NEVER LOSE YOUR EDGE.

RX 350
270-hp, 3.5-liter V6, dual Variable Valve Timing with intelligence (VVT-i) and a six-speed Electronically Controlled Transmission with intelligence (ECT-i). Available with full-time all-wheel drive.

RX 350 F SPORT
Boasting performance enhancements like an eight-speed Electronically Controlled Transmission with intelligence (ECT-i) and paddle shifters, standard all-wheel drive and suspension tuned for precise response.

RX 450h
An Atkinson-cycle 3.5-liter V6, Lexus Hybrid Drive and an Electronically controlled Continuously Variable Transmission with intelligence (ECVT-i). Class-leading1 30 mpg combined rating.2 295 total system horsepower.3 Available with all-wheel drive.
FOR RESPONSIBILITY. AND FREEDOM FROM IT.

THE EXCEPTIONALLY VERSATILE 2014 RX LINE.

RX F SPORT shown in Obsidian.
Looking for even more edge? In addition to exclusive bold styling inside and out, the RX F SPORT offers the invigoration of enhanced performance features: 19-in alloy wheels, standard all-wheel drive, a sport-tuned suspension and an eight-speed automatic transmission with paddle shifters.
Inside, a dual-zone climate-control system and available heated and ventilated front seats offer comfort on your terms. While an available dual-screen Rear Seat Entertainment System offers personalized entertainment on their terms.
The exhilaration offered by its 295 total system horsepower Lexus Hybrid Drive system is only one way the RX Hybrid gives drivers more than they’d ever expect. Boasting a class-leading 30 mpg combined rating, it offers innovative features like regenerative braking so you don’t have to plug it in. As the first hybrid vehicle to feature Intelligent Shift Control, it can also estimate whether you are traveling uphill or downhill and automatically select the correct gear ratio to help provide optimal engine response.
WITH THE TOUCH OF A BUTTON, AVAILABLE DESTINATION ASSIST CONNECTS YOU WITH A LIVE AGENT WHO IS ABLE TO PROVIDE EN ROUTE DIRECTIONS, RECOMMENDATIONS AND OTHER ASSISTANCE—24 HOURS A DAY.

A NAVIGATION SYSTEM THAT’S SO TECHNOLOGICALLY ADVANCED, IT’S HUMAN.
PERSONALIZED AMENITIES

The available Lexus Memory System automatically adjusts the power driver’s seat (except lumbar), the outside mirrors and the steering wheel to your personal settings. The available heated and ventilated front seats can also be personalized using six separate settings. And available front-seat power cushion extenders make long drives far more comfortable.

POWER REAR DOOR

The power rear door of the RX offers remote keyless access to the cargo area. The rear door can be raised and lowered from inside the vehicle by using a switch or remotely with the SmartAccess® fob. Loading cargo has never been more convenient.

AUDIO EXPERIENCE

The placement and angle of every speaker was essential in the development of the Lexus Premium Sound System in the RX. The result is a system that immerses the driver and passengers in remarkably vivid sound. In addition, the available 330-watt, 15-speaker Mark Levinson® Premium Surround Sound Audio System® features 7.1-channel architecture, enveloping the entire cabin in three-dimensional sound.

REAR-SEAT ENTERTAINMENT

The available dual-screen Rear-Seat Entertainment System (RSES)® allows the left and right rear-seat passengers to enjoy separate entertainment. With 70-inch LCD screens located behind the driver’s and front passenger’s headrests, the system features a pair of wireless headphones and can be used as a DVD player, audio player or game console via audio and video input jacks.

PASSIVE SAFETY

While an ordinary crash-test dummy can provide 119 data points, Lexus goes beyond that by using digital models comprising millions. The results of this innovative approach to safety in the RX include a class-leading® standard 10 airbags® and active front headrests® that help to decrease the severity of whiplash-type injuries.

PRE-COLLISION SYSTEM

To help you prepare for and, if possible, avoid potential collisions, an available Pre-Collision System® is designed to watch the road ahead for obstacles and warns you of their presence with beeps and visible indications. It can even begin braking automatically to help reduce impact energy.

ENFORM WITH APP SUITE

Available Lexus Enform® and Safety Connect® offer more than the convenience of live, 24-hour navigation assistance and the peace of mind of knowing emergency services can be requested at the press of a button. With the available App Suite®, making dinner reservations, ordering movie tickets and personalizing your Pandora® playlist has never been easier.

BLIND SPOT MONITOR AND BACKUP CAMERA

Visionary technologies are constantly monitoring your RX and the road around you to help bring you peace of mind. To help you change lanes with confidence, an available Blind Spot Monitor® is designed to alert you if it detects vehicles in adjacent lanes. And, to assist you with tasks like parking, an available backup camera® displays a high-resolution view of what the camera sees behind you whenever the RX is placed in reverse.

OPEN A WORLD OF POSSIBILITIES.
IT KNOWS WHERE YOU’RE GOING BEFORE YOU DO.

With the uncanny ability to predict and help maintain your intended path, the Active Torque Control all-wheel drive (AWD) system is available on the RX and comes standard on the RX F SPORT.
The driver-inspired design features steering-wheel-mounted controls, an available Remote Touch² device and an elevated display screen for more convenient viewing. And with luxurious seating for five, split rear seats that fold effortlessly and vast cargo space, your RX is ready for almost anyone and anything.
A. Available Black leather-trimmed interior  
B. RXh electroluminescent instrumentation  
C. 40/20/40-split second-row seating with available carpet cargo mat. For a complete list of Genuine Lexus Accessories, visit lexus.com/RX/accessories  
D. Available Light Gray leather-trimmed interior  
E. Available Mark Levinson Premium Surround Sound Audio System®  
F. Available Remote Touch® controller  
G. Available Lexus Enform App Suite®  
H. RXh with available Parchment leather and Matte Bamboo trim  
I. Steering wheel controls with enhanced Bluetooth® technology® and Siri® Eyes Free® functionality  
J. RX F SPORT cockpit  
K. Available Parchment leather-trimmed interior  
L. USB connectivity
With its low powertrain, fully independent MacPherson strut front suspension, and completely unique double-wishbone rear suspension, the RX combines the versatility of an SUV with the ride of a luxury sedan. The rear suspension not only helps to enhance handling grip, it also intrudes less into the cargo area, freeing up floor space.
LEXUS DISPLAY AUDIO/BACKUP CAMERA PACKAGE
7.0-in color LCD multi-information display // Backup camera // Center-console controller // Lexus 12-speaker Premium Sound System // HD Radio™26,27
// Digital signal technology including Line Ambience for improved audio performance // SMS Text-to-Speech with Reply

“EXTREMELY AGILE, SHOCKINGLY QUICK ON ACCELERATION, AND HANDLED WELL ON ROADWAYS COVERED WITH LAYERS OF PACKED SNOW.”

—AUTOWEEK (reviewing the RX 350 F SPORT), MARCH 16, 2013

WARRANTY
Four-year/50,000-mile Lexus Limited Warranty. Six-year/70,000-mile Powertrain Warranty. Six-year/unlimited-mileage Corrosion Perforation Warranty. All warranties with zero deductible. See the RX Warranty and Services Guide at your Lexus dealer for details. DISCLOSURES 1. 2014 RX 450h vs. 2013 competitors: based on EPA-combined mpg ratings for Luxury Midsize SUVs. Actual mileage will vary. 2. 2014 RX 450h (FWD) EPA-estimated 32/28/30 (city/highway/combined) MPG. Actual mileage will vary. 3. Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher. If premium fuel is not used, performance will decrease. 4. 18- or 19-in performance tires are expected to experience greater tire wear than conventional tires. 5. Tire life may be substantially less than 15,000 miles, depending upon driving conditions. 6. A single-disc DVD player is standard. A separate DVD player or game system utilizing the center console’s video/audio inputs is required in order to use the split-screen function of the dual-screen system. 7. Operating vehicle. 8. Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher. If premium fuel is not used, performance will decrease. 9. Cargo volume limited by weight and distribution. 10. Mark Levinson® is a registered trademark of Harman International Industries, Inc. 11. Always drive safely, obey traffic laws & focus on the road while driving. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data, you are responsible for all charges. Apps/services subject to change. Changes identified by ™ or ® are trademarks or registered trademarks of their respective companies. For enrollment, cost and more details, see lexus.com/enform. 12. Contact with the response center may not be available in all areas. Service Agreement terms vary; charges may apply. See lexus.com for details. 13. Headphones are for passenger use only. Do not use while operating vehicle. 14. 2014 RX vs. 2013 competitors: based on EPA-combined mpg ratings for Luxury Midsize SUVs. 15. All the airbag (AB) systems are Supplemental Restraint Systems. All ABs are designed to inflate only under certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and side curtain ABs in side collisions; Roll-Sensing Curtain ABs at a severe tilt degree, roll or lateral G-force. In all other accidents, the ABs will not inflate. To decrease the risk of injury from an inflating AB, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an AB or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating AB may cause serious injury or death. See Owner’s Manual for further information/warnings. 16. Active front headrests can help reduce the extent of whiplash in certain types of rear-end collisions. 17. The Pre-Collision System is designed to help reduce the crash speed and damage in certain frontal collisions only. It is not a collision-avoidance system and is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, driver input and road conditions. See Owner’s Manual for further information. 18. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection, range and clarity of the monitor. For a complete list of limitations and directions regarding use of the monitor, see Owner’s Manual. 19. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Cold weather may limit effectiveness and view may become cloudy. 20. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions. 21. Bluetooth® technology phones listed on lexus.com have been tested for compatibility with Lexus vehicles. Performance will vary based on phone software version, coverage and your wireless carrier. Phones are warranted by their manufacturer, not Lexus. The Bluetooth word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Lexus is under license. Other trademarks and trade names are those of their respective owners. 22. Always drive safely, obey traffic laws & focus on the road while driving. Siri® is available in Beta only on iPhone® 4S, iPhone® 5, iPad® with Retina® display, iPod® mini, & iPod® touch. 5th gen. & requires Internet access. Siri® is not available in all languages or all areas & features vary by area. Data charges may apply. See Apple.com & phone carrier for details. 23. iTunes® and iPod® are registered trademarks of Apple Inc. All rights reserved. 24. iPhone® and iPod® are registered trademarks of Apple, Inc. All rights reserved. 25. Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, driver input and road conditions. See Owner’s Manual for further information. 26. HD Radio® Technology manufactured under license from iBiquity Digital Corporation. HD Radio and the HD Radio, HD Radio, and “Arc” logos are proprietary trademarks of iBiquity Digital Corp. Coverage and Service may not be available in all areas. 27. SiriusXM services require a subscription after trial period. Subscriptions governed by SiriusXM Customer Agreement available at siriusxm.com. If you decide to continue your SiriusXM service at the end of your complimentary trial, the plan you choose will automatically renew and bill at then-current rates unless you call 1-877-515-3987 to cancel. Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and D.C. 28. Accessory roof rack with rails not recommended for luggage. 30. Roof rack capacity is 165 lb. See Owner’s Manual for details. 31. Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers using special safety equipment and procedures. Do not attempt. 32. 2014 EPA-estimated ratings. Actual mileage will vary.

Lexus strives to build vehicles to match customer interest, and thus they typically are built with popular options and option packages. Not all options/packages are available separately, and some may not be available in all regions of the country. See lexus.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Specifications, features, equipment, technical data, performance figures, options, and color and trim are based upon information available at time of printing, are subject to change without notice, and are for mainland U.S.A. vehicles only. Some vehicles shown with available equipment. See your Lexus dealer for details.

Lexus reminds you to wear seatbelts, secure children in rear seat, obey all traffic laws and drive responsibly. For more information, call 800-USA-LEXUS (872-5398) or visit lexus.com. To learn more about your financing options, contact your Lexus dealer or call Lexus Financial Services at 800-874-7050.
