THE 2012 LS LINE

**LS 460 (RWD or AWD)**
4.6-liter V8, eight-speed sequential-shift automatic transmission, 18-in 10-spoke alloy wheels, multi-link suspension and 380 horsepower.

**LS 460 Sport (RWD)**
4.6-liter V8, eight-speed sequential-shift automatic, 19-in forged alloy wheels, Brembo® brakes, sport-tuned air suspension and 380 horsepower.

**LS 460 L (RWD or AWD)**
4.6-liter V8, eight-speed sequential-shift automatic, 18-in 10-spoke alloy wheels, multi-link suspension, long wheelbase and 380 horsepower.

**LS 600h L (AWD)**
5.0-liter V8 + high-output electric-drive motor, Electronically controlled Continuously Variable Transmission (ECVT), 19-in seven-spoke alloy wheels, long wheelbase and 438 total system horsepower.

Vehicles shown with available equipment.

From the day it launched the Lexus brand, the LS has been one step ahead of other luxury automobiles. Generation after generation, its attention to detail, innovative technology and unrivaled interior experience have raised the automotive bar. In fact, with four unique versions and multiple world’s first technologies on the 2012 LS, you might even say that surpassing tradition is becoming a tradition in itself.
FULL-TIME ALL-WHEEL DRIVE
The all-wheel drive system available on the LS Line—including the LS 600h L, the world’s first all-wheel drive V8 hybrid—distributes power to the wheels with the best grip. This helps improve traction and control while delivering the driver greater command during acceleration and cornering.

When developing the current-generation LS, engineers conducted numerous driving simulations to determine the ideal transmission for its 4.6-liter, 380-horsepower V8 engine. One that would offer the optimal blend of acceleration, fuel efficiency and fast, smooth shifting. Their conclusion: It hadn’t been invented yet. Countless hours, two gears and one monumental step later, the world’s first eight-speed automatic transmission emerged. Delivering all of the above, it offers a 0-to-60 time of 5.4 seconds. Isn’t progress fun?
An experience that's second-to-none requires craftsmanship and innovation of the same caliber. For instance, to ensure you and your passengers are well cared for, the LS features an available rear-seat cool box, soft leather trim that is among the finest in the industry and exquisite wood accents that are hand-selected for consistency throughout the cabin. To help you arrive sooner, available NavTraffic™ and NavWeather™ can provide real-time traffic and weather updates to the available Navigation System. And, to assist you once you arrive, an available Advanced Parking Guidance System™ can help you parallel park or back into spaces without touching the steering wheel.

Executive-Class Seating Package™
To help you make the most of the longer wheelbase on the LS 460 L and LS 600h L, this available package replaces the rear bench with two individual seats. The right-rear seat has power-reclining capability and includes amenities such as a swiveling console table, built-in ottoman-style leg rest, and an indulgent shiatsu massager. Learn more at lexus.com/LS/exec

Lexus Enform™ with Safety Connect™
Featuring everything from live, en route navigation assistance with finding top restaurants to the ability to request emergency services at the press of a button—or even in some cases, automatically—with available GPS-enabled service, drivers enjoy the pinnacle of both convenience and care. For more information, please visit lexus.com/LS/entform.

See inside back cover for more information regarding options/packages.
With immense power, an exclusive sport-tuned suspension and the same eight-speed paddle-shifting transmission found in the IS F, the LS 460 Sport has a way of making you forget you’re sitting in the lap of luxury. Add in 19-inch forged alloy wheels, Brembo performance brakes, downshift rev-matching and distinctive design elements like a perforated Black and Saddle Tan leather-trimmed interior with bolstered front sport seats, and it may change your definition of luxury altogether.

LS 460 Sport shown with available equipment.

Among its exclusive details, the LS 460 Sport features Black and Saddle Tan perforated leather interior trim, matte dark brown ash burl wood interior accents and a Sport leather-trimmed steering wheel with paddle shifters.
Its designations as the world’s first premium prestige luxury and AWD V8 hybrid are just two of the ways the LS 600h L has set itself apart from the competition. By pairing a 5.0-liter V8 gasoline engine with advanced hybrid technology, it’s remarkably efficient while delivering 438 total system horsepower. About what you’d get from a far less considerate 6.0-liter V12. At the same time, its acceleration is exceptionally smooth, quiet and, with a 0-to-60 time of 5.5 seconds, exhilarating. Combine this type of performance with our finest amenities, and you’ll realize we didn’t just set out to create the finest hybrid vehicle. We set out to create the finest vehicle, period.

**HYBRID LEADERSHIP**
Lexus introduced the world’s first luxury hybrid more than six years ago. Now, with more than 94% of all luxury hybrids on the road today, nearly six billion miles and six generations of hybrid technology behind us, our commitment to creating the most advanced luxury hybrid vehicles in the world couldn’t be stronger.

**THIN FILM TRANSISTOR DISPLAY**
The instrument cluster in the LS 600h L uses a crisp Thin Film Transistor display to provide the driver with a variety of information, from turn-by-turn directions and hybrid energy consumption to menus where you can personalize settings for your vehicle.

**LED HEADLAMPS**
The LS 600h L features the world’s first low-beam LED headlamps. In addition to providing improved efficiency and an extended life, they illuminate faster, brighter and offer greater light distribution than headlamps equipped with conventional bulbs.
FORWARD-LOOKING in every way

Engineering the vehicles of the future sometimes requires engineering ways to see into it. Available Dynamic Radar Cruise Control™ is designed to automatically reduce your speed and even apply the brakes to help maintain a pre-set following distance from a vehicle traveling ahead. And, to help illuminate more of the road while cornering, the Adaptive Front Lighting System® pivots the left headlamp up to 20 degrees and the right up to 10 degrees. Available intelligent high-beam headlamps, meanwhile, continuously monitor ambient light and the lights of vehicles ahead. If an oncoming vehicle is detected while in high-beam mode, the system automatically switches the LS headlamps to low-beam out of consideration for other drivers.

ADVANCED PRE-COLLISION SYSTEM

The available Advanced Pre-Collision System (APCS) detects and warns the driver of potential collisions, and can automatically apply the brakes if you do not respond. The system can also warn the front passenger if an imminent crash is likely. And, if the vehicle is detected and traffic conditions allow, the available Pre-Collision System with Automatic Braking can automatically apply the brakes to help avoid or reduce the severity of a collision.

DRIVER ATTENTION MONITOR

Available Driver Attention Monitor™ uses a camera and sensor to continually monitor your face to determine if your eyes are focused on the road. If the system determines you are drifting, it can warn you, and take corrective measures to help steer you back into the lane.

LANE KEEP ASSIST

Part of the available Advanced Pre-Collision System® and available Lane Departure Warning™, lane keep assist is designed to help keep you in your lane and avoid the need to make lane changes.

**WHEELS**

- 18-in 10-spoke alloy wheels® AVAILABLE LS 460 L (RWD and L 460L)
- 19-in five-spoke alloy wheels® AVAILABLE LS 460 (RWD and L 460L)
- 19-in seven-spoke alloy wheels® AVAILABLE LS 460 L (RWD and L 460L)

**STANDARD LUXURY FEATURES** (Abbreviated list)

- LED headlamps with dynamic auto leveling (LS 460, LS 460 L)
- LED taillamps
- Daytime running lights
- Automatic Sound Levelizer (ASL), in-dash, single-feed, six-disc CD auto-
  changer (LS 460, LS 460 L)
- Electronic TFT instrumentation (LS 600h L)
- Lexus memory System to control power driver’s seat (except lumbar), outside
  mirrors and steering wheel
- Power tilt-and-telescopic steering column
- Power windows and tilt-and-slide moonroof with one-touch open/close
- Outside mirrors and steering wheel
to operate compatible garage, gate, home lighting and home security systems
- Rain-sensing intermittent windshield wipers with mist cycle and deicer (LS 460 L)
- Remote vehicle purring available as part of the Rear-Seat Upgrade Package (LS 460 L, LS 600h L)

**SAFETY AND SECURITY FEATURES**

- Vehicle Dynamics Integrated Management (VDIM®) and Traction Control (TRAC)
- Four-wheel ventilated power-assisted disc brakes with Electronic Controlled
  Braking (ECB), four-sensor, four-channel Anti-lock Braking System (ABS), Brake
  Assist® and Electronic Brakeforce Distribution (EBD)
- Smart Stop Technology®
- Direct Tire Pressure Monitor System®
- Four-wheel ventilated power-assisted disc brakes
- Laminated side glass (LS 460L, LS 600h L) and water-repellent front-door glass
- Adjustable, auto-folding outside mirrors with turn indicators, defoggers, puddle lamps and auto tilt-down in reverse
- Rain-sensing intermittent windshield wipers with mist cycle and deicer (LS 460 L)
- Rear-window defogger with auto-off timer
- High-Intensity Discharge headlamps with dynamic auto leveling (LS 460 L)
- Intelligent high-beam headlamps (LS 460 L, LS 600h L)
- LED headlamps with dynamic auto leveling (LS 600h L)
- Dual-view Adaptive Front Light System (AFS®) with high-beam washers (LS 460 L, LS 600h L)
- Automatic Locking Retractor/Emergency Locking Retractor (LAS/ELR) for
  rear outboard seating positions. Emergency Locking Retractor (LAS/ELR) only for driver’s seat
- Height adjustable front shoulder belt anchors
- Child Restraint Seat (CRS) tether anchor brackets for rear outboard seating positions
- High-grip body structure with front and rear capsule zones
- Side-impact door beams
- Reinforcements in pillars and door sills
- Impact-displacing upper interior trim
- Collapsible steering column

**LUXURY AND CONVENIENCE**

- SmartAccess™ with push-button Start/Stop, SmartAccess™ key, and key
  (LS 460 L)
- Remote-linked window/door oper and closing
- Dual-zone automatic climate control with interior air filter, ozone sensor and automatic recirculation mode
- Lexus Memory System to control power driver’s seat (except lumbar), outside mirrors and steering wheel
- Lexus Remote Touch Interface: Power driver’s seat (except lumbar), outside mirrors and steering wheel
- Power window and telescopic steering column
- Power windows and tilt-and-slide moonroof with one-touch open/close
- Electrochromic (auto-dimming) inside rearview mirror and outside mirrors
- Power door closers and power trunk open/close (LS 460 L, LS 600h L)
- HomeLink® universal transceiver to operate compatible garage, gate, home lighting and home security systems
- Power rear sunshade: LS 460 L, LS 600h L, power rear-door sunshades (LS 460 L)
- Advanced Parking Guidance System® (LS 600h L)
- Intuitive Parking Assist (LS 460 L, LS 600h L)
- Scuff- resistant clearcoated paint

**SEATING AND TRIM**

- Medium brown velour, dark gray bird’s-eye maple or matte dark brown ash
  burl trim
- Leather trimmed: LS 460 L, LS 600h L
- Semi-aniline leather- trimmed interior with Alcantara® headliner and leather-trimmed instrument panel (LS 600h L)
- Heated steering wheel (AWD models, LS 460 L, LS 600h L)
- Wood- trimmed interior: LS 600h L
- Wood- trimmed interior: LS 600h L
- Bi-view driver’s (including dual function/lumbar) with auto slide-away and 12-way front passenger’s (including lumbar) power seats
- Climate- comfort front seats with heated toughness (LS 460 L, LS 600h L)
- Heated rear seats and heated/sterling interior heater (LS 460 L)
- Height-adjustable headrests for all seats

**COMMUNICATION, AUDIO AND NAVIGATION**

  Subscription required: One-year trial subscription included (LS 600h L)
- Multi-information center-console display with integrated backup camera® and Enhanced Bluetooth® technology (LS 600h L, LS 460 L)
- Lexus 10 speaker Premium Sound System with Digital Sound Processor, Automatic Sound Levelizer, rear display, single-speed, six-disc CD changer (LS 460, LS 460 L)
- Mark Levinson® 19 speaker Reference Surround Sound Audio System® with in-dash, single-speed, six-disc DVD/CD changer (LS 600h L)
- SiriusXM Satellite Radio® Subscription required. 90-day trial subscription included
- NavTraffic®, NavWeather® and Sports and Stocks®, Subscription required.
  90-day trial subscription included (LS 600h L)
- USB input and Bluetooth® wireless audio® profile integration of compatible music players and audio system and AUX inputs and rear headphone jacks

**INSTRUMENTATION AND CONTROLS**

- Steering-wheel mounted audio, phone and display controls
- Electronic TFT instrumentation (LS 600h L)
- Electrochromic instrument with TFT multi-information display (LS 460, LS 460 L)
- Illuminated interior electronic trunk lid and fuel filler door releases
- ECO indicator, ECO mode

**OPTION PACKAGES**

**SPORT PACKAGE (RWD only)**
- Brembo brake®
- 19-in split 10-spoke forged alloy wheels with summer tires®
- Sport-tuned air suspension with VGRS®
- Sport exterior trim and grille
- Black with Saddle Tan accent perforated leather interior trim, matte dark brown with burl wood interior trim, Sport front seats and heated Sport steering wheel with paddle shifters

**COMFORT PACKAGE**
- Wood- and leather-trimmed heated steering wheel (standard on AWD)
- Climate-comfort front seats with heated/cool, heated rear seats
- Intuitive Parking Assist
- Power rear sunshade
- Headlamp washers
- Power door closer and one-touch power trunk open/close

**COMFORT PLUS PACKAGE**
- Includes all Comfort Package features plus:
  - Semi-airline leather-trimmed interior
  - Climate-comfort power rear seats with power-adjustable butterfly headrests, memory and power lumbar massage and adjustment for outboard seats
  - Rear-seat side airbags (SRP)

**NAVIGATION SYSTEM/MARK LEVINSON REFERENCE SURROUND SOUND AUDIO SYSTEM PACKAGE**
- HDD Navigation System® including voice command, color LCD display and Enhanced Bluetooth technology®
- Lexus Enform®
- Ultra Destination Assist, all Destination and Lexus Insider Subscription required. One-year trial subscription included
- NavTraffic®, NavWeather®, Lexus Enform® and Sports and Stock® Subscription required. 90-day trial subscription included
- Mark Levinson® 11-speaker Reference Surround Sound Audio System™ with in-dash, single, six-disc DVD/CD auto-changer

**NAVIGATION SYSTEM/MARK LEVINSON REFERENCE SURROUND SOUND SYSTEM/ADVANCED PARKING GUIDANCE SYSTEM PACKAGE**
- Includes all Navigation System/Mark Levinson Reference Surround Sound Audio System Package features plus:
  - Advanced Parking Guidance System®

**OPTION PACKAGES**

**PREMIUM PACKAGE II**
- Four-zone automatic climate control with interior air filter, smog sensor, automatic recirculation mode and rear-seat Air Purifier
- Rear-seat side airbags (SRP)
- Climate-comfort power rear seats with power-adjustable butterfly headrests, memory and power lumbar massage and adjustment for outboard seats
- Rear-Seat Entertainment System (RSES) with power nine-inch screen and wireless headphones®

**EXECUTIVE-CLASS SEATING PACKAGE II**
- Includes all Premium Package II features plus:
  - Four-person seating with rear fixed console®
  - Rear-seat infrared temperature sensor for four-zone climate control
  - Right-rear power recliner with multifunction massage, adjustment and leg rest®
  - Rear-seat wood-trimmed table
  - Rear-Seat Entertainment System (RSES) with power nine-inch screen and wireless headphones®

**APPEARANCE PACKAGE**
- 19-in five-spoke alloy wheels (RWD)®
- Sport exterior trim and grille

**COLD WEATHER PACKAGE**
- Windshield wiper deicer
- Enhanced interior heater
- Higher-capacity battery

**LUXURY PACKAGE**
- Semi-airline leather-trimmed interior with Alcantara headliner
- Power rear-door sunshades

**REAR-SEAT UPGRADE PACKAGE**
- Includes all Luxury Package features plus:
  - Four-zone automatic climate control with interior air filter, smog sensor, automatic recirculation mode, rear-seat Air Purifier and cool box
  - Climate-comfort power rear seats with power-adjustable butterfly rear headrests, memory and power lumbar massage and adjustment for outboard seats
  - Rear-seat audio controls
  - Rear-seat side airbags (SRP)

**EXECUTIVE-CLASS SEATING PACKAGE (Special order only)**
- Includes all Rear-Seat Upgrade Package features plus:
  - Four-person seating with rear fixed console®
  - Rear-seat infrared temperature sensor for four-zone climate control
  - Right-rear power recliner with multifunction massage, adjustment and leg rest®
  - Rear-seat wood-trimmed table
  - Rear-Seat Entertainment System (RSES) with power nine-inch screen and wireless headphones®

Lexus strives to build vehicles to match customer interest, and thus they are typically built with popular options and option packages. Not all options/packages are available separately, and some may not be available in all regions of the country. See lexus.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with fewer options, contact your Lexus dealer or call Lexus Financial Services at 800-874-7050.

1. 18- and 19-in performance tires are expected to experience greater tire wear than conventional tires. Tire life may be substantially less than 15,000 miles, depending on driving conditions.
2. Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher. If premium fuel is not used, performance will decrease.
3. High-friction brakes require periodic inspection and measurement as outlined in the Warranty and Services Guide. The pads and rotors are expected to experience greater wear than conventional brakes. Pad life may be less than 20,000 miles, and brake rotor life may be less than 50,000 miles, depending on driving conditions.
4. Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers using special safety equipment and procedures. Do not attempt.
5. Availability and accuracy of the information provided by the Navigation System or any SiriusXM services mentioned (if installed) are dependent upon many factors. Use common sense when relying on information provided. Services are not available in every city or roadway. Periodic Navigation updates available at additional cost. Please see your Navigation System Owner’s Manual for details. SiriusXM services require a subscription after trial period. Subscriptions governed by SiriusXM Customer Agreement available at siriusxm.com. If you decide to continue your SiriusXM service at the end of your complimentary trial, the plan will choose will automatically renew and bill at then-current rates unless you call 1-800-967-2346 to cancel. Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and the District of Columbia with a valid smart device, a Wi-Fi® connection, an Apple® or Android(TM) device, and Dutchess County, NY. Please refer to the vehicle’s and/or mobile device’s User Manual for information about usage, programming, and availability.
6. SiriusXM services require a subscription after trial period. Subscriptions governed by SiriusXM Customer Agreement available at siriusxm.com. If you decide to continue your SiriusXM service at the end of your complimentary trial, the plan will choose will automatically renew and bill at then-current rates unless you call 1-800-967-2346 to cancel. Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and the District of Columbia with a valid smart device, a Wi-Fi® connection, an Apple® or Android(TM) device, and Dutchess County, NY. Please refer to the vehicle’s and/or mobile device’s User Manual for information about usage, programming, and availability.
7. Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and the District of Columbia with a valid smart device, a Wi-Fi® connection, an Apple® or Android(TM) device, and Dutchess County, NY. Please refer to the vehicle’s and/or mobile device’s User Manual for information about usage, programming, and availability.
8. Obey speed limits and use a seatbelt. Do not drive distracted. Keep your eyes on the road and your hands on the wheel. The Pre-Collision System is designed to help reduce the crash speed and damage in certain frontal collisions only. It is not a collision-avoidance system and is not a substitute for safe and attentive driving. System effectiveness depends on many factors. Please see your Owner’s Manual for further details.
10. Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and the District of Columbia with a valid smart device, a Wi-Fi® connection, an Apple® or Android(TM) device, and Dutchess County, NY. Please refer to the vehicle’s and/or mobile device’s User Manual for information about usage, programming, and availability.
11. Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and the District of Columbia with a valid smart device, a Wi-Fi® connection, an Apple® or Android(TM) device, and Dutchess County, NY. Please refer to the vehicle’s and/or mobile device’s User Manual for information about usage, programming, and availability.
12. Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and the District of Columbia with a valid smart device, a Wi-Fi® connection, an Apple® or Android(TM) device, and Dutchess County, NY. Please refer to the vehicle’s and/or mobile device’s User Manual for information about usage, programming, and availability.
13. Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and the District of Columbia with a valid smart device, a Wi-Fi® connection, an Apple® or Android(TM) device, and Dutchess County, NY.
