WE DIDN'T ONLY SET OUT TO CREATE THE MOST CAPABLE GX.
WE SET OUT TO CREATE THE MOST CAPABLE DRIVER.
Among seven-passenger utility vehicles, there are those designed primarily for on-road and those for off-road. Seldom is there one engineered specifically to excel on both—until now. The current-generation GX is more powerful, versatile and capable than ever before. Consider the paradox solved.

Optional equipment shown.
ITS AVAILABLE SEMI-ANILINE LEATHER IS THE ONLY THING REMOTELY SEMI ABOUT IT.
A utility vehicle shouldn’t solely be measured by how much it can carry, but rather how easy it is to use. For instance, the GX features a rear window that flips open for convenient loading of smaller items. As well as third-row seats that can easily fold flat by pressing a button located in the cargo area or adjacent to the second-row seat. And, with a passenger-side second-row seat that tilts and slides forward, accessing the third row and accommodating cargo of all shapes and sizes is every bit as effortless as it should be.

Optional equipment shown. See disclaimers on page 61.
Remarkably spacious, with a host of accommodations, you’ll be hard-pressed to find a finer home away from home. Among its comforts: exquisite auburn bubinga wood accents, ergonomic seating trimmed in premium double-stitched leather and available heated second-row outboard seating.
One dual-zone climate-control system in the front and another available climate-control system in the rear. To most automobile manufacturers, these systems would be more than enough. But in here, they’re just the beginning. The GX is the first V8 in its class to come standard with heated and ventilated front seats. And, because not all air is good air, the GX also offers an available system that can help detect smog and certain pollutants outside of the vehicle. If it determines the outside air to be contaminated, the system automatically recirculates the cleaner air inside the cabin.

A FRESH TAKE ON FRESH AIR.
At last, something both siblings can agree on. The available dual-screen Rear-Seat Entertainment System in the GX enables two video sources to be viewed at the same time. Using a single remote control, one can be used, for instance, as a DVD player and the other as a game console or audio player. Wireless headphones are also graciously included, leaving the driver free to enjoy something entirely different: silence.
Whether it’s a bouldery incline or a parallel-parking space that’s tighter than you’d prefer, every day is filled with obstacles. Fortunately, the GX 460 is filled with answers. To name a few: a suspension system that helps enhance your capability on- and off-road, among the tightest turning circles in its class, and an engine that delivers extraordinary power and remarkable fuel efficiency.
On-road. Off-road. Suspension systems are typically designed for one or the other. The notable exception: the Kinetic Dynamic Suspension System on the GX. On-road, the system can automatically hold the front and rear stabilizer bars in place, helping to minimize body lean while cornering. And off-road, it reacts to uneven surfaces by automatically adjusting the bars, increasing wheel articulation. This helps the GX keep its wheels in contact with the ground for improved traction and control.

ANYTIME, ANYWHERE.
A SIXTH GEAR THAT QUIETS THE ENGINE. AS WELL AS THE SKEPTICS.

Add an intelligent six-speed automatic transmission to a powerful, 301-horsepower, 4.6-liter V8 engine and you don’t just turn heads, you silence critics. Because, in addition to reducing the amount of engine noise and vibration you’ll experience in the cabin, the addition of the sixth gear also improves fuel efficiency. So much so that the GX offers one of the highest combined V8 fuel-economy ratings in its class.8
To provide a nearly unparalleled level of quietness, the frame of the GX is designed to absorb noise and vibration before it enters the cabin. And even then, unwanted sounds must pass through a gauntlet of floor-to-ceiling dampening and insulation measures. Additionally, to make your quiet ride an even more enjoyable one, an available Adaptive Variable Suspension enables you to customize the degree of road feel to one of three settings.
A SLIGHTLY DIFFERENT TAKE ON THE WORD. “INSURMOUNTABLE.”

Conquering the most intimidating terrain is second nature in the GX. In addition to full-time 4WD and a TORSEN® limited-slip center differential, it features what can be thought of as the off-road equivalent of cruise control. With the press of a button, available Crawl Control® carefully manages the throttle and brakes to help you maintain a slow, consistent speed up, down and over rugged terrain, enhancing your traction and leaving you with a far less daunting task: steering.

Optional equipment shown. See disclaimers on page 61.
They say nobody ever plans to be in an accident. On the contrary.

We've spent years preparing for an event we hope never takes place. Developing technology to help you see more and react faster to potentially avoid a collision. And if one is unavoidable, you can be assured that we've planned for that, too. The GX is equipped with a highly advanced 10 airbag system.

Optional equipment shown. See disclaimers on page 61.
JUST A FEW OF THE WAYS WE’VE THOUGHT ABOUT THE UNTHINKABLE.

When time is of the essence, distraction can be a danger. That’s where the available Pre-Collision System[^12] with Driver Attention Monitor[^13] comes in. A first in its class, it uses a front-mounted radar sensor that can help detect an object ahead and a camera attached to the steering column that can help discern the position of your face. If you’re not facing forward when a potential collision is detected, it sounds a warning and, if necessary, lightly taps the brakes to get your attention[^13]. And, if it deems a collision is imminent, it can even apply increased braking force the moment the driver steps on the brake pedal.

**LANE DEPARTURE ALERT**
Using a camera that monitors the lane markings, the available Lane Departure Alert[^14] is designed to help detect if the GX is beginning to drift out of its lane. If so, it can warn you with a series of audible and visual alerts.

See disclaimers on page 61.
YOUR FOCUS: ONE THING THAT SHOULDN'T NEVER GO OFF-ROAD.

INTELLIGENT HIGH-BEAM HEADLAMPS
The GX also offers available intelligent high-beam headlamps. They operate in high-beam mode until the system detects the headlamps from an oncoming vehicle or other vehicles traveling closely ahead, and then temporarily enters into low-beam mode until vehicles are no longer detected.

When you’re rounding a turn in the dark, the advanced Adaptive Front Lighting System (AFS) available on the GX can help illuminate the road by rotating the right headlamp up to 10 degrees and the left headlamp up to 15 degrees into a turn.

Optional equipment shown. See disclaimers on page 61.
When you own a GX, you’re surrounded by remarkable thinking. Literally. With a class-leading 10 airbags and a host of safety systems, the GX helps to protect you and your passengers in a myriad of ways. Among them: driver and front-passenger airbags that deploy, in part, based on the severity of impact and/or seat-track position; driver and front-passenger knee airbags; side-curtain airbags that nearly run the length of the interior; and standard second-row outboard seatbelt pre-tensioners.

Optional equipment shown. See disclaimers on page 61.
THERE’S MORE THAN ONE WAY TO FORGE NEW PATHS.

The available voice command is just one of its many innovations. It is designed to understand the way people actually speak. To raise the temperature, for instance, you need only say, “It’s too cold,” and the interior will warm by four degrees. And, from the destination menu, if you say, “I need an ATM,” the closest locations will be displayed.
VISIONARY. IN EVERY SENSE OF THE WORD.

You can’t avoid what you can’t see. So the GX offers an available Wide-view Front and Side Monitor. At low speeds, a small camera on the front grille and one under the passenger side-mirror can help provide greater visibility, which makes navigating blind intersections, narrow passages and parking spaces even more convenient. The GX also features a standard backup camera. When placed in reverse, an inconspicuous camera lens located above the rear license plate transmits a wide-angle view behind you to a dash-mounted screen. Explore the areas on the left to see what you otherwise might have missed.
SAFETY CONNECT®

DESIGNED TO HELP
SAFEGUARD YOUR LIFE.

With Safety Connect1,3 you can request emergency help, whether that means assisting the police with locating your stolen vehicle or requesting Enhanced Roadside Assistance23 for a flat tire. The Safety Connect1,3 service (one-year subscription included) also features Automatic Collision Notification, which automatically sends a call for help the moment the system senses the vehicle has been in a severe rear-end collision or the airbags11 have been deployed.

LEXUS ENFORM®

DESIGNED TO HELP
SIMPLIFY YOUR LIFE.

With the available Lexus Enform1,2 system, you can speak to a live service agent, 24 hours a day, seven days a week. You don’t have to memorize any numbers, navigate through seemingly endless screens—or even have your cell phone with you.

Need an address? Simply call Destination Assist via the GX’s available Navigation System22 for live assistance. Once you’ve decided on a location, your agent can send the turn-by-turn directions straight to your vehicle’s Navigation System.22 Planning a trip? You also have the option of pre-selecting up to 200 destinations online and sending them to your vehicle.

See disclaimers on page 61.
AFTER ROCKS, DUNES AND MOGULS, TRAFFIC DOESN’T STAND A CHANCE.

The GX is designed to overcome nearly every type of obstacle. Available NavTraffic™ offers real-time traffic information on-screen or via audible updates to help you avoid delays caused by everything from road construction to fender benders. Available NavWeather™ offers real-time weather reports for selected cities and can alert you when you are approaching severe weather conditions. And to make sure your time on the open road is well spent, available Sports and Stocks™ lets you keep tabs on your favorite teams and stock portfolio.
For the audiophile looking to experience even greater performance than that of the standard nine-speaker premium audio system, look no further. With 17 custom-designed speakers and 7.1-channel architecture, the available Mark Levinson® Premium Surround Sound Audio System provides clarity and sound quality that’s second to none. And, to put whichever audio system you select to good use: available SiriusXM Satellite Radio and a standard USB input that enables you to control your iPod through the vehicle’s interface.

Optional equipment shown. See disclaimers on page 61.
With so much happening at Lexus, it’s hard to keep up. That’s why we created the Lexus Pursuit newsletter. This monthly e-mail provides subscribers with exclusive information about upcoming model launches and events, as well as news, innovations and offers. WHEEL SELECTION

18-in six-spoke alloy wheels
- STANDARD
- AVAILABLE

18-in six-spoke alloy wheels with Liquid Graphite finish

HEADROOM
- front/outboard middle/third row: 38.0/40.4/35.2 in (965/1,025/895 mm)

SHOULDER ROOM
- front/middle/third row: 55.4/57.3/54.5 in (1,408/1,455/1,384 mm)

HIP ROOM
- front/middle/third row: 56.5/55.2/43.1 in (1,435/1,401/1,096 mm)

HEIGHT
- 74.2 in (1,885 mm) (GX 460)
- 73.8 in (1,875 mm) (GX 460 Premium)

CARGO CAPACITY
- 91.9 cu ft (2,602 L) (max)

FUEL-TANK CAPACITY
- 23.0 gal (87 L)

LEG ROOM
- front/middle/third row: 41.7/34.1/29.3 in (1,058/868/743 mm)

GROUND CLEARANCE
- 8.1 in (205 mm)

WHEELBASE
- 109.8 in (2,790 mm)

OVERALL LENGTH
- 189.2 in (4,805 mm)

BODY AND DIMENSIONS

SPECIFICATIONS

GENERAL

TYPE
Seven-passenger luxury utility vehicle

CONSTRUCTION
Body-on-frame

CURB WEIGHT
5,128 lb (2,326 kg) (GX 460)
5,179 lb (2,349 kg) (GX 460 Premium)

APPROACH ANGLE
28°

DEPARTURE ANGLE
25°

ENGINE

TYPE
90° V8, iron block and aluminum heads

DISPLACEMENT
4.6 liters (281 cubic inches)

VALVETRAIN
Four cam, four valves per cylinder, with dual Variable Valve Timing with intelligence (VVT-i)

COMPRESSION RATIO
10.2:1

HORSEPOWER AT RPM
301 hp @ 5,500°

TORQUE AT RPM
329 lb-ft @ 3,500°

EMISSION RATING
Certified Ultra-Low Emission Vehicle (ULEV II)

PERFORMANCE

0–60 MPH ACCELERATION
7.8 seconds

1/4-MILE ACCELERATION
16.6 seconds

TOP TRACK SPEED
110 mph (electronically limited)

EPA FUEL ECONOMY ESTIMATES
15/20/17 mpg (city/highway/combined)

AERODYNAMIC DRAG COEFFICIENT
0.35

TURNING CIRCLE
38.1 ft

DRIVETRAIN

TYPE
Full-time four-wheel drive with TORSEN® limited-slip center differential (with differential lock)

TRANSMISSION
Six-speed sequential-shift automatic Electronically Controlled Transmission with intelligence (ECT-i)

TRANSFER CASE
Two-speed, 1.000:1/2.566:1

FINAL DRIVE RATIO
3.909:1

CHASSIS

SUSPENSION
Front: Independent, double-wishbone with coil springs, gas-pressurized shock absorbers and stabilizer bar (GX 460);
Independent, double-wishbone with coil springs, electronically controlled shock absorbers and stabilizer bar (GX 460 Premium)

Rear: Four-link with coil springs, gas-pressurized shock absorbers and stabilizer bar (GX 460); Four-link with air springs, electronically controlled shock absorbers and stabilizer bar (GX 460 Premium)

ADJUSTABLE SUSPENSION
Kinetic Dynamic Suspension System (KDSS) with automatic, electronically adjustable front and rear stabilizer bars

Adaptive Variable Suspension (AVS) and Electronically Modulated Rear Air Suspension with air springs, automatic load leveling and three-position manual height control (GX 460 Premium)

STEERING
Power-assisted rack-and-pinion. 3.0 turns, lock to lock

BRAKES
Four-wheel power-assisted discs, with four-sensor, four-channel Anti-lock Braking System (ABS), Electronic Brakeforce Distribution (EBD) and Brake Assist

13.3-in ventilated front, 12.3-in ventilated rear discs

WHEELS AND TIRES
18 x 7.5-in six-spoke alloy wheels with 265/60R18 mud- and snow-rated tires

Full-size spare tire with alloy wheel

See disclaimers on page 61.
STANDARD LUXURY FEATURES

LUXURY AND CONVENIENCE

SmartAccess™ with push-button Start/Stop
Remote keyless entry-linked memory for driver’s seat and climate control
Dual-zone automatic climate control with interior air filter, smog sensor and automatic recirculation mode
Three-zone automatic climate control with interior air filter, smog sensor and automatic recirculation mode (GX 460 Premium)
Lexus Memory System to control power driver’s seat (except lumbar), outside mirrors and steering wheel
Remote keyless entry-linked memory for driver’s seat and climate control
Power tilt-and-telescopic steering column with automatic tilt-away
Power tilt-and-slide moonroof with one-touch open/close and sliding sunshade
Power windows with one-touch auto open/close
Remote-linked window and moonroof opening
Electrochromic (auto-dimming) inside rearview mirror
Electrochromic (auto-dimming), power-folding outside mirrors (GX 460 Premium)
Overhead conversation mirror
Cruise control
HomeLink® universal transceiver to operate compatible garage, gate, home lighting and home security systems
Lexus Personalized Settings (LPS)™ to customize select electronic functions
Illuminated entry system
Illuminated front door sills (GX 460 Premium)
Running boards with built-in courtesy lights
Roof rails
Body side moldings
Rear spoiler with integrated wiper
Center-console storage compartment
Privacy glass
Cargo-area tonneau cover (GX 460 Premium)

SEATING AND TRIM

Auburn bubinga wood interior trim
Leather-trimmed interior
Semi-aniline leather-trimmed interior (GX 460 Premium)
Leather-trimmed steering wheel and shift knob
Wood- and leather-trimmed shift knob and heated steering wheel (GX 460 Premium)
10-way driver’s and front passenger’s (including lumbar) power seats
Heated and ventilated front seats
Heated second-row outboard seats (GX 460 Premium)
Reclining, sliding, 60/40-split middle-row seat with 40/20/40 split seatback
Power fold-flat, 50/50-split third-row seat

COMMUNICATION, AUDIO AND NAVIGATION

Lexus nine-speaker Premium Sound System with Automatic Sound Levelizer (ASL) and in-dash, single-feed, six-disc CD auto-changer
SiriusXM Satellite Radio. ©Subscription required. 90-day trial subscription included
Bluetooth® audio profile for wireless integration of compatible music players with in-vehicle audio system
USB audio input for iPod®/compatible music player integration with audio system
Multi-information center-console display with integrated backup camera

INSTRUMENTATION AND CONTROLS

Steering-wheel-mounted audio, phone and display controls
Electroluminescent instrumentation with multi-information display
ECO Driving indicator
Auto on/off projector-beam halogen headlamps

See disclaimers on page 61.
STANDARD SAFETY AND SECURITY FEATURES

ACTIVE SAFETY

- Vehicle Stability Control (VSC)\textsuperscript{36}
- Four-wheel Active Traction Control (A-TRAC)
- Four-wheel ventilated power-assisted disc brakes
- Four-sensor, four-channel Anti-lock Braking System (ABS)
- Smart Stop Technology\textsuperscript{37}
- Brake Assist\textsuperscript{19}
- Electronic Brakeforce Distribution (EBD)
- Full-time four-wheel drive with TORSEN\textsuperscript{9} limited-slip center differential\textsuperscript{9} and differential lock
- Hill-start Assist Control (HAC)\textsuperscript{38}
- Downhill Assist Control (DAC)\textsuperscript{39}
- Direct Tire Pressure Monitor System\textsuperscript{40}
- Rain-sensing intermittent windshield wipers with mist cycle and deicer
- Intermittent rear-window wiper with washer
- Adaptive Front Lighting System (AFS)\textsuperscript{18} (GX 460 Premium)
- High-Intensity Discharge (HID) headlamps with dynamic auto-leveling and headlamp washers (GX 460 Premium)
- Daytime running lights
- Integrated foglamps
- LED taillamps
- Rear-window defogger with auto-off timer
- Power-adjustable outside mirrors with turn indicators, defoggers and auto tilt-down in reverse

PASSIVE SAFETY

- Driver’s and front passenger’s dual-stage airbag system (SRS)\textsuperscript{11}
- Front seat-mounted side airbags (SRS)\textsuperscript{11}
- Driver’s and front passenger’s knee airbags (SRS)\textsuperscript{11}
- Second-row outboard seat-mounted side airbags (SRS)\textsuperscript{11}
- Front-, second- and third-row Roll-Sensing Curtain Airbags (RSCA) (SRS)\textsuperscript{11}
- Active front headrests\textsuperscript{56}
- Three-point seatbelts for all seating positions
- Seatbelt pre-tensioners for front and outboard second-row seats. Force limiters for front seats
- Automatic Locking Retractor/Emergency Locking Retractor (ALR/ELR) seatbelts for all passenger seating positions. Emergency Locking Retractor (ELR) only for driver’s seat
- Height-adjustable front- and second-row shoulder belt anchors
- Child Restraint Seat anchor brackets for outboard second-row seats
- Highly rigid body structure with front and rear crumple zones
- Reinforced ladder-type frame
- Side-impact door beams and impact-dissipating upper interior trim
- Collapsible steering column

SECURITY

- Safety Connect\textsuperscript{60,13} features Automatic Collision Notification, Stolen Vehicle Location, an Emergency Assistance Button (SOS) and Enhanced Roadside Assistance\textsuperscript{23} connectivity. Subscription required. One-year trial subscription included
- Vehicle theft-deterrent and engine-immobilizer,\textsuperscript{31} with in-key transponder
- Tool kit
- First aid kit

See disclaimers on page 61.

- Electrochromic (auto-dimming), power-folding outside mirrors
- Intuitive Parking Assist

#### Comfort Plus Package (GX 460)
- Perforated semi-aniline leather-trimmed interior
- Wood- and leather-trimmed steering wheel and shift knob
- Heated rear seats
- Three-zone automatic climate control with interior air filter, smog sensor and automatic recirculation mode

#### Pre-Collision System with Driver Attention Monitor Package (GX 460)
- Pre-Collision System (PCS)
- Dynamic Radar Cruise Control
- Lane Departure Alert
- Intelligent high-beam headlamps

#### WIDE-VIEW FRONT AND SIDE MONITOR SYSTEM/PRE-COLLISION SYSTEM (PCS) WITH DRIVER ATTENTION MONITOR PACKAGE (GX 460 Premium)
- Wide-view Front and Side Monitor System
- Pre-Collision System
- Driver Attention Monitor
- Lane Departure Alert
- Intelligent high-beam headlamps

#### Navigation System (GX 460)
- HDD Navigation System including voice command, color LCD display and enhanced Bluetooth technology
- NavTraffic\(^{22, 24}\), XM NavWeather\(^{22, 24}\) and Sports and Stocks\(^{22, 24}\)
- 

#### Navigation System/Mark Levinson Premium Surround Sound Audio System Package
- Includes all Navigation System features plus:
  - Mark Levinson 17-speaker 330-watt, all channels driven, \(\leq 0.1\%\) THD, 20-20,000 Hz
  - Premium Surround Sound Audio System with Automatic Sound Levelizer (ASL), 7.1 architecture and in-dash, single-feed, six-disc DVD/CD auto-changer
