PURSUE EVERY PASSION.

You’re ready to live your best life in Blazer. Its wide stance and assertive styling, paired with a roomy, driver-centric interior, set it apart. The lineup ranges from the well-equipped LT to the sport-tuned RS to the sophisticated Premier. Performance is produced by three available engines, including the 308-horsepower V6 or a turbocharged 2.0L engine. And available advanced safety technology can provide confidence as you travel. You can see it’s easy to find everyday freedom in the 2021 Chevrolet Blazer.

FIND NEW ROADS™
LT
Modern and muscular, Blazer LT is as elegant as it is capable.

A signature Black grille with chrome header, standard 18-inch aluminum wheels and a rounded dual-outlet exhaust ensure you’re noticed both coming and going. An efficient 2.5L engine is featured on 1LT, while 2LT and 3LT are powered by the standard 2.0L Turbo or an available 3.6L V6. Inside, Premium Cloth or available leather-appointed seating surfaces offer a comfortable oasis during your travels.

RS
The street-inspired RS introduces itself to the world with sleek, muscular style.

A custom Black mesh grille with a unique hexagonal design, Black Ice Chrome header and Black bowtie emblem start the sporty theme. The standard 308-horsepower 3.6L engine provides the performance, and a rectangular dual-outlet exhaust and 20-inch machined-face aluminum wheels or available 21-inch gloss Black-painted aluminum wheels (shown) keep things going. An RS-exclusive Red-accented interior is highlighted by perforated leather-appointed seating surfaces and heated front seats.

1 EPA-estimated 21 MPG city/27 highway.
PREMIER
Premier adds sophistication to any situation.

A signature bright chrome-accented grille with chrome header, Silver-painted roof rails and chrome-accented door handles elevate the exterior appearance. 20-inch aluminum wheels or available 21-inch Pearl Nickel-painted aluminum wheels (shown) and an integrated rectangular dual-outlet exhaust extend the upscale experience. A standard 2.0L Turbo or an available 3.6L V6 engine\(^1\) supplies the power.

The Premier-exclusive Maple Sugar or Jet Black interior features unique leather-appointed seating surfaces with sueded microfiber inserts. Heated and ventilated front seats and heated rear outboard seats are only the beginning of the luxurious touches you’ll find inside.

\(^1\) Some Premier models will have been produced with the 3.6L V6 engine as standard equipment at start of production.
EXTERIOR DESIGN

Blazer RS in Cherry Red Tintcoat (extra-cost color) with available features including 21-inch gloss Black-painted aluminum wheels.
BOLD AND BEAUTIFUL.

Blazer stands out from other SUVs with a bold look and powerful presence, boasting a muscular profile and aggressive design appeal that draws on the Chevrolet performance heritage.

Ultra-thin LED daytime running lamps above the headlamps provide an eye-catching look any time of day. High-intensity discharge (HID) headlamps offer crisp, bright illumination.

LED taillamps wrap around the liftgate and bodysides, producing a high-tech appearance.

You’ll find a variety of stylish wheels are available, including the optional 21-inch gloss Black-painted aluminum wheels shown here on RS.

A dual-outlet exhaust is standard: Blazer L and LT feature round outlets, RS showcases rectangular outlets and Premier has outlets that are integrated through the fascia.
In every Blazer, intuitive **driver-focused controls**, switches and features are within easy reach. Camaro-inspired air outlets utilize rotating dials for quick, intuitive climate control.

Premier features perforated **leather-appointed seating surfaces** with sueded microfiber inserts. Chrome touches and bright front sill plates add an air of sophistication as you enter and exit.

**Heated front seats** provide a warm embrace in 3LT, RS and Premier. The comfort level is raised even higher on Premier with standard ventilated front seats and heated rear outboard seats, features that are available on RS.

Whenever the vehicle is on and it is cold outside, an automatic **heated steering wheel** senses the interior temperature and cycles on or off as necessary for hands-on comfort. Standard on RS and Premier.

A **Bose premium 8-speaker audio system** brings high-quality sound wherever you travel. Standard on Premier; available on 3LT and RS.
A Jet Black interior with perforated leather-appointed seating surfaces is your home on the road in RS. Perforations in the seat cushions reveal Red accents. The theme continues with Red piping on the seats and Red-tinted chrome accents.

The second-row seats slide up to 5.5 inches forward or rearward to provide more passenger room or additional cargo space. Each rear seat reclines for added comfort or folds flat to create room for longer, larger items.

“Quiet” is the word of the day in Blazer. Active Noise Cancellation uses sound waves to help counteract unwanted engine noise. Combined with a honed exterior that helps reduce wind noise and numerous other acoustic enhancements, the Blazer interior is a quiet place for a conversation, whether you’re using the hands-free phone function or talking to people in the second row.

True White ambient light pipes on the passenger side and below the front door handles combine with LED lighting in the center console to provide functional sophistication. Standard on RS and Premier.

Rear Seat Reminder provides alerts to double-check for valuable items left behind. It activates when the rear doors are opened and closed up to 10 minutes before or anytime while your vehicle is on, so when you turn off the vehicle under certain conditions, a chime sounds and a message appears in the Driver Information Center.

Does not detect people or items. Always check rear seat before exiting.
POWER FOR EVERY PERSONALITY.

Choose from a trio of available dynamic engines, each paired with a smooth-shifting, efficient 9-speed automatic transmission:

- A 3.6L V6 engine, standard on RS and available on 2LT, 3LT and Premier, generates 308 horsepower and 270 lb.-ft. of torque, with an EPA-estimated 20 MPG city/27 highway. With available trailering equipment, this engine can tow up to 4,500 lbs.¹

- A 2.0L Turbo, standard on 2LT, 3LT and Premier, creates 227 horsepower and 258 lb.-ft. of torque, with an EPA-estimated 22 MPG city/29 highway.

- A 2.5L engine, standard on L and 1LT, offers 193 horsepower and 188 lb.-ft. of torque, with an EPA-estimated 21 MPG city/27 highway.

¹ Some Premier models will have been produced with the 3.6L V6 engine as standard equipment at start of production. ² Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner’s Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.
PERFORMANCE

You can adjust performance based on road and surface conditions with the simple turn of the Driver Mode Selector dial. Up to five modes are available: TOUR is for everyday driving and powers the front wheels only on all-wheel-drive (AWD) vehicles to improve fuel efficiency; AWD (all-wheel-drive models) or SNOW/ICE (front-wheel-drive models) helps offer better control when snow and ice make road conditions slippery; SPORT increases steering effort for more road feel and modifies the transmission shifting for more available power; OFF-ROAD (AWD models) distributes torque in an optimal manner to all four wheels for improved performance on gravel or loose dirt; TOW/HAUL (3.6L-equipped models with available trailering equipment) modifies the transmission shifting to provide more torque from the engine to pull the extra weight added by a trailer.

RS features an available Advanced Twin-Clutch All-Wheel Drive system that can deliver torque independently to either rear wheel. This optimizes traction on slippery roads and improves sporty dry-road-handling performance.

When the windshield wipers are activated, the standard Auto-Dry Brakes feature automatically positions the brake pads closer to the rotors to sweep away moisture and help improve brake performance. Every Blazer also has front and rear disc brakes with large Duralife® rotors and 4-channel antilock brakes.

1 EPA-estimated MPG city/highway: 21/27 (2.5L FWD), 22/29 (2.0L FWD), 22/27 (2.0L AWD), 20/27 (3.6L FWD), 19/26 (3.6L AWD).
Blazer features a versatile, flexible system that helps make cargo management, and carrying passengers, a beautifully simple endeavor.

Loading Blazer is a breeze with an available power liftgate that provides access to 64.2 cubic feet of maximum cargo space. That’s enough room for multiple loaded full-size golf bags to fit horizontally.

An available floor-mounted rail system with an adjustable cargo fence helps secure gear when traveling. Standard on Premier. Available on RS.

You’ll find two-tier storage solutions in the front doors as well as bins under the armrest and around the interior. In the cargo area, push hooks help secure grocery bags, and there’s a hidden space beneath the floor.

With the rear seats folded down. Cargo and load capacity limited by weight and distribution.
Hands-free gesture power liftgate standard on RS and Premier.

Power liftgate standard on 3LT, RS and Premier; available on 1LT and 2LT.

Electronic locking glove box.
TECHNOLOGY

Wireless Apple CarPlay™ compatibility for your iPhone* (shown) and wireless Android Auto™ compatibility.

Available 8-inch diagonal customizable Driver Information Center.

Available myChevrolet Mobile App3 includes remote vehicle start if properly equipped (requires paid plan).

---

1 Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. 2 Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible Android smartphone. Data plan rates apply. You can check which smartphones are compatible at g.co/androidauto/requirements. 3 Available on select Apple and Android devices. Service availability, features and functionality vary by vehicle, device and the plan you are enrolled in. User terms apply. Device data connection required. Visit onstar.com for details and limitations.

Apple CarPlay is a trademark of Apple Inc. Siri, iPhone and Apple Music are trademarks of Apple Inc., registered in the U.S. and other countries. Android and Android Auto are trademarks of Google LLC.
YOUR CONNECTIONS ARE JUST A TOUCH AWAY.

- The Chevrolet Infotainment System\(^1\) is intuitive and easy to use, with an 8-inch diagonal color touch-screen display that is standard on every Blazer.

- Available 4G LTE Wi-Fi\(^2\) Hotspot\(^2\) provides a fast and reliable connection for up to seven devices.

- With available Alexa Built-In\(^3\), you can use voice commands to stream your favorite music, get directions, make calls, change your radio station and more — on the go.

- Available Hitch Guidance\(^4\) uses overlays from the available Rear Vision Camera\(^4\) to help you align your Blazer with a trailer.

---

\(^1\) Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices.

\(^2\) Service varies with conditions and location. Requires active service and paid AT&T data plan. Visit onstar.com for details and limitations.

\(^3\) Functionality is subject to limitations and varies by vehicle, infotainment system and location. Select service plan required. Certain Alexa Skills require account linking to use. Visit onstar.com for additional details.

\(^4\) Safety or driver assistance features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner’s Manual for more important feature limitations and information.
SAFETY AND DRIVER ASSISTANCE

HD SURROUND VISION.

- HD Surround Vision uses multiple cameras to display a digital overhead image of the area around your vehicle on the infotainment display.
- Can help you park and avoid nearby objects at low speeds.
- Additional views can be selected on the camera display.
- Available on 3LT, RS and Premier.

1 Safety or driver assistance features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner’s Manual for more important feature limitations and information.
Safety or driver assistance features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner’s Manual for more important feature limitations and information.

Safety cage made with significant amounts of high-strength and ultra-high-strength steel.

Available Rear Camera Mirror.

Teen Driver technology.
SAFETY IS ALWAYS IN STYLE.

Adaptive Cruise Control. While you steer, this feature can automatically maintain a driver-selected gap time from the detected vehicle you’re following. Available on RS and Premier.

Front Pedestrian Braking. At speeds below 50 mph, this feature can help you avoid or reduce the severity of a front-end collision with a pedestrian it detects directly in front of you. It provides pedestrian alerts and can even automatically provide hard emergency braking or enhance the driver’s hard braking. Limited nighttime and low-visibility performance. Standard on 2LT, 3LT, RS and Premier.

Automatic Emergency Braking. At speeds below 50 mph, this feature works with Forward Collision Alert to help you avoid or reduce the severity of a front-end collision with a detected vehicle you’re following by automatically providing hard emergency braking or enhancing the driver’s hard braking. Standard on 2LT, 3LT, RS and Premier.

Forward Collision Alert. Can warn you if it detects a potential front-end collision with a vehicle you’re following. It can also provide a tailgating alert if you’re following much too closely. Standard on 2LT, 3LT, RS and Premier.

Following Distance Indicator. This feature can display the gap time in seconds between your vehicle and a detected vehicle you’re following. Standard on 2LT, 3LT, RS and Premier.

Lane Keep Assist with Lane Departure Warning. Uses a brief, gentle steering wheel turn to alert you when you may be unintentionally drifting out of detected lane lines, so you can steer to stay safely in your lane. If needed, you may receive additional Lane Departure Warning alerts. System alerts do not occur if you are using your turn signal or it detects that you may be intentionally leaving your lane. Standard on 2LT, 3LT, RS and Premier.

Lane Change Alert with Side Blind Zone Alert. This feature can provide side mirror visual alerts when a detected moving vehicle is quickly approaching or is in your side blind zone. Standard on 3LT, RS and Premier. Available on 1LT and 2LT.

Rear Cross Traffic Alert. This feature can warn you of detected left or right cross traffic behind your Blazer when in Reverse. Standard on 3LT, RS and Premier. Available on 1LT and 2LT.

Rear Vision Camera. This feature provides an image of the area directly behind your vehicle when traveling in Reverse at low speeds. Standard on all models.

Rear Park Assist. Can provide distance alerts to nearby detected objects behind your vehicle to help you park and avoid collisions when traveling in Reverse at low speeds. Standard on 3LT, RS and Premier. Available on 1LT and 2LT.

StabiliTrak® Electronic Stability Control. This standard system detects the difference between the path being steered and the direction the vehicle is actually traveling. It then uses the brakes and, if necessary, adjusts propulsion torque to help you keep your Blazer on track.

Safety Alert Seat. Safety Alert Seat uses driver-seat vibration pulses on the left, right or both sides to help you identify the direction of potential crashes so you can quickly take action. You can also switch to beeping crash avoidance alerts. Available on RS and Premier.

IntelliBeam® Can automatically turn the vehicle’s high beam headlamps on and off according to surrounding traffic conditions. Standard on 2LT, 3LT, RS and Premier.
Safety starts with you. Safety or driver assistance features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner’s Manual for more important feature limitations and information.

### SAFETY & SECURITY

Airbags: Frontal airbags for driver and front passenger; knee airbag for driver; seat-mounted side-impact airbags for driver and front passenger; head-curtain airbags for front and rear outboard seating positions; includes front Passenger Sensing System for frontal passenger airbag

Automatic Emergency Braking

Forward Collision Alert

Rear Cross Traffic Alert (requires available Convenience and Driver Confidence Package on 1LT and 2LT)

Rear Park Assist (requires available Convenience and Driver Confidence Package on 1LT and 2LT)

Rear Vision Camera

HD Surround Vision (includes HD Rear Vision Camera) (requires available Sound and Technology Package on 3LT; requires available Driver Confidence II Package on RS and Premier)

Safety Alert Seat (requires available Driver Confidence II Package)

Teen Driver technology

Theft-deterrent system: Unauthorized entry

1 Some Premier models will have been produced with the 3.6L V6 engine as standard equipment at start of production. 2 Read the vehicle Owner’s Manual for important feature limitations and information. 3 Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. 4 Map coverage available in the United States, Puerto Rico and Canada. 5 A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child’s age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner’s Manual and the child safety seat instructions for more safety information.

1 When you select a monthly plan within 30 days of activating your 1-month trial, you’ll receive the first 2 months of the plan you select at no additional charge when you associate an approved payment method on file to your account and authorize recurring payments for your service plan. The amount and frequency of each recurring payment is based upon the service(s) and payment interval(s) you select from the options provided. After the trial expires, OnStar will automatically bill your payment method monthly at then-current standard monthly rates. Plans containing 4G LTE data will be billed every 30 days by AT&T. You may cancel at any time by pushing your blue OnStar button or calling 1-888-466-7827. May not be combined with other offers or retroactively applied. Offer subject to change. 2 Advisor-based Turn-by-Turn Navigation is subject to User Terms and limitations, and varies by vehicle model. Map coverage available in the United States, Puerto Rico and Canada. 3 Read the vehicle Owner’s Manual for important feature limitations and information. 4 Does not detect people or items. Always check rear seat before exiting.

Enroll. It’s quick, it’s easy and there is no cost to join. You will automatically receive points just for enrolling. To enroll, visit mychevroletrewards.com.

Earn. Earn points on eligible new vehicle leases or purchases, which can be redeemed toward accessories¹; vehicle service and more. Plus, get points for paid service²; select OnStar³ and Connected Services plans⁴; and many others.

Enjoy. Use points toward eligible accessories³; paid service, eligible new vehicles⁷ and more. It’s our way of saying thanks!

NEW VEHICLE LIMITED WARRANTY

Chevrolet will warrant each 2021 Blazer with:

- 3-year/36,000-mile⁸ Bumper-to-Bumper Limited Warranty.
- 6 years/100,000 miles⁹ of Rust-Through Protection.
- 5-year/60,000-mile⁹ Powertrain Limited Warranty.
- 5 years/60,000 miles⁹ of Roadside Assistance⁹ and Courtesy Transportation.

¹ Requires available trailering equipment. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner’s Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.
² Cargo and load capacity limited by weight and distribution. ³ Must be 18 years or older. Points may be earned and redeemed only at participating GM entities, dealers or third party retailers in the United States (excluding Puerto Rico, the U.S. Virgin Islands or Guam). Points are not earned on taxes or certain fees, and expire 5 years from when points are earned. Some restrictions apply. For more information, please view full program Terms & Conditions. ⁴ Members may use the voucher on eligible Chevrolet, Buick, GMC and Cadillac Accessories purchased through a participating dealership. Voucher must be used by expiration date noted. Any unused amount of the voucher will be forfeited. ⁵ Excludes taxes, fees and body shop repair orders. It could take up to 15 days for points to post to your account. ⁶ Connected vehicle services vary by vehicle model and require working electrical system, cell reception and GPS signal. Requires active service plan. OnStar links to emergency services. Visit onstar.com for details and limitations. ⁷ Not compatible with some other offers, including the GM Employee Discount programs. Excludes 2020 Chevrolet Corvette. Dealer contribution may affect final consumer cost. ⁸ Maintenance visit must occur within first year of vehicle delivery. Service visit consists of ACDelco dexos1™ Full Synthetic Oil and Filter Change/Tire Rotation/MPVI. Does not include air filters. See participating dealer for other restrictions and complete details. ⁹ Whichever comes first. See dealer for details. ¹⁰ Roadside service provided by Allstate Roadside Services. Limitations apply.
**IMPORTANT INFORMATION**

**Chevrolet Owner Center (my.chevrolet.com).** Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

**Engines.** Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

**Assembly.** Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

**Chevrolet Connected Services and OnStar.** Connected vehicle services vary by vehicle model and require an active service plan, working electrical system, cell reception and GPS signal. OnStar links to emergency services. Visit onstar.com for details and limitations.

**A note on child safety.** Always use seat belts and the correct child restraint for your child’s age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner’s Manual and the child safety seat instructions for more safety information.

**Important words about this catalog.** We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Mid SUV-Crossover segment and latest available competitive information. Excludes other GM vehicles.

**Fleet orders.** Some standard content may be deleted on fleet orders. See dealer for details.

**Chevrolet ownership experience.** Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You’ll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

**Chevrolet.com/safety.** Chevrolet is committed to helping keep you and your family safe — from the start of your journey to your destination. That’s why Chevrolet vehicles offer standard and available safety and security features to help give you peace of mind.

**GMmobility.com (1-800-323-9935).** GM Mobility™ offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

**The BuyPower Card.** The Chevrolet BuyPower Card — Every purchase you make with the BuyPower Card from Capital One™ helps you earn toward an eligible new Chevrolet, Buick, GMC or Cadillac vehicle. There’s no limit on the amount you can earn or redeem, and your Earnings don’t expire. Visit chevroletbuypowercard.com/catalogs.

* Capital One, N.A. is the issuer of the BuyPower Card. General Motors (“GM”) is responsible for the operation and administration of the Earnings program.
