Unwavering performance standards.
Track-proven engineering.
Class-leading engine size.

Because crafting a performance vehicle to exceed all expectations means nothing if it doesn’t lead to the experience of something greater.

The 2019 Lexus RC F.

*Experience Amazing*
The 2019 RC F

467-horsepower 5.0-liter V8, eight-speed Sport Direct Shift transmission with Manual-mode torque converter lockup in gears two through eight; an available Torque Vectoring Differential with Station, Track, and Standard modes; F-Adaptive Variable Suspension with adjustable damping; digital instrumentation with G-force display and lap-time counter; and speed-activated rear wing.

RC F shown in Nebula Gray Pearl // Options shown
Obsessively engineered for optimal aerodynamics, a low-set front fascia channels air through the vented hood, while signature F-vented and flared fenders with front ducts channel airflow and help reduce brake fade.

Options shown
Meticulously engineered from the ground up, the RC F boasts specialized manufacturing techniques like high-strength adhesive bonding, laser brazing, and multi-spot and laser screw welding, which add rigidity to help optimize handling stability and response.
The RC F was honed from the most dominating Lexus vehicles ever built, at tracks like Fuji Speedway and other iconic proving grounds. Through exhaustive testing and tuning, the RC F was painstakingly developed to provide an optimum balance of visceral power and control. Infused with the DNA of the RC F GT3 racing program, the 2019 RC F delivers razor-sharp handling with white-knuckle acceleration.

TRACK BORN

From compulsive engineering that demands respect on the circuit comes impulsive performance for the road.
The largest V8 in its class. And the only one that’s naturally aspirated.

Forged from the asphalt up, the RC F’s specially tuned 467-horsepower 5.0-liter V8 is not only the largest engine in its class, it’s an unprecedented feat of precision engineering. Making this powerful V8 even more stirring, it emits a throaty, specially tuned intake and exhaust sound as it screams to its impressive 7,300-rpm redline. The RC F’s lightning-fast eight-speed Sport Direct-Shift transmission with downshift rev-matching features optimally positioned paddle shifters for split-second upshifts all the way to its 168-mph top track speed.

Engineering a deft performance vehicle to carve through slalom courses or dominate straightaways requires an optimal balance of innovative components, like lightweight titanium valves and high-strength, forged connecting rods. A brisk 4.4-second zero to 60 is the result.
UNPRECEDENTED LEVELS OF AGILITY

Grab hold of the pavement with superior handling and enhanced response.

Engineered to conquer the road, 70% of the lightweight double-wishbone-type front and multilink rear suspension components were designed specifically for the RC F. Delivering performance on demand, an advanced F-Adaptive Variable Suspension features variable levels of damping that can react to road conditions in real time, stiffening for enhanced response, based on the mode selected. Drive Mode Select offers five unique settings, including a Custom mode for the ultimate in driver personalization.

MASSIVE STOPPING POWER OF BREMBO® BRAKES

Reining back a high-performance machine requires serious stopping power. With 14.9-inch front rotors clamped by massive six-piston aluminum monoblock Brembo calipers, these high-performance brakes feature high-friction pads and a fast-cooling, slotted rotor design to help reduce brake fade. For distinctive style, the available orange calipers feature an iconic F logo.

5 performance drive modes

RCF shown in Flare Yellow® // Options shown
Experience even more exhilaration with the RC F Performance Package’s exclusive carbon fiber components, fabricated at the same workshop used to develop those on the world-renowned LFA supercar. With distinctive style and the same structural rigidity as standard steel components, the carbon fiber roof and speed-activated rear wing both help to reduce weight for more responsive handling.

For added agility, the RC F offers a Torque Vectoring Differential. Designed to improve performance with three driver-selectable modes—Standard, Slalom and Track—it can respond in one-thousandth of a second to vary torque distribution according to cornering conditions. By sending more power to the outside rear tire, it helps propel the RC F around turns for enhanced agility, while helping you to hold your line with ultimate precision.

The RC F Performance Package delivers exclusive handling technology and carbon fiber components.

For added agility, the RC F offers a Torque Vectoring Differential. Designed to improve performance with three driver-selectable modes—Standard, Slalom and Track—it can respond in one-thousandth of a second to vary torque distribution according to cornering conditions. By sending more power to the outside rear tire, it helps propel the RC F around turns for enhanced agility, while helping you to hold your line with ultimate precision.
For optimal performance and control, exclusive F-badged high-back sport seats embrace you from hip to shoulder. Their unique design is constructed to disperse body pressure, increase support, and help hold you firmly through turns. The stitching pattern on the seats was inspired by specially crafted athletic sportswear and is carefully calculated to help provide greater muscular support and grip in high-G situations.

COMMAND AND CONTROL

Optimized for high-G circuit driving, exclusive precision-crafted sport seats grip you as firmly as you grip the road.
TRACK READY
Exhilarates with race-inspired details.

A bold digital tachometer keeps up with rapid revs in the gauge cluster, as a full-color LCD display shows drive mode, gear position, G-force, lap times and customizable displays. Large paddle shifters are positioned for faster gear changes, and a thick-grip steering wheel feels as if it were specifically molded to your hands. And, at speeds above 50 mph, the RC F deploys its speed-activated rear wing for additional downforce.
UNCOMPROMISING TECHNOLOGY

From available Wi-Fi to available Mark Levinson® surround sound, every innovation is designed to thrill.

The RC F doesn’t just connect you to the road—it connects you, period. In addition to available onboard Wi-Fi™ capability, it offers a large 10.3-inch high-resolution multimedia display with split-screen access and full-screen map view. The Remote Touchpad® is more than just a way to access multimedia and climate controls or available Navigation. It features a large touch-surface area and intuitive operation via pinch, swipe and flick gestures—just like your smartphone. Then, for sound without compromise, the available 17-speaker, 835-watt Mark Levinson® Premium Surround Sound Audio System® envelops occupants in three-dimensional sound that rivals even the finest home audio systems.

DELIVERY AND TECHNOLOGY SPECIALISTS

To help you get the most out of these and other Lexus features, a Vehicle Delivery Specialist will walk you through nearly every setting and function you desire. And to answer questions that arise after delivery, a Vehicle Technology Specialist can offer expert guidance in person or without you ever leaving the driveway via camera-enabled apps like FaceTime™. Learn more about these complimentary services at lexus.com/specialists.
**PEACE OF MIND, STANDARD**

Introducing Lexus Safety System+, an integrated suite of class-leading standard active safety equipment.*

---

**PRE-COLLISION SYSTEM WITH PEDESTRIAN DETECTION**

This system is engineered to detect a vehicle or a pedestrian in the path of your Lexus under certain conditions. Should it determine a frontal collision is imminent, it’s designed to automatically prepare Brake Assist for increased brake force and, in some cases, can even automatically brake the vehicle to a stop.

---

**LANE DEPARTURE ALERT WITH STEERING ASSIST**

This system utilizes a camera to monitor visible lane markings. If an inadvertent lane departure, or potential departure due to swaying, is detected at speeds above 32 mph, the system is designed to warn you so that you can steer back into the lane, and can even take corrective measures to help keep you within your visibly marked lane.

---

**HIGH-SPEED DYNAMIC RADAR CRUISE CONTROL**

This system uses radar and camera technology to help you maintain a preset speed and following distance from the vehicle ahead. If you get closer than the preset distance, the throttle is automatically reduced and the brakes may be applied. As soon as the road ahead clears, your Lexus returns to its preset speed.

---

**INTELLIGENT HIGH BEAMS**

To help provide greater visibility for you as well as other drivers, Intelligent High Beams offer added illumination to help keep you focused on the road. When the road ahead is clear, the system defaults to high-beam mode, then temporarily switches to low beams when it senses the headlamps or taillamps of vehicles ahead.

---

LEXUS SAFETY SYSTEM +

RC F shown in Caviar / Options shown.
LEXUS ENFORM
From onboard Wi-Fi to concierge access, this is our most sophisticated connectivity suite yet.

WI-FI
Take entertainment to go. Lexus Enform\textsuperscript{19} includes onboard Wi-Fi. Up to five devices can connect—tablets, laptops, smartphones—dramatically extending tech capability for you and your passengers. Lexus Enform Wi-Fi includes a 4GB one-year complimentary trial.

REMOTE
With the added convenience of accessibility from your smartwatch or Amazon Alexa\textsuperscript{20}-enabled\textsuperscript{20} devices at home, the Lexus Enform Remote\textsuperscript{21} mobile app can help you remotely start the engine, lock and unlock doors, check the status of doors and windows as well as your fuel level, and can help find your vehicle’s location in a parking lot. And, should you loan your Lexus to another driver, you can receive instant alerts if, for example, a preset speed or mile limit is exceeded. Lexus Enform Remote is complimentary for the first year of ownership.

APP SUITE 2.0
Lexus Enform App Suite 2.0\textsuperscript{19} offers access to your favorite mobile applications through your vehicle’s center-console display. After downloading the app on your compatible smartphone, you can search local listings, stream music, listen to live radio nationwide, check fuel prices, and keep tabs on your stocks and sports scores—all from the center-console display. And, with Dynamic Voice Command\textsuperscript{22} accessing and controlling App Suite 2.0 features is easier than ever.

DYNAMIC NAVIGATION
To help you get even more out of the available Navigation System,\textsuperscript{9} available Lexus Enform Dynamic Navigation\textsuperscript{19,22} offers greater accuracy through continuous cloud-based updates. In addition to up-to-date maps, it can dynamically offer alternate routes based on conditions ahead, and can automatically sort Points of Interest results based on relevance. Lexus Enform Dynamic Navigation is complimentary for the first three years of ownership.

DESTINATION ASSIST
The available Lexus Enform Destination Assist\textsuperscript{19} offers convenient 24-hour access to a live response center agent to help you locate a specific business, address or point of interest. If you’re searching for a restaurant, the agent can help you narrow your choices by distance or type of cuisine, and remotely send the destination to your vehicle’s Navigation System.\textsuperscript{9} Destination Assist is complimentary for the first year of ownership.

SAFETY CONNECT
Lexus Enform Safety Connect\textsuperscript{23} offers you the peace of mind of knowing that Roadside Assistance\textsuperscript{24} can be there when you want it most. Whether you’re involved in a collision and unable to call for help, your vehicle is stolen, or there is any other type of emergency, assistance can be sent directly to your vehicle’s GPS location. Safety Connect is complimentary for the first 10 years of ownership.

SERVICE CONNECT
Lexus Enform Service Connect\textsuperscript{25} offers remote access to information about your vehicle’s status and maintenance needs. Easily accessed through LexusDrivers.com or the Lexus Drivers mobile app, you can get information on everything from your vehicle’s fuel level and mileage to maintenance alerts and Vehicle Health Reports. Service Connect is complimentary for the first 10 years of ownership.
**STANDARD ON EVERY RC F**

- LED headlamps and daytime running lights
- TORSEN® limited-slip rear differential
- F-Adaptive Variable Suspension
- Speed-activated rear wing
- 10-way power-adjustable driver’s seat and eight-way front passenger’s sport seat
- Rear-seat armrest with trunk pass-through
- NuLuxe interior trim
- Dual-zone climate control with interior air filter, smog sensor and automatic recirculation mode
- Electrochromic (auto-dimming) rearview mirror
- SmartAccess® with push-button Start/Stop
- LFA-inspired instrumentation including G-force display and lap timer
- Drive Mode Select with Sport S/S+ and Custom modes
- Paddle shifters
- Remote Touchpad®
- Lexus Multimedia System® with 7.0-in color display and compatible Scout® GPS Link™ with MapStream™ and TurnStream™ modes. Complementarity for the first three years of ownership.
- Subscription-free Traffic and Weather updates via HD Radio™
- Bluetooth® and USB, smartphone connectivity
- Dynamic Voice Command® and Siri® Eyes Free®
- Lexus 10-speaker Premium Sound System
- Lexus Enform Wi-Fi. Complimentary 4GB one-year trial is included.
- Lexus Enform Remote® app and Amazon Alexa® compatibility. Complementarity for the first year of ownership.
- Backup camera
- Eight standard airbags
- Vehicle Dynamics Integrated Management
- Complimentary maintenance services (please refer to the Warranty and Services Guide for details)

**INDIVIDUAL OPTIONS**

- C Premium Triple-Beam LED headlamps
- Leather interior trim
- Intuitive Parking Assist
- Power moonroof
- Orange Brembo brake calipers

**ACCESSORIES**

- D ILLUMINATED DOOR SILLS
- Illuminated door sills include a protective stainless-steel overlay.
- CARPET TRUNK MAT
- Keeps your trunk looking like new.
- ALL-WEATHER FLOOR LINERS
- Tub-style perimeter design helps provide optimal protection and an ideal fit.
- CARGO NET
- An innovative cargo net with integrated storage pouch.
- REAR BUMPER APPLIQUE
- Helps protect your bumper from scratches, gouges and marring.
- PAINT PROTECTION FILM® BY 3M™
- Protects your car with a durable, nearly invisible urethane film.
- DOOR EDGE GUARDS
- Help protect your vertical door edges from dings and chips.

LEXUS EXPERIENCE AMAZING

lexus.com/P9-3490 (05/18) 00217RCFBRO19 Printed in U.S.A. (7M) ©2018 Lexus

WARRANTY Four-year/50,000-mile Lexus Limited Warranty. Six-year/70,000-mile Powertrain Warranty. Six-year/unlimited-mileage Corrosion Perforation Warranty. All warranties have zero deductible. See the Warranty and Services Guide for your Lexus dealer for details.

DISCLOSURES 1. 2019 RC F vs. 2018 competitors. Information from manufacturers’ websites as of 3/13/2018. 2. Ratings achieved using the required unleaded gasoline with an octane rating of 91 or higher. If premium fuel is not used, performance will decrease. 3. Ultrasonic Blue Mica 2.0, Flare Yellow and Infrared available for an additional charge. 4. Racetrack is available to public. RC F GT features are available to public with prototype vehicles, by professional drivers using special safety equipment and procedures. Do not attempt. 5. High-friction brakes require periodic inspection and measurement as outlined in the Warranty and Services Guide. The pads and rotors are expected to experience greater wear than conventional brakes. Pad life may be less than 200,000 miles, and brake rotors may last up to 200,000 miles depending on driving conditions. It is recommended that you inspect this high-performance brake system that brake noise/ squeal may result. 6. Lexus Enform Wi-Fi is available on select 2019 Lexus vehicles. Visit lexus.com for vehicle availability. 7. lexus.com is a registered trademark of Toyota Motor Corporation. 8. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. 9. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Availability & accuracy of the information provided by the Navigation System is dependent upon many factors. Use common sense when relying on information provided. Services & program subject to change. Services not available in all cities or roadway. Updates may be available from your dealer at an additional cost. See Owner’s Manual for details. 10. Mark Levinson® is a registered trademark of Harman International Industries, Inc. 11. FaceTime™ is a registered trademark of Apple Inc. All rights reserved. 12. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. System effectiveness is dependent on many factors including road, weather, and vehicle conditions. See Owner’s Manual for additional limitations and details. 13. The Lexus Safety System+ Pre-Collision System is designed to help detect a pedestrian ahead of the vehicle, determine if impact is imminent and help reduce impact speed. It is not a substitute for safe and attentive driving. System effectiveness depends on many factors such as speed, size, position of pedestrians, and weather, light and road conditions. See Owner’s Manual for additional limitations and details. 14. The Pedestrian Detection System is designed to detect a pedestrian ahead of the vehicle, determine if impact is imminent and help reduce impact speed. It is not a substitute for safe and attentive driving. System effectiveness depends on many factors including road, weather, and vehicle conditions. See Owner’s Manual for additional limitations and details. 15. Dynamic Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors, including road, weather, and traffic conditions. See Owner’s Manual for additional limitations and details. 16. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather, and vehicle conditions. See Owner’s Manual for additional limitations and details. 17. Dynamic Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors, including road, weather, and traffic conditions. See Owner’s Manual for additional limitations and details. 18. Intelligent High Beams operate at speeds above 25 mph. Factors such as a dry windshield, weather, lighting and terrain limit effectiveness, requiring the driver to intervene to keep high beams on or off. See Owner’s Manual for details. 19. The display shows the approximate range of objects the system is aware of during road and traffic conditions at all times. Displays varies by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps & services subject to change. See lexus.com/form for details. 20. Amazon Alexa™ is a trademark of Amazon Technologies, Inc. 21. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so. All Google™ marks, including “Android™,” “Google Maps™,” “Google Assistant™,” and “Gmail™” are trademarks of Google LLC. Use of Google Maps and other services is subject to the applicable Google™ license agreement. 22. Siri® is a registered trademark of Apple Inc. All rights reserved. 23. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. System effectiveness is dependent on many factors including road, weather, and vehicle conditions. See Owner’s Manual for additional limitations and details. 24. Roadside Assistance coverage. See Lexus dealer for details. 25. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Availability & accuracy of the information provided by the Dynamic Navigation system and Dynamic Voice Command is dependent upon many factors. Use common sense when relying on information provided. Services & program subject to change. Services not available in every city or roadway. Actual voice commands require a smartphone subscription required after a 30-day trial period. Contact your local dealer for details. 26. Preliminary mileage estimates determined by Lexus. EPA mileage estimates are not available at time of publishing. Actual mileage may vary. 27. TORSEN® is a trademark of Zexel Torksen, Inc. 28. The SmartAccess system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. 29. The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a SmartAccess fob into the vehicle, the engine knows an electronic code to the vehicle. 30. To install the system, contact your local Lexus dealer or call Lexus Financial Services at 800-874-7050. 31. Genuine Lexus Paint Protection is available to public with prototype vehicles, by professional drivers using special safety equipment and procedures. Do not attempt. 32. Ensure you obey traffic regulations and maintain awareness of road and traffic conditions at all times. HD Radio™ Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD Radio, HD Radio, and “Arc” logos are proprietary trademarks of iBiquity Digital Corp. 33. Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you. The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc., and any use of such marks by Lexus is under license. A compatible Bluetooth® enabled phone must first be paired. Phone performance depends on software, coverage & carrier. 34. May not be compatible with all mobile phones, MPS/WMA players and like models. 35. Always drive safely, obey traffic laws & focus on the road while driving. System effectiveness is dependent on many factors, including road, weather, and vehicle conditions. See Owner’s Manual for additional limitations and details. 36. All the airborne systems are Supplemental Restraint Systems. All airbags (if installed) deploy when necessary, subject to many conditions and in certain types of severe collisions. To decrease the risk of injury, always wear your seat belt and use your mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See Owner’s Manual for additional limitations and details. 37. Vehicle Dynamics Integrated Management (VDIM) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VDIM will be effective in preventing a loss of control. See Owner’s Manual for additional limitations and details. 38. Intuitive Parking Assist (IPA) is designed to assist drivers in avoiding potential collisions at speeds of 9 mph or less. Certain vehicle and environmental factors, including an object’s speed, shape, size and composition, may affect the system’s effectiveness. Always look around outside the vehicle and use mirrors to confirm clearance. See Owner’s Manual for additional limitations and details. 39. All-weather floor liners are model-specific with model names. Floor liners are designed for use in a specific model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each liner must be secured with its fasteners. Do not install a floor liner on top of an existing floor liner. 40. Genuine Lexus Paint Protection Film by 3M™ is designed for specific sections of the hood and front fenders. Depending on the model, it may also be applied to select portions of the front bumper for an additional charge. Lexus Genuine Accessory Warranty will only apply when the installation is performed by a trained Lexus-approved installer. See Lexus dealer for details. 41. 2018 Kelly Blue Book Brand Image Awards are based on the Brand Watch™ study from Kelley Blue Book Strategic Insights. Award calculated among non-luxury shoppers. For more information, visit www.kbb.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc. Do not rely exclusively on the Blind Spot Monitor. Always look around outside the vehicle and use your mirrors to confirm rearward clearance. There are limitations to the function, detection and range of the system. See Owner’s Manual for additional limitations and details. 42. Clari-Fi™ is a registered trademark of Harman International Industries, Inc. 43. Performance times are expected. Actual experience greater tire wear than conventional tires. For life may be substantially less than 15,000 miles, depending on driving conditions. Lexus strives to build vehicles to match customer interest, and thus they typically are built with popular options and option packages. Not all options/packages are available separately, and some may not be available in all regions of the country. See lexus.com for information about options/packages commonly available in your area. If you would prefer to get a different option, contact your dealer to discuss your options. For more information, contact your Lexus dealer or call Lexus Financial Services at 800-874-7050.
