C8 Laviolette LM85
Spyker C8 Laviolette LM85

Spyker introduces the C8 Laviolette LM85 of which a maximum of 24 production slots are being offered. The LM85 has been designed in the spirit of the Spyker Squadron GT2 (LMES) race cars and sports a GT2 inspired livery. The LM85 is named after the starting number of the GT2 cars Spyker has had at Le Mans since 2002.

The LM85 specification list is exhaustive with exclusive elements incorporated. All 24 LM85 owners are special guest during the 24 Hours of Le Mans in June 2009. Furthermore, a special Chronoswiss 24 Hours Pilot Watch is part of the offer.

Features
The LM85 is an advanced mid-engine, two-seat sports car. It is characterized by a lightweight all aluminium body construction and an uncompromising engineering package. The powertrain of the LM85 is the all aluminium Audi 4.2 Litre V8 engine producing 400 bhp. This is paired to a manual six-speed Getrag gearbox, driving the rear wheels with a Drexler limited slip differential. The use of aluminium parts and other lightweight materials results in an impressive power-to-weight ratio and underlines the GT2 racing heritage of the LM85.

Based on the Spyker C8 Laviolette GT2R, the racing characteristics of the LM85 are numerous, such as the structural aluminium chassis, GT2 livery (Burnt Almond Orange with Gun Metal ‘S’ logo), side mirrors in gun metal, a carbon fibre rear spoiler, and GT2 windscreen streamer. Behind the black powder coated alloy wheels, black AP Racing 6 piston brake calipers with AP Racing logo appear.

The ample use of black leather and alcantara, which is originally meant to reduce light reflection during racing, has been finished with orange contrast stitching and characterizes the unique interior of the LM85.

On request, Chronoswiss dials and switches can be installed and are virtually identical to the Chronoswiss 24 Hours Pilot Watch every LM85 owner receives with his car. The black floor mats are made of fire protective material, finished with orange piping and the LM85 logo embroidered.

Pilot Watch
Every LM85 owner receives a special edition Spyker Chronoswiss 24H Pilot Watch with orange crocodile strap. The serial number of the car will be engraved on the case of this exquisite time piece.

Le Mans VIP Weekend
Racing is of key importance to Spyker as it breeds the brand and highlights the endurance and performance capabilities of our cars. Spyker therefore has had its own factory race team since its inception in 2000: Spyker Squadron. In 2009 Spyker Squadron will participate in the 24 Hours of Le Mans for the seventh time. The 24 Hours of Le Mans is a unique event for both racing fans and drivers. As part of the LM85 offering all LM85 owners are invited to celebrate and experience the 24 hours of Le Mans 2009. During this VIP Hospitality weekend, Spyker hosts the owner and guest at the most famous sports car endurance race, held on the “Circuit de la Sarthe”.
**SPYKER C8 LAVIOLETTE LM85 FEATURES**

**Exterior Features**
- Body colours: Burnt Almond Orange with Gun Metal “S” logo
- Side mirrors in Gun Metal
- GT2 carbon fibre rear spoiler in Burnt Almond Orange
- Spyker GT2 windscreen streamer
- Towing eye and towing ring in orange
- Charcoal tinted polycarbonate roof panels
- Aluminium front body gurney
- 19” Black Aeroblade Wheels with central wheel nut
- Black AP Racing logo’ed calipers

**Interior Features**
- Airbag steering wheel trimmed in black alcantara and black perforated leather grab areas; orange stitch
- Dashboard top panel trimmed in black alcantara; orange stitch
- Centre tunnel and sills trimmed in black quilted alcantara; orange stitch
- Knee area dashboard and glove box trimmed in black quilted leather; orange stitch
- Door panels in black leather; quilted inlays in black quilted alcantara; orange stitch
- Roof upholstery in black alcantara
- Trunk panels in black quilted leather; orange stitch
- Fire protective floor mats in black; orange piping; LM85 logo embroidered
- Dashboard instrument panel in turned aluminium
- Personalised LM85 serial plaque
- Spyker logos in head rests
- Extinguisher system mounted at passenger’s side
- Special engine covers (silk black)
- Whisper mode operated exhaust system

**Additional Features include**
- Spyker Chronoswiss 24H Pilot Watch with orange crocodile strap; LM85 serial number engraved
- Exclusive Spyker VIP Hospitality 24H LeMans 2009 weekend

**Optional Features**
- Sticker set 1 (number 85, driver’s name and national flag)
- Sticker set 2 (Complete 2009 LeMans sponsors)
- Chronoswiss dials and switches
- Car cover; black with orange piping; LM85 serial number embroidered

**Safety & Security**
- Driver’s airbag steering wheel
- 3 Point restraining system, integral steel seat-belt support structure
- Remote-controlled central locking system
- Alarm system with immobilizer
- Bi-Xenon headlights
