2007
RAM 2500/3500
LIVING LARGE

A heavy-duty truck needs to handle a tough, heavy-duty workload. You won’t have to worry about the Dodge Ram 2500 and 3500 Heavy Duty trucks living up to your expectations with their combination of horsepower, torque, towing, and payload capacity.

Check out the bold look and powerful performance of Dodge Ram 2500/3500.
- Interior and Exterior Features
- Color Options
- Model Specifications
- Design & Technology
TOWING
Whether you choose the short (6-foot, 4-inch) box or the long (8-foot) box, you can pull a whole haul of a lot with Ram heavy-duty trucks. How much? Try up to 5,110 pounds of payload when properly equipped.

SNOWPLOW
You need the most power possible when tackling those giant snowdrifts, icy driveways, snow-covered parking lots, and rugged back roads. So having the most powerful heavy-duty truck on the road makes perfect sense.

Call BusinessLink at 1-877-2-THE-LINK to learn more.

HYDROFORMING
We’ve limited traditional stamping and welding on our truck frames — hydroforming is here. This means that Ram’s bones are molded with highly pressurized water, a revolutionary manufacturing process that’s not only more cost-effective, but adds structural benefits that kick some competitor butt:

- Greater strength and impact absorption
- Fewer welds for even more durability
- Stronger and stiffer for a more solid feel

LONGEST LASTING
How can a new truck be the longest lasting? Simple. Ram heavy-duty models are part of the long line of Ram trucks that, after twenty years, are still on the road. This next generation adds the longest-lasting brakes available and the ultradurable HEMI® and Cummins® turbo diesel engines to the family tree.
FOUR REAL DOORS
Rear doors that open 85 degrees separate the all-new Ram Heavy Duty Quad Cab® from the pack. An opening that wide makes entry and exit much easier than most other trucks. The forward-hinged doors also feature high-strength beams for increased side-impact protection.

CAB SIZES
Loading up your gear is easy, thanks to the space in a Quad Cab® or Regular Cab Ram heavy-duty truck. The two rear doors open up to 85 degrees so you can easily store your gear in the rear of the Quad Cab. The Regular Cab offers ample storage space behind the front seats, too.

Remember to properly secure all cargo.

INTERIOR
If you’re talking interior conveniences, you’re talking a Ram heavy-duty truck. For instance, cargo that can’t go in the bed stores easily in the rear of the cab with the available flat-load floor—and we mean easily: Quad Cab® rear doors open 85 degrees. Remember to properly secure all cargo.

There’s more:
- Best-in-class interior space*
- Full-size bed
- Available business console for laptop, cell phone, and more
- Full-drop rear windows on Quad Cab
- Tie-down cleats in truck bed
- Optional power-adjustable pedals
- Power sunroof available on Quad Cab
- SIRIUS® satellite radio

* Compared to competitive extended cab models.

“SIRIUS”, the SIRIUS dog logo, and related marks are registered trademarks of SIRIUS Satellite Radio, Inc.

FABRIC AND TRIM

RAM ST
ALL RAM MODELS INCLUDE THESE FEATURES:
- 6-speed manual transmission
- Vinyl 40/20/40 split-bench seat
- Heavy-duty vinyl floor covering
- Air conditioning
- AM/FM stereo with CD player and 4 speakers
- Variable intermittent windshield wipers
- Steel wheels
- Fixed rear window

Interior shown: A) Medium Slate Gray Talladega Grain Vinyl
Also available in: B) Khaki Talladega Grain Vinyl

RAM SXT PACKAGE
INCLUDES THE STANDARD ST EQUIPMENT EXCEPT WHERE ADDITIONS ARE NOTED:
- Cloth 40/20/40 split-bench seat
- Carpet floor covering
- Power windows
- Power door locks
- Power heated mirrors
- Speed control
- Chrome-clad steel wheels
- Unique SXT badging

Interior shown: A) Medium Slate Gray Billings Cloth
Also available in: B) Khaki Billings Cloth

RAM SLT
INCLUDES THE STANDARD ST EQUIPMENT OF THE PREVIOUS TRIM LEVEL EXCEPT WHERE ADDITIONS ARE NOTED:
- Cloth-trimmed 40/20/40 split-bench seat
- Carpet floor covering
- Power windows
- Power door locks
- Power heated folding exterior mirrors
- Remote keyless entry
- Sentry Key® Theft Deterrent
- Body-colored Upper Fascia

Interior shown: A) Khaki Billings Cloth with Racine Cloth with YES Essentials®
Also available in: B) Medium Slate Gray Billings Cloth with Racine Cloth with YES Essentials®

RAM TRX4 OFF-ROAD
HIGHLIGHTS OF THE RAM TRX4 OFF-ROAD INCLUDE:
- On-/Off-road OWL tires
- Unique red shocks
- TRX4 Off-Road decals
- Tow hooks
- Skid plates
- Antispin rear differential
- Fog lamps
- SIRIUS® Satellite Radio
- Dark Gray Upper Fascia

Interior shown: A) Medium Slate Gray Billings Cloth with Racine Cloth with YES Essentials®

---

* = Included. P = Available within package noted in parentheses. O = Optional. NA = Not available.

**See your dealer for specific engine and transmission availability.**

**Not compatible with all garage door openers.**

**See your retailer for details.**

**Not compatible with aftermarket fabric-protecting coatings.**

**Includes Infinity speakers.**

**Includes one-year subscription provided by SIRIUS.**

** ALWAYS sit properly in the seat with the seat belt fastened.**

**Certified to the Federal Regulations that allow less forceful front air bags.**

**Always use seat belts.**

**Children 12 and under should always be in a backseat using an infant or child restraint system.**

**No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect.**

**When the ESP warning lamp in the speedometer flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt.**
