Inspires exploration.

The new Bentayga takes you on a journey unlike any other. This completely reimagined SUV fuses luxury and performance to inspire exploration without limits.

Modern, distinctive andcommanding, the new Bentayga unites cutting-edge design and innovation, allowing you to experience everything this world has to offer.

Its all-road performance, unrivalled ride comfort and incomparable on-road handling are everything you would expect from a true Bentley, and more. This versatile SUV draws upon its breathtaking performance, innovation and considered design to deliver an unsurpassed, dynamic driving experience with a confident and striking presence.

Are you ready to find your extraordinary?

Visit the Bentley website to start your journey.

New Bentayga V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.2 (13.3). Combined CO₂ – 302 g/km.
The new Bentayga V8.

The new Bentayga V8 seamlessly fuses powerful performance with groundbreaking innovation, encompassed in unrivalled Bentley design.

With a commanding V8 engine and twin-scroll turbochargers that deliver power, speed and efficiency, you can expect an uncompromising, dynamic driving experience. Taking you from 0 to 60 mph in 4.4 seconds (0 to 100 km/h in 4.5 seconds) and on to a maximum speed of 180 mph (290 km/h), you will hear the immensely satisfying Bentley V8 burble every time it accelerates.

As capable, composed and supremely comfortable off-road as it is in the city, the new Bentayga V8 is the only SUV to offer the choice of four*, five or seven† seat configurations in one body style – allowing the whole family to explore together.

Own a First Edition.

To celebrate the arrival of this inspiring SUV, we have created a rare and collectible edition: the new Bentayga V8 First Edition.

Its exclusive design details include First Edition badging, both on the exterior and inside the car, as well as illuminated treadplates featuring the ‘Bentley’ name. Should you wish, you can also have either the words First Edition or the Bentley wings embroidered onto the seats.

A selection of the most desirable options available on the new Bentayga have been incorporated into this limited edition as standard. These include the advanced Touring Specification, the exquisite Mulliner Driving Specification and the Naim for Bentley premium audio system, to name a few.

You can explore the ultimate expression of this commanding SUV here.

New Bentayga V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.2 (13.3). Combined CO₂ – 302 g/km.
DESIGN

New Bentayga V8 WLTP drive cycle fuel consumption, mpg (l/100km) – Combined 21.2 (13.3). Combined CO₂ – 302 g/km.
Driven by design.

See and be seen in the distinctive new Bentayga.

Following modern Bentley design language, the new Bentayga truly is a sight to behold. From its reimagined front grille, new lights and dominant upright face, to its bold new lower bumper design with larger intakes and deeply sculpted surfaces, this SUV makes its presence felt, wherever it is.

The new Bentayga’s redesigned roof spoiler gives it a longer and more elegant profile. This is complemented by a new chrome fender vent that is positioned above the ‘power line’ on the body side. Meanwhile, the lower door mouldings catch the light for a captivating effect that sweeps the eye to the striking and powerful 22” multi-spoke wheels.*

At the rear, the latest evolution of Bentley design continues. New elliptical tail lamps are set into a beautifully sculpted tailgate panel, which pushes the boundaries of seamless contouring to the limit. Echoing the design of the rear lamps, the new Bentayga’s bold, updated bumper features oval shaped splic tailpipes and a prominent ‘Bentley’ badge.

It all results in a stunning, distinctive visual identity.

New Bentayga V8 WLTP drive cycle fuel consumption, mpg (l/100km) – Combined 21.2 (13.3). Combined CO₂ – 302 g/km.

*Cost option.
The beauty of light.

The new Bentayga turns to its new elliptical front lamps to light the way. The headlamps bear Bentley’s unique ‘cut crystal’ design, which achieves a unique effect with transparent internal surfaces and sharply defined diamond edges. A chrome ‘crown’ insert within allows the lamps to sparkle even when not illuminated.

The main tail lamp function is contained within an intricate ‘lattice pattern’ ring. This results in a one-of-a-kind, deep three-dimensional glow that is unique to Bentley.

New Bentayga V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.2 (13.3). Combined CO₂ – 302 g/km.
Immaculate inside.

The new Bentayga’s cabin sets the benchmark for SUV interiors – the ultimate in luxury, usability and the latest technology. It features a new, intuitive, high resolution, 10.9” touchscreen that spans the full width of the redesigned centre fascia.

Light floods in from above to illuminate the luxurious interior, courtesy of the tilt and slide panoramic roof. Beneath it, every detail of the new Bentayga’s handcrafted cabin has been meticulously considered. The famous Bentley wings marque has once again inspired the architecture of the cockpit, forming the symmetrical, double-wing arrangement that flows from door to door.

The interior design balances the relationship between veneer, leather and metal, combined with ergonomics, to provide you with unparalleled comfort. This marriage of elements continues as the textured pattern on the switchgear is placed alongside soft leathers and beautiful gloss veneers for luxury you can feel with every touch.

New Bentayga V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.2 (13.3). Combined CO₂ – 302 g/km.
For the driven.

When seeking the extraordinary, look no further than Bentley.

New dimensions provide optimal legroom and comfort in the rear cabin, particularly in the Four Seat Comfort Specification*, allowing passengers to unwind and recline without compromise.

You can choose from four*, five or seven*† seat arrangements, along with an optional Front Seat Comfort Specification*. This offers a six-setting massage function and 22 different types of adjustments, including cushion and backrest bolsters, to offer both driver and passengers a truly indulgent and relaxing experience.

The new Diamond Brushed Aluminium finish* on the fascia and door panels is a modern take on a traditional finish. This technique creates a stunning visual 3D effect, resulting in added depth when viewed from any angle.

The Mulliner Driving Specification* has been updated with a new quilting design, which features a ‘diamond within a diamond’ pattern, adding further depth and texture to the interior.

Uncompromising in every sense.

There is no need to compromise on performance, capability or comfort when you choose the new Bentayga. This commanding car has elevated the Sports Utility Vehicle to dramatic new levels, combining contemporary design with timeless craftsmanship to deliver an unmistakable aesthetic. Alongside phenomenal power and innovative technology, practicality goes hand in hand with comfort. Whether you are golfing or skiing, heading across continents or across town, navigating roads or leaving them far behind, the new Bentayga is perfectly equipped for every journey.

New Bentayga V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.2 (13.3). Combined CO₂ – 302 g/km.
A place to relax.

Regardless of where you are, you can rely on the new Bentayga’s elegant cabin interior to provide you with the comfort you desire. Every element of the cabin is crafted by hand. The veneers are carefully selected and meticulously mirror-matched to create a seamless flow of veneer around the car’s occupants.

This refinement continues in the seats, where new ergonomically designed cushions and backrests ensure complete comfort. For true audiophiles, the Naim for Bentley* premium audio system promises to give you the best audio quality, from the deepest bass to the highest treble.

The Touch Screen Remote (TSR) system is conveniently located in the rear of the central console, allowing rear passengers to control a wealth of entertainment and features. These include rear seat massage*, heating and ventilation*, climate control and sound, for a comfortable and cocooning experience.

Wireless phone charging is integrated in the stowage area forward of the gear lever. A convenient feature that ensures you stay connected to the world around you.

From comfort you can touch, to comfort you can feel, this modern SUV uses air ionizers to purify the air in the car. By removing particles and impure contaminations from the air, they can enhance your wellbeing, wherever your journey takes you.

New Bentayga V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.2 (13.3). Combined CO₂ – 302 g/km.

*Cost option.
Refined and practical. When it comes to the realities of modern luxury living, the new Bentayga is a car for all seasons and all lifestyles.

Innovative features have been designed to enable a whole spectrum of outdoor pursuits, across a vast range of climates and temperatures – from sea level on the Côte d’Azur to the snowline in the Sierra Nevada – so that your destination can be as exhilarating as the journey. The new Bentayga V8 delivers a towing capacity of 3.5 tonnes – more than ample for speedboats, gliders and horseboxes. The electrically retracting tow bar†* lies behind the rear bumper when not in use.

All features and accessories*, from an aerodynamic roof box to a range of tailored storage solutions for skiing, fishing, diving and other active pursuits, offer the luxury of practicality, whilst echoing the unmistakable new Bentayga styling. The spacious boot provides ample storage, while the hands-free tailgate, easy-load boot function and load assist tray* enable effortless opening, closing and loading.

Intuitive technology.

Bentley has long set the standard in luxury, all-wheel drive engineering, integrating the latest technologies in discreet and unobtrusive ways. Born of ‘intelligent functionality’, they are designed to enhance the enjoyment of driving.

Created with the driver in mind, the technology in the new Bentayga can be easily configured to suit your personal tastes, including several driver assistance systems to aid urban driving, grand touring and more robust off-roading.

This innovative SUV comes equipped with the latest suite of Connected Car services, accessible in-car and remotely via the My Bentley app, allowing you to monitor the location and status of your car, and control a host of functions wherever you may be. These services are designed to enhance your journey, making it safer, smarter and more convenient – even when you are apart from your vehicle.

However, the connectivity doesn’t end with you and your car. The new Bentayga harnesses infrastructure data such as real time traffic information, green light prediction and swarm services from other road users to warn of potential hazards on your chosen route. These Connected Car services mean the progress of your journey can remain uninterrupted, so whatever adventures you embark on, each can be relished to the full.

You can explore more innovative features here.

New Bentayga V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.2 (13.3). Combined CO₂ – 302 g/km.
From city roads to no roads.

Remarkable performance allied with exceptional handling and peerless ride comfort lets you experience every environment in world-class refinement.

Drive Dynamics Mode lets you adapt to your surroundings using an intuitive rotary dial. Whether you’re navigating the city or enjoying the open road, you can switch instantly between four on-road driving modes – Comfort, Sport, Custom and Bentley.

The All-Terrain Specification* adds four additional Responsive Off-Road Settings, to deliver more drive modes than any other car. The ‘Snow & Grass’ setting provides grip on low friction surfaces, ‘Dirt & Gravel’ gives optimum traction on loose debris, ‘Mud & Trail’ configures the car’s systems for muddy, uneven surfaces and ‘Sand’ gives greater confidence over dunes. And all the while, exhaustively tested underfloor protection ensures all key components are preserved.

An unrivalled driving experience.

The experience of driving a Bentley always has been – and always will be – at the heart of what makes it such an exceptionally desirable automobile. The new Bentayga is no exception.

Its comprehensive driver assistance systems are focused on enhancing and perfecting the ride experience – creating a cocoon of unrivalled comfort and security. A wide range of technologies have been developed to aid driving in the city: Blind Spot Assist*, Exit Warning*, Reversing Traffic Warning*, Traffic Sign Recognition*, Top-View Camera, Pedestrian Warning* and more. The head-up display† artfully feeds driving-relevant information into your line of vision, without distracting from your driving line.

Longer journeys also take on a greater sense of freedom. Adaptive Cruise Control**, Night Vision**, Bentley Safeguard Plus**, and High Beam Assist allow you to enjoy the new Bentayga’s performance at speed on the open road.

Connect to more.

The new Bentayga is poised and equipped with the latest suite of Connected Car services, harnessing real-time information to respond intelligently to the ever-changing world around you. These intuitive services are accessed seamlessly in-car, or remotely via the My Bentley app – the ultimate partner to any Bentley owner – ensuring your journey and your daily life is smarter, safer and more convenient.

Smart

Real-time traffic information gathers up-to-the-minute traffic data into the navigation system, enabling you to plan more effectively and avoid traffic congestion by dynamically re-routing your journey. In addition, the new Bentayga utilises the power of cloud data to enhance every journey. Google’s Point of Interest search provides easy, voice-controlled access to information about notable locations you may encounter on the way, while song recognition, news and weather feeds add further infotainment, effortlessly integrating technology as you drive.

With a built-in Wi-Fi hotspot*, you and your passengers can link your smart devices to this touchscreen through Android Auto, Apple CarPlay® and Wireless Apple CarPlay® – enhancing the Connected Car experience and allowing you to bring your world into the new Bentayga. The content from your device is displayed on the section of the screen furthest from the driver, so that useful driving information is never obscured.

Safe

Innovative safety features include Private eCall® and Roadside Assistance, which automatically connect you to a Bentley Emergency Call Centre or the Bentley Roadside Assistance team in the event of an accident, establishing your location and condition of the vehicle.

Furthermore, Theft alert and Perimeter alert will send you push notifications if your car leaves a predefined geographical area or if the alarm is activated.

Convenient

Every journey in the new Bentayga can be seamlessly interlinked with your day-to-day life. Calendar integration synchronises your personal device calendars with the car and your My Bentley app, combining them with features such as Auto Read Out and navigation assistance. Natural Speech Interaction allows voice control of over 200 functions within your car, ensuring your hands needn’t leave the wheel.

When you’re apart from your Bentley, Activate Heating allows you to adjust the climate control, preparing your cabin and passenger area with an optimum temperature ahead of your journey. You can even check the status of your locks, lights, mileage and fuel.

Always on

The My Bentley app is quite simply your essential companion, allowing you to stay connected to your car, wherever you are in the world. From knowing where it is, accessing its status, locking it and controlling specific functions, it provides the ultimate convenience.

Every aspect of the My Bentley app benefits from automatic updates, meaning new features will be deployed and improved without you having to tap a finger. Simply search and download the My Bentley app on the App Store or Google Play.

Apple CarPlay is a registered trademark of Apple Inc.
Screen time, reimagined.

For stunning views, you do not have to look far.

The new Bentayga features a completely new, high-resolution touchscreen infotainment system. This 10.9” screen has a resolution of 1920 pixels by 720 pixels, providing sharp, crystal-clear images and is underpinned by cutting-edge software to provide a high level of future-proofing. Here, you can intuitively control your personal device or smartphone which connects to the screen via Android Auto, Apple CarPlay® or Wireless Apple CarPlay® for a seamless experience.

There is also a fully digital Driver’s Information Panel located behind the steering wheel, not only creating a contemporary look within the cockpit, but providing more customisation and choice. For example, there are two main views, classic, which shows the traditional two dial design, or expanded, where only the left dial is in view, giving an expanded area for maps and media depending on your personal preferences.

PERFORMANCE

New Bentayga V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.2 (13.3). Combined CO₂ – 302 g/km.
The ultimate SUV.

The new Bentayga delivers Bentley's unique and exhilarating driving experience through a balance of raw power and efficiency, making it supremely versatile on-road and off-road.

As should be expected, it possesses the typical Bentley characteristics of phenomenal torque with ample reserves of power – ensuring a surge of acceleration is always available should it be needed.

This incredible SUV is engineered to perform perfectly at lateral and longitudinal angles of up to 35°, and in a wading depth of up to 500 mm. The advanced Torsen All-Wheel Drive (AWD) system delivers power to the wheels with the greatest available traction – while delivering unwavering confidence to the driver. The 8-speed transmission also ensures optimum gear selection and smooth, irresistible acceleration through multiple gear changes.

Its pulsating V8 engine, allied with a 48V Active Roll Control system – known as Bentley Dynamic Ride* – unites the presence of an SUV with the performance of a sports car and the refinement of a luxury saloon.

Together, these elements deliver enhanced ride comfort, exceptional handling and improved off-road capabilities. Combine this with a wealth of cutting-edge technology features and you begin to understand why the new Bentayga does not just lead the luxury SUV category – it defines it.

New Bentayga V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.2 (13.3). Combined CO₂ – 302 g/km.

The new Bentayga V8.

The new Bentayga V8 is powered by the most advanced V8 engine ever built. Powerful and efficient, it offers exhilarating performance and a dynamic driving experience accompanied by a distinctive sound that announces the car’s immense capabilities.

This advanced engine can produce a thrilling surge of power, with 542 bhp (550 PS) at your disposal. It reaches its maximum torque of 770 Nm (568 lb ft) at just under 2,000 rpm and maintains this through to 4,500 rpm. This ensures rapid acceleration whatever your driving speed – enabling the new Bentayga V8 to take you from 0 to 60 mph in just 4.4 seconds (0 to 100 km/h in 4.5 seconds), and on to a staggering top speed of 180 mph (290 km/h).

The V8 engine isn’t just relentless, it is also highly efficient. It employs a Variable Displacement System to shut down four of the eight cylinders when not required, reactivating them again as soon as they are needed without the driver even noticing. ‘Start-stop’ technology is deployed not only when the vehicle is stationary, but also at ‘near-stop’ speeds. The result is emissions of just 302 g/km of CO₂, a combined driving fuel economy of 21.2 mpg and a generous range of over 635 km.

In short, the V8 engine delivers exhilaration as well as efficiency to create an extraordinary driving experience.

New Bentayga V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.2 (13.3). Combined CO₂ – 302 g/km.
PERSONALISATION
Express your desire.

With a host of accessories and styling options allowing you to configure your new Bentayga to your personal taste, it is highly unlikely you will ever see another one like yours.

You can choose from an extensive palette of exterior paint colours, all of which are designed to maintain their brilliance for many years to come. With numerous different wheel designs, hide options, beautiful natural veneers and distinctive trim options, almost every visible feature of your new Bentayga can be customised to your own specification.

To make the new Bentayga truly yours, you have the choice of three optional stitching configurations to add a finer finish – contrast stitching*, hand cross stitching* and seat piping*.

Should you desire even more freedom to tailor your new Bentayga, you may opt for the dramatic Blackline Specification*, or consult the Mulliner* team at the Bentley factory in Crewe to undertake completely bespoke modifications to meet your specific requirements.

Visit Mulliner to discover more.

Cost option.
Exterior finish.

Colour can be a powerful expression of who you are. That’s why we offer a wide range of exterior colours carefully curated by the Bentley design team, each one chosen to emphasise your new Bentayga’s unique presence on the road.

With the new Bentayga, you can choose from seven standard exterior colours that range from the understated to the bold, or you can include the extended range to give you a total of 55 options.* This extended range now includes two new colours: Patina, a mid-tone beige reminiscent of Champagne and silk, and Viridian, a mysterious dark emerald green inspired by the EXP 10 Speed 6.

Should you desire something that truly stands out, you can explore the Bentley Mulliner* range of exquisite paint options, which are available in solid, metallic, satin and pearlescent options, as well as in striking duo-tones. Alternatively, if you have an exact colour in mind – whether it’s found on a favourite item of clothing, flower or piece of art – Mulliner offers a bespoke colour matching service* that can create a paint option that is entirely personalised to you.

To discover more, visit Mulliner.

Intrepid wheels.

Your choice of wheel can subtly or dramatically alter the character of your SUV.

To make your new Bentayga truly distinctive, you can choose between three striking alloy wheel options: a 21" five twin-spoke design, a 22" five spoke directional design* and a 22" ten spoke directional design available with the Mulliner Driving Specification*. Each of these wheels is available in a choice of breathtaking finishes.

To explore the options for yourself, visit our online configurator.

*Cost option.
Compelling veneers.

Bentley’s enthusiasm for fine materials and handcrafted finishes can be clearly seen in the new Bentayga’s flawless veneers. Sustainably sourced from forests around the world, each leaf of wood can be traced right back to the tree it came from; the beginning of an intricate process that takes around five weeks for every car. The veneers are sanded and lacquered five times, taking a full ten days to reach the Bentley standard of finish. The resulting shine is both lavish and deep, beautifully highlighting the natural grain of the wood.

Our vast choice of veneers is detailed on the next page. And should you desire a more contemporary twist, why not discover our latest eye-catching technical finishes, including high-gloss Carbon Fibre, offering a formidable, sporty element; or the stunning new Dark Tint Diamond Brushed Aluminium, where each diamond is brushed in three directions to give an exceptional, textured 3D effect finish.

How will you make your fascia a thing of beauty? Create yours.

New Bentayga V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.2 (13.3). Combined CO₂ – 302 g/km.

Natural hides.

Every inch of the new Bentayga’s interior is upholstered by hand. Crafting the hand-selected leather hides is a time-honoured process involving skills that take years to learn.

From the fascia to the leather headlining*, every inch of the cabin requires a specialised approach. Sections of the hide with high natural elasticity are reserved for curved surfaces like the seats, rather than for piping or flatter areas such as door inserts. The steering wheel, meanwhile, is covered in a highly resistant leather to ensure the natural chemicals from the driver’s skin are not absorbed, creating grip, comfort and longevity.

The Bentley design team have chosen 15 leather colours, and five colour combinations, to let you express your individual style. Each one complements the interior perfectly.

Bentley events.

We run a number of events each year for Bentley drivers and enthusiasts.

From the Extraordinary World programme, which offers the opportunity to explore some of the most remote and beautiful landscapes in the world from the luxury of a new Bentayga, to exclusive drives through Europe experiencing the finest cuisine and culture on offer, there is a Bentley event to satisfy everyone.

To discover more, please talk to your local Bentley retailer or visit BentleyMotors.com.

The Bentley Network.

Imagine an app that puts the world of Bentley in your hands.

The Bentley Network app provides access to essential owner services, an exclusive line of communication with Bentley and membership of a global community of like-minded owners – placing the future of Bentley, quite literally, at your fingertips.

Available exclusively to Bentley owners, the app is a fast track to a world of unique events – with priority invitations to everything from thrilling driving experiences to intimate dinners and some of the most exhilarating races in the global motorsport calendar.

The wealth of extraordinary owner services includes initiatives such as ‘Bentley on Demand’, which allows you to use a Bentley when travelling.

Through the Bentley Network app, you will be the first to hear our latest news, announcements and exclusive content.

You can also share your ideas, inspiration and experiences with an online community of like-minded owners.

To download the Bentley Network app click here.
New Bentayga V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.2 (13.3). Combined CO₂ – 302 g/km.
The new Bentayga V8.

**STANDARD SPECIFICATION**

**POWERTRAIN AND VEHICLE DYNAMICS**
- Air Suspension with Continuous Damping Control
- Electronic Stability Programme (ESP) with Traction Control (TCS), Anti-lock Braking System (ABS), Electronic Brake Force Distribution (EBD), Hydraulic Brake Assist (HBA), Drag Torque Control (MSR), Electronic Diff Lock (EDL)
