

**BMW 2006 3 Series
Convertible**

325Ci
330Ci

**The Ultimate
Driving Machine®**

The fun-seeking, freedom-loving 2006 BMW 3 Series Convertible. Your wish has come **true.**

Graded on a curve, the 3 Series Convertible gets **Straight A's.** (On straightaways, too.)

Enjoy the GPS navigation system.

The fun
starts here.

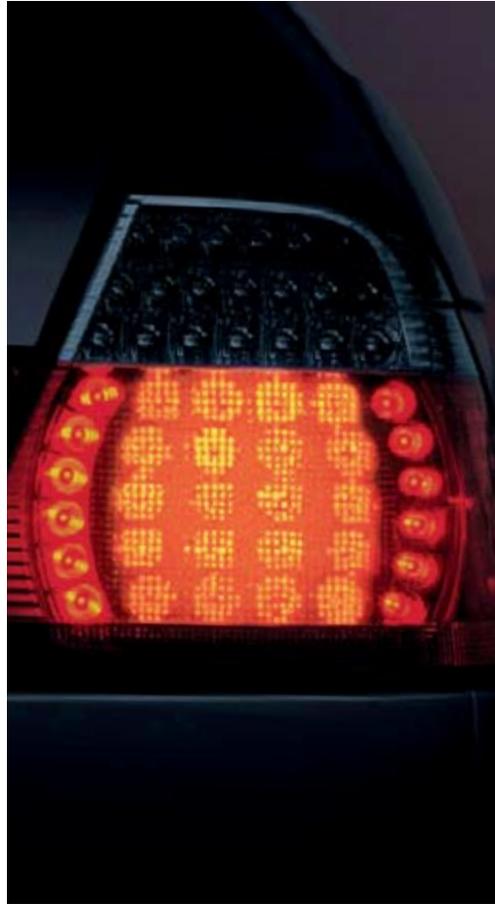

Equipment | Exterior

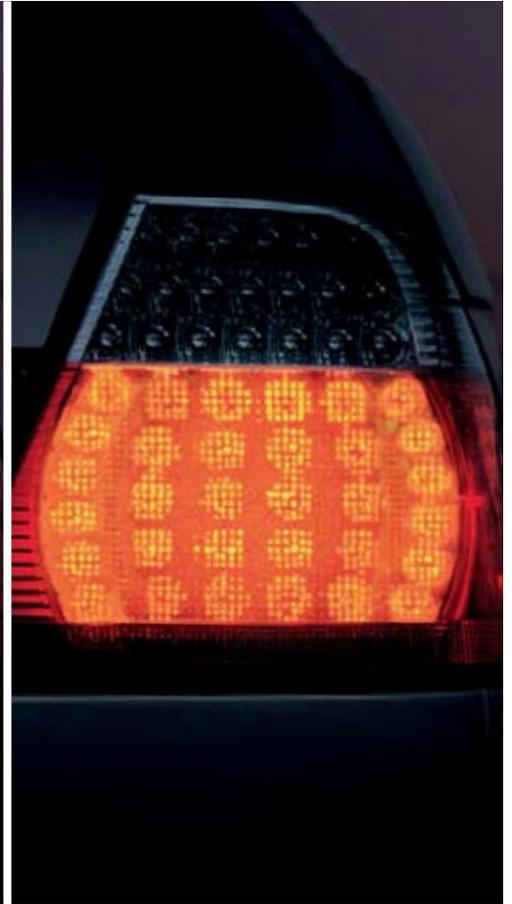

■ **Halogen free-form foglights** are cleanly integrated into the front bumper, illuminating the road ahead in bad weather.

■ **Side protection strips** shield against parking lot “dings,” while providing a subtle character line. (Styling 119 wheels shown are available with optional 325Ci Sport Package.)

■ **Adaptive Brake Lights** increase the 3 Series Convertible's visibility by signaling the intensity of your braking action.

■ **Chrome rocker panel strips** help protect paint from scuffs and chips.

■ The 325Ci with **16 x 7.0 Star Spoke (Styling 169)** alloy wheels, and 205/55R-16 all-season tires.

■ The 330Ci with **17 x 7.0 Double Spoke (Styling 98)** alloy wheels, and 205/50R-17 all-season tires.

■ Standard

Interior | Equipment

■ **Rain sensor** uses infrared light to measure the amount of rain. When the wipers are in the “intermittent” mode, the rain sensor automatically adjusts the windshield wiping interval as needed. **Automatic headlight control** (included with rain sensor but not shown), activates the headlights by means of a sensor that responds to darkness.

■ Ingenious **seatback easy-entry feature** offers power fore/aft controls that may be used to move the seat forward all the way for easy access, then back again to the seat’s original position. Each front seat has two sets of fore/aft controls – the controls on top move the seat double-speed, for quickest access.

■ **Seat-integrated front safety belts** help keep occupants firmly and comfortably in place. The seat-integrated design also helps ease entry and exit for rear-seat passengers.

■ **Three-point safety belts** at both rear seating positions hold occupants comfortably and safely in place.

■ **Rear headrests** help protect the heads and necks of rear-seat occupants in an impact or sudden stop. BMW’s Rollover Protection System bars are discreetly integrated for additional safety, in case of rollover.

■ **Power front seats** include a **driver’s seat and mirror memory system**, which lets up to three drivers set their preferred seat and exterior mirror positions. (Plus, the passenger’s-side mirror tilts down when vehicle is shifted into reverse gear.) (Lumbar support shown standard in 330Ci; included in 325Ci Premium Package.)

■ A **three-spoke leather-wrapped multi-function sport steering wheel** lets you keep both hands on the wheel while adjusting audio settings, cruise control and using the accessory phone. (Optional navigation system shown.)

■ The 325Ci **five-speed manual transmission** includes a direct-drive fifth gear and provides crisp shifting. (Optional navigation system shown.)

■ The close shift pattern of the **six-speed manual transmission**, standard in the 330Ci, delivers a precise, athletic feel for a more dynamic driving experience. (330Ci only) (5-speed manual available in the 325Ci.)

Equipment | Packages

The 330Ci Performance Package is a product of BMW Individual – the division responsible for creating unique, limited-edition BMWs. It includes a more muscular engine that boasts 235 hp at 5900 rpm, and 222 lb-ft of torque at just 3500 rpm. To make the most of this extra power, the redline has been increased from 6500 to 6800 rpm. Additional, distinctive exterior and interior features further differentiate the Performance Package from all other 3 Series models.

Front air dam that is unique to the Performance Package displays a face that's all business.

The **rear apron**, with its integrated diffuser, upgrades the car's aerodynamics.

Thanks to modifications by driving enthusiast engineers at BMW, the **330Ci Performance Package** brings track-inspired excitement to your daily drive. The suspension is even lower, stiffer and firmer than in the standard 330Ci Convertible. For greater adhesion, wheel camber is set at -0.5° , which results in a larger tire contact patch when cornering quickly. The bold look of the 18" M Double Spoke (Styling 135M) alloy wheels and performance tires – 225/40 front, 255/35 rear – emphasize the feeling that these wheels can deliver higher cornering speeds with confidence.

Packages | Equipment

M three-spoke leather-wrapped multi-function sport steering wheel has fingertip cruise, audio and telephone¹ controls.

¹If so equipped.

Sport seats upholstered in Alcantara/cloth, a no-cost option, provide optimum lateral support while adding a dynamic, custom touch. Montana leather is also available for those who prefer the look and feel of all-leather upholstery.

Aluminum Black Cube interior trim: The black aluminum cube interior trim makes for a more sporty, high-tech interior. Silver Cube interior trim, a no-cost option, is also available.

Clean lines, throaty sound. The exhaust has been specially tuned to emit a distinctly more assertive sound than the standard 3 Series Convertible. This lusty growl is conducted through two handsome 35mm exhaust tips, which are set into a sleek, rear apron.

9 See your authorized BMW center for rules and regulations on subscription required with BMW Assist.

10 BMW Maintenance Program covers all factory-recommended maintenance on all new MY 2004 and later BMW vehicles, as determined by the Service Interval Indicator, for 4 years or 50,000 miles, whichever comes first. Exclusions from coverage: gasoline, gasoline additives, windshield washer fluids and additives, lights, tires, wheels, wheel alignment, tire balancing and rotation. All work must be performed by an authorized BMW center. See the Service and Warranty Information booklet for more specific terms, conditions and limitations. Further information can be obtained from your local authorized BMW center.

11 325Ci Sport Package requires leather upholstery.

12 No-cost option with 330Ci Performance Package.

13 Requires 330Ci Performance Package.

14 For additional information, please visit your authorized BMW center.
