FEROCIOUS, YET DIPLOMATIC. POWERFUL, WHILE GRACEFUL.
SERIOUS SEDAN PERFORMANCE AND INTUITIVE LUXURY. IT'S NO WONDER THAT MOTOR TREND DESCRIBED THE LEXUS GS MODELS AS "VELVET LIGHTNING."* WITH TWO POTENT POWERPLANTS COMPLEMENTED BY OPTIMALLY TUNED SUSPENSION GEOMETRY AND RIGID COMPONENTRY, GS DRIVERS ARE ASSURED OF CLOCK-DEFYING PERFORMANCE ALONG WITH A STABLE, CONFIDENT RIDE.

NATURALLY, ITS APPEARANCE IS FAST AND SLEEK AS WELL. AND THE INTERIOR... WELL, LET'S JUST SAY IT'S PEACEFUL, SUMPTUOUS AND PAMPERING AND LEAVE IT AT THAT.

ENHANCED FOR 2000 WITH TWO VIBRANT NEW COLORS, BOTH THE GS 400 AND GS 300 ARE DYNAMICALLY EQUIPPED TO TAKE ON THE NEW MILLENNIUM.

**Key Features — The 2000 GS 400/300**

The Lexus GS models... eloquently defined by an intoxicating mix of power, confidence and swagger. Both the GS 400 and GS 300 are generously appointed with a broad spectrum of standard and available features, and refined beyond excellence with new features befitting a new millennium.

### Performance
