## THE COLTS: VALUE AND VERSATILITY

A newly designed Colt two-door sedan and an all-new four-door model for 1993 typify this car's talent for providing fun-to-drive excitement and high quality for a little price. Not only are they economical to own, but the new Colt and

Colt GL models are also solidly built subcompacts that combine fresh aerostyling with front-wheel-drive maneuverability and five-passenger seating. Add a very competitive level

of standard features and the result is a family of cars that appeals to your sense of value and your sense of fun. The other member of the Colt family, the versatile Colt Vista, excels at carrying both people and cargo. This midsize wagon is known for passenger-car handling, a spacious interior, sliding side door, and flexible seating/cargo arrangement... ideal for active young families. Vista is available in front-wheel-drive (FWD) and all-wheel-drive (AWD) models. For the protection of drivers and passengers, Colt and Colt Vista models offer such safety advan-

tages as side-door beams. Available on selected models (see details at right) are such safety features as four-wheel antilock disc brakes and all-wheel drive. **Advantage: Colt.**

### SAFETY FEATURES

#### ■ Occupant Lap and Shoulder Belts

A standard automatic passive restraint system for front seats, and three-point Unibelt outboard rear restraints.

#### ■ Door Impact Side Beams

Steel-reinforced protection from side impacts is standard on all models.

#### ■ Antilock Disc Brakes

A four-wheel antilock disc brake system (ABS) means sure, safer stops in hard braking situations. Available on all Colt Vista models and Colt GL four-door.

#### ■ All-Wheel Drive

Vista's full-time AWD model provides extra traction.

#### ■ Remote Keyless Entry

Remote system locks and unlocks doors and liftgate; turns on interior dome light when doors are unlocked. Optional on Vista SE and Vista AWD models.

Some of the equipment shown or described throughout this catalog is available at extra cost.

# BUDGET-PLEASING EXCITEMENT

*Colt GL with Sport Appearance Package*

*Smart design, with easy-reading analog gauges and conveniently placed controls, is the theme of Colt GL's instrument panel. A trip odometer and dual cup holders are standard. An AM/FM stereo radio with cassette player and four speakers is optional. A tachometer is standard on Colt GL four-door with manual transaxle.*

*Base Colt's suspension features front MacPherson-type struts and coil springs, and a new rear multilink independent suspension.*

The affordable Colt's frisky performance is a product of its standard feisty-but-fuel-efficient 1.5-liter 12-valve MPI (multipoint fuel-injected) engine and five-speed manual overdrive transaxle. For exceptional performance, a 1.8-liter 16-valve MPI engine is standard on Colt GL

four-door, optional on Colt four-door. For extra styling flair, a Sport Appearance Package is available (see page 10). The Colt GL four-door offers low-back front bucket seats and a split-folding rear bench seat with full cloth trim.

# SPORTS-CAR SPIRIT

Colt Vista AWD

Standard active lap and automatic passive shoulder belts secure front-seat passengers. Rear-seat outboard passengers have a three-point active Unibelt restraint system.

Standard child-protection lock in the rear sliding side door safely disables the inside door handle to protect kids in the rear seat.

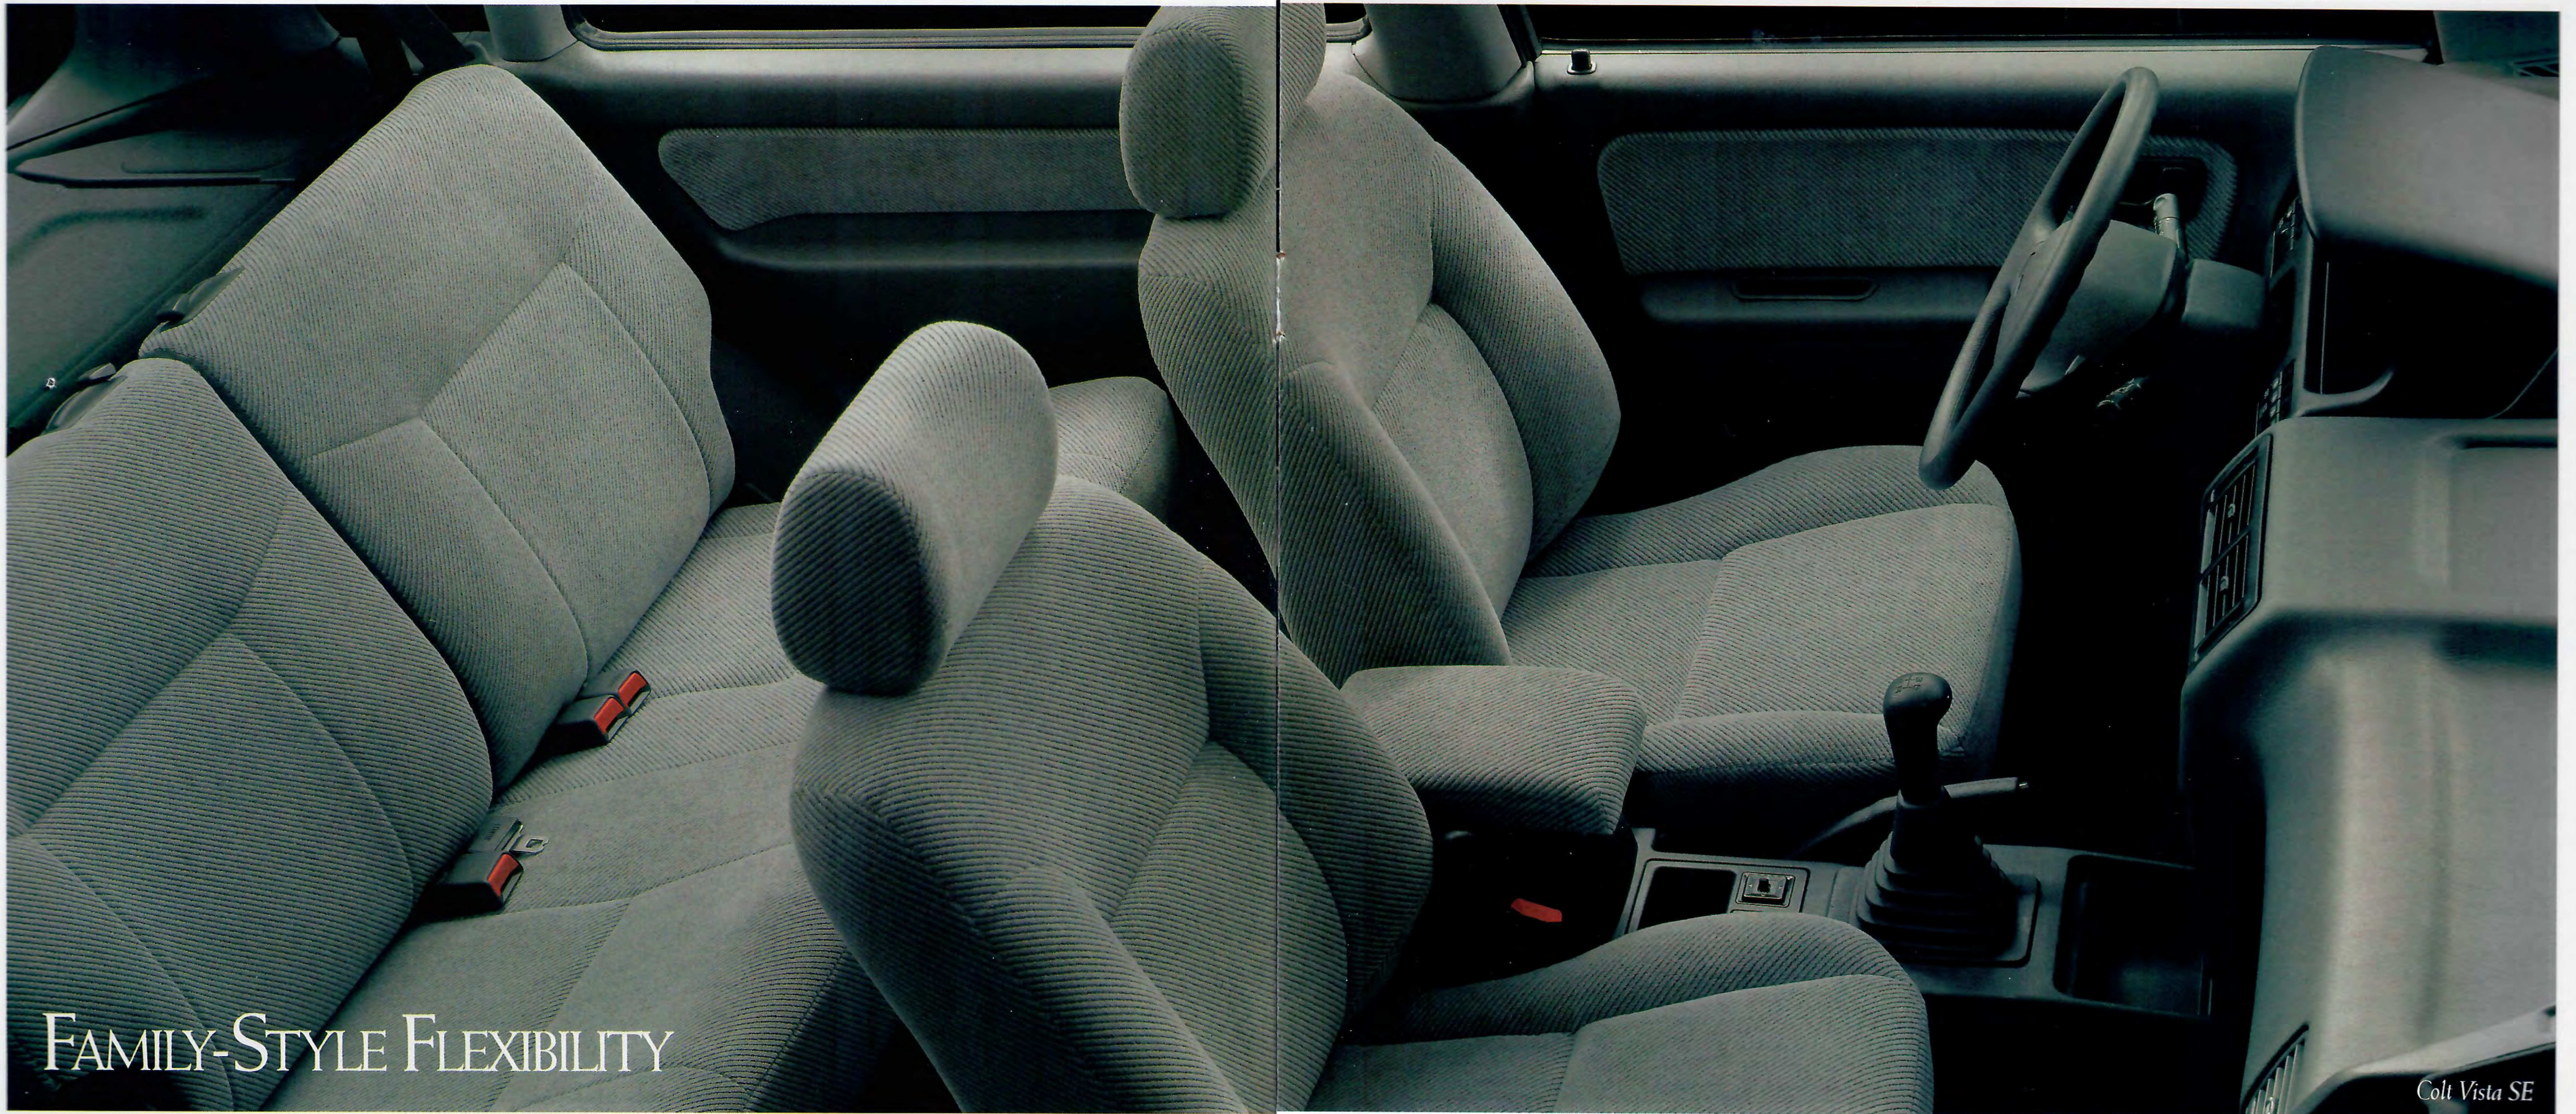

Split-back rear bench seat allows room for long cargo (see page 11 for availability). New pull handle makes the liftgate easy to close.

Colt Vista wagon's lively performance is inspired by a 1.8-liter 16-valve SOHC MPI engine teamed with a five-speed manual overdrive transaxle, both standard on Vista FWD and AWD models. A 2.4-liter 16-valve SOHC MPI engine is standard on Vista SE FWD

and optional on all other models. A four-speed automatic transaxle is available on all models. Vista AWD features the road-holding stability of a full-time all-wheel-drive system. Power is automatically split between front and rear axles for maximum traction.

## FAMILY-STYLE FLEXIBILITY

Colt Vista SE

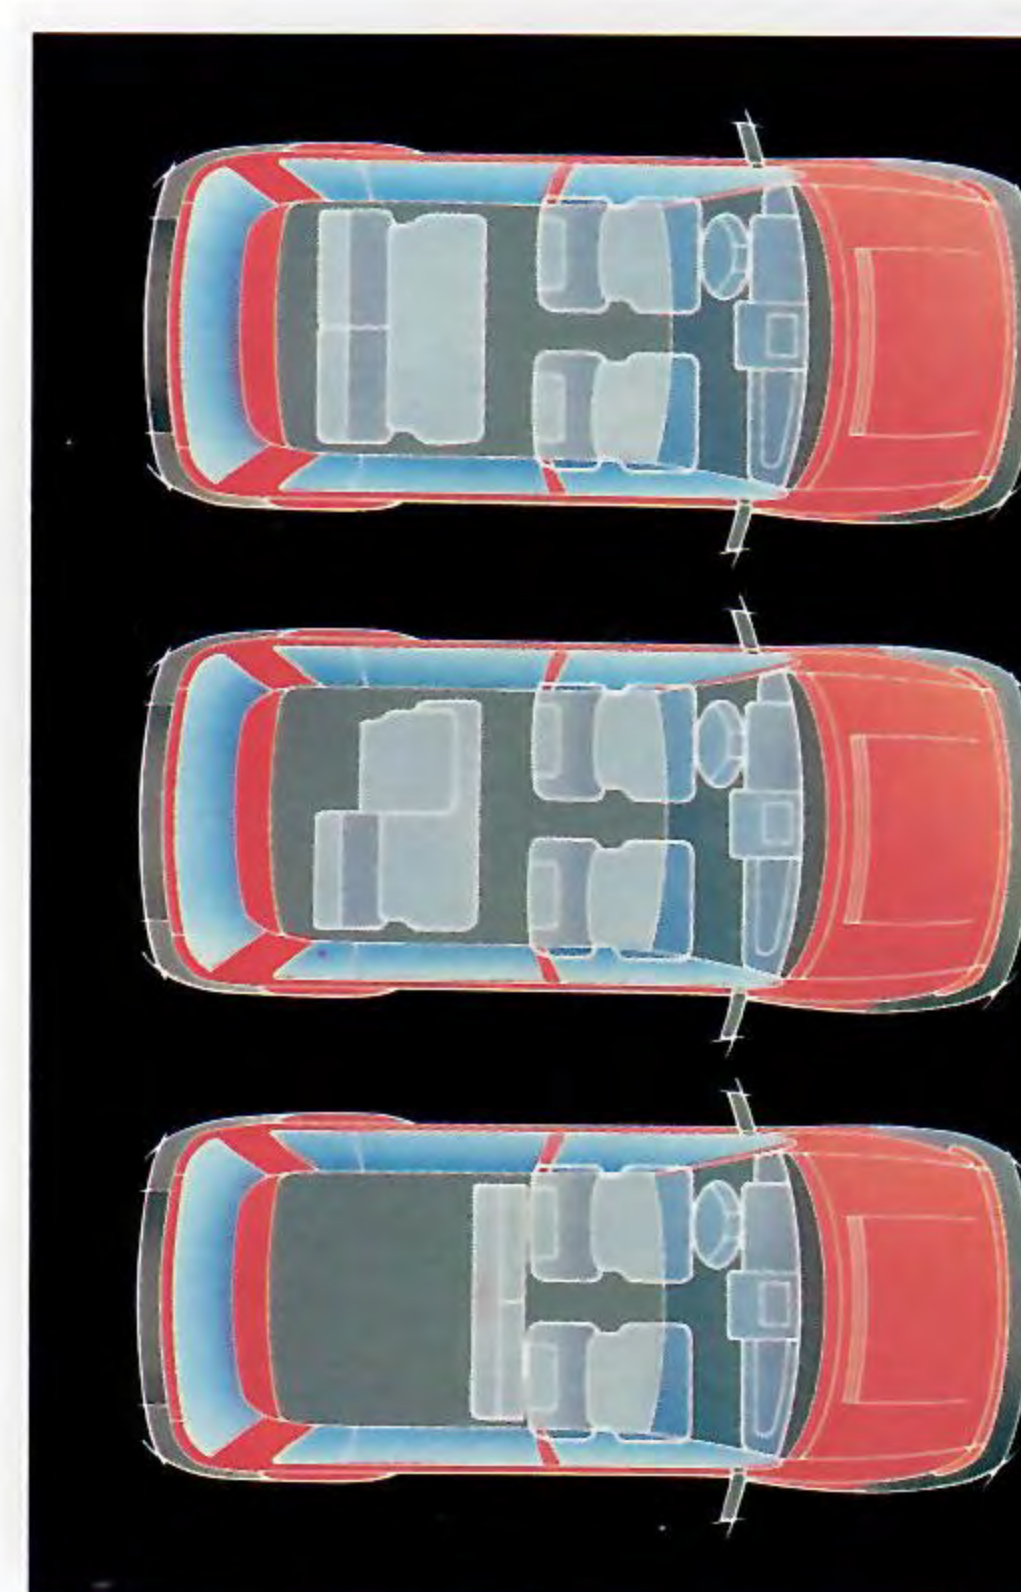

*The contoured Vista SE instrument panel puts controls at the driver's fingertips. A trip odometer, glove box, dual cup holders, tilt steering column, and power liftgate lockswitch are all standard. An AM/FM stereo radio with cassette tape player is available on all Vista models.*

*Vista's unique standard sliding side door with "bill-holding" feature allows easy access for people and cargo. Not offered by other midsize wagons.*

Vista SE's flat floor and tall, van-like cabin comfortably seat up to five adults, with 40.8 inches of front-seat leg room and over three feet of rear-seat leg room. And this interior is a model of passenger- and cargo-carrying versatility. When removed, the fold-and-

tumble rear seat gives you 79 cubic feet of cargo capacity. Cloth low-back reclining bucket seats and a split-back reclining rear bench seat are standard on the Colt Vista SE. Also standard are the convenient front center armrest and rear heat outlets.

1. Five-passenger seating provides family-size comfort with excellent visibility.

2. Convert space like magic. Vista SE's standard split rear seatback easily folds down to accommodate cargo.

3. Flip a single handle, and the whole rear seat tumbles forward to create 67.8 cubic feet of storage space. Remove the rear seat for maximum cargo room.
