

Nineteen Ninety-Seven

ACHIEVA

BY OLDSMOBILE

DON'T JUST MAKE A GOOD BUY. MAKE THE BEST BUY.

According to *Consumers Digest*, "When it comes to choosing a Best Buy...value reigns supreme." Is it any wonder that the editors selected the Achieva coupe and sedan as a "Best Buy" in 1996? With its long list of standard

With some competitors, you'll pay extra even for "must have" items like air conditioning. On Achieva, it's standard.

safety and convenience features, like anti-lock brakes, dual frontal air bags[†] and 4-speed automatic transmission with enhanced traction system, Achieva simply gives you more of what you want (features), and less of what you don't (big payments). You can conduct your own analysis of what qualifies as a "best buy" on the market. But the experts have already done it for you.

Little things mean a lot. They sometimes cost a lot, too. Not so on the Achieva, where standards like power mirrors abound.

All Achievas come with standard features like automatic programmable power door locks. Series II models also include power windows.

Achieva's level of standard equipment in both coupe and sedan includes automatic headlamp control, tinted windows, automatic programmable power door locks, PASSLock vehicle security system, daytime running lamps, and much more. [†]Consumers Digest November/December 1995. ^{††}Always wear your safety belts, even with air bags.

Achieva. Series I shown in black.

In a world of \$5 bottled water and \$100 haircuts, my Achieva is like the atomic bomb of bang-for-your-buck. I look at some cars, and I think, "Where is the substance?" I guess some people need to spend a lot of money to convince themselves they made the right decision. I guess some people have a lot of vacant space under their \$100 haircuts.

Of course, I offered to drive. I wanted to get the coupe out on that road. So when we reached the fork, I booked left. My friend, who's a nice guy but short on personality, said it's shorter to go right. "Yeah," I said, "but it's straight." He insisted it was faster. "Faster isn't always better," I said. I just kept driving and reminded myself I should choose my driving companions more carefully in the future.

Interior

GET ALL THE NICE SURPRISES WITHOUT THE STICKER SHOCK.

"Ouch" is not the response a new car should evoke. "Oooh" is more like it. That's the reaction you and your passengers can expect inside the Achieva coupe or sedan. For you, standard features like driver's-side lumbar support, TILT-Wheel adjustable steering column, and large, easy-to-reach controls

An AM/FM stereo is standard in every Achieva. Series II models add a cassette player, and even offer an available CD/cassette combination.

make the drive more enjoyable. For your passengers, rear-seat heat ducts and a roomy interior space with ample rear headroom and legroom eliminate the need to ask, "are we there yet?" Aaah.

The convenient split-folding rear seat back, standard on Series II and available on Series I, lets you rearrange all that interior and trunk space to suit your particular cargo-carrying needs. You can even carry bulky or long items plus a rear passenger without infringing on his or her comfort.

Stay organized and in touch. Dual cupholders, an auxiliary power outlet and a center storage armrest are standard.

Enhancing Achieva's comfort and convenience are other features like reclining front bucket seats, wrap-around instrument panel with tachometer, center console with floor shifter, front seat back map pockets, illuminated entry/exit system, remote trunk and fuel-filler door releases, and much more.

Of course, I offered to drive.

choose my driving
companions more carefully
in the future.

Achieva Serie II coupe in Bright Green Metallic.

ENGINEERED TO STRICT SAFETY STANDARDS — YOURS.

I want my car to be as predictable as gravity. Which is the reason I picked an Achieva. Especially when it gets wet or icy out there. With standard equipment like ABS and an automatic transmission with enhanced traction system, it's almost as predictable in the wet as it is in the dry. I've driven cars costing more than Achieva that don't even offer traction control. I think those cars are just spinning their wheels.

Achieva's standard 150-horsepower, 24-liter Twin-Cam engine gives you confidence and efficiency. Even more power and torque are available with the optional 3100 SFI V6.

When it comes to driving, safety is not an option. It's a must. That's why you'll find so many standard safety and security features on every Achieva. The list starts with anti-lock brakes and daytime running lamps to help you avoid trouble in the first place. For

protection in the event of a collision, Achieva provides dual frontal air bags, safety-cage construction with side-impact reinforcements, and front and rear crush zones. Your security is enhanced by battery run-down protection and automatic programmable power door locks. And peace of mind comes from either of Achieva's two responsive, low-maintenance* engines.

Rain or shine, the Achieva's anti-lock brake system helps you maintain steering control in white-knuckle situations.

To help foil thieves, Achieva's PASSLock vehicle security system "recognizes" the proper key and prevents attempts to start the engine without it. And the available remote-control keyless entry system features "rolling codes" that change with every use.

Additional safety and engineering features on Achieva include composite halogen headlamps, rear door child-security locks (sedan), side and electric-rear window defoggers, 15-inch touring tires, MacPherson strut front suspension, pulse wipers, rear-window grid radio antenna, 100,000-mile platinum-tipped spark plugs, stainless steel exhaust, long-life brake fluid and engine coolant, two-sided galvanized steel exterior body panels (except roof), and a maintenance-free battery.

*Maintenance needs vary with use and driving conditions.

Achieva Series II comes in Bright Red.

Value isn't just the price of a product when you first buy it. It also has to do with maintenance costs and reliability. With Achieva, I've got a Bumper-to-Bumper Limited Warranty, 24-hour roadside assistance and a lot of other after-purchase features that give me a tremendous sense of reassurance when I'm out on the road. No matter how far from home, I know Achieva's backing me up.

AVAILABLE IN TWO COMPLETE,
FEATURE-PACKED VERSIONS, ACHIEVA IS AS THOROUGHLY
EQUIPPED AS IT IS EASY TO PURCHASE.

A WORD ABOUT OLDSMOBILE

THE GM CARD Don't forget to use your GM Card. When you use The GM MasterCard,* you earn 5% on every purchase, which you can apply toward the purchase or lease of a new GM car or truck of your dreams. You could save hundreds, even thousands of dollars, over and above any other discount or incentive GM may be offering. To apply for your GM Card, call 1-800-8GM-CARD any time, day or night.

ACCELERATED EARNINGS NETWORK Visit participating GM retailers for up to 10% in GM Card earnings on eligible parts and service transactions. Call 1-800-9474000 for more information.

SMARTLEASE BY GMAC SmartLease lets qualified customers pay for the portion of the vehicle they expect to use, rather than paying for the entire vehicle as you would with traditional financing. You'll also enjoy lower up-front costs and lower monthly payments. Plus, you'll be able to drive a new vehicle more often or drive a higher-priced model. Ask your Oldsmobile retailer for more information.

FOR OCCUPANT PROTECTION • Driver and right front passenger Supplemental Inflatable Restraints • Manual lap/shoulder safety belts, driver and right front passenger • Manual lap/shoulder safety belts, outboard rear-seat positions • Manual lap safety belt, center rear-seat position • Safety belt use reminder system • Front-rolling seat backs, inertia-type/manual coupe) • Energy-absorbing steering column • Energy-absorbing instrument panel • Laminated windshield glass, urethane bonded • Tempered safety glass, side and rear windows • Interlocking door latches • Side door beams • Passenger-guard inside door handles • Safety armrests • Head restraints, front adjustable, driver and right front passenger • Dual sun visors • Break-away inside rearview mirror • Security door locks and door restraint components • Rear door child-security locks (sedan) • Automatic door locking system • Front and rear crush zones • Pressure lock radiator cap

FOR CRASH AVOIDANCE • Automatic daytime running lamps • Side marker lamps and reflectors • Parking lamps • 4-way hazard warning flashers • Backup lamps • Center high-mounted stoplamp • Directional signal control • Windshield defroster, wiper and anti-iced wiper • Inside day/night rearview mirror • Outside rearview mirrors • Brake system with dual master cylinder plus warning light • Anti-lock brakes • Stares safety switch • Dual-action hood latch (front opening) • Low-glare finish (inside windshield moldings, wiper arms and blades) • Safety road wheel rims • Tires with built-in tread wear indicators • Illuminated heater and defroster controls • Brake/automatic transmission shift interlock • Audible disc brake lining wear indicators

FOR THEFT DETERRENCE • PASS.Lock vehicle security system • Theft-deterrent steering column lock • Theft-deterrent key locking system • Ignition key removal audible reminder • Remote inside hood release • Visible vehicle identification number • Laser-cut VIN plate

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog as comprehensive and factual as possible. All illustrations, photographs and specifications are based on the latest product information. We reserve the right to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Since some information may have been updated since the time of printing, please check with your Oldsmobile retailer for complete details. Comparisons are based on 1995 competitive vehicles.

A WORD ABOUT ASSEMBLY AND ENGINES All vehicles and components are produced and/or assembled by different operating units of GM and its subsidiaries/suppliers worldwide. When it is necessary, vehicles may be built with different or differently sourced components than originally scheduled or ordered. Please verify that your vehicle includes the equipment that you ordered, and if there have been changes, that they are acceptable to you. Oldsmobiles are equipped with engines produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide.

A WORD ABOUT UPDATED SERVICE INFORMATION Oldsmobile retailers receive useful service bulletins about Oldsmobile products. You can order them by calling 1-800-551-4123.

BUMPER-TO-BUMPER LIMITED WARRANTY For three years or 36,000 miles, whichever comes first, every part of your new Achieva is warranted for repairs to correct any vehicle defect related to materials or workmanship, including tires. With this limited warranty, there's no deductible, which means we'll pay for any repairs beyond routine maintenance. All body sheet metal components are warranted against rust-through from corrosion for six years or 100,000 miles, whichever comes first. There is also no deductible for rust-through repairs. Application of additional rust-inhibiting materials is not required or recommended.

OWNER AFTERCARE In addition to our 3-year/36,000-mile (whichever comes first) Bumper-to-Bumper Limited Warranty, we also offer courtesy transportation, free trip routing, and 24-hour roadside assistance by calling 1-800-442-OLDS. At Oldsmobile, we committed to your satisfaction long after the purchase of your car.

I want my car to be as predictable as gravity. Which is the reason I picked an Achieva. Especially when it gets wet or icy out there. With standard equipment like ABS and an automatic transmission with enhanced traction system, it's almost as predictable in the wet as it is in the dry. I've driven cars costing more than Achieva that don't even offer traction control. I think those cars are just spinning their wheels.

Value isn't just the price of a product when you first buy it. It also has to do with maintenance costs and reliability. With Achieva, I've got a Bumper-to-Bumper Limited Warranty, 24-hour roadside assistance and a lot of other after-purchase features that give me a tremendous sense of reassurance when I'm out on the road. No matter how far from home, I know Achieva's backing me up.
