collision and to mitigate the risk of injury in certain frontal collisions only. It is not a collision-avoidance system and is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, driver input and road conditions. See Owner’s Manual for further information.

5. The Pedestrian Detection System, part of the Pre-Collision System, is designed to detect the presence of a pedestrian ahead of the vehicle, so that it may alert the driver to take action. To function effectively, the system must be able to detect pedestrians within a certain range.

6. Lane Departure Alert is designed to alert the driver when the vehicle is detected to be unintentionally moving out of its lane, so that corrective action can be taken. To function effectively, the system must be able to detect lane markers under certain conditions and provide visual and audible alerts when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving.

7. Intelligent high-beam system operates at speeds above 21 mph. Situations such as a dark, windshied, variable weather, lighting conditions and hilly terrain will limit effectiveness, requiring the driver to manually turn off. See Owner’s Manual for details.

8. Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. See Owner’s Manual for details.

9. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Apps/services vary by phone carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps/services subject to change. See lexus.com/perform for details.

10. Contact with the response center may not be available in all areas. Service Agreements required. A variety of subscription terms available; charges will vary. See lexus.com for details.

11. Information provided is based on the last time data was collected from the vehicle and may not be up-to-date. System functionality depends on vehicle connectivity. 12. Use only if aware of circumstances surrounding the vehicle, and it is legal & safe to do so (e.g., car uncovered in open area, no people or pets in or nearby). If vehicle has not been driven for over a week, services will not be available until next time vehicle is started. Functionality depends on many factors, such as vehicle and smartphone connectivity. See usage precautions, service limitations & Owner’s Manual. Data charges may apply. Registration, app download are required. 13. Must have active Safety Connect subscription. Annual fee required after 1-year trial.

14. FaceTime® is available only on iPhone® 4s or later, iPad® with Retina® display, iPad® mini, and iPad® touch (5th generation) and requires Internet access. Siri® is available in all languages or all areas, and features vary by country or region. Some Siri® functionality and commands are not available in certain apps or with certain vehicle data. Charges may apply. See Apple’s Privacy Policy for details.

15. Always drive safely, obey traffic laws and focus on the road while driving. Siri® is available only on iPhone® 4s or later, iPad® with Retina® display, iPad® mini, and iPad® touch (5th generation) and requires Internet access.

16. Always drive safely, obey traffic laws and focus on the road while driving. Siri® is available only on iPhone® 4s or later, iPad® with Retina® display, iPad® mini, and iPad® touch (5th generation) and requires Internet access. Some Siri® functionality and commands are not available in certain apps or with certain vehicle data. Charges may apply. See Apple’s Privacy Policy for details.

17. The Pre-Collision System is designed to help reduce the risk of a collision and to mitigate the risk of injury in certain frontal collisions only. It is not a collision-avoidance system and is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrians, driver input and weather, light and road conditions. See Owner’s Manual for further information.

18. The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a SmartAccess key into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key/obob matches the code in the vehicle’s immobilizer. Because the transponder chip is embedded in the key/obob, it can be costly to replace. If you lose a key/obob, your Lexus dealer can help. Alternatively, you can find a qualified independent locksmith to perform high-security key services by consulting your local Yellow Pages or by contacting waiiwa.org.

19. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Availability & accuracy of the information provided by the Navigation system and is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle and smartphone connectivity. See usage precautions, service limitations & Owner’s Manual. Data charges may apply. Registration, app download are required. 20. Use only if aware of circumstances surrounding the vehicle, and it is legal & safe to do so (e.g., car uncovered in open area, no people or pets in or nearby). If vehicle has not been driven for over a week, services will not be available until next time vehicle is started. Functionality depends on many factors, such as vehicle and smartphone connectivity. See usage precautions, service limitations & Owner’s Manual. Data charges may apply. Registration, app download are required. 21. Must have active Safety Connect subscription. Annual fee required after 1-year trial.

22. Always drive safely, obey traffic laws and focus on the road while driving. Siri® is available only on iPhone® 4s or later, iPad® with Retina® display, iPad® mini, and iPad® touch (5th generation) and requires Internet access. Some Siri® functionality and commands are not available in certain apps or with certain vehicle data. Charges may apply. See Apple’s Privacy Policy for details.

23. Always drive safely, obey traffic laws and focus on the road while driving. Siri® is available only on iPhone® 4s or later, iPad® with Retina® display, iPad® mini, and iPad® touch (5th generation) and requires Internet access. Some Siri® functionality and commands are not available in certain apps or with certain vehicle data. Charges may apply. See Apple’s Privacy Policy for details.

24. Always drive safely, obey traffic laws and focus on the road while driving. Siri® is available only on iPhone® 4s or later, iPad® with Retina® display, iPad® mini, and iPad® touch (5th generation) and requires Internet access. Some Siri® functionality and commands are not available in certain apps or with certain vehicle data. Charges may apply. See Apple’s Privacy Policy for details.

25. Always drive safely, obey traffic laws and focus on the road while driving. Siri® is available only on iPhone® 4s or later, iPad® with Retina® display, iPad® mini, and iPad® touch (5th generation) and requires Internet access. Some Siri® functionality and commands are not available in certain apps or with certain vehicle data. Charges may apply. See Apple’s Privacy Policy for details.

26. Always drive safely, obey traffic laws and focus on the road while driving. Siri® is available only on iPhone® 4s or later, iPad® with Retina® display, iPad® mini, and iPad® touch (5th generation) and requires Internet access. Some Siri® functionality and commands are not available in certain apps or with certain vehicle data. Charges may apply. See Apple’s Privacy Policy for details.

27. Always drive safely, obey traffic laws and focus on the road while driving. Siri® is available only on iPhone® 4s or later, iPad® with Retina® display, iPad® mini, and iPad® touch (5th generation) and requires Internet access. Some Siri® functionality and commands are not available in certain apps or with certain vehicle data. Charges may apply. See Apple’s Privacy Policy for details.

28. Always drive safely, obey traffic laws and focus on the road while driving. Siri® is available only on iPhone® 4s or later, iPad® with Retina® display, iPad® mini, and iPad® touch (5th generation) and requires Internet access. Some Siri® functionality and commands are not available in certain apps or with certain vehicle data. Charges may apply. See Apple’s Privacy Policy for details.

29. Always drive safely, obey traffic laws and focus on the road while driving. Siri® is available only on iPhone® 4s or later, iPad® with Retina® display, iPad® mini, and iPad® touch (5th generation) and requires Internet access. Some Siri® functionality and commands are not available in certain apps or with certain vehicle data. Charges may apply. See Apple’s Privacy Policy for details.

30. Always drive safely, obey traffic laws and focus on the road while driving. Siri® is available only on iPhone® 4s or later, iPad® with Retina® display, iPad® mini, and iPad® touch (5th generation) and requires Internet access. Some Siri® functionality and commands are not available in certain apps or with certain vehicle data. Charges may apply. See Apple’s Privacy Policy for details.

31. Always drive safely, obey traffic laws and focus on the road while driving. Siri® is available only on iPhone® 4s or later, iPad® with Retina® display, iPad® mini, and iPad® touch (5th generation) and requires Internet access. Some Siri® functionality and commands are not available in certain apps or with certain vehicle data. Charges may apply. See Apple’s Privacy Policy for details.

32. Always drive safely, obey traffic laws and focus on the road while driving. Siri® is available only on iPhone® 4s or later, iPad® with Retina® display, iPad® mini, and iPad® touch (5th generation) and requires Internet access. Some Siri® functionality and commands are not available in certain apps or with certain vehicle data. Charges may apply. See Apple’s Privacy Policy for details.

33. Always drive safely, obey traffic laws and focus on the road while driving. Siri® is available only on iPhone® 4s or later, iPad® with Retina® display, iPad® mini, and iPad® touch (5th generation) and requires Internet access. Some Siri® functionality and commands are not available in certain apps or with certain vehicle data. Charges may apply. See Apple’s Privacy Policy for details.

34. Always drive safely, obey traffic laws and focus on the road while driving. Siri® is available only on iPhone® 4s or later, iPad® with Retina® display, iPad® mini, and iPad® touch (5th generation) and requires Internet access. Some Siri® functionality and commands are not available in certain apps or with certain vehicle data. Charges may apply. See Apple’s Privacy Policy for details.

35. Always drive safely, obey traffic laws and focus on the road while driving.
