Traditional comfort and advanced technology.

Eighty Eight — Standard features include the 3500 Series III V6 engine, 4-speed electronic-shift automatic transmission, dual air bags, anti-lock brakes, daytime running lamps, Twilight Sentinel automatic headlamp control, air conditioning, power windows, power door locks, TILT/WHEEL adjustable steering column, cruise control, PASS-Key vehicle security system, and an AM/FM stereo with extended-range sound system and power antenna.

The ultimate Eighty Eight.

Eighty Eight LS — Additional standard features include an 8-way power driver's seat, remote-control keyless entry system, automatic-programmable power door locks, power outside mirrors, rear-seat ventilation outlets, 15-inch aluminum wheels, and an AM/FM stereo with cassette player and 6-speaker Dimensional Sound system.

Guidestar Navigation Information System.

Available on both Eighty Eight models, Oldsmobile's exclusive Guidestar navigation information system puts immediate, easy-to-understand travel information at your fingertips. Using Global Positioning System satellites now circling in space, Guidestar actually tracks your vehicle and knows where you are at every moment. The system provides turn-by-turn routing instructions to local points of interest such as hotels and airports, or the most direct route to your destination. Availability is limited. Ask your local retailer for more information about this exciting new Oldsmobile feature.
Full-size comfort with fresh new styling.

Start with a high level of traditional comfort and luxury, add new exterior styling, and you get a contemporary automobile that’s as good to look at as it is to drive. That’s the Oldsmobile Eighty Eight. The cabin is spacious and comfortable, and it’s loaded with comfort and convenience features. Its power is both responsive and effortless. And the smooth, quiet ride will make your time on the road more enjoyable.

Available on Eighty Eight LS, an AM/FM stereo with both CD and cassette players creates superb sound quality.

The B-way power driver’s seat uses a "metaphoric" switch for easy adjustment. Available on Eighty Eight, standard on Eighty Eight LS.

The Caprice Dimensional Sound system provides faultless music reproduction and sound imaging. Available on Eighty Eight, standard on Eighty Eight LS.

SOLARIZED BUYING
Oldsmobile is making it EASIER TO BUY YOUR EIGHTY EIGHT BY PACKAGING THE MOST POPULAR FEATURES INTO TWO MODELS. THERE’S NO NEED TO WAGE THROUGH ENDLESS LISTS OF OPTIONS. AND TO MAKE IT EASIER STILL, OLDMOBILE SALES CONSULTANTS ARE SPEDILY TRAINED TO ANSWER YOUR QUESTIONS AND MAKE YOUR BUYING EXPERIENCE ENJOYABLE.

Eighty Eight in Bright White.
Spacious, comfortable and luxurious,
Eighty Eight's interior treats you with respect.

The full-size, 6-passenger interior of Eighty Eight is designed for long-term comfort and stress-free driving. The wide, 55/45 divided bench front seats with standard recliners are individually adjustable and upholstered in a rich fabric. The sweeping dash combined with the roomy cabin and a wealth of standard comforts and convenience features help create an invigorating, luxurious environment that will keep you comfortable and relaxed no matter how long your trip.

Luxurious leather-trimmed seating areas are available on Eighty Eight LS.

Standard interior features that enhance Eighty Eight LS comfort include an 8-way power driver's seat, AM/FM stereo with cassette player, 6-speaker Dimensional Sound system, cruise control, Tilt/Wheel adjustable steering column, and much more.
Full-sized and fully equipped,
yet amazingly sure-footed and smooth.

Oldsmobile Eighty Eight is the
embodiment of a powerful full-size
family sedan. It's a vehicle capable
of effortlessly rolling up endless
miles on the interstate. And it can
just as easily negotiate uneven road surfaces without upsetting its
balanced ride quality. Equipped with a powerful and refined V6
ingine, smooth-shifting automatic transmission, anti-lock brakes
and fully independent suspension, Eighty Eight goes about its
business quietly and smoothly. It delivers world-class performance
in a traditional American sedan.

The 4-wheel independent suspension system helps smooth out
the bumps, yet provides precise, controlled handling and response.

Standard features that contribute to Eighty Eight's performance include:
the 3800 Series II V6 engine, 6-speed electronic shift automatic transmission, fully
independent suspension, power side-retractable steering system, and much more.
With its built-in safety features, Eighty Eight inspires a high level of confidence.

Eighty Eight's safety engineering begins the moment the first steel panels are welded together. The steel itself, except the roof, is galvanized on both sides to resist the weakening effects of corrosion. The structure has been carefully designed and stringently tested so that, if a collision occurs, impact forces will be absorbed and directed away from the passenger compartment. A dual air bag system, specially padded and cushioned interior surfaces, and the use of fire-retardant materials further enhance the protective envelope that is designed into the Eighty Eight structure.

Standard features that enhance Eighty Eight's safety and security include anti-lock brakes, steel safety cage body structure with front and rear crush zones, daytime running lamps, door child safety locks, illuminated instrument panel, new onboard safety belts with Child Seat Guides, and the PASS-Key vehicle security system. In addition, a hill-descent traction control system is available on Eighty Eight LS.

Always use your safety belts, even with air bags.
